Midsummer Night's Dream. Original.
A Midsummer Night's Scream-Jill Churchill
2004-11-23 All the world's a stage in this delightful new whodunit from the incomparable Jill Churchill -- as suburban mom and sometime sleuth Jane Jeffry and best friend Shelley Nowack try to bring the curtain down on a killer. ... Jane Jeffry has a new hobby: the stage, specifically a rundown theater that close pal Shelley and her husband have donated to a local college drama department. Students from the nearby college are in rehearsal there for a never-before-produced "magnum opus" written by the company's director, a surefire bomb-in-the-making distinctly lacking in style, wit, and substance. Though Jane's connection is culinary - helping Shelley handle caterers who will be feeding the actors -- she's soon drawn deeper into the drama than she ever hoped or anticipated. What a scene it is, with petty offstage feuds and jealousies, ego trips, and power struggles between the clueless director-author and his dubiously talented cast. Even the presence of two aging professional thespians -- a

lecherous old boozier and his genteel, seriously gifted wife -- does nothing to stabilize a volatile situation. And the plot takes a decidedly darker turn when a particularly rebellious young performer exits stage left -- permanently -- courtesy of a head-bashing killer. Hark! It's murder, which means it's a cue for Detective Mel VanDyne, Jane's longtime leading man, to get into the act. But Jane and Shelley have their own roles to play in this twisted true-life theatrical, where each member of the dramatis personae has a makeup case full of secrets, masks, and motives. And they'll have to act fast to uncover the villain of the piece before the denouement turns into a real, corpse-strewn, Shakespearean-style tragedy!

The House of Seven Mabels-Jill Churchill

2003-04-29 "Homemaking" is about to take on a whole new meaning for Jane Jeffry, now that she's agreed to help the prosperously divorced Bitsy Burnside restore and redecorate a decrepit old neighborhood mansion. Bitsy's decision to employ an almost all-woman crew has prompted Jane's quick-witted best bud Shelley Nowack to

dub the project, "the House of Seven Mabels" -- but it's also engendered some nasty ill will. And when what begins as a series of anonymous, mean-spirited "pranks" ends up leaving one of the workwomen lying dead at the foot of a staircase, Jane and Shelley decide to try and nail the assassin. But the more Jane saws away at the truth, the more it appears that she may be painting herself into a corner, leaving herself no exit if a crafty killer decides to make Jane Jeffry the next demolition project.

Larva-Julián Ríos 2004 A striking reassessment of the Don Juan myth. A literary tour de force, this extraordinary novel is told in single-minded pursuit of double meanings, but it is serious play. Larva is a rollicking account of a masquerade party in an abandoned mansion in London. Milalias (disguised as Don Juan) searches for Babelle (as Sleeping Beauty) through a linguistic funhouse of puns and wordplay recalling Joyce's Finnegans Wake. A mock-scholarly commentary reveals the backgrounds of the masked revellers, while Rios' allusive language shows that words too wear masks, hiding an astonishing range of

further meanings and implications. Larva revives a Hispanic tradition repressed for centuries by introducing the English tradition of puns, palindromes and acrostics (a word puzzle in which certain letters in each line form a word or words) and establishes Rios as the most accomplished successor (in any language) to Joyce.

Bruce Coville's *Book of Nightmares*-Bruce Coville 1995 Thirteen scary stories compiled by the popular author include the work of such favorites as Jane Yolen, Mark Garland, and Coville himself. *Girl, Interrupted*-Susanna Kaysen 2013-06-19 In 1967, after a session with a psychiatrist she'd never seen before, eighteen-year-old Susanna Kaysen was put in a taxi and sent to McLean Hospital. She spent most of the next two years in the ward for teenage girls in a psychiatric hospital as renowned for its famous clientele—Sylvia Plath, Robert Lowell, James Taylor, and Ray Charles—as for its progressive methods of treating those who could afford its sanctuary. Kaysen's memoir encompasses horror and razor-edged perception while providing vivid

portraits of her fellow patients and their keepers. It is a brilliant evocation of a "parallel universe" set within the kaleidoscopically shifting landscape of the late sixties. *Girl, Interrupted* is a clear-sighted, unflinching document that gives lasting and specific dimension to our definitions of sane and insane, mental illness and recovery. *Knott's Halloween Haunt - a Picture History*-Aldo Lewis 2012-04-01 Nightmares become living reality each year in the dark shadows of America's first theme park.
