Why Marry a Man You Don't Need-Carmen Hope Thomas 2016-12-11 Don't get the wrong idea; this book is all about empowering women to be great wives in loving marriages with incredible men! In this book, Why Marry a Man You Don't Need, Carmen Hope Thomas takes on the task of confronting sisters who have been successful in their career but not equally successful in their relationships. Carmen's perspective is refreshing and reflective because she shares her personal journey toward a happy marriage and motherhood, all while empowering women everywhere to be honest about the myths and misinformation that have shaped their ideas about men and marriage. Carmen will take you through the exercise of looking at your success, career and money women celebrate and help reveal her calculated theory of why some women have chosen their successes over a healthy relationship and how that choice affects our entire faith community. "A Powerful Must Read! Carmen has taught us how to lift up our men to make them live up to the image God has prepared them to be..." -Helen Powell Stoddart, MD, MS--Pain 2 Wellness Healthcare, Madison, AL "Straight Talk! As a Licensed Therapist and Coach, I highly value individuals who can help women move past their current situation, see beyond what is visible, to what is possible. If you are looking for a straightforward, humorous and an easy read that challenges women to be honest with themselves and reconsider the role of a wife, Why Marry A Man You Don't Need is for you!" -Sheila Davis, Ed.D, M.S., LMHC, NCC, CAP--Break Through Counseling Education Center, Winter Park, FL A Marrying Man?-Lindsay Armstrong 2011-07-15 Georgia on his mind...Georgia Newnham was astonished at herself! Arrogant William Brady had demanded that she go to Sydney with him—and she'd actually agreed! The journey was certainly eventful—in every way imaginable! But Georgia knew she was heading for heartache because William Brady just wasn't the marrying kind—well, that was what he said....

The Wedding Confessions of a Very Married Man-Clyde Shaw 2013-03-05 Marriage, love and sex are topics that garner a lot of attention from various writers, and rightly so, as these topics are juicy enough to satisfy any appetite for a good read. Weddings, invariably a tangible manifestation of Marriage, Love and Sex, are just as interesting. These events are a beast in and unto themselves and can provide enough drama to fill all the national libraries of the world. So although this book does touch on issues pertaining to sex, love and marriage, they are all tied to the wedding context. Therefore, the issues that happen before the wedding, during the wedding and unusual tips on how to preserve relationships are all dovetailed to produce these wedding confessions.This book will instigate discussions and arguments in book clubs, amongst the girls and amongst the guys, but don't take it too seriously; unless of course you want to. The writer speaks directly to the women, but, it's a book applicable to both genders especially if navigating a relationship or getting married and provides a bit of empowerment. It is a candid, funny, irreverent but very honest look at the wedding process and some of the situations that affect and influence this supposedly wonderful affair.If you're already married some of these stories will look ridiculously familiar while if you're about to get married, you'll pray that it's a complete work of outlandishly contrived fiction. Marriage in Men's Lives-Steven L. Nock 1998 There are two marriages in every marital union, his and hers. Men and women live in worlds that are organized around gender, and their marriages reflect differing realities. As life companions, they respond to each other; but they also respond to the cultural definitions of what it means to be a husband and a wife. What has fascinated social and behavioral scientists for several years, however, is not only that husbands' and wives' experiences are different, but also that 'his' marriage is better than 'hers'. Numerous findings have reported that married men are better off than married women on measures of both physical and mental health, but the reasons are not yet fully understood. In Marriage in Men's Lives Dr. Nock proposes an explanation to this issue. He focuses on marriage as a system of rules, customs, and expectations. The book shows that marriage changes men on basic dimensions of achievement, participation in public social life, and philanthropy because marriage reinforces such behaviors as part of adult masculinity. Men in modern society crave well-being, comfort, luxury, and prestige, and marriage affords a means of achieving these things within circumscribed legitimate boundaries. Using a huge data base of over 6,000 interviews with men the author has studied since 1979, Nock draws some interesting and far-reaching conclusions about the nature of marriage, and predicts that marriage is definitely here to stay.

Becoming Visible-Beth A. Firestein 2007 Becoming Visible offers cutting-edge psychological perspectives on bisexual and queer identities and the cultural and mental health issues facing bisexual, lesbian, gay, queer, and questioning individuals and their partners. Essential for any professional seeking to provide "best practice" services to this population, Becoming Visible addresses the therapeutic needs of bisexuals at every stage of the life cycle. This volume explores why some people resist identity labels and what bisexual men and women consider exemplary and harmful in their therapeutic experiences. It also helps practitioners distinguish between the stresses brought on by being part of a sexual minority and the clinical symptoms that indicate serious mental health issues. It includes research on ethnic minority bisexuals, youth, elders, gender-variant individuals, and bisexuals engaging in alternative lifestyles and sexual practices such as polyamory and BDSM. Edited by a psychologist who specializes in sexual-orientation and gender-identity issues and with contributions from scholars and professionals from multiple disciplines, the book embraces perspectives from the empirical to the phenomenological, and outlines both scientific and practice-based approaches to the subject while carefully considering the psychological, cultural, and spiritual dimensions of the issues confronting bisexual men and women. Becoming Visible is a crucial step in the improved mental health and well-being of bisexuals, transgender individuals, and other sexual minorities. This book offers a path toward awareness and compassion for those who seek to understand, treat, and empower this underserved and frequently misunderstood group of mental health clients.

A Man and His Marriage Training Guide-Authentic Manhood 2014-11 This six-session study covers important but often misunderstood details about marriage, including biblical foundation, servant leadership, friendship, threats, and sex. It concludes with specific, practical ideas that can help you bring new life to your marriage.

Men on Strike-Helen Smith 2014-12-09 American society has become anti-male. Men are sensing the backlash and are consciously and unconsciously going "on strike." They are dropping out of college, leaving the workforce and avoiding marriage and fatherhood at alarming rates. The trend is so pronounced that a number of books have been written about this "man-child" phenomenon, concluding that men have taken a vacation from responsibility simply because they can. But why should men participate in a system that seems to be increasingly stacked against them? As Men on Strike demonstrates, men aren't dropping out because they are stuck in arrested development. They are instead acting rationally in response to the lack of incentives society offers them to be responsible fathers, husbands and providers. In addition, men are going on strike, either consciously or unconsciously, because they do not want to be injured by the myriad of laws, attitudes and hostility against them for the crime of happening to be male in the twenty-first century. Men are starting to fight back against the backlash. Men on Strike explains their battle cry.

Marriage and Inequality in Classless Societies-Jane Fishburne Collier 1993-02-01 This study presents three ideal-typic models for analyzing inequality in kin-based, non-stratified societies that are commonly described as bands, tribes or ranked societies (but not chiefdoms). Each model discusses the organization of inequality associated with a particular way of validating marriages. The book is a serious and complex attempt to understand the bases and dynamics of inequality in classless societies. It offers a sophisticated argument for the position that there is a culturally-structured basis for women's universal subordination. An important strength of Collier's theoretical interpretation is that it makes the case for universality of subordination without slipping into biological reductionism.

Plural Marriage for Our Times-Philip Leroy Kilbride 2012 This thoroughly revised second edition offers a child-centered, international perspective as it urges America to de-stigmatize alternate family forms. * Includes an extensive bibliography

Singled Out-Bella DePaulo, Ph.D. 2007-10-30 People who are single are changing the face of America. Did you know that: * More than 40 percent of the nation's adults--over 87 million people--are divorced, widowed, or have always been single. * There are more households comprised of single people living alone than of married parents and their children. * Americans now spend more of their adult years single than married. Many of today's single people have engaging jobs, homes that they own, and a network of friends. This is not the 1950s---singles can have sex without marrying, and they can raise smart, successful, and happy children. It should be a great time to be single. Yet too often single people are still asked to defend their single status by an onslaught of judgmental peers and fretful relatives. Prominent people in politics, the popular press, and the intelligentsia have all taken turns peddling myths about marriage and singlehood. Marry, they promise, and you will live a long, happy, and healthy life, and you will never be lonely again. Drawing from decades of scientific research and stacks of stories from the front lines of singlehood, Bella DePaulo debunks the myths of singledom---and shows that just about everything you've heard about the benefits of getting married and the perils of staying single are grossly

exaggerated or just plain wrong. Although singles are singled out for unfair treatment by the workplace, the marketplace, and the federal tax structure, they are not simply victims of this singlism. Single people really are living happily ever after. Filled with bracing bursts of truth and dazzling dashes of humor, Singled Out is a spirited and provocative read for the single, the married, and everyone in between. You will never think about singlehood or marriage the same way again. Singled Out debunks the Ten Myths of Singlehood, including: Myth #1: The Wonder of Couples: Marrieds know best. Myth #3: The Dark Aura of Singlehood: You are miserable and lonely and your life is tragic. Myth #5: Attention, Single Women: Your work won't love you back and your eggs will dry up. Also, you don't get any and you're promiscuous. Myth #6: Attention, Single Men: You are horny, slovenly, and irresponsible, and you are the scary criminals. Or you are sexy, fastidious, frivolous, and gay. Myth #7: Attention, Single Parents: Your kids are doomed. Myth #9: Poor Soul: You will grow old alone and you will die in a room by yourself where no one will find you for weeks. Myth #10: Family Values: Let's give all of the perks, benefits, gifts, and cash to couples and call it family values. "With elegant analysis, wonderfully detailed examples, and clear and witty prose, DePaulo lays out the many, often subtle denigrations and discriminations faced by single adults in the U.S. She addresses, too, the resilience of single women and men in the face of such singlism. A must-read for all single adults, their friends and families, as well as social scientists and policy advocates." --E. Kay Trimberger, author of The New Single Woman

Death of the Cheating Man-Maxwell Billieon 2012-02-14 A revealing look at why men cheat, by two reformed cheaters—one a faithful business mogul and the other a celebrity addicted to infidelity. Relationship expert and former cheater Maxwell Billieon uncovers the hidden truth about unfaithful men and why deceitfulness is causing the demise of the human family as he teaches women everything they need to know about men who take advantage of their emotions. Ray J's very public relationships made front-page headlines worldwide. He exposes his secret devious past as he learns how not to cheat through the principles that Maxwell Billieon has used to help countless men stop cheating. There are "Six Virtues of the New Man," and Death of the Cheating Man reveals them all in a groundbreaking, entertaining and informative way.

Married Men Make the Best Lovers-Ruth Dickson 2014-04-01 If you're going to adopt a philosophy to live by, make it one that gets your heart pumping and unleashes your spirit of adventure! Married Men Make the Best Lovers is a classic, smart, and sassy advice book from the 1960s, the heyday of the sexual revolution. As one of the most outspoken leaders of the movement, Ruth Dickson unleashes a wicked mind, a razor-edged wit, and the freewheeling attitude that made her one of the most popular writers of the day. After years of personal research, she offers pointed advice on becoming a happy and successful Other Woman, covering everything from the selection, capture, and care of a married lover to his ultimate release. She leaves no stone unturned, discussing every aspect of the affair, up to and including the problematic Wife. Wrapping things up with an informative Q&A, Married Men Make the Best Lovers is a must-read for any woman who treasures both her single status and the enjoyment of a rich, fulfilling sex life. And for those ladies (and gentlemen) who seek further enrichment, Dickson went on to author the definitive non-marriage manual, Now That You've Got Me Here, What Are We Going to Do? Sexier than Helen Gurley Brown, wittier than Xaviera Hollander, Ruth Dickson tells the truth, makes you laugh, gives you innovative ideas and thoughtful advice on how to navigate the tricky waters of true freedom of choice. Other Woman status may not be for everybody but it's difficult to disregard Dickson's cleverly persuasive argument in defense of this provocative lifestyle.

A Man to Marry-Carole Mortimer 2014-12-30 Cat lives with her cousin Kate and their grandmother in a rural town. Being young and single and never in the company of men, gossip surrounds them, though Cat pays it no mind. Since being used and betrayed by her fianc?, she has decided she can never again trust men. The women keep busy running a nursery in their sprawling house, but fate comes knocking one day...in the form of Caleb Reynolds. "I would like my son to attend this nursery," announces the alluring man in front of her. He exudes the scent of danger, and Cat isn't sure she can resist it.

A Gentleman's Guide to Avoiding Marriage-Omar Riedman 2010-09-16 This book spells out why you, as a man, should never marry. Explained is the folly of women and wives. Readers will learn why men continue to marry despite the numerous reasons they should avoid such behavior. Through this book, smart men will learn how they are kept hostage by women. Men will learn about the common tactics women use to trick them into marriage, but they will also learn how to counter the common mistakes and traps that men fall for leading them into a sucky marriage. A Gentleman's Guide To Avoiding Marriage is sure to educate and save men from the horrible and absolutely unnecessary pain that is MARRIAGE.

Why Men Marry Some Women and Not Others-John T. Molloy 2004 Now in paperback--the groundbreaking book that shows women how to statistically improve their chances of getting married. Includes a new chapter special to this edition.

Breach of Promise to Marry-Denise Bates 2014-01-15 A look back through the history of women who were about to be married only to be left at the altar—and left with no choice but to take their revenge. A wedding day is supposed to be the happiest, most special and blessed event in a bride's life. And most of the time, it is. But sometimes, it is not. In this fun, fascinating look at betrothals that went bust before anyone even said "I do," the authors have collected the true stories of what happened when the groom suddenly decided "I don't." From the 1780s right up to the 1970s, jilted women (and the occasional crushed suitor) employed a range of tactics to bring false lovers to book. Here is a full wedding party of cases in which women found very different kinds of happy endings, such as Mary Elizabeth Smith who forged evidence of a courtship to entrap an Earl, Catherine Kempshall who shot the man who denied their engagement, Gladys Knowles who was awarded a record £10,000 in damages by a jury in 1890, and Daisy Mons who discreetly negotiated a £50,000 settlement from a nobleman. Based on original research, this social history of breach of promise shows that when men behaved badly, hell had no fury like a woman scorned.

Confessions of a Happily Married Man-Joshua L. Rogers 2019-12-17 Discover God in the messiness of your marriage, as popular marriage and family columnist Joshua Rogers offers spouses hope with real-life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship. Confessions of a Happily Married Man is a husband's painfully honest account of his first ten years of marriage. It offers a window into the perspective of a man who went from "hello" to "I do" in nine months and then figured out how hard marriage could be. When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard, it occurred to him that he could only remember one thing about them: the stories. That's why this book is anchored by stories that other couples will relate to and can easily learn from. The stories are cringe-worthy, humorous, inspiring, heart-breaking, and full of wisdom—but the author isn't telling the reader what to do with that wisdom. He's letting the reader learn along with him as he's gradually becoming more self-aware, increasingly grateful for his wife, and surprised to discover what God is doing in the middle of it all.

The Single Woman-Married Man Syndrome-Richard Tuch 2002-09-01 Many single woman-married man relationships are characterized by such recognizable, even stereotypic, interactions and run such a predictable course as to constitute a genuine syndrome. Documenting the existence of this syndrome with case histories from inside and outside clinical practice, Dr. Tuch gives serious consideration to the complex dynamics involved and offers a framework to help patients struggling with their involvement in such affairs. A broader discussion of relations between men and women evolves and addresses such issues as men's dread of women; women's unique inclinations to employ masochistic adaptations in their relations with men; married couples' varied styles of dealing with their differences; the relationship of power and control to the processes of domination, submission, and the act of surrendering; and the development of the capacity to fall and remain in love.

Not A Marrying Man-Miranda Lee 2014-12-30 Amber throws everything away to spend the night of her life with British tycoon Warwick Kincaid. The next morning, he drops a bombshell on Amber by asking her to live with him. However, her glee is cut short by what he utters next: "I don't plan on getting married, nor do I want kids. After one year is up, we're through." Hopelessly drunk on love, Amber can't help but consent to his selfish proposal. Ten months later, having devolved into an outlet for Warwick's lust and with the end of their one-year term in sight, Amber's distress is reaching its peak. But the needs of her body override the fear in her heart, and Amber's desire for Warwick grows ever fiercer.

Bachelors-Charles A. Waeher 1996 The first exploration of the inner workings of the bachelor mind.

Ainslee's- 1904

A Much Married Man-Nicholas Coleridge 2007-06-12 From one of the sharpest observers of the modern scene, comes this witty, intelligent, and irresistible novel in the tradition of Gosford Park and Snobs. A man of wealth and privilege, Anthony Ancombe has everything he could ever want: an exquisite family estate, enviable social standing, and a desirable inheritance. But with all of his money and privilege, Anthony still has an aching desire for one thing: the perfect match. Running headlong into marriage is Anthony's forte...and his greatest weakness. As Anthony surveys Winchford Priory, his beautiful Elizabethan house in the English countryside, Anthony has the distinct feeling that he's under siege. And he's absolutely right. He may be surrounded by his sprawling estate, but lurking in the village are more than one or two reminders of his complicated past, including three ex-wives, a mistress, and a legion of children and stepchildren, all dependent on him and all determined to do whatever it

takes to get what they want. Meet the wives Amanda: the ravishing first wife. Unpredictable and mesmerizing, she dared Anthony to fall in love with her, and he took her up on the challenge. Anthony was head over heels from the first night they danced on the rooftop of his family home. Of course, the free-spirited Amanda was never cut out for country life, but young love is blind. Sandra: the steadfast second wife. Sturdy, dependable and domesticated, Sandra pulled Anthony back from the compelling chaos that surrounded his first wife. Sandra had plans to turn Anthony's estate into a proper family home, until a stunning secret forced her to make a life-altering decision. Dita: the snobbish third wife. A true force of nature, Dita was smart, tough, rapaciously social and high-maintenance. She enthusiastically stormed through Anthony's life, organizing and rearranging, and rubbing plenty of people the wrong way, particularly the previous Mrs. Anscobes and their children. With the entire cast of his life roosting in the village, it's no wonder Anthony doesn't have a minute's peace! Adding to the crazy mix is the mistress, Nora, a new age hippy and acupuncturist, whom Anthony seduced with disastrous consequences. A Much Married Man is a wickedly funny social satire with memorable characters that will stay with readers long after the final page. Like a modern day Edith Wharton or Anthony Trollope, Nicholas Coleridge delivers a sensational glimpse inside the salacious world of the upper classes.

How to Marry the Man of Your Choice-Margaret Kent 2007-09-03 The first truly prescriptive guide to attracting and marrying the right man, this book offers a detailed, step-by-step program with advice on how to dress, behave in public, mix praise and criticism, guide a good relationship into a solid marriage and much more! Advertising in major national magazines.

How to Marry a Black Man-Monique Jellerette Dejongh 2015-02-11 Ten of Monique and Cassandra's twenty-five tips... 1. Get your act togetha, so when you finally do meet Mr. Right, he can't resist you. 2. Smile and say "hello" to every Black man you see. 3. Forgive old lovers and make peace with them. 4. Tell everyone you know that you're looking for a husband. 5. Go on as may blind dates as possible. 6. Date men who are not your "type"--you may be pleasantly surprised. 7. If you ask a man a series of questions within the first five minutes of meeting him, he'll tell you almost anything you want to know. After that he clams up and won't tell you a thing. 8. If you realize right away he is someone you don't like but does have an interesting job or hobby, he may have a friend who's perfect for you. 9. If he's available and you like him, don't hesitate to let him know. 10. Dress conservatively. If you attract him with your body, how are you going to keep him with your mind? About six years ago, on the eve of her thirtieth birthday, Monique Jellerette was desperate to get married, but couldn't seem to find the right man. A married friend, Cassandra, offered some solid (albeit unsolicited) advice. Monique, determined to do it her own way, suffered through a few more dates from Hell before she realized Cassandra's tips might make sense. So she started putting Cassandra's suggestions to work, made up a few tricks of her own, and devised a plan of action...Six months later Monique met and married Bob and became Mrs. Monique Jellerette deJongh! Now, in How to Marry a Black Man, Mrs. Monique Jellerette deJongh and Mrs. Cassandra Marshall Cato-Louis share their secrets with women everywhere. Based on Monique and Cassandra's proven techniques, and coupled with the results of all-male focus groups on what Black men are really looking for in a prospective mate, How to Marry a Black Man is part manual/journal and part workbook, and delivers the goods on how to master the dating game and find a husband.

The Secrets of Happily Married Men-Scott Haltzman 2010-06-03 Praise for The Secrets of Happily Married Men "Manly men rest assured: You can hope to become a better husband without having to get in touch with your feminine side. . . . Lively and entertaining, this broad guidebook provides Haltzman's insights illuminated by anecdotes from his online discussion forum for married men." —Psychology Today "Haltzman . . . launches his eight strategies with remarkable vigor. More important, they are extraordinarily well fleshed out and convincingly supported with useful 'to do' lists and a multitude of examples. They will no doubt prove helpful to many men struggling to build a happy marriage." —Publisher's Weekly "Scott Haltzman, a psychiatrist and Brown University professor, has been studying marriages good and bad for a long time. . . . View marriage as your most important task, Haltzman urges men, and pursue success as you would anything else that matters." —Washington Post "Men are good at fixing problems, not talking about them, so Haltzman advises playing to your strength. The genius of this book is that it . . . asks politically incorrect questions about men and women at home—the neglected front in the gender wars." —New York Times "The insights in this book reveal a new and effective way for men and women to understand and appreciate each other. It shows what it really takes to create a loving and lasting relationship." —John Gray, author, Men Are from Mars, Women Are from Venus Marriage and relationships are in crisis. The breakup and divorce rate remain incredibly high, despite all the couples therapy, afternoon talk shows, and other books in the marketplace, many of which describe men as abusive commitment phobic creeps who'd better change fast or else. But this new book is totally different, a whole different way of looking at how to build a successful long-lasting relationship from a man's point of view, men who are happy in their partnerships, who have figured out what works for them in accomplishing the goal of a loving, intimate, lifetime commitment. Dr. Scott Haltzman, Clinical Assistant Professor of Psychiatry and Human Behavior at Brown University, and founder of www.secretsofmarriedmen.com, has devised a proven method for improving relationships, based on a man's special and unique skills, strengths, powers—as a responsible and motivated worker, manager, leader, problem-solver, partner, husband, and father. Men are different, Dr. Haltzman says. They don't approach relationships with the same skills and techniques that women do—and viva la difference. Dr.Haltzman therefore lays out eight ways, tasks, proven techniques which men have revealed in confidential correspondence to his highly successful website, including The First Way: Make Your Marriage Your Job, The Second Way: Know Your Wife, The Third Way: Be Home Now, The Fourth Way: Expect Conflict and Deal With It, The Fifth Way: Learn to Listen, The Sixth Way: Aim to Please, The Seventh Way: Understand the Truth About Sex, The Eighth Way: Introduce Yourself, and finally, Celebrate Your Love. Within each of these steps, he provides both specific analysis, guidelines and techniques based on male biology, neuro-science, brain differences, unique developmental stages from youth to

seniority. To illustrate these ideas in action, he's included wonderful true stories, anecdotes, and confessions from the website. The result is a practical, very entertaining, totally original way to build successful relationships for men and their partners, girlfriends, and wives. For a lasting commitment, a continuing guide to solving inevitable problems and bumps in the road, for more fun, better sex, genuine intimacy, and a life-long partnership—this dynamic new author shows t

Why Smart Men Marry Smart Women-Christine B. Whelan 2006-10-17 For years, it's been "common knowledge" that once a woman hits thirty, her chances of finding a husband diminish to the point of despair. That men are intimidated by a woman's career success, preferring docile helpmates to ambitious achievers. That women are biologically driven to seek a strong provider. That the higher a woman's IQ, the less likely she is to marry, let alone have babies...leaving single, successful women to ask themselves: Are men intimidated by smart women? In Why Smart Men Marry Smart Women, Christine B. Whelan shatters the myth that high-achieving women are at a disadvantage in the marriage market. There's good news for the millions of American SWANS (Strong Women Achievers, No Spouse): that today's smart, successful women marry at the same rates as all other women -- and that more income and education may in fact increase a woman's chances of marriage. What's more, as Dr. Whelan shows through newly released U.S. Census data, a large-scale Harris Interactive survey commissioned especially for this book, plus extended interviews conducted in cities nationwide, this profound demographic shift shows every sign of progressing. That means that the "success penalty" that has endured for generations is, as soon as 2010, destined for the history books. Accomplished daughters, sisters, and friends (not to mention their mothers) can finally stop worrying that the twin pinnacles of personal and professional happiness are inherently unattainable. In fact, smart men do marry SWANS. Ninety percent of high-achieving men surveyed want a woman who is as intelligent or more intelligent than they are. And two-thirds of men said they believed smart women make better mothers. Pairing cutting-edge research with sound advice, Dr. Whelan brings to mind what smart women everywhere have long known in their hearts: that the goal is not just to get married, but to have a good marriage, and to lead a fulfilled life.

Why Men Marry Some Women and Not Others-John T. Molloy 2008-12-14 A groundbreaking book--based on years of the same thorough research that made the "Dress For Success" books national bestsellers--about how women can statistically improve their chances of getting married.

Every Man's Battle-Stephen Arterburn 2004-01-20 the challenge every man faces...the fight every man can win From the television to the Internet, print media to videos, men are constantly faced with the assault of sensual images. It is impossible to avoid such temptations...but, thankfully, not impossible to rise above them. Shattering the perception that men are unable to control their thought lives and roving eyes, Every Man's Battle shares the stories of dozens who have escaped the trap of sexual immorality and presents a practical, detailed plan for any man who desires sexual purity-perfect for men who have fallen in the past, those who want to remain strong today, and all who want to overcome temptation in the future. Includes a special section for women, designed to help them understand and support the men they love.

The Art of Courtly Love-Andreas (Capellanus.) 1990 The social system of 'courtly love' soon spread after becoming popularized by the troubadours of southern France in the twelfth century. This book codifies life at Queen Eleanor's court at Poitiers between 1170 and 1174 into "one of those capital works which reflect the thought of a great epoch, which explain the secret of a civilization."

Why Men Fear Marriage-RM Johnson 2009-07-28 R.M. Johnson, #1 Essence bestselling author of The Million Dollar Divorce offers an enlightening perspective to the question that has baffled millions of women for decades. Johnson's fiction writing has been described as "powerful and bold...from the heart, thought-provoking, and life-changing" (Eric Jerome Dickey), and he expertly allows female readers access to the male perspective. Now, in Why Men Fear Marriage, his first foray into nonfiction, his insight illuminates a topic that has increased in intensity and relevance in recent decades. Why Men Fear Marriage sheds important light on several issues behind men's inability to commit. Johnson explains why men cling to their single status and offers tips for identifying whether or not a man is truly interested in marriage. This helpful guide equips women with the tools to distinguish between someone who is Mr. Right, as opposed to Mr. Right Now, and helps women to see situations the way that men often see them. Informative and engaging, Why Men Fear Marriage is a bold and much-needed discussion of an issue that deeply touches millions of people, regardless of race or gender.
