Miss Matched-Milly Taiden 2016-02-03 Carly Toblan had a little too much champagne at her best friend's wedding. Now she's found herself flirting with a hunky shifter who's bent on showing her how much he wants her. She's never been with a shifter but suddenly this curvy girl is hearing the call of the wild up close and personal. Bear-shifter, Bastien Auberon, knows two things for sure. 1. Carly is his mate and 2. She doesn't want to want him. Too bad because she does. And he'll use that unquenchable desire to get her to be his. He'd never used sex to keep a woman before, but in love and war, anything goes. With her father sending eligible men her way, and

someone trying to take his mate from him, Bastien's ready to roar in frustration. He has a lot to figure out before he can get Carly into a forever state of mind. Claiming a woman had never been this difficult. Good thing he's so persistent and will let nothing stand in his way.

Hatemates-Mickey Miller 2020-03-08 Imagine: You arrive to college on the first day, ready to meet your roommate in the girl's dorm. A huge mistake puts you into the male dorm. Your roommate? He's DJ Dalton, football star and campus celebrity extraordinaire. You can look, but you can't touch. Because the prettiest packages come with the biggest consequences... Is he panty-meltingly handsome with an attitude to match? Sure. Do I accidentally fantasize about him one (okay, maybe two) times? Fine, I'm honest enough to admit it. None of that matters, because we're opposites in all the ways that are important for getting along as college roommates: He comes from a perfect life and old money. I come from a broken home and bowls of ramen. He's at Greene State to party. I'm here to study. He's a popular jock. I wouldn't be caught dead playing sports. To say we get off to a rocky start would be an understatement. Ironically, that's what causes our sizzling attraction to boil over one night. But even that comes at a price. Because our story has a twist neither of us could see coming. One that changes both of our lives, 'till death do us part.

Fae Spark-Emma Alisyn 2016-04-27 Fae magic. Human heart. A fragile new life... An unassuming human woman discovers her Fae power. A cold Fae Lord unearths his human heart. Together they must defend their baby from an enemy determined to eradicate all mortal blood from the Fae race. Liana runs when the Fae Lord chooses her to be his consort, and the mother of his heir. She never expected the alien seeming warrior to pay attention to a working class, curvy girl in a sea of leggy blondes. She never expected to lose control of her heart, or her body, in an inferno of magic fueled passion. She never expected to discover a hidden power in a fight for her life, and the life of their baby. Lord Eero doesn't want a Fae chaser. He wants the lush, fierce-eyed human with her motherly heart and youthful fire. He wants a quiet life with family on his country estate, surrounded by memories of his human grandmother. But the Old Blood don't care what he wants. They threaten to destroy everything he holds dear in a quest to purify Fae blood and regain Fae power. He will kill them all before he allows his enemies to harm the woman cradling his heart, or their growing child. This is a steamy paranormal fantasy novel for readers who enjoy scorching love scenes, bbw, interracial romance and alpha males.

Standalone, HEA, first in a new urban fantasy romance series. If you enjoy Emma Alisyn's shifter romance as well as her favorite authors (Mina Carter, Grace Draven, Thea Harrison) you will love Fae Spark.

If Wishes Were Horses-Willsin Rowe 2015-07-14 If curvy girl Cami Withrow had her druthers, quite a few things in the horse ranch town of Windemere would be different, chiefly that chubby would be the new black and she'd have someone she could rely on as she struggles to help run her grandfather's repair shop and keep it out of the hands of ruthless developers. Nowhere on that list does Cami include having to put up with two hot new mechanics cozying up to her grampa and flirting with her. As suspicious as she is of their motives, she is most resentful of their effect on her usually well-controlled libido. It's nothing like Cami to fantasize about men like them so much or to lose herself every night in vivid, sensual dreams of stampeding stallions and sex under the full moon. Brothers Dale and Markum Ethridge have come into Windemere looking for more than work and packing more than a few family secrets. They know more about the county administrator trying to shut down the Withrow business than they'd want to admit to Cami, who already distrusts them just on principle. It's in her nature not only as a woman who has been let down by too many people in her life but as a unrealized mare shifter, a werehorse, ever at odds with man's compulsion to tame her wild horse spirit. As stallion shifters themselves, they know this all too well. With the once decimated Windemere herd of shifters poised for rebirth, the Ethridge brothers just want to make a place for themselves among their kind and ease Cami Withrow through her own transformation-and into their bed as their mate. But with Cami resisting them every step of the way, the brothers bucking one another over old hurts opened up by their return to Windemere, and political schemes to rob their mate and her family of their home and legacy, making that new life is not going to be as easy as the Ethridge boys would wish. If Wishes Were Horses is the second in a five-title series of standalone BBW paranormal shape shifter ménage romances from bestselling erotic romance and erotica author Erika Masten. Her Aesir Shifter BBW Romance Series is where you'll find the fiercely hot Odin Wolves inspired by Norse mythology.

Lindsey's Wolves-Becca Jameson 2012-08-20 Overcoming inhibition can be tricky when faced with not one, but two, shape-shifters claiming you as their own. Lindsey just finished college. She is supposed to start teaching this fall. At least that's the plan, before she meets a sexy Spanish god named Alejandro and falls head over heels for him. Alejandro came to the U.S. to

help out on the family dairy farm. He runs smack dab into Lindsey at the grocery store and immediately realizes she is his mate. Add to the mix, Ryan. He lives on a neighboring farm and happens to stop by Kara's where Lindsey is showing off her new man Alejandro. Alejandro and Ryan are stunned and none too happy to realize they're both mated to Lindsey. Lindsey, who was raised in a fanatical religious sect, can't begin to wrap her head around a threesome, and that's before she finds out her men are shape-shifting wolves. While the three unsuspecting lovers attempt to come to terms with their unexpected life changes, Lindsey's childhood church amps up their attempts to bring her back into the flock. Why won't they leave her alone, and what do they want? The answers are shocking, and the results could be life-changing for everyone. This book is a re-release of a previously published book. No additions or changes have been made to the story.
