Stir in a marriage of convenience, a remote cabin in the woods and let simmer... Everly Mathier’s very terrible, no-good day is fixing to get a whole lot worse. To start off, her alpha announces he wants to mate with her, to produce an heir. When she gives him an emphatic nope, her guardians take her for a drive and abandon her on the side of a desolate road. The long hike home is punishment for her defiance. Her bad day takes another down turn when a big, hulking bear shifter stops for a friendly game of twenty questions. He seems to think she needs rescuing. He’s all kind of mad and snarling on account of her pride dumping her in the middle of nowhere. He refuses to mind his own business. And refuses to go away. When she insists she’s just fine without his help, thank you very much, Mr. Growly McBossy tosses her into his truck, and hauls her out to his cabin in the woods. If her jaguar pride cast her aside they don’t deserve a fine little thing like her. He announces his plans to keep her. Period. Just a little neighborly protective custody... Everyone thinks bear shifter Sawyer Strickland is gentlemanly... Yeah, that all goes right out the window the moment he finds the pretty little blonde on the deserted road. Everly’s lovely hazel eyes and sweet curves awaken his bear along with a whole lot of protective instincts. She doesn’t want his help? Too bad. She’s getting it anyway. There’s no way he’ll leave a vulnerable, albeit sassy, woman out in the middle of nowhere. Especially when said female is his mate. Instead of returning her to her people, he carries her off to his cabin. His hospitality doesn’t exactly win her over. Even after a few days, circling each other in tight quarters, she’s still a tad miffed over the whole deal. After a little time, she’ll come around. He’s sure. But what comes around instead is her pride alpha, spouting all sorts of nonsense about mating with Everly. Not happening. Sawyer’s ready to give the big cat shifter a beat down. He’s furious that Everly was left behind by her pride members. Also, she belongs to him. There’s that too. Just when things are about to get interesting, Everly surprises both men. She claims she’s already married. To Sawyer. Sawyer knows he can protect his woman with a marriage of convenience. Even if his possessive bear demands to claim his sweet, fiery mate. --- Step into the world of Shifting Destinies, where the men and women you meet might just be a little more than human. Gray Back Alpha Bear-T. S. Joyce 2015-08-08 Creed Burnett has one simple rule-no potential mates allowed in his territory. As if there isn’t enough on his shoulders trying to manage his crew of misfit, broken bear shifters, his past is now coming back to haunt him. And when the woman he hasn’t been able to stop thinking about for the past five months shows up in his trailer park, he’s re-thinking all the rules he set up to protect the Gray Backs. Gia is a curvy stunner, but his interest in the bombshell goes deeper than her good looks. She’s sweet, and fun, and puts his inner bear at ease in a way no other woman has managed. But Gia has also brought trouble to his territory that will turn his life upside down. Gia Cromwell’s life is ruined. She’s lost everything she used to value about herself and has nowhere to turn but to the man who started her downfall in the first place. She fully expects the sexy, reclusive bear shifter to turn her away just like everyone else in her life, but when he offers to be her protector instead, she’ll have to fight hard to keep her walls up. She knows she isn’t Creed’s true mate, but that doesn’t stop her huge crush. How can she not fall head over heels for him? Creed is easy on the eyes, sure, but he has a heart of gold and a protective streak a mile wide for the people he cares about. Now she just has to figure out whether his interest is genuine, or if they’re both in this for all the wrong reasons. Gray Back Broken Bear-T. S. Joyce 2015-09-03 Easton Novak is hiding something fearsome inside of him. An unconventional upbringing has turned his inner grizzly into a berserker-one who has all but destroyed his humanity. Being around people isn’t easy. Not when he doesn’t understand any of their reactions, or half of what they’re saying. And if he can convince his alpha he’s half sane, he just might let Easton live. But when the raven from Easton’s childhood shows up at his door again, he knows he’s slowly sinking into a madness he can’t come back from. She’s not real. She can’t be. Raven shifter, Aviana King, is terrified of bears. They’re her people’s natural enemy, but she hasn’t been able to forget the bear cub she befriended all those years ago. Faced with a loveless courtship she doesn’t want, she visits Easton just to see if the sparking feelings she felt for him when they were kids are still there. The only problem is, he thought she was just a friendly raven all those years ago, and now he doesn’t recognize her human form at all. But as she searches for the courage to approach him and his terrifying Gray Back crew, it becomes clear that the sweet silver bear cub from her childhood has grown into a powerful, dominant, barely-controlled monster grizzly. Now, the greatest threat to Aviana’s life is the man she loves. He isn’t Easton Novak anymore. He’s Beaston. Much Loved-Mark Nixon 2013-10-29 Award-winning photographer Mark Nixon has created a trove of quirky and nostalgic portraits of teddy bears and other stuffed animals that have been lovingly abused after years of play. MuchLoved collects 60 of these images along with their accompanying background tales. An exhibit in the photographer’s studio led to a small sensation on the Internet when a few of the pictures circulated unofficially on scores of blogs and on many legitimate news sites. Viewers have been intrigued by the funny, bittersweet images and their ironic juxtaposition of childhood innocence and aged, loving wear and tear. When you see these teddy bears and bunnies with missing noses and undone stuffing, you can’t help but think back to childhood and its earliest companions who asked for nothing and gave a lot back. Praise for Much Loved: “Much Loved is impossibly endearing in its entirety.” --Brain Pickings
