He couldn't get the deed done with an accommodating widow or a servant at a ton gathering. The strangest things kept intervening, like flying desserts and lady hawks. But nothing was stranger than the blue-eyed serpent, unless it was the serpent's effect on Peter. It made him stop looking for anything except the lady with those magical blue eyes. But he didn't believe in love and refused to marry - so what would Peter do if he found her?

One Shot at Forever-Chris Ballard 2012-05-15 "One Shot at Forever is powerful, inspirational. . . . This isn't merely a book about baseball. It's a book about heart." --Jeff Pearlman, New York Times bestselling author of Boys Will Be Boys and The Bad Guys Won In 1971, a small-town high school baseball team from rural Illinois, playing with hand-me-down uniforms and peace signs on their hats, defied convention and the odds. Led by an English teacher with no coaching experience, the Macon Ironmen emerged from a field of 370 teams to represent the smallest school in Illinois history to make the state final, a distinction that still stands. There the Ironmen would play against a Chicago powerhouse in a dramatic game that would change their lives forever. In this gripping, cinematic narrative, Chris Ballard tells the story of the team and its coach, Lynn Sweet: a hippie, dreamer, and intellectual who arrived in Macon in 1966, bringing progressive ideas to a town stuck in the Eisenhower era. Beloved by students but not

administration, Sweet reluctantly took over the ragtag team, intent on teaching the boys as much about life as baseball. Together they embarked on an improbable postseason run that buoyed a small town in desperate need of something to celebrate. Engaging and poignant, One Shot at Forever is a testament to the power of high school sports to shape the lives of those who play them, and it reminds us that there are few bonds more sacred than that among a coach, a team, and a town. "Macon's run at the title reminds us why sports matter and why sportswriting has such great power to inspire. . . . [It's] one hell of a good story, and Ballard has written one hell of a good book." --Jonathan Eig, Chicago Tribune Bewitched Forever-Herbie J. Also included are: A chronology of all 254 episodes, detailing the writers, directors, guest stars, plots, and anecdotes from behind-the-scenes of each segment; Bewitched trivia, including how Elizabeth Montgomery created the famous witch-twitch; Comments culled from interviews with Elizabeth Montgomery, Dick York, Dick Sargent, Agnes Moorehead, David White (Larry Tate), Alice Ghostley (Esmeralda), Erin Murphy (Tabitha), and more; A list of 22 Emmy nominations the show garnered and other memorabilia information; Over 150 photos, at least 50 of which have never been published before; Biographies of the entire ensemble of actors, staff, and crew. Darel Ericson of the Dahanavar clan is a rarity among his vampire brethren: he's an empath, strong enough to occasionally read thought as well as emotion. For centuries, his power has given the Dahanavar a significant advantage against the machinations of the other vampire families, an advantage which makes Darel both a powerful tool and a highly visible target. Fortunately for Darel, it is more useful for the heads of the other clans to maintain the centuries-long peace between the houses than to remove him. But, the cunning and violent head of the House of Nachterret is tired of the truce, and of hiding his presence in the world. The Nachterret would like nothing more than have free reign over the helpless human cattle upon which they feed. Darel, and the human woman he loves, become central to the Nachterret's scheme to plunge the Houses into all out war. Darel is ultimately forced to face the question: is one young woman's life too high a price to pay for peace? Frenchwomen of a certain age (over forty) are captivating and complex. They appear younger than their years and remain stylish throughout their lives. They look at birthdays as a celebration of a life well-lived and perhaps a good reason to go shopping before they dress to perfection for a celebration of another anniversaire. American-born journalist and blogger Tish Jett has lived among the French for years and has studied them and stalked them to learn their secrets. Exploring how their wardrobe, beauty, diet, and hair rituals evolve with time and how some aspects of their signature styles never change, Jett shows how Frenchwomen know their strengths, hide their weaknesses, and never talk about their fears, failures, or flaws. After all, in France, beauty, style, and charm have no expiration dates!

Forever ... Christmas-Mary Kelly Reed 2014-11-30 SOMETIMES IT TAKES TIME TO FALL IN LOVE AT FIRST SIGHT My name is Katie and I couldn't have imagined a better setting for a romantic encounter other than Christmas Eve. The only problem is that Alex isn't exactly my ideal man and he doesn't seem to have fallen for my charms either. He's insisted, right from the start, that he is absolutely not interested in dating me. At least we can agree on one thing. But when each Christmas he whisks me away into a romantic story filled with snowflakes, laughter and unforgettable memories, I start to wonder if maybe I judged him too quickly. After all, he brings so much enchantment into my life and makes my heart beat faster than anyone else can. The only small obstacle standing in the way: he's not in love with me. Can I count on the magic of Christmas to make a miracle happen? EXCERPT 1 I make a sudden movement and both of us fall. He laughs, but gets worried when he sees me all tangled up in the covers and unresponsive. “Katie?” “Everything but my pride is okay.” He helps me up and throws me on the bed. “All this to avoid kissing me?” “What? No!” I protest, blushing. He gives me a disbelieving look. “You think I don't know what's going through your head?” “What?” I urge him on. “Oh my God, how could I resist his beautiful eyes, his luscious lips, his soft hands

and his killer smile?" he says with a mischievous look that makes me laugh. "What? That's not at all what I'm thinking." "Too bad, because I am." He looks at me affectionately. "Come on, stand up." How can he flirt with me and appear so detached at the same time? This is clearly not a good sign for me. I must not be that irresistible after all. EXCERPT 2 I get up and start doing a little dance step. When Alex suddenly grabs me like a sack of potatoes and takes me out of the living room, I don't realize what he wants to do. "You beat me, but that doesn't mean you'll get a reward. I know you and my Dad cheated. You want me to turn back into the Alex that you know? Here he is." He throws a snowball at me. Christine joins us and I ask for help. The battle grows. Fortunately, these two also have some scores to settle, and I can rest a bit. Except that when Alex notices that I'm not playing any more, he bombards me. "Stop," I beg him as if I can't take it anymore. Christine gets worried and asks him to leave me alone. "Oh no, you're not really gonna fall for that are you?" Alex says and comes over to me. "Stop! Really?" "Okay, okay, I'm playing." Our eyes meet, and we remain still for a few seconds. "You guys can say what you want, but if in this moment you don't want to kiss, I know nothing at all." It's a good thing Christine said something because it's enough to break the spell. What's going on with us? I know we've already kissed, but it was years ago. Since then nothing has happened between us. "You think you know everything?" Alex grabs Christine and shoves some snow down her neck. "I hate you," she cries. Forever ...  Forever One Summer-George M. Leon  
 2007-11-20 This is a love story based on events that occurred in my life more than fifty years ago. Some of the names have been changed, and some events may have been diminished or embellished while recalling things that happened when writing the story. The story is based on recollections of actual experiences I had. It is a story filled with discovery, joy, and the innocence of teenage years back in the fiftys. It also shows

how those years became the building blocks of a lifetime. The motivation for writing this came from an extraordinary thing that happened to me in the Spring of 2006 that stirred my memory and caused me to recall with clarity what I had so long ago buried in my subconscious mind. I met a person who became a good friend, but more importantly she reawakened everything I had discovered in that one magical summer back in 1954. Looking back as an adult fifty years later made me realize that there is symmetry in life, but many people never take the time to see it. This all started for me when we returned from our Winter Condo in Boca Raton, Florida in April of 2006. As per my usual morning routine, I continued to awaken early and go over to Starbucks to sit and have my morning cup of Decaf Americano. I'd sit there and read the Daily News, or the New York Times, and chat with some fascinating people I had met who'd become friends in the several years since I retired. One particular April morning I came in and they had a new person in charge of the morning shift working there. From the moment I saw her I could not stop looking at her. There was something instantly so familiar about her, but I wasn't able to see exactly what it was initially. When I made the connection with what it was it hit me like a ton of bricks. After we were introduced we began chatting briefly, but the more we made small talk, the less I actually heard what she was saying as memories of my past flooded back. All of a sudden I was fifteen years old again. I knew then I had to sit down and somehow get this written. I also knew I would at some point; have to share this amazing story with her if or when I got to know her better. It was interesting recalling my early childhood, and the events that brought me to that wonderful summer of discovery, and falling in love for what I believed then to be the first and last time in my life. That summer held some of the keys to the person I would become as I grew up, and dealt with life at all ages.

*Immortality-Robin Sacredfire* 2015-03-11 Since man has known himself and became conscious of death, the greatest wish of all has been to

become immortal. Such desire led many in the quest for magic sources of eternal youth in nature, magic, religion and art, but also blood drinking rituals. For others, immortality had to be conquered, with wars, empires, ruthless or brave leaderships, and, in most recent years, with the manipulation of the public opinion and use of hypnosis. True Immortality, however, isn't something that we should be searching outside of ourselves but within. One can put his name in history through a huge variety of deeds, good or bad, but a name is just an illusion, just like our identity and personality are as well. The true and only immortal element in a human is his spirit, which by impersonating different entities and expressing himself through different souls, travels through time, from one reality to another, in a never ending cycle of life and death. It is the spirit that becomes the master and the disciple, the king and the slave, the man and the woman, the strong and the weak, the loved and the hated, in order to truly develop a clear perspective of self and learn to discard the ego, while expressing a contradiction inside the drama that is life. In this drama, some times he represents what he fears, and other times who imposes that fear, as well as the one that receives the most and the one that offers plenty. The conscience of

self is immortal and never ceases expanding. Knowing that we are immortal and gaining conscience about it is the purpose of this book, which intends to describe the path to such state of mind.

The Alchemy of Forever-Avery Williams

2012-04-26 People say 'love never dies'... but love might be the death of Seraphina. Seraphina has been alive since the Middle Ages, when her boyfriend, Cyrus, managed to perfect a method of alchemy that lets them swap bodies with any human being. She doesn't want to die, so she finds young people who are on the brink of death, and inhabits their bodies. When we meet Sera, she has landed in the body of a girl named Kailey who was about to die in a car accident. For the first time, Sera falls in love with the life of the person she's inhabiting. Sera also falls for the boy next door, Noah. And soon it's clear the feelings are returned. Unfortunately, she can never kiss Noah, because for her to touch lips with a human would mean the human's death. And she has even more to worry about: Cyrus is chasing her, and if she stays in one place for long, she puts herself -and the people she's grown to care for - in danger.
