ManLove: Erotic Alternative
Paranormal Menage a Trois
Romance, M/M/M,

werewolves] When Doctor
Andrew Blunt finds an injured
wolf, the last thing he expects
is to fall for the man behind
the beast. Trent is everything
he has denied
himself—handsome,
dangerous, and Drew's mate.

But he is also a spirit wolf, and a carrier of a deadly virus that can turn any human insane. Trent is a hunter, having lived all his life for his duty to defeat ferals—the plague of their kind. He does not expect a human mate. Claiming Drew would be impossible. Desperate to protect Drew, Trent finds himself in front of a new challenge—their other mate, Valerius, who is a Judiciary sent to keep the secret of their people safe. Now, Drew has to face the dangers of a world he does not understand. Can Valerius and Trent save their mate before it is too late, or will Drew be forever beyond their reach? ** A Siren Erotic Romance

Beyond the Reach of Empire-Colonel Mike Snook
2013-12-09 In the early 1880s the Mahdi unleashed a spectacularly successful jihadist uprising against Egyptian colonial rule in the Sudan. Early in 1884 Cairo bowed to British pressure to withdraw. Beyond the Reach of Empire describes how Major General Charles Gordon was despatched to evacuate Khartoum and turn the Sudan over to self-rule. It

goes on to explain how and why the mission backfired, and then homes in on Sir Garnet Wolseley's planning and execution of the long-delayed Gordon Relief Expedition which arrived, according to popular myth, only two days after the city had fallen and Gordon had been killed.??Colonel Mike Snook's narrative is characterized by scrupulous attention to detail, an instinctive grasp of the period, and an intimate understanding of its setting. The author argues compellingly that the Khartoum campaign was mismanaged from the outset. The outcome is the exoneration of Colonel Sir Charles Wilson, the man cast in the role of scapegoat, and an indictment of Wolseley's generalship over the course of the last and most deeply flawed campaign of his career.??Full review available at <http://www.warhistoryonline.com/reviews/beyond-reach-empire-wolseleys-failed-campaign-save-gordon-khartoum-review-mark-barnes.html> (please copy and paste into your browser)??As

The New-York Legal Observer-Samuel Owen 1845
Beyond the City Limits-R.W. Sandwell 2011-11-01 The essays in Beyond the City Limits, all published here for the first time, decisively break this silence and challenge traditional readings of B.C. history. In this wide-ranging collection, R.W. Sandwell draws together a distinguished group of contributors who bring expertise, methodologies, and theoretical perspectives taken from social and political history, environmental studies, cultural geography, and anthropology. They discuss such diverse topics as Aboriginal-White settler relations on Vancouver Island, pimping and violence in northern BC, and the triumph of the coddling moth over Okanagan orchardists, to show that a narrow emphasis on resource extraction, capitalist labour relations, and urban society is simply not broad enough to adequately describe those who populated the province's history. Burrows, Nests & Lairs-Ada Spada 2007 Showcases the homes of wild creatures around the world, including the cozy houses of rabbits, mice, moles, and platypuses; the intricate cities of bee hives and coral reefs; and unusual birds' nests that are sewn together and decorated. The Gentleman Usher-John Evans 2004-11-30 George Dempster was a giant of a man who became one of the best-known and most deservedly popular Scotsman of his day. He served for thirty years as an MP in Westminster and was closely involved with the expansion of British influence and trade across the world particularly in India and North America. This was the age of Empire building and great rivalry between competing powers, particularly France, which led to protracted warfare. A trained lawyer, Dempster was at the heart of political and business life and his circle of friends was large and powerful. Yet power did not corrupt him and he was

respected by allies and opponents, being known as 'Honest George'. Master of the famous Skibo Estate in Sutherland, Dempster's energy was legendary and he used his talents as an entrepreneur and developer, bringing prosperity and jobs to disadvantaged regions. Dempster was more than an observer of history; he made it.

God Against the Gods-

Jonathan Kirsch 2005-01-25

"Lively... points out that the

conflict between the worship of many gods and the worship of one true god never disappeared." —Publishers Weekly "Jonathan Kirsch has written another blockbuster about the Bible and its world."

—David Noel Freedman, Editor-in-Chief of the Anchor Bible Project "Kirsch tackles the central issue bedeviling the world today - religious intolerance... A timely book, well-written and researched."

—Leonard Shlain, author of The Alphabet and the Goddess and Sex, Time and Power "An intriguing read." —The

Jerusalem Report "A timely tale about the importance of religious tolerance in today's world." —San Francisco Chronicle "Kirsch is a fine storyteller with a flair for rendering ancient tales relevant and appealing."

Epoch- 1887

The Dragon Nimbus Novels:- Irene Radford 2007-12-04

This brand-new omnibus is the second in a series

collecting Irene Radford's acclaimed Dragon novels. Volume I includes the complete trilogy of The Dragon Nimbus: The Glass Dragon, The Perfect Princess, and The Lonliest Magician Volume II includes the first two novels in The Dragon Nimbus History quartet: The Dragon's Touchstone and The Last Battlemage Volume III includes the last two novels in The Dragon Nimbus History quartet: The Renegade Dragon and The Wizard's Treasure The Dragon's Touchstone: Three hundred years before the time of The Glass Dragon, Coronnan is a kingdom at war with itself, magic is wild, and magicians uncontrolled, each working separately for his own goal. At the height of this age of chaos, the dragons decide to intervene, making their presence known to the mortals through the healer Myrilandel. The Last Battlemage: Nimbulan, the last Battlemage and the founder of the school for Communal Magic, is seeking to create a permanent protection for the kingdom of Coronnan, a spell-crafted border to keep enemies out.

His search for the key to this magic leads him to terrifying discovery—the dragons, the guardians of magics, are in terrible danger. Want more Dragon novels? Look for The Star Gods trilogy and the new Children of the Dragon Nimbus series! A letter from the author, Irene Radford: Welcome to the world where dragons are real and magic works. If you are new to the Dragon Nimbus, pull up a chair and join us as we revel in tales that have touched my heart more than anything else I've written under any pen name. If you are returning after an absence, I am very happy to have you back. This is a world that began with a Christmas gift of a blown-glass dragon. The dragon sat proudly on the knick-knack shelf for several months, loved and admired, reluctantly dusted, and totally inert. Then one night at dinner, my son remarked, "You know, Mom, I think dragons are born all dark, like that little pewter dragon, then they get more silvery as they grow up until they are as clear as glass." The dragon came to life for me. Out of that chance remark came first

one book, then three, five, seven, and finally ten. I built a career on these books and loved every minute of the process. These characters still live in my mind many years after they jumped into their stories and dragged me along with them. Many thanks to DAW Books and my editor Sheila Gilbert for reviving *The Dragon Nimbus* a lucky thirteen years after they first debuted. With these omnibus volumes, you can read about the dragons with crystal fur that directs your eye elsewhere yet defies you to look anywhere else.

Wonderful dragons full of wit and wisdom. Magic abounds. Magicians and mundanes alike learn about their world and special life lessons as they explore dragon lore past and present. The books will be presented in the order in which they were written, and the order that makes the most sense of the entwined tales.

So, sit back and enjoy with me. And may reading take you soaring with Dragons.

Beyond the Brain-Louise Barrett 2011-04-04 When a chimpanzee stockpiles rocks as weapons or when a frog sends out mating calls, we

might easily assume these animals know their own motivations--that they use the same psychological mechanisms that we do. But as *Beyond the Brain* indicates, this is a dangerous assumption because animals have different evolutionary trajectories, ecological niches, and physical attributes. How do these differences influence animal thinking and behavior? Removing our human-centered spectacles, Louise Barrett investigates the mind and brain and offers an alternative approach for understanding animal and human cognition. Drawing on examples from animal behavior, comparative psychology, robotics, artificial life, developmental psychology, and cognitive science, Barrett provides remarkable new insights into how animals and humans depend on their bodies and environment--not just their brains--to behave intelligently. Barrett begins with an overview of human cognitive adaptations and how these color our views of other species, brains, and minds. Considering when it is worth having a big brain--or indeed

having a brain at all--she investigates exactly what brains are good at. Showing that the brain's evolutionary function guides action in the world, she looks at how physical structure contributes to cognitive processes, and she demonstrates how these processes employ materials and resources in specific environments. Arguing that thinking and behavior constitute a property of the whole organism, not just the brain, *Beyond the Brain* illustrates how the body, brain, and cognition are tied to the wider world.

Christian Faith and Life- 1924

Beyond the Valley-Andrew Jackson Davis 1885

Dark Passions-Jeff Gelb 2011-10-01 Not all love is innocent. Some desires swallow you whole. . . There's more than meets the eye to the twenty twisted pleasures collected here, with death and desire lying in wait behind every corner. One goth girl finds the man whose love can make her beautiful and whose body can bring her ecstasy—if she can stomach the price. . . A zombie apocalypse destroys a man's family, but "til death do us part" is a vow his wife

won't forget—even if she's now more on the undead side. A vampire hunter wakes up the morning after and has to discover what forbidden pleasures he indulged in the night before—he suspects they might involve the drop-dead gorgeous bloodsucker next door. . . These and many more tales of sinister passion lie inside—if you aren't afraid of the dark. . .
