A Matter of Marriage-Lesley Jorgensen 2014-12-02 Debut novelist Lesley Jørgensen delivers a rich, funny delight of a novel in which the “marriage plot” is on dazzling display. But as scandals, secrets, culture clashes, and misunderstandings abound—how will anyone find time for love? Mrs. Begum is the doting, anxious mother of three grown children—Tariq, an art curator with a secret he’s not quite ready to share with his parents; her baby, Shunduri, the pampered princess of the family; and her daughter Rohimum, who has returned home to rural England in shame. Mrs. Begum is determined to marry them off, and marry them off well. But where to start? Mrs. Begum’s husband, the fastidious, stuffy Dr. Choudhury, has moved the family to a cottage on the grounds of Bourne Abbey, a grand but crumbling estate whose restoration he is overseeing. There, the Choudhury family lives alongside the estate’s youngish heirs—Henry and Richard. The Bournes and the Choudhurs are equally snared in the spider-web of centuries-old tradition, but the Abbey itself houses a mystery that will reveal long-hidden entanglements—ones that the two families never anticipated...

Bulletproof Marriage - English Edition-Renato & Cristiane Cardoso 2015-01-13 Marriage was God’s idea. He decided that man and woman should be “one flesh”. Furthermore, the Bible says “God is love “. Unfortunately, many couples never learned to love each other. A feeling, passion or some other influence brought them together, but they never learned how to study or explore each other, or discover what makes them happy. When you do not know another person it is impossible to love them because you do not know what pleases or annoys them, their dreams and struggles, or how they think. In such ignorance, you will make many mistakes in your relationship and so cause many problems. These problems will cause you to withdraw, even though you are married and were in love at one time. If you have been wondering: Do I still love my husband/wife Did I marry the wrong person Why is my partner so cold to me Why do we love each other but can’t stay together? How can I make sure my marriage lasts? How can I live with a person who is so difficult? Why do our problems go away, but then come back worse than before? Is my marriage always going to be about hardships, or will I find happiness one day? Cheer up! You will learn how to love intelligently and how to be happy with your spouse, even if he (or she) acts like King Kong.

Clerical Marriage and the English Reformation-Helen L Parish 2017-07-05 This volume is an examination of the debate over clerical marriage in Reformation polemic, and of its impact on the English clergy in the second half of the sixteenth century. Clerical celibacy was more than an abstract theological concept; it was a central image of mediaeval Catholicism which was shattered by the doctrinal iconoclasm of Protestant reformers. This study sets the debate over clerical marriage within the context of the key debates of the Reformation, offering insights into the nature of the reformers’ attempts to break with the Catholic past, and illustrating the relationship between English polemicists and their continental counterparts. The debate was not without practical consequences, and the author sets this study of polemical arguments alongside an analysis of the response of clergy in several English dioceses to the legalisation of clerical marriage in 1549. Conclusions are based upon the evidence of wills, visitation records, and the proceedings of the ecclesiastical courts. Despite the printed rhetoric, dogmatic certainties were often beyond the reach of the majority, and the author’s conclusions highlight the chasm which could exist between polemical ideal and practical reality during the turmoil of the Reformation.

Courtship, Love, and Marriage in Nineteenth-Century English Canada-Peter Ward 1990-03-01 Courtship, love, and marriage are seen today as very private affairs, and historians have generally concluded that after the late eighteenth century young people began to enjoy great autonomy in courtship and decisions about marriage. Peter Ward disagrees with this conclusion and argues that freedom in nineteenth-century English Canada was constrained by an intricate social, institutional, and familial framework which greatly influenced the behaviour of young couples both before and after marriage.

The Baptism of Early Virginia-Rebecca Anne Goetz 2012-08-28 In The Baptism of Early Virginia, Rebecca Anne Goetz examines the construction of race through the religious beliefs and practices of English Virginians. She finds the seventeenth century a critical time in the development and articulation of racial ideologies—ultimately in the idea of “hereditary heathenism,” the notion that Africans and Indians were incapable of genuine Christian conversion. In Virginia in particular, English settlers initially believed that native people would quickly become Christian and would form a vibrant partnership with English people. After vicious Anglo-Indian violence dashed those hopes, English Virginians used Christian rituals like marriage and baptism to exclude first Indians and then Africans from the privileges enjoyed by English Christians—including freedom. Resistance to hereditary heathenism was not uncommon, however. Enslaved people and many Anglican ministers fought against planters’ racial ideologies, setting the stage for Christian abolitionism in the late eighteenth and early nineteenth centuries. Using court records, letters, and pamphlets, Goetz suggests new ways of approaching and understanding the deeply entwined relationship between Christianity and race in early America. -- James Sidbury, Rice University
