Magda Portal, a poet and journalist, would become one

of Latin America's most successful and controversial politicians. In this richly nuanced portrayal of Portal, historian Myrna Ivonne Wallace Fuentes chronicles the dramatic rise and fall of this prominent twentieth-century revolutionary within the broader history of leftist movements, gender politics, and literary modernism in Latin America. An early member of bohemian circles in Lima, La Paz, and Mexico City, Portal distinguished herself as the sole female founder of the American Popular Revolutionary Alliance (APRA). A leftist but non-Communist movement, APRA would dominate Peru's politics for five decades. Through close analysis of primary sources, including Portal's own poetry, correspondence, and other writings, *Most Scandalous Woman* illuminates Portal's pivotal work in creating and leading APRA during its first twenty years, as well as her efforts to mobilize women as active participants in political and social change. Despite her successes, Portal broke with APRA in 1950 under bitter circumstances. Wallace Fuentes analyzes how sexism in politics interfered with Portal's political ambitions, explores her relationships with family members and male peers, and discusses the ramifications of her scandalous love life. In charting the complex trajectory of Portal's life and career, *Most Scandalous Woman* reveals what moves people to become revolutionaries, and the gendered limitations of their revolutionary alliances, in an engrossing narrative that brings to life Latin American revolutionary politics.

Mary Astor's Purple Diary: The Great American Sex Scandal of 1936-Edward Sorel 2016-10-04 In a hilarious send-up of sex, scandal, and the Golden Age of Hollywood, legendary cartoonist Edward Sorel brings us a story (literally) ripped from the headlines of a bygone era. In 1965, a young, up-and-coming illustrator by the name of Edward Sorel was living in a \$97-a-month railroad flat on Manhattan's Upper East Side. Resolved to fix up the place, Sorel began pulling up the linoleum on his kitchen floor, tearing away layer after layer until he discovered a hidden treasure: issues of the *New York Daily News* and *Daily Mirror* from 1936, each ablaze with a scandalous child custody trial taking place in Hollywood and starring the actress Mary Astor. Sorel forgot about his kitchen and lost himself in the story that had pushed Hitler and Franco off the front pages. At the time of the trial, Mary Astor was still only a supporting player in movies, but enough of a star to make headlines when it came out that George S. Kaufman, then the most successful playwright on Broadway and a married man to boot, had been her lover. The scandal revolved around Mary's diary, which her ex-husband, Dr. Franklyn Thorpe, had found when they were still together. Its incriminating contents had forced Mary to give up custody of their daughter in order to obtain a divorce. By 1936 she had decided to challenge the arrangement, even though Thorpe planned to use the diary to prove she was an unfit mother. Mary, he claimed, had not only kept a tally of all her extramarital affairs but graded them—and he'd already alerted the press. Enraptured by this sensational case and the actress at the heart of it, Sorel began a life-long obsession that now reaches its apex. Featuring over

sixty original illustrations, Mary Astor's Purple Diary narrates and illustrates the travails of the Oscar-winning actress alongside Sorel's own personal story of discovering an unlikely muse. Throughout, we get his wry take on all the juicy details of this particular slice of Hollywood Babylon, including Mary's life as a child star—her career in silent films began at age fourteen—presided over by her tyrannical father, Otto, who "managed" her full-time and treated his daughter like an ATM machine. Sorel also animates her teenage love affair with probably the biggest star of the silent era, the much older John Barrymore, who seduced her on the set of a movie and convinced her parents to allow her to be alone with him for private "acting lessons." Sorel imbues Mary Astor's life with the kind of wit and eye for character that his art is famous for, but here he also emerges as a writer, creating a compassionate character study of Astor, a woman who ultimately achieved a life of independence after spending so much of it bullied by others. Featuring ribald and rapturous art throughout, Mary Astor's Purple Diary is a passion project that becomes the masterpiece of one of America's greatest illustrators.

The Lady in Red-Hallie Rubenhold 2010-08-17 She was a spirited young heiress. He was a handsome baronet with a promising career in government. The marriage of Lady Seymour Dorothy Fleming and Sir Richard Worsley had the makings of a fairy tale—but ended as one of the most scandalous and highly publicized divorces in history. In February 1782, England opened its newspapers to read the details of a criminal conversation trial in which the handsome baronet Sir Richard Worsley attempted to sue his wife's lover for an astronomical sum in damages. In the course of the proceedings, the Worsleys' scandalous sexual arrangements, voyeuristic tendencies, and bed-hopping antics were laid bare. The trial and its verdict stunned society, but not as much as the unrepentant behavior of Lady Worsley. Sir Joshua Reynolds captured the brazen character of his subject when he created his celebrated portrait of Lady Worsley in a

fashionable red riding habit, but it was her shocking affairs that made her divorce so infamous that even George Washington followed it in the press. Impeccably researched and written with great flair, Hallie Rubenhold's *The Lady in Red* is a lively and moving true history that presents a rarely seen picture of aristocratic life in the Georgian era.

Pagan Light-Jamie James 2019-03-19 A New York Times Book Review Editors' Choice "Pagan Light is mesmerizing. Every detail is compelling. I felt I was reading a family history of a family far more interesting than mine." --Edmund White, author of *Our Young Man* A rich, intimate embrace of Capri, which was a magnet for artistic renegades and a place of erotic refuge Isolated and arrestingly beautiful, the island of Capri has been a refuge for renegade artists and writers fleeing the strictures of conventional society from the time of Augustus, who bought the island in 29 BC after defeating Antony and Cleopatra, to the early twentieth century, when the poet and novelist Jacques d'Adelswärd-Fersen was in exile there after being charged with corrupting minors, to the 1960s, when Truman Capote spent time on the island. We also meet the Marquis de Sade, Goethe, Mark Twain, Oscar Wilde, Compton Mackenzie, Rilke, Lenin, and Gorky, among other astonishingly vivid characters. Grounded in a deep intimacy with Capri and full of captivating anecdotes, Jamie James's *Pagan Light* tells how a tiny island served as a wildly permissive haven for people—queer, criminal, sick, marginalized, and simply crazy—who had nowhere else to go.

The Scandal of the Evangelical Mind-Mark A. Noll 1994 Mark Noll has written a major indictment of American evangelicalism. For evangelical pastors and parishioners alike, this is a must read! --Robert Wuthnow.

Constance-Franny Moyle 2012-10-09 "Tells the poignant story of Constance in the aftermath of Wilde's trials and imprisonment, and of her brave attempts to keep in contact with him despite her suffering." —The Irish Times In the spring of 1895 the life of Constance Wilde changed irrevocably. Wilde was a phenomenon in her own right. But that spring Constance's entire life was eclipsed by scandal. Forced to flee to the Continent with her two sons, her glittering literary and political career ended abruptly. She lived in exile until her death.
