This is why you remain in the best website to look the unbelievable ebook to have.

True Memoirs of an International Assassin-Cristian Butnariu 2017-10-22 Fontaine decided, out of respect for Strathmore, to do the job himself. He had an invisible tap installed on Commander Strathmore's Crypto account-his E-mail, his interoffice correspondence, his brainstorming, all of it. If Strathmore was going to crack, the director would see warning signs in his work. But instead of signs of a breakdown, Fontaine uncovered the ground work for one of the most incredible intelligence schemes he'd ever encountered. It was no wonder Strathmore was busting his ass; if he could pull this plan off, it would make up for the Skipjack fiasco a hundred times over. Fontaine had concluded Strathmore was fine, working at 110 percent-as sly, smart, and patriotic as ever. The best thing the director could do would be to stand clear and watch the commander work his magic. Strathmore had devised a plan... a plan Fontaine had no intention of interrupting. Strathmore fingered the Berretta in his lap. Even with the rage boiling in his blood, he was programmed to think clearly. The fact that Greg Hale had dared lay a finger on Susan Fletcher sickened him, but the fact that it was his own fault made him even sicker; Susan going into Node 3 had been his idea. Strathmore knew enough to compartmentalize his emotion-it could in no way affect his handling of Digital Fortress. He was the deputy director of the National Security Agency. And today his job was more critical than it had ever been.

The Book of Assassins-George Fetherling 2011-11-16 The compelling, tragic and often bizarre life stories of history's famous and infamous assassins, now collected in one comprehensive, easy-to-use volume. The names are well-known, but how much do you know about the inner lives of John Hinckley Jr., who shot Ronald Reagan in a misguided attempt to impress actress Jodie Foster, or Mark David Chapman, who, after shooting John Lennon, sat down on the sidewalk to continue reading *The Catcher in the Rye*? And what about the world's not-so-famous assassins? Find out what happened when Carlito Dimahilig attacked Imelda Marcos with a bolo knife (and how one of her many famous pairs of shoes came into play!), or why Max Hödel could be considered one of the least successful assassins in history. With breadth of study and a keen eye for detail, George Fetherling has compiled a fascinating and very readable compendium -- the first of its kind -- of more than 200 biographies of assassins from all periods and countries, for the scholar and general reader alike. Fetherling also provides an overview of the history of assassination, outlines the five psychological types of assassins and gives a run-down of the most useful literature in the field. Ideal for students, historians, history buffs, psychologists and readers interested in biography and true crime, this book is a must have window into the lives of those who have drastically shaped the history of our world. From the Hardcover edition.

The August Assassin-John Chapman Elliott 2010-11 A memoir outlining the author's four decades working with the U.S. Dept. of State, and with Mossad, as a paid assassin.

Saving My Assassin-Virginia Prodan 2016-06-07 "I should be dead. Buried in an unmarked grave in Romania. Obviously, I am not. God had other plans." At just under five feet tall, Virginia Prodan was no match for the towering 6' 10" gun-wielding assassin the Romanian government sent to her office to take her life. It was not the first time her life had been threatened--nor would it be the last. As a young attorney under Nicolae Ceausescu's brutal communist regime, Virginia had spent her entire life searching for the truth. When she finally found it in the pages of the most forbidden book in all of Romania, Virginia accepted the divine call to defend fellow followers of Christ against unjust persecution in an otherwise ungodly land. For this act of treason, she was kidnapped, beaten, tortured, placed under house arrest, and came within seconds of being executed under the orders of Ceausescu himself. How Virginia not only managed to elude her enemies time and again, but how she also helped expose the appalling secret that would ultimately lead to the demise of Ceausescu's evil empire is one of the most extraordinary stories ever told. A must-read for all generations, *Saving My Assassin* is the unforgettable account of one woman's search for truth, her defiance in the face of evil, and a surprise encounter that proves without a shadow of a doubt that nothing is impossible with God.

Grave Dancer Memoir of an Assassin-Troy Creamer 2016-06-24

A Memoir of Injustice-Jerry Ray 2011-02-01 Including previously undisclosed information on one of the most significant and mysterious

events in modern American history, this account debunks the myth that James Earl Ray was a racist and documents his actual location on one of the critical days leading up to the assassination of Martin Luther King Jr. The memoir also reveals photographs of James Earl Ray when he was ill in prison and gives the key to a code used by the brothers in planning a prison break. Presenting a mesmerizing perspective on the manipulation of the media in reporting on race relations, the working middle class, and the U.S. criminal justice system, this account broadcasts an urgent call to action to correct some of the many injustices that surround these events, such as the U.S. government's refusal to rigorously test the alleged murder weapon, and encourages support for new federal legislation.

The Assassins-Bernard Lewis 2008-08-05 From a master historian, the definitive account of history's first terrorists An offshoot of the Ismaili Shi'ite sect of Islam, the Assassins were the first group to make systematic use of murder as a political weapon. Established in Iran and Syria in the eleventh and twelfth centuries, they aimed to overthrow the existing Sunni order in Islam and replace it with their own. They terrorized their foes with a series of dramatic murders of Islamic leaders, as well as of some of the Crusaders, who brought their name and fame back to Europe. Professor Lewis traces the history of this radical group, studying its teachings and its influence on Muslim thought. Particularly insightful in light of the rise of the terrorist attacks in the U.S. and in Israel, this account of the Assassins--whose name is now synonymous with politically motivated murderers--places recent events in historical perspective and sheds new light on the fanatic mind.

Chasing King's Killer: The Hunt for Martin Luther King, Jr.'s Assassin-James L. Swanson 2018-01-02 An astonishing account of the assassination of America's most beloved and celebrated civil rights leader, Martin Luther King, by NY Times bestselling author, James L. Swanson.

Autobiography: Seward at Washington, as senator and secretary of state. A memoir of his life, with selections from his letters, 1846-1872. By Frederick W. Seward-William Henry Seward 1891

Saving My Assassin-Virginia Prodan 2016-06-07 "I should be dead. Buried in an unmarked grave in Romania. Obviously, I am not. God had other plans." At just under five feet tall, Virginia Prodan was no match for the towering 6' 10" gun-wielding assassin the Romanian government sent to her office to take her life. It was not the first time her life had been threatened--nor would it be the last. As a young attorney under Nicolae Ceausescu's brutal communist regime, Virginia had spent her entire life searching for the truth. When she finally found it in the pages of the most forbidden book in all of Romania, Virginia accepted the divine call to defend fellow followers of Christ against unjust persecution in an otherwise ungodly land. For this act of treason, she was kidnapped, beaten, tortured, placed under house arrest, and came within seconds of being executed under the orders of Ceausescu himself. How Virginia not only managed to elude her enemies time and again, but how she also helped expose the appalling secret that would ultimately lead to the demise of Ceausescu's evil empire is one of the most extraordinary stories ever told. A must-read for all generations, *Saving My Assassin* is the unforgettable account of one woman's search for truth, her defiance in the face of evil, and a surprise encounter that proves without a shadow of a doubt that nothing is impossible with God.

The Blind Assassin-Margaret Atwood 2010-12-10 "Ten days after the war ended, my sister Laura drove a car off a bridge." These words are spoken by Iris Chase Griffen, married at eighteen to a wealthy industrialist but now poor and eighty-two. Iris recalls her far from exemplary life, and the events leading up to her sister's death, gradually revealing the carefully guarded Chase family secrets. Among these is "The Blind Assassin," a novel that earned the dead Laura Chase not only notoriety but also a devoted cult following. Sexually explicit for its time, it was a pulp fantasy improvised by two unnamed lovers who meet secretly in rented rooms and seedy cafés. As this novel-within-a-novel twists and turns through love and jealousy, self-sacrifice and betrayal, so does the real narrative, as both move closer to war and catastrophe. Margaret Atwood's Booker Prize-winning sensation combines elements of gothic drama, romantic suspense, and science fiction fantasy in a spellbinding tale.

The Patient Assassin-Anita Anand 2019-06-25 The dramatic true story of a celebrated young survivor of a 1919 British massacre in India, and his ferocious twenty-year campaign of revenge that made him a hero to

hundreds of millions—and spawned a classic legend. When Sir Michael O'Dwyer, the Lieutenant Governor of Punjab, ordered Brigadier General Reginald Dyer to Amritsar, he wanted Dyer to bring the troublesome city to heel. Sir Michael had become increasingly alarmed at the effect Gandhi was having on his province, as well as recent demonstrations, strikes, and shows of Hindu-Muslim unity. All these things, to Sir Michael, were a precursor to a second Indian revolt. What happened next shocked the world. An unauthorized gathering in the Jallianwallah Bagh in Amritsar in April 1919 became the focal point for Sir Michael's law enforcers. Dyer marched his soldiers into the walled garden, blocking the only exit. Then, without issuing any order to disperse, he instructed his men to open fire, turning their guns on the thickest parts of the crowd, filled with over a thousand unarmed men, women, and children. For ten minutes, the soldiers continued firing, stopping only when they ran out of ammunition. According to legend, eighteen-year-old Sikh orphan Udham Singh was injured in the attack, and remained surrounded by the dead and dying until he was able to move the next morning. Then, he supposedly picked up a handful of blood-soaked earth, smeared it across his forehead, and vowed to kill the men responsible. The truth, as the author has discovered, is more complex—but no less dramatic. Award-winning journalist Anita Anand traced Singh's journey through Africa, the United States, and across Europe until, in March 1940, he finally arrived in front of O'Dwyer himself in a London hall ready to shoot him down. *The Patient Assassin* shines a devastating light on one of history's most horrific events, but it reads like a taut thriller and reveals the incredible but true story behind a legend that still endures today.

*El Sicario*-Molly Molloy 2012-01-05 MEET EL SICARIO. A fugitive in the US with a \$250,000 price tag on his head. He has executed hundreds of people, is an expert in torture, spent years working for the state police, and received training from the FBI. In grim and graphic detail he offers a series of confessions: -- Why he first became involved with the cartels and how they operate -- The most effective way to torture your victim -- The corrosive experience of looking into someone's eyes as you strangle them to death To read this book is to enter a world of terror and corruption and to understand the man who has seen it all and, for now, lived to tell the tale. *The Assassin Game*-Kirsty McKay 2016-08-02 T.A.G. You're It... "It is 4 a.m. when they come for me. I am already awake, strung out on the fear that they will come, and fear that they won't. When I finally hear the click of the latch on the dormitory door, I have only a second to brace myself before-" At Cate's isolated boarding school *Killer* is more than a game-it's an elite secret society. Members must avoid being "killed" during a series of thrilling pranks-and only the Game Master knows who the "killer" is. When Cate's finally invited to join *The Guild of Assassins*, she knows it's her ticket to finally feeling like she belongs. But when the game becomes all too real, the school threatens to shut it down. Cate will do anything to keep playing and save *The Guild*. But can she find the real assassin-before she's the next target?

*The Assassin Chip*-James E. Mosimann 2014-07-19 Want an entertaining thriller and a crack at RSA encryption? Try this novel and see statistical forensics in action. After all, it's just fake data. Surely it can't be important. Or can it? A lab worker discovers that her boss is submitting fake data to the Food and Drug Administration for approval of a medical device, and disappears. An analyst hired to support the company's proposal to the FDA verifies the fraud, and she too vanishes. But the two women escape, and aided by a retired FBI agent and an ex CIA operative, discover that terrorists have their own use for the medical device. The four dodge company thugs and jihadists from Nags Head to the Chesapeake Bay as they struggle to stop an international plot. This is the second book in a series that features statistician Jeannine Ryan, an expert in numerical forensics.

*Saving My Assassin*-Virginia Prodan 2016-06-07 "I should be dead. Buried in an unmarked grave in Romania. Obviously, I am not. God had other plans." At just under five feet tall, Virginia Prodan was no match for the towering 6' 10" gun-wielding assassin the Romanian government sent to her office to take her life. It was not the first time her life had been threatened—nor would it be the last. As a young attorney under Nicolae Ceausescu's brutal communist regime, Virginia had spent her entire life searching for the truth. When she finally found it in the pages of the most forbidden book in all of Romania, Virginia accepted the divine call to defend fellow followers of Christ against unjust persecution in an otherwise ungodly land. For this act of treason, she was kidnapped, beaten, tortured, placed under house arrest, and came within seconds of being executed under the orders of Ceausescu himself. How Virginia not only managed to elude her enemies time and again, but how she also helped expose the appalling secret that would ultimately lead to the demise of Ceausescu's evil empire is one of the most extraordinary stories ever told. A must-read for all generations, *Saving My Assassin* is the unforgettable account of one woman's search for truth, her defiance in the face of evil, and a surprise encounter that proves without a shadow of a doubt that nothing is impossible with God.

*The Madman and the Assassin*-Scott Martelle 2015-04-01 As thoroughly examined as the Civil War and the assassination of Abraham Lincoln by John Wilkes Booth have been, virtually no attention has been paid to the life of

the Union cavalryman who killed Booth, an odd character named Boston Corbett. The killing of Booth made Corbett an instant celebrity who became the object of fascination and of derision. Corbett was an English immigrant, a hatter by trade, who was likely poisoned by mercury. A devout Christian, he castrated himself so that his sexual urges would not distract him from serving God, which he did as a street evangelist and preacher. He was one of the first volunteers to join the US Army in the first days of the Civil War, a path that would in time land him in the notorious Andersonville prison camp. Eventually released in a prisoner exchange, he would end up in the squadron that cornered Booth in Virginia. *The Madman and the Assassin* is the first full-length biography of Boston Corbett, a man who was something of a prototypical modern American, thrust into the spotlight during a national news event. His story also encompasses tragedy—his wife died when he was young, and he struggled with poverty and his own mental health—as it weaves through some of the biggest events in nineteenth century America. Scott Martelle is a professional journalist and the author of *The Admiral and the Ambassador*, and *Detroit: A Biography*, and is an editorial writer for the Los Angeles Times.

*They Call Me Assassin*-Jack Tatum 1980 *The hardest-hitting free safety in football* reveals that, although he loves combat, he hates the injuries that result from his powerful charges, and he calls for changes in the game's rules to afford players better protection

*A Memoir of Maria Edgeworth*-Frances Anne Beaufort Edgeworth 1867 *The Assassin's Quest*-Neil Port 2015-05-30 A desert world made desperate by drought and war. Jess, a beautiful Nubian assassin, deadly to her enemies but strangely troubled and vulnerable around her friends. Can the love of the Greek slave girl save her? For Jess carried a terrible secret. And she desperately needs answers: answers about herself and what really happened to Jacinta and Elana in the final moments of the desperate defence of Elgard? Is the Elvish Prophecy really complete? The friends embark on a perilous quest that will take them half way across the known world to the Troad but they are not ready for what they will find there. It is not only danger and dark magic Jess must face on her journey, she must face what lies inside herself. The epic adventure of love and courage that starts with the Elvish Prophecy continues in *The Assassin's Quest*.

*To Kill President Pompidou*-R. H. Blum 2014

*Autobiography of William H. Seward*, from 1801 to 1834-William Henry Seward 1891

*Margaret Atwood*-J. Brooks Bouson 2010-11-18 A collection of original essays by well-known Atwood scholars offering contemporary critical readings and assessments of three well known Atwood texts.

*The Templars and the Assassins*-James Wasserman 2001-04-01 • An examination of the interactions of the Christian Knights Templar and their Muslim counterparts, the Assassins, and of the profound changes in Western society that resulted. • Restores the reputation of the secret Muslim order of the Assassins, disparaged as the world's first terrorist group. • Dispels many myths about the Knights Templar and provides the most incisive portrait of them to date. A thousand years ago Christian battled Muslim for possession of a strip of land upon which both their religions were founded. These Crusades changed the course of Western history, but less known is the fact that they also were the meeting ground for two legendary secret societies: The Knights Templar and their Muslim counterparts, the Assassins. In *The Templars and the Assassins: The Militia of Heaven*, occult scholar and secret society member James Wasserman provides compelling evidence that the interaction of the Knights Templar and the Assassins in the Holy Land transformed the Templars from the Pope's private army into a true occult society, from which they would sow the seeds of the Renaissance and the Western Mystery Tradition. Both orders were destroyed as heretical some seven hundred years ago, but Templar survivors are believed to have carried the secret teachings of the East into an occult underground, from which sprang both Rosicrucianism and Masonry. Assassin survivors, known as Nizari Ismailis, flourish to this day under the spiritual leadership of the Aga Khan. Wasserman strips the myths from both groups and penetrates to the heart of their enlightened beliefs and rigorous practices, delivering the most probing picture yet of these holy warriors.

*A Memoir of Shelley*-William Michael Rossetti 1886

*A Memoir of Sir John Drummond Hay*-John Hay Drummond-Hay 1896

*A Memoir of Sir John Drummond Hay*-Louisa Annette Edla Drummond-Hay Brooks 1896

*Essays of Elia, and Eliana*. With a memoir by Barry Cornwall-Charles Lamb 1879

*Accidental Assassin*-Maurice Carroll 2013-02-11 Rumors of a conspiracy started as soon as Lee Harvey Oswald assassinated President John F. Kennedy and were re-doubled when Jack Ruby murdered Oswald in the heavily guarded basement of Dallas police headquarters. This is a story by a reporter who was in that headquarters basement and then worked on the final formal acts of the assassination chronology -- Rubys murder trial and the investigation by the Warren Commission. Unlike the Commissions tedious, detached and disorganized report, *Accidental Assassin: Jack Ruby and 4 minutes in Dallas* tells what it was like during those tumultuous times. It follows Ruby on his journey to the murder scene and dismisses the

thought that he might have been part of a conspiracy.

Mr. Urquhart on the Italian War ... To which is added a memoir on Europe drawn up for the instruction of the present Emperor of Russia-David Urquhart 1859

The Assassins of Tamurin-S. D. Tower 2003-12-30 Lale, an assassin and spy, is sent on a dangerous mission to the world of Bethiya where she is forced to become the mistress of Terem Rathai, the ruler of this realm, in order to carry out her orders of mass destruction, but the tables turn when Lale falls in love with Terem, forcing her to choose between loyalty and true love. Reprint.

The Trigger-Tim Butcher 2014-06-03 From the author of Blood River: "A splendid book, part memoir, part history," about the teenager who killed Archduke Ferdinand and sparked WWI (Norman Stone, author of World War One). Sarajevo, 1914. On a June morning, nineteen-year-old Gavrilo Princip drew a pistol from his pocket and fired the first shot of the First World War, killing the heir to the Austro-Hungarian Empire, Archduke Franz Ferdinand. Princip then launched a series of events that would transform the world forever. Retracing Princip's steps from the feudal frontier village of his birth to the city of Belgrade and ultimately Sarajevo, journalist and bestselling author Tim Butcher discovers details about the young assassin that have eluded historians for a century. Drawing on his own experiences in the Balkans covering the Bosnian War in the 1990s, Butcher also unravels the complexities and conflicts of this part of the world, showing how the events of that day in 1914 still have influence today. "Devastating yet strangely exhilarating." —Publishers Weekly "Evocative and moving . . . [Butcher] reveals an intelligent and determined South Slav patriot who gave his life for the cause." —Saul David, author of Military Blunders "Well-researched history . . . indelible personal recollections of the Bosnian war . . . piquant

vignettes of traversing rural Bosnia on foot . . . Consistently appetizing and highly controversial." —Dervla Murphy, author of Full Tilt "A great book . . . to be recommended to professional and amateur historians alike." —General Sir David Richards, former chief of the British Defense Staff

A Memoir of Ireland in 1850-Henry Lambert 1851

A Memoir of Ireland in 1850. By an Ex-M.P. [Henry Lambert].-Ireland 1851

The Heptameron, tr., with a memoir of the author, by W.K. Kelly-Margaret (consort of Henry ii, king of Navarre.) 1855

Assassin on Stage-Albert Furtwangler 1991 Highlighting John Wilkes Booth's deep association with the assassins of Shakespeare's plays, interprets the 1865 assassination of Lincoln as a manifestation of the classical tragedy, then applies it to the drama of US history. Annotation copyrighted by Book News, Inc., Portland, OR

Memoir of the Assassination of Henry Rives Pollard-Edward Alfred Pollard 1869

The Assassin's Prayer-Mark Allen 2014-01-14 Ex-CIA assassin Travis Kain, burned by the betrayal of his best friend and the bitter death of his wife, turns to the life of a gun for hire, doing his best to bury the past beneath a violent sea of bullets and blood. But some sins refuse to stay buried and Kain finds himself fighting not only a ruthless nemesis from his shadowy past, but also the scars on his soul, which are torn open by the arrival of a woman from his past. With its full-auto pace, high-powered action, and raw emotion, The Assassin's Prayer is a relentless tale of redemption for those who know that bullets sometimes speak louder than words.

A Memoir of S.S. Prentiss-George Lewis Prentiss 1899

A Memoir on Ireland Native and Saxon-Daniel O'Connell 1885
