The Matter of the Heart-Thomas Morris
2017-06-01 'Thrilling... The “dizzying” story of heart surgery is every bit as important as that of the nuclear, computer or rocket ages. And now it

has been given the history it deserves' James McConnachie, Sunday Times For thousands of years the human heart remained the deepest of mysteries; both home to the soul and an organ too complex to touch, let alone operate on. Then,

in the late nineteenth century, medics began going where no one had dared go before. In eleven landmark operations, Thomas Morris tells us stories of triumph, reckless bravery, swaggering arrogance, jealousy and rivalry, and incredible ingenuity, from the trail-blazing 'blue baby' procedure to the first human heart transplant. *The Matter of the Heart* gives us a view over the surgeon's shoulder, showing us the heart's inner workings and failings. It describes both a human story and a history of risk-taking that has ultimately saved millions of lives.

A Matter of Heart-Amy Fellner Dominy
2015-05-12 "A novel that will make your heart pound--anxiously, joyfully, triumphantly."--New York Times Bestselling Author, Lauren Myracle. Readers will happily sink into this emotionally grounded, contemporary young adult novel about the sudden end of one girl's Olympic swimming dreams and the struggles she endures before realizing there are many things that define who we are. Sixteen-year-old Abby Lipman is on track to win the state swim championships and qualify for the Olympic trials when a fainting incident at

a swim meet leads to the diagnosis of a deadly heart condition. Now Abby is forced to discover who she is without the one thing that's defined her entire life. Praise for *A Matter of Heart*: "This engaging and fast-paced read expertly paints the world of high-school sports and the single-minded focus and commitment that some high-school athletes can have."--Booklist Dominy's excellent use of dialogue firmly grounds the novel in contemporary times. The setting thrives on details, showcasing excellent research. . . . This is recommended for Chris Lynch fans, swimming fans, and anyone interested in warning teens about the dangers of HCM.--VOYA "This is a solid look at an elite athlete who gets benched . . . An enjoyable read even for couch potatoes."--Kirkus "More than a sports novel, this book delves deep into issues of identity—how we identify ourselves separately from what we do well—and the importance of support systems while making life-altering decisions. Give this to fans of Catherine Gilbert Murdock's "Dairy Queen" series"--School Library Journal From the Hardcover edition.

The Heart of the Matter-Graham Greene 1978 An assistant police commissioner in a West African coastal town lets passion overrule his honor
A Matter of the Heart-T. D. Burns 2004 While recovering from a heart transplant, a strange dream kept returning. Bob Hunter found himself once again on a small lobster boat bobbing up and down in the ocean in front of a beautiful lighthouse he had never seen before. A number of colorful lobster floats and a stack of lobster traps were on the boat in front of him. Waves crashing and exploding against a rocky shore in front of the lighthouse, sending giant sprays of white foam into the air. A girl in a white dress was standing on a rocky ledge to the left of the lighthouse and waving. He knew that somehow she was waving at him. As the sequence of dreams returned, he would find himself walking up to her as she opened her arms to greet him. She was one of the most beautiful girls he had ever seen. Her long auburn hair and white dress were gently flowing in the breeze off of the ocean. He would always wake up just as he approached. Over a period of time, he developed

an unexplainable and obsessive love for her, even though he knew she could not possibly be real. Bob Hunter was an artist and a naturalist and painted a picture of both the lighthouse and the girl in his dreams. A new acquaintance saw the painting of the lighthouse and told him it was real, as she had visited and photographed the same lighthouse. She encouraged him to travel to the area to see if he could find a reason for his dreams. The dreams had no rhyme or reason. Bob had never seen a lobster boat and could not believe that the lighthouse in his dreams actually existed. The only way he could rid himself of these dreams was to follow his friend's suggestion and travel to the lighthouse and begin a search for the lady of his dreams.

To the Heart of the Matter-Shawn Carney

It's a Matter of the Heart-Shenita Johnson
2016-10-31 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; text-align: center; font: 11.0px 'Minion Pro'} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; text-align: justify; font: 32.0px Allura; min-height: 40.0px} p.p3 {margin: 0.0px 0.0px 0.0px 0.0px;

text-align: justify; font: 11.0px 'Minion Pro'} p.p4 {margin: 0.0px 0.0px 0.0px 0.0px; text-align: justify; font: 11.0px 'Minion Pro'; min-height: 13.0px} p.p5 {margin: 0.0px 0.0px 2.9px 36.0px; text-align: justify; text-indent: -18.0px; font: 11.0px 'Minion Pro'} p.p6 {margin: 0.0px 0.0px 0.0px 36.0px; text-align: justify; text-indent: -18.0px; font: 11.0px 'Minion Pro'} span.s1 {font: 12.0px Allura} I will give you a New heart and put a New spirit within you. Ezekiel 36:26 (NKJV) Our hearts are our spiritual centers where thoughts and feelings dwell; they form our characters. Since we are made in God's image, we know that He, too, has a heart. The Bible mentions the word "heart" hundreds of times, but what is it really telling us about the heart of God and how we can grow our own hearts in His truth? In her book *It's a Matter of the Heart* author Shenita Johnson combines her own personal observations with biblical insight to elaborate on the important role the heart plays in our walk with the Lord. Johnson shares various topics of the heart, including: Cultivating forgiveness Guarding your heart Ensuring a pure

heart Following your heart Healing a broken heart Unlocking hearts for a blended family Fixing a hardened heart Taming a rebellious heart Spending time with God and keeping your heart full of His word is our number-one priority. Shenita Johnson builds a guide to the life God has invited us to enjoy. She helps clear away the ambiguity and creates a clear picture of how you can model your heart after the Lord's. God certainly values the state of your heart, so how are you positioning your heart to please Him?" Heart: A History-Sandeep Jauhar 2018-09-18 The bestselling author of *Intern and Doctored* tells the story of the thing that makes us tick For centuries, the human heart seemed beyond our understanding: an inscrutable shuddering mass that was somehow the driver of emotion and the seat of the soul. As the cardiologist and bestselling author Sandeep Jauhar shows in *Heart: A History*, it was only recently that we demolished age-old taboos and devised the transformative procedures that have changed the way we live. Deftly alternating between key historical episodes and his own work, Jauhar tells

the colorful and little-known story of the doctors who risked their careers and the patients who risked their lives to know and heal our most vital organ. He introduces us to Daniel Hale Williams, the African American doctor who performed the world's first open heart surgery in Gilded Age Chicago. We meet C. Walton Lillehei, who connected a patient's circulatory system to a healthy donor's, paving the way for the heart-lung machine. And we encounter Wilson Greatbatch, who saved millions by inventing the pacemaker—by accident. Jauhar deftly braids these tales of discovery, hubris, and sorrow with moving accounts of his family's history of heart ailments and the patients he's treated over many years. He also confronts the limits of medical technology, arguing that future progress will depend more on how we choose to live than on the devices we invent. Affecting, engaging, and beautifully written, *Heart: A History* takes the full measure of the only organ that can move itself.

Heart of the Matter-Emily Giffin 2010-05-11

"Giffin excels at creating complex characters and

stories that ask us to explore what we really want from our lives."--Atlanta Journal-Constitution
Tessa Russo is the mother of two young children and the wife of a renowned pediatric surgeon. Despite her own mother's warnings, Tessa has recently given up her career to focus on her family and the pursuit of domestic happiness. From the outside, she seems destined to live a charmed life. Valerie Anderson is an attorney and single mother to six-year-old Charlie--a boy who has never known his father. After too many disappointments, she has given up on romance--and even to some degree, friendships--believing that it is always safer not to expect too much. Although both women live in the same Boston suburb, the two have relatively little in common aside from a fierce love for their children. But one night, a tragic accident causes their lives to converge in ways no one could have imagined. In alternating, pitch-perfect points of view, Emily Giffin's *Heart of the Matter* creates a moving, luminous story of good people caught in untenable circumstances. Each being tested in ways they never thought possible. Each

questioning everything they once believed. And each ultimately discovering what truly matters most.

Heart of the Matter-Christian Counseling & Educational Foundation (CCEF) 2012-10-01 Start a Year of Deep-Down Change Today! Change that goes deeper than the surface of our lives happens as we daily remember the truths of the gospel. Every day we need to be reminded that Jesus, God's own Son, came to this world to save us from sin, sorrow, and death. We need to remember every day how Jesus' life, death, resurrection, ascension, and promised return change the way we view ourselves and others. This devotional will be a daily reminder of these life-changing truths. The 366 selections, anchored in Scripture and saturated with the gospel, will help the reader to: Learn how God in his Word addresses a host of life situations Focus on how the gospel intersects with life Look beyond circumstances to God's purposes See how God values relationship and to learn to value it too by persisting, by speaking truth in love, and by not shying away from conflict Grow in wisdom

when confronted by life's changes. Learn that God works change that is effective and visible. Topics covered in the devotional include: love, hope, grace, redemption, faith, contentment, conflict, relationships, prayer, fear, patience, humility, and anger.

The Heart of the Matter-Joffre McClung 2017-03-22 You can do all the programming and techniques you want to get a better life, but if you don't love yourself, it will not change a damn thing. You will still feel the same way about yourself tomorrow and the day after that and the day after that. The bottom line is the most important relationship you will ever have is the relationship you have with yourself. This relationship can be a rewarding one when rooted in self-love, or it can be toxic when not. So, what is self-love? Why is it so important? And most importantly, how do you find it? The Heart of the Matter answers these questions and more. It takes the esoteric concept of self-love and makes it accessible by clearly defining the three necessary components of self-love. Learn how to reconnect to these components by: Discovering

the transformational tools that are available within. Learning how to use these tools to uncover what you really think and feel about yourself and the world around you, and more importantly why. Transforming the wounded parts of self that have been separated from this love through practical steps and exercises for healing and forgiving the past. Empowering yourself to make more loving and conscious choices about what you believe and therefore what you will feel and experience. We all are searching for more love in our lives. The Heart of the Matter not only shows you where to look but also gives you a roadmap on how to get there. The Heart of the Matter-Christina Becker 2004 The Heart is the centre of individual divinity, innate morality, authenticity and integrity. The process of coming to the Heart and of realising the person we were meant to be is what Carl Jung called 'individuation'. Using Jung's premise that the main causes of psychological problems are conflicts of conscience, Ms. Becker takes the reader through the philosophical and spiritual aspects of the ethical dimensions of this

individual journey towards wholeness. What's the Matter with Kansas?-Thomas Frank 2007-04-01 One of "our most insightful social observers"* cracks the great political mystery of our time: how conservatism, once a marker of class privilege, became the creed of millions of ordinary Americans With his acclaimed wit and acuity, Thomas Frank turns his eye on what he calls the "thirty-year backlash"—the populist revolt against a supposedly liberal establishment. The high point of that backlash is the Republican Party's success in building the most unnatural of alliances: between blue-collar Midwesterners and Wall Street business interests, workers and bosses, populists and right-wingers. In asking "what 's the matter with Kansas?"—how a place famous for its radicalism became one of the most conservative states in the union—Frank, a native Kansan and onetime Republican, seeks to answer some broader American riddles: Why do so many of us vote against our economic interests? Where's the outrage at corporate manipulators? And whatever happened to middle-American progressivism? The questions are urgent as well

as provocative. Frank answers them by examining pop conservatism—the bestsellers, the radio talk shows, the vicious political combat—and showing how our long culture wars have left us with an electorate far more concerned with their leaders' "values" and down-home qualities than with their stands on hard questions of policy. A brilliant analysis—and funny to boot—What's the Matter with Kansas? presents a critical assessment of who we are, while telling a remarkable story of how a group of frat boys, lawyers, and CEOs came to convince a nation that they spoke on behalf of the People.

*Los Angeles Times

A Matter of the Heart-Haruko Ōta 2001

The Heart of the Matter-Darren R. Weissman, Dr. 2013-09-02 How do you access your authentic self in order to have a fulfilling and meaningful life? The Heart of the Matter introduces you to a simple but extraordinarily powerful tool called the See Feel Hear Challenge that will inspire you to easily transform reactive patterns of behavior and negative ways of thinking into a profoundly balanced and healthy lifestyle of your own

conscious design. Based on the latest findings in neuroscience and neurocardiology, this book reveals the astounding power of our emotions and how they can either limit us or set us free. As important as eating, breathing, and sleeping, processing our emotions is the fundamental key to creating harmony in all areas of life. This technique will help us do exactly that: provide guidance on how to live in the moment and create the incredible existence that we desire. Using clear steps and real experiences, Dr. Darren Weissman's latest work, co-authored with Cate Montana, teaches you a new way to live intentionally. Get ready to evoke positive change that will impact the world you're a part of—change that will remold your body, mind, and emotions into a purposeful expression of the radiant spirit that you are. Whether your life is speaking to you through addictions or dysfunctional relationships, illness or unhappiness—or you're focused on becoming an Olympic champion—The Heart of the Matter gives you a potent tool for real change and transformation that you'll be able to use no

matter what issues may arise.

Open Heart-Stephen Westaby 2017-06-20 In gripping prose, one of the world's leading cardiac surgeons lays bare both the wonder and the horror of a life spent a heartbeat away from death When Stephen Westaby witnessed a patient die on the table during open-heart surgery for the first time, he was struck by the quiet, determined way the surgeons walked away. As he soon understood, this detachment is a crucial survival strategy in a profession where death is only a heartbeat away. In Open Heart, Westaby reflects on over 11,000 surgeries, showing us why the procedures have never become routine and will never be. With astonishing compassion, he recounts harrowing and sometimes hopeful stories from his operating room: we meet a pulseless man who lives with an electric heart pump, an expecting mother who refuses surgery unless the doctors let her pregnancy reach full term, and a baby who gets a heart transplant-only to die once it's in place. For readers of Atul Gawande's Being Mortal and of Henry Marsh's Do No Harm, Open Heart offers a

soul-baring account of a life spent in constant confrontation with death.

Heart of Darkness-Joseph Conrad 2018-10-16 Heart of Darkness is a short novel by Polish novelist Joseph Conrad, written as a frame narrative, about Charles Marlow's life as an ivory transporter down the Congo River in Central Africa. The river is "a mighty big river, that you could see on the map, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country, and its tail lost in the depths of the land." In the course of his travel in central Africa, Marlow becomes obsessed with Mr. Kurtz. The story is a complex exploration of the attitudes people hold on what constitutes a barbarian versus a civilized society and the attitudes on colonialism and racism that were part and parcel of European imperialism. Originally published as a three-part serial story, in Blackwood's Magazine, the novella Heart of Darkness has been variously published and translated into many languages. In 1998, the Modern Library ranked Heart of Darkness one of the hundred best novels in English of the

twentieth century.

The Heart of the Matter-Peter Salgo, M.D.

2011-10-25 By the head of the Open Heart ICU at Columbia Presbyterian Hospital--an incredibly persuasive and revolutionary approach for lowering the risks of heart disease -- this plan links high cholesterol and Chlamydia as risk factors and lays out a program to combat both. We are on the cusp of an enormous breakthrough in preventing heart attacks - forever. We are in the same place we were just before penicillin revolutionized the treatment of infectious disease, before fluoride eradicated tooth decay, and just before the polio vaccine brought that disease under control in this country. In The Heart of the Matter, Dr. Peter Salgo, the associate director of the Open Heart ICU at New York Presbyterian Hospital, offers a simple formula to treat people before they get sick, which in turn will prevent heart attacks before they occur. For the first time in history, we know what really causes heart attack. And that knowledge has led Dr. Salgo to this amazingly simple and straightforward program that will

save millions of lives. Dr. Salgo recommends using statins, antibiotics, and aspirin to prevent coronary heart disease. This groundbreaking book also offers a self-test that readers can take to assess their own personal risk for heart disease. The Heart of the Matter is the beginning of a change in the treatment of heart disease. It introduces a preventative program that includes traditional diet and exercise guidelines as well as a blanket recommendation that adults, even many young adults, incorporate medicines into the on-going pursuit for health and longevity - something that, until now, seemed impossible to many. Now, without using a lot of indecipherable medical jargon, this invaluable new guide will show you exactly how to attain that longer, healthier life that so many people wish for. The Heart of the Matter-Morris Berman
2020-05-29 The Heart of the Matter Morris Berman wrote one of the best works of cultural history (the "Consciousness" trilogy) and one of the best works of political history (the "American Decline" trilogy) in recent decades. Since retiring, his output has been equally impressive:

essays, memoirs, fiction, broad-gauged appraisals of Japanese and Italian culture. The stories in *The Heart of the Matter*, especially the title story, are astonishingly, even maniacally inventive. His imagination almost tires you out. -- George Scialabba, author of *The Modern Predicament*, *How To Be Depressed*, and other works

A group of would-be moon travelers takes a time machine back to Los Alamos in 1945, disrupts the Manhattan Project, and heads off the Cold War. A woman of 24, and a man of 85, copy Gandhi's practice of lying together naked without having sex. An archivist at the Met stumbles across a manuscript of Anaximenes, 6th century BC, which contains material that Plato apparently plagiarized. A 7-year-old boy gives his parents the slip and joins a traveling circus act, where he learns about love and magic. These are just a few of the delightfully fresh stories in Morris Berman's new collection of page-turners, which are at once funny, erotic, droll, and politically incorrect. Guaranteed to have you laughing out loud on cold winter nights. Morris Berman is the author of a number of books. His

latest works, published by Echo Point Books, include *Genio: The Story of Italian Genius*; *Coming to Our Senses: Body and Spirit in the Hidden History of the West*; *Are We There Yet?-- Essays and Reflections, 2010 to 2017*; and *Spinning Straw into Gold: Straight Talk for Troubled Times*.

Getting to the Heart of the Matter-Catherine Plano 2019-10-29 Our minds and hearts are the most powerful parts of our bodies. But in a world that is now more focused on being busy than being present, it can be challenging to take ownership of our hopes and fears, find a connection between our heart and mind and shed limiting beliefs that keep us from achieving what we want in life. Catherine Plano relies on over two decades of experience as a transformational coach to share step-by-step guidance that leads women to move past roadblocks, tap into creativity and embark on a path to a new beginning. Change seekers will learn how to: - Discover meaning in life and work - Overcome procrastination and bad habits And lots more... *Getting to the Heart of the Matter* is a

guide to total transformation that encourages women to design a fulfilling future and develop creative strategies that make dreams come true. The Heart of the Matter-Beverly Falk 2000 For too many years, in too many schools, implementing higher standards has meant using the same methods to teach more and harder content, usually unsuccessfully. With this important book, Beverly Falk challenges that thinking. She explores the complexities of assessment, accountability, and standards-based reform, and their impact on classroom practice. And by offering strategies for using standards and assessments to support meaningful learning for all students, she truly gets to the heart of the matter. Included are the tools for moving forward and using education to improve the lives of children: an examination of the problems of traditional standardized tests - and of the benefits of performance assessments an overview of how performance assessments can be created and used to serve a variety of purposes a discussion of standards, their strengths and weaknesses, and ways to assess them for worthy

goals and opportunities for appropriate, effective practices guidelines for developing and organizing standards-based curriculum and assessment ways to use standards and assessments to enhance professional learning and to create a coherent, schoolwide educational program. By placing the discussion in the context of teaching for understanding and critical inquiry, Falk's perspective is refreshing. she provides an alternative to the demand for high-stakes, skills-only standardized testing and pressures to track and retain students that have proliferated in the name of standards-based reform. More important - for teachers, administrators, teacher educators, and anyone in despair over defective models of standards and accountability - she provides hope. The Heart of the Matter-Arthur Green 2015-04 "Judaism, like all the great religions, has a strand within it that sees inward devotion as an opening of the human heart to God's presence. This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living. The devotional claim,

certainly a key part of Judaism's biblical heritage, has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history. This volume represents Rabbi Arthur Green's own quest for such a Judaism, both as a scholar and as a contemporary seeker. This collection of essays brings together Green's scholarly writings, centered on the history of early Hasidism, and his highly personal approach to a rebirth of Jewish spirituality in our own day. In choosing to present them in this way, he asserts a claim that they are all of a piece. They represent one man's attempt to wade through history and text, language and symbol, an array of voices both past and present, while always focusing on the essential question "What does it mean to be a religious human being, and what does Judaism teach us about it?" This, the author considers to be the heart of the matter." -- Publisher's description.

Getting to the Heart of the Matter-Pamela Harris 2019-06-27 Getting to the Heart of the Matter is my journey through needing a triple heart bypass

operation. I have tried to share my experience, how I learned and educated myself to understand the medications, healthy eating options, emotional and physical health and advice, and help anyone going through a similar situation. The Heart of Matter-Evan Currie 2012 "Being the second voyage of the NACS odyssey."

A Matter of the Heart-Stan Lemke 2015-11-17 The Parables are instructive stories that Jesus told while teaching His disciples and the crowds who came to hear Him. Memory can be fickle. Facts and details fade despite our efforts to keep them fresh, but when they are wrapped in an exciting story we can recall them with clarity. Consequently, Jesus taught using stories — parables — so that our memories would be invigorated and we would remember these lessons for years, if not for a lifetime. In A Matter of the Heart we will study eighteen parables Jesus taught. These are some of the most important, if not the most important lessons He wants us to understand and remember. We will study the parable of the Prodigal Son wherein we will come to know the meaning of sin, of

repentance, forgiveness, and the grace of a loving father. In the parable of the Good Samaritan we will see that God's desire for mercy trumps obligation and duty, and we will see through this man a model of Jesus, our Good Samaritan. We will study the Kingdom of Heaven parables for a picture of the kingdom that Jesus established, and come to understand what it means to be a citizen thereof. We will explore the parable of the Wedding Feast which reveals an awesome future event wrapped around a marriage that God the Father arranged for Jesus, His son. We will look at the wise and the foolish, the just and the unjust. We will get a glimpse of heaven itself through the lens of Jesus' teachings. We will study His instruction about prayer, the dangers of ingratitude and a cold heart, the true measure of success, and the meaning of stewardship. Jesus taught using parables — each and every one a blessing, each A Matter of the Heart.

A Matter of the Heart-Patricia Davids 2008-10-01
Operating on a sick little boy is Dr. Nora Blake's responsibility. Answering a determined

reporter's questions about the surgery is not. Especially because Robert Dale is delving into her life, too. Nora has her share of secrets. She won't allow a newspaper to profit from the child's story—or her own. Granted, the handsome reporter truly seems to care. About young, orphaned Ali. About her. And thanks to Rob's skills at digging deep, there is one question she just might answer with a joyful yes....

How to Quit Your Crush-Amy Fellner Dominy
2020-05-04 Mai Senn knows Anthony Adams is no good for her - no matter how hard she might crush on him. She's valedictorian; he's a surf bum. She's got plans, he's got his art. Complete opposites in every way. Vinegar and baking soda, they once joked. A chemical reaction that bubbled. Yeah, they bubbled. Maybe still do.

Good thing Anthony's got the perfect plan: two weeks to prove just how not good they are together. Whoever can come up with the worst date—something the other will seriously hate, proving how incompatible they truly are—wins. Like taking a snake-phobe to the Reptile House at the zoo (his idea). Or a cooking class where they don't even get to eat the food (her idea). It's all about the competition, and it's meant to help them finally crush their crushes. But it wasn't supposed to be so hot. Or so fun. And when Mai's future becomes at stake, will she be able to do the right thing and quit Anthony forever?

Heart of the Matter-Cesare Terracciano
2019-11-01 This textbook introduces readers to the scientific basics of cardiovascular medicine and biology. It covers not only developmental but also cellular and molecular aspects of normally functioning vasculature and the heart; importantly, it also addresses the mechanisms leading to and involved in specific cardiovascular diseases. Though the main emphasis is on novel therapies and potential therapeutic targets, specific controversial topics like cardiac

remodeling and regenerative capacities are also addressed. All chapters were written by lecturers from the Imperial College London, in collaboration with their students from the College's BSc Programme in Medical Sciences with Cardiovascular Science. Bridging the gap between clinics and basic biology, the book offers a valuable guide for medical students, and for Master and PhD students in Cardiovascular Biomedicine.

The Glories of the Sacred Heart-Henry Edward Manning 1876 "The Sacred Heart is, as Simeon prophesied of Jesus Himself, 'Signum cui contradicetur.' Like the title of His Blessed Mother, who is in very truth 'Mother of God,' it has drawn to itself all the assaults of heresy. For it is a divine test of faith in the mystery of the Word made Flesh, 'ut revelentur ex multis cordibus cogitationes.' Those who have trusted with a yearning hope that the faith of Englishmen, in the Incarnation at least, was firm and clear were saddened and silenced when the pilgrimage to Paray-le-Monial elicited from some of the highest sources of the established religion

a profession of simple Nestorianism. It was then that the first fifty pages in this book were published. Having been out of print for some time, they are now reprinted, as the doctrinal foundation of all that follows. The devotion of the Sacred Heart has two aspects: the one as the centre of all dogma; the other as the source of the deepest devotion. In this latter aspect it reveals to us the personal love of our Divine Redeemer towards each and every one for whom He died. It is a manifestation of His pity, tenderness, compassion, and mercy to sinners and to penitents. Nevertheless, its chief characteristic and its dominant note is His disappointment at the returns we make to Him for His love, and above all, His divine displeasure at the faults and sins of those who are specially consecrated at His service. He seems to be sadly upbraiding us with the three doubting questions which He put to Peter, 'Lovest thou Me?' and to be looking upon us as He turned and looked on him, when he had thrice denied his Master. Into this part of the devotion of the Sacred Heart I have not ventured. It has already been treated so

profusely by others, and by many of whom I have only to learn; it is in itself so deep and intimately related to the personal life and mind of each, that I have always felt it better to use but few suggestive words rather than to draw out devotional acts, which to the writer are no doubt spontaneous, natural, and real, but to the reader may be a burden like Saul's armour to David. In the following pages, therefore, I have intentionally confined myself to the dogmatic side of the devotion; and for the following reasons. I believe firmly that when divine truth is fully and duly apprehended it generates devotion; that one cause of shallowness in the spiritual life is a superficial apprehension of the dogma of the Incarnation; and that one divine purpose in the institution and diffusion of the devotion of the Sacred Heart, in these last times, is to reawaken in the minds of men the consciousness of their personal relation to a Divine Master. He has foretold the dimness and coldness of these latter days: 'The Son of Man, when He cometh, shall He find, think you, faith on the earth? (S. Luke xviii. 8.)' 'Because iniquity

hath abounded, the charity of many shall grow cold (S. Matt. xxiv. 12).' In that day the disciples of the Sacred Heart at least will 'know whom they have believed.'"

The Heart of Matter-Pierre Teilhard de Chardin
2016-02-10 Pierre Teilhard de Chardin SJ. 1 May 1881 - 10 April 1955 was a French philosopher and Jesuit priest who trained as a paleontologist and geologist and took part in the discovery of Peking Man.

A Matter of Heart (Lone Star Brides Book #3)-
Tracie Peterson 2014-09-30 Texas born and raised Jessica Atherton is a wealthy young woman whose heart was broken when the man she intended to marry wedded another. But her world is upended when two new men come into her life, and both manage to stir her heart. Harrison Gable is a successful young lawyer with ambitions that match Jessica's dreams. His warm, attentive manner and thoughtful gifts make her feel special. Austin Todd, a former Secret Service agent, enjoys working now as a Texas Ranger cattle inspector. But after learning of forged gold certificates and missing printing

plates, he's drawn back into the world of intrigue and agrees to help solve the case. Jessica is drawn to his kind nature and the unspoken pain she sees in his eyes. If Jessica follows her heart, where will it lead?

In the Heart of the Vosges and Other Sketches by a "Devious Traveller"-Matilda Betham-Edwards 2019-12-09 "In the Heart of the Vosges and Other Sketches by a "Devious Traveller"" by Matilda Betham-Edwards. To the Heart of the Matter-Bert Hellinger 2003
In his courses and seminars Bert Hellinger works with patients to map out family constellations in

a highly concentrated form. This book documents for the first time these highly intensive short-term therapies. These sessions provide insights into the hidden realities and broken relationships revealing new perspectives.

The Heart of the Matter-John D. Loscher 2014-07-26 The heart belonging to Dr. Jacob Rothmann, M.D., Professor of Anatomy and Physiology at Rosalind Franklin University of Medicine and Science is filled with rage. He has yet to recover from being romantically spurned some three decades earlier by the beautiful Melissa Neithaus in favor of his irresponsible roommate, Marty Adkins. Carrying that anger for nearly thirty years blackened his heart beyond reproach. With the cardiac physician's spirit completely devoured, he evolves into a repulsive man with no redeeming characteristics whatsoever. But, with Marty dying of congestive heart failure, Melissa re-enters his life? As a renowned cardiovascular surgeon, Dr. Rothmann has the power to do as the woman he still loves with all his heart implores? Save Marty's life. But does he have the heart to do it?

Matter of the Heart-Ashley Frederick
Deepest Corner of the Heart-Deborah Busby
2014-04-24 Two women. Born on opposite sides of the world. Both experience catastrophic loss. Until their lives intersect... Laura is a young woman who has it all. A loving husband who has just begun his private medical practice. A beautiful home nestled in the hills north of San Diego. A promising counseling career. Life has given her everything she could ever hope for...but she would give it all up without a second thought. Despite appearances, there is one thing Laura wishes for and desires more than anything else...the one thing that life won't give her. And the pursuit of that one thing nearly destroyed her. Adrianna, a refugee in a foreign land, has left behind a home ravaged by war. In her arms, she clings to her new baby girl as they travel across the country to their new life. Adrianna has lost her husband, her parents, and the only man she ever truly loved. The only thing the young mother clings to besides her precious baby girl is a glimmer of hope that her life will be better than the one she left behind. Fate brings the two

women together and they are drawn to one another as kindred spirits, each recognizing a familiar pain in the other. Can their new friendship heal old wounds and navigate the pitfalls that come with starting over? And what happens when Laura's new best friend makes a choice she will never be able to comprehend? The Heart of the Matter-Ian Smillie 2000 How diamonds have been the cause of widespread death, misery, & destruction for almost a decade in the West African country of Sierra Leone. Through the 1990s, Sierra Leone's rebel war became a tragedy of major humanitarian, political & historic proportions, but the story goes back 60 years, to the discovery of the diamonds. The diamond mining sector has become influenced by organized crime & by the smuggling not just of diamonds, but of guns & drugs, & by vast sums of money in search of a laundry. No peace agree. would be sustainable until the problems of mining & selling diamonds had been addressed, both inside Sierra Leone & internationally. Tables.
The School of Heart Knocks-Deborah J. Johnston

Bullet to the Heart of the Matter-Veronica Ross Holley 2012-02-28 When drop-dead gorgeous Victor walks into a room, the air changes. He is every woman's man—and he knows it. Unfortunately, his charisma does not prevent him from carrying the weight of the world on his two broad shoulders. No one really knows Victor, including himself. Victor has always had a way with women. When he runs into Priscilla Freeman late one night in a local bar, he woos her straight into bed, not realizing that she

thinks she has just found Mr. Right. Her biological clock is ticking, and she wants a baby more than anything. But what she does not know is that Victor is hiding a monumental secret that may just prevent him from ever becoming the man she wants him to be. Despite Victor's long absences away from her life, Priscilla soon discovers her dream has come true—she is pregnant with his baby. Nine months later, Lil Victor is born—and his father still has no idea he has a son. In this compelling tale lust, love, and lies surround a man who realizes that he must reconcile with his past in order to move forward into the future to become the man—and father—he has always wanted to be.
