A Mighty Long Way-Carlotta Walls Lanier 2009-08-25 BONUS: This edition contains an A Mighty Long Way discussion guide. When fourteen-year-old Carlotta Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the "Little Rock Nine," as they came to be known, would lead the nation on an even longer and much more turbulent path, one that would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.

A Mighty Long Way-Carlotta Walls Lanier 2010-07 A personal account of the nation's most famous school integration recounts the author's decision to attend Little Rock's all-white Central High and describes how subsequent events affected her family's beliefs about dedication, perseverance, and sacrifice.

A Mighty Long Way-Carlotta Walls LaNier 2009 An insider's account of the nation's most famous school integration recounts how the author made

the decision to attend Arkansas's all-white Central High because of geographical practicality rather than a sense of heroism, describing how subsequent events affected her family's beliefs about dedication, perseverance, and sacrifice. By the co-author of the best-selling *The Pact*.

A Long Way Gone-Ishmael Beah 2007-04-01 My new friends have begun to suspect I haven't told them the full story of my life. "Why did you leave Sierra Leone?" "Because there is a war." "You mean, you saw people running around with guns and shooting each other?" "Yes, all the time." "Cool." I smile a little. "You should tell us about it sometime." "Yes, sometime." This is how wars are fought now: by children, hopped-up on drugs and wielding AK-47s. Children have become soldiers of choice. In the more than fifty conflicts going on worldwide, it is estimated that there are some 300,000 child soldiers. Ishmael Beah used to be one of them. What is war like through the eyes of a child soldier? How does one become a killer? How does one stop? Child soldiers have been profiled by journalists, and novelists have struggled to imagine their lives. But until now, there has not been a first-person account from someone who came through this hell and survived. In *A Long Way Gone*, Beah, now twenty-five years old, tells a riveting story: how at the age of twelve, he fled attacking rebels and wandered a land rendered unrecognizable by violence. By thirteen, he'd been picked up by the government army, and Beah, at heart a gentle boy, found that he was capable of truly terrible acts. This is a rare and mesmerizing account, told with real literary force and heartbreaking honesty.

Elizabeth and Hazel-David Margolick 2011-10-04

The names Elizabeth Eckford and Hazel Bryan Massery may not be well known, but the image of them from September 1957 surely is: a black high school girl, dressed in white, walking stoically in front of Little Rock Central High School, and a white girl standing directly behind her, face twisted in hate, screaming racial epithets. This famous photograph captures the full anguish of desegregation--in Little Rock and throughout the South--and an epic moment in the civil rights movement. In this gripping book, David Margolick tells the remarkable story of two separate lives unexpectedly braided together. He explores how the haunting picture of Elizabeth and Hazel came to be taken, its significance in the wider world, and why, for the next half-century, neither woman has ever escaped from its long shadow. He recounts Elizabeth's struggle to overcome the trauma of her hate-filled school experience, and Hazel's long efforts to atone for a fateful, horrible mistake. The book follows the painful journey of the two as they progress from apology to forgiveness to reconciliation and, amazingly, to friendship. This friendship foundered, then collapsed--perhaps inevitably--over the same fissures and misunderstandings that continue to permeate American race relations more than half a century after the unforgettable photograph at Little Rock. And yet, as Margolick explains, a bond between Elizabeth and Hazel, silent but complex, endures.

*The Long Shadow of Little Rock*-Daisy Bates 2014-08-01  
At an event honoring Daisy Bates as 1990's Distinguished Citizen then-governor Bill Clinton called her "the most distinguished Arkansas citizen of all time." Her classic account of the 1957 Little Rock School Crisis, *The Long Shadow of Little Rock*, couldn't be found on most bookstore shelves in 1962 and was banned throughout the South. In 1988, after the University of Arkansas Press reprinted it, it won an American Book Award. On September 3, 1957, Gov. Orval Faubus called out the National Guard to surround all-white Central High School and

prevent the entry of nine black students, challenging the Supreme Court's 1954 order to integrate all public schools. On September 25, Daisy Bates, an official of the NAACP in Arkansas, led the nine children into the school with the help of federal troops sent by President Eisenhower--the first time in eighty-one years that a president had dispatched troops to the South to protect the constitutional rights of black Americans. This new edition of Bates's own story about these historic events is being issued to coincide with the fiftieth anniversary of the Little Rock School crisis in 2007.

Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A BuzzFeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

A Long Long Way-Sebastian Barry 2005-09-08 Praised as a "master storyteller" (The Wall Street Journal) and hailed for his "flawless use of language" (Boston Herald), Irish author and playwright Sebastian Barry has created a powerful new novel about divided loyalties and

the realities of war. Sebastian Barry's latest novel, Days Without End, is now available. In 1914, Willie Dunne, barely eighteen years old, leaves behind Dublin, his family, and the girl he plans to marry in order to enlist in the Allied forces and face the Germans on the Western Front. Once there, he encounters a horror of violence and gore he could not have imagined and sustains his spirit with only the words on the pages from home and the camaraderie of the mud-covered Irish boys who fight and die by his side. Dimly aware of the political tensions that have grown in Ireland in his absence, Willie returns on leave to find a world split and ravaged by forces closer to home. Despite the comfort he finds with his family, he knows he must rejoin his regiment and fight until the end. With grace and power, Sebastian Barry vividly renders Willie's personal struggle as well as the overwhelming consequences of war.

When the Mighty Fall-Simon Chilemba 2015-12-07 Follow in this book the odyssey of a man in search of an own global domain of personal identity, strength, and reason for living. This undertaken in a hard and hostile world of segregation, discrimination based on tribalism, racism, gender relations, status, as well as religious fundamentalism, among other things. He is along the way misunderstood everywhere, and he misunderstand things everywhere himself, making many mistakes and serious errors of judgement, especially with regard to the company he would keep sometimes. The latter would subject him to varying manifestations and degrees of jealousy and awe, often non-justifiable bouts of unfairness and unjustness, dishonesty, betrayals, including subtle but potentially executable threats on his well-being and life. For his own mistakes, intentional or otherwise, our mighty hero takes responsibility, and pays the price as he should.

Against extreme, unprovoked, non-justifiable destructive behavioural tendencies from others, he will protect himself in a special hard line way. Being non-vindictive by disposition and inclination, if and when he has to fight back and exercise equally, if not more destructive powers of revenge and vengeance, our hero has another special modus operandi which often leaves him stronger by far relative to previous conditions, once the enemies have been dealt with. If there is anything to learn from the mighty hero, it will be resiliency and non-indifferent detachment from joy and grief, success and failure; if it will not be the one, it will be the other. The secret is in knowing how to manage it all from the point of view of how much of external material, and or innate personal resources to apply in which direction, such that we come out, indeed, stronger, and even more resourceful, guaranteeing ourselves each our own personal optimal longevity on earth. Love is another powerful weapon on self-preservation for our main man, both in practice and conceptually. Much as evil forces shall prevail in given bad and hard times frames, love does also have its day. No panic, no stress, love will always find the way to raise and lift up deserving fallen once upon a time mighty heroes. Buy, read, and learn from the book about the joys and miracles of love in a man's hands, love in his fantasies, love inaccessible to but there within reach, forbidden love, love unknown, love of the future born yesterday. Say Not What If-Andrew Friedman 2011-07-01 "Say Not What If" is a nearly 10,000 word story written as a long rhyming poem. It is about a man on death row, and has as its theme the concept that time is our most valuable commodity. As someone once said, "waste anything but time, because we really are promised no tomorrows." This theme is explored through the life of a man who sacrifices his marriage and everything else for his career. He realizes much too late the terrible consequences of this decision, and then desperately tries to regain those lost years by making a much worse choice. The resolution of this latter choice involves an additional examination of the concepts of accountability and responsibility, redemption, and the morality of the death penalty. The story has a better than average rating of 4/5 stars on Goodreads and Amazon. There are currently fifty-six ratings and forty-one written reviews on Goodreads at <http://www.goodreads.com/book/show/12788920-say-not-what-if>. Another thirteen ratings and reviews are on Amazon. Reviewers have described the story as "exceptional," "amazing," "incredibly special," "borderline genius," "a lyrical masterpiece," "gripping and compelling," "thought provoking," and a "beautifully written piece of literature." Many enjoyed the story so much that they intend to share it with their family and friends. I have never seen a story written in this format. It has characters and dialogue just like a regular story, and is extremely easy to read and understand, regardless of whether you have a GED or a PHD. You should therefore not be concerned that the format makes the story hard to understand. Many reviewers had the same initial concern, but then pleasantly discovered that the story is very easy to follow. But you can further allay any such fears by reading the first few pages of the story on my website, [www.ascensionenterprise.com](http://www.ascensionenterprise.com). This story will tear at your soul. As many of the reviewers said, it only requires an hour or so to read, but will keep you thinking about its message long after you are finished. Time is quintessentially important and valuable. Who knows how much time anyone has? Would you trade ten or even five years of your life for a million dollars? The story can be purchased from many booksellers, including Amazon and Barnes & Noble. It can also be purchased for only 0.99 as an ebook for Kindle. Best wishes and good luck in all your reading endeavors.

You've Come a Long Way Baby-Scott D. Starkey 2012-02-01 Scott Starkey and his wife Jennifer were determined after marrying that their household should never grow beyond the two of them - and however many dogs and cats occupied the premises at the time - when, in 2004, a chance encounter with a television program called "China's Lost Girls" set in motion a series of events that eventually led them to China and a thirteen month old little girl - their precious daughter Hope - in August, 2010. "You've Come a Long Way, Baby: A China Adoption Story" is a poignant, heartfelt, and frequently humorous chronicle of one couple's emotional adoption journey, including the decision to adopt, persistence through years of waiting, an anxiety filled two-week "adventure" in China where they met their little girl for the first time, and the challenges faced along the way. More importantly, it's a unique look at family, and what it really means to make one.

The story takes place in 17th-century Puritan New England, a common setting for Hawthorne's works, and addresses the Calvinist/Puritan belief that all of humanity exists in a state of depravity, but that God has destined some to unconditional election through unmerited grace. Hawthorne frequently focuses on the tensions within Puritan culture, yet steeps his stories in the Puritan sense of sin. In a symbolic fashion, the story follows Young Goodman Brown's journey into self-scrutiny, which results in his loss of virtue and belief.
