God's Message to the World-Neale Donald Walsch 2015-12-07 You've Got Me All Wrong If we've got God all wrong, we've got everything else wrong, too. Is it possible that everything we think we know about God, and what God wants, is wrong? In direct and spiritually challenging language, Walsch exposes the many ways in which he believes that humanity completely misunderstands God. He describes in clear terms how the world could change overnight if humans accurately comprehended what God is, what God wants, who they are in relation to that, and to each other. Walsch calls this the Missing Data, which if ever embraced and acted on by our species, would create a spiritual revolution across the globe, bringing humanity both inner and outer peace at last. Does anybody care why our species has been such a failure? Does anybody imagine it has not been? Does anybody want to know how this whole situation can be turned around in the virtual blink of an eye? If you do care about those questions, then you will read this book. Neale Donald Walsch is one of the most influential and widely read authors in the new spirituality movement, with eight books on the New York Times bestseller list. His life and work have helped to create and sustain a worldwide spiritual renaissance, and he travels globally to bring the uplifting message of his books to people everywhere.

Share your Message with the World-Tony Gambone 2016-01-18

*Share Your Message with the World* started out as an idea of how I could get everyone to share his or her stories. Volume I was such a success and the stories were so inspiring that I decided to make *Share Your Message with the World* a series. I received many e-mails and phone calls from people telling me how inspired and motivated they were reading the stories in *Share Your Message with the World*. In Volume II, the stories are just as inspirational, educational, and informational.

I am a big believer that no one cares anything about what you're selling, offering, or providing until they know more about you. This book will tell you the personal journeys of people around the world, how they overcame the struggles of life and stayed focused on the place they were aiming for.

It is true that every day our directions might change, but the one thing that is important is that you stay focused on where you are going to conquer the struggles and recognize the lessons from them. I believe that everyone needs to hear or read someone else's story to be able to continue through daily struggles. The stories in this book and Volume I are the proof you need to know that you too can make it to the finish line.

Make sure to Share Your Message and learn how you too can help someone through his or her journey of life.

Under the expert guidance of John Bowker, a religious scholar and author of international stature, readers explore the key texts of Jewish, Christian, Muslim, Hindu, Jain, Sikh, Buddhist, Parsi, Confucian, Daoist, and Shinto traditions. *John the Evangelist: a Message to the Saints*-Cres Smith 2005-04-14 John

the Evangelist: A message to the Saints John took the time to write his gospel long after the other gospels had been written and before the critical challenges to the Christian Church came after the first century. John was unique in his relationship to Christ. As a young man, he knew Jesus from the time he was baptized. He must have even known him before the baptism since his mother and Jesus mother, Mary, were sisters. Jesus was near thirty years old when John was yet a teen age boy. Had John known Jesus he undoubtedly would have been impressed with his older cousin and would have known of Jesus life before he started his mission. John's presence at the wedding in Cana is a good example of that relationship. At the later of John's life, he saw the fruits of Jesus ministry as the gospel was spread throughout the world. John saw the threats to the infant church and prepared a gospel that would keep the doctrine pure. John's Gospel served as a stalwart testimony in defending the beliefs of the Christian Church. He knew what the needs of the Saints would be down through the centuries and prepared us for the doctrinal threats. Because of the uniqueness of his writing it is analyzed as a nearly independent message, in an attempt to understand John's message clearly. No particular secular doctrine of Christian Church philosophy is to be proven or purposefully supported. An attempt is made to understand John, as he intended, by analyzing the verses he has written one by one, just as one would read the scriptures in a study class. At times the study looks forward or back for support of his writing, but few references are made to other scriptures outside John's writing and the investigation is limited to what John wrote. External references are used to clarify the translation and historical accuracy. Obviously, this work can only be accomplished with the support of the Holy Ghost, and this book is a simple attempt to use the spiritual power available to us to understand and learn. Many may say that this is a fool hearty attempt since they have had unreliable experiences in working with the spirit. On the other hand, if the writings are spiritual then the spirit can best interpret them for us. Great insight has been obtained by this approach and is available to the reader to strengthen him as John intended. First and foremost John's writing is a testimony of Jesus the Christ as the Savior of the World. John was with Jesus from the beginning of his ministry and through the final persecution. To be with Christ, as John was, is to look at the Savior through his eyes. We can see as John saw all that took place with Jesus. We are well aware that Jesus was of a earthly mother and a Godly Father. The impact of this dichotomy is seldom discussed as John brings it forth. Just how human was Jesus? Did he really see and feel as another human might? John's gospel takes us through Jesus life and experiences as we learn just how human he was. He obeyed his mother at Cana even though he would have preferred not to. Jesus wept for Lazarus although he had the power to avoid the grief. Jesus human traits and how they changed through his experiences are discussed. Knowing that he was human, and suffered as a human, brings the Savior so much closer to us and removes any ambiguity that Jesus is the Christ. John was at Jesus

baptism. He saw the Baptist take Jesus into the water and when he emerged he saw the sign of the dove as an indication of the Holy Ghost and the voice of the Father as he spoke. John was a young man and he wrote as he witnessed. With the signs that were displayed came the realization by the Baptist that this was indeed the Savior that he had prepared his whole life to baptize. How important it was that Jesus be baptized and that the Baptist was there to perform it. No one on earth had the power or authority to baptize the Savior. One can only imagine the happiness of t

*MESSAGES - Communications from the Spirit World*-James E. Padgett (recorder) 2008-07-21 Who comes to write these messages? What do they want humans to know? This book is about communications between worlds, our physical earth and the world of the unseen spirit. The messages are from soul calling to soul, heart calling to heart. It is not generally known that spirits once themselves mortal endeavor in diverse ways to contact humanity. This book is evidence of this phenomenon. Read this book and discover a wealth of subjects of interest to all mankind. You will see that the primary message from the spirits is that the Universe exists and operates from the place of Love, and that each human is the focus of God's Love and Care.

*The Children of Fatima*-Mary Fabyan Windeatt 2014-04-29 "What if nothing happens on the 13th? Aren't you afraid people will laugh at you?" asked the parish priest as he looked closely at 10-year-old Lucia. "Oh no, Father!" replied Lucia. "I know something wonderful is going to happen on the 13th. The Lady told us so." This book tells what happened and gives the wonderful story of Our Lady's appearances to little Jacinta, Francisco and Lucia.

*Tough Truths for Tough Times*-Saundra L. Washington D.D. 2011-04-25 Today we do not experience great manifestations of God as Moses did many years ago. God has not spoken to us out of a burning bush and neither have we heard His voice as He walked in the cool of the day in the Garden of Eden. We have not looked up over our house of worship and seen the Shekinah glory of God in a visible way. But God does reach into our hearts and into our life and speak to us through His holy Word. One of the outstanding characteristics of Jesus while on earth was His keen skills of observation. He possessed what we sometimes refer to as a "homiletic mind" and saw sermon illustrations at every turn. As He lifts up some simple happening and draws insights from it, we feel refreshed by His words and they speak directly to our own condition. The twenty-one tough truths for these troubled times that furnish the content of this book do not originate with the author, but extracted from the storehouse of God's inexhaustible truth found in both Old and New Testaments. The insights speak to the soul with urgings to rise above the petty to the significant, the secular to the sacred, and the finite to the infinite.

*Welcome to the World, Baby Girl!*-Fannie Flagg 2011-06-22 *Welcome to the World, Baby Girl!* is the funny, serious, and compelling new novel by Fannie Flagg, author of the beloved *Fried Green Tomatoes at the Whistle Stop Cafe* (and prize-winning co-writer of the classic movie). Once again, Flagg's humor and respect and affection for her characters shine forth. Many inhabit small-town or suburban America. Dena Nordstrom, pride of the network, is a woman whose future is full of promise, her present rich with complications, and her past marked by mystery. Among the colorful cast of characters are: Sookie, of Selma, Alabama, Dena's exuberant college roommate, who is everything that Dena is not; she is thrilled by Dena's success and will do everything short of signing autographs for her; Sookie's a mom, a wife, and a Kappa forever Dena's cousins, the Warrens, and her aunt Elner, of Elmwood Springs, Missouri, endearing, loyal, talkative, ditsy, and, in their way, wise Neighbor Dorothy, whose spirit hovers over them all through the radio show that she broadcast from her home in the 1940s Sidney Capello, pioneer of modern sleaze journalism and privateer of privacy, and Ira Wallace, his partner in tabloid television Several doctors, all of them taken with--and almost taken in by--Dena There are others, captivated by a woman who tries to go home again, not knowing where home or love lie.
