Love Lies Dreaming-C. S. Forester 2013-07-23 First published in 1927, Love Lies Dreaming is one of C.S Forester's earliest novels. Told in the voice of a young writer struggling to pen his next novel and therefore superficially preoccupied with the art of novel writing, at its true core this is a story about the quarrels and joys of early married life. In the end, as the narrator discovers, the best inspiration for good novel writing comes from the very ordinary jealousies and insecurities that make up his daily relationship with his wife, Constance. Written tenderly, but without nostalgia, this novel is a commentary on what it means to be young, married and in love, and is as relevant today as when it was first published.

A Man Lies Dreaming-Lavie Tidhar 2016-03-15 The novel that stunned—and scandalized—Europe comes to America Wolf, a low-rent private detective, roams London's gloomy, grimy streets, haunted by dark visions of a future that could have been—and a dangerous present populated by British Fascists and Nazis escaping Germany. Shomer, a pulp fiction writer, lies in a concentration camp, imagining another world. And when Wolf and Shomer's stories converge, we find ourselves drawn into a novel both shocking and profoundly haunting. At once a perfectly pitched hard-boiled noir thriller (with an utterly shocking twist) and a "Holocaust novel like no

other" (The Guardian), A Man Lies Dreaming is a masterful, unforgettable literary experiment from "one of our best and most adventurous writers" (Locus).
