A Mind of Winter-Shira Nayman 2012-05-01 Three people whose lives intersect during World War II take turns narrating and coming to terms with their pasts and a hidden truth that unites them.

Purgatory-Ken Bruen 2013-11-04 An Irish ex-cop is lured into a violent game by a vengeful killer in this “excellent” crime novel by an Edgar Award finalist (Publishers Weekly, starred review). Former cop Jack Taylor is recovering from mental and physical wounds, as well as from addictions to a variety of substances. But this fragile existence is threatened when a vigilante begins targeting the scum of Galway, signing mysterious notes with the moniker “C33.” The murderer addresses these cryptic letters to Jack, trying to goad him into joining the violent spree. While Jack tries to unravel the mystery and motives of this demented killer, he’s also brought into the fold of an enigmatic tech billionaire who has been buying up massive amounts of property in Galway, seemingly in the hopes of offering this downtrodden city a better future. Yet if Jack has learned one thing living in Ireland, it’s that people who outwardly claim to be on the side of righteousness are likely harboring far more nefarious motives beneath the surface. With the help of his friends, a former drug dealer-turned-zen master and a dogged police sergeant, Jack is determined to track down C33, even if it jeopardizes his livelihood, his friends, and the remaining shreds of his sanity... “Noir fans will find what they love here.”—Booklist (starred review) River-Shira Nayman 2020-04 From the Australian Outback, where she meets a young Aboriginal man, to racist, rigidly segregated South Africa during World War II, to the midst of a pogrom in Lithuania, and then all the way back to the Babylon of biblical times, Emily has deep encounters with the young women she meets and ultimately, the histories that have mysteriously and yet powerfully shaped her own soul.

Winter Suns-Julie Roberts Towe 2015-01-22 A teenage girl in Eastern Kentucky has been isolated since birth. She experiences abuse from her father as unquestionably the will of God. She obeys his rules in hopes of banishing her demons and finding redemption. But when she breaks a rule in order to teach herself to read the Bible, she discovers something more powerful than God’s laws. A hidden letter written sixteen years prior by a woman named Allie to her lover, Jute, reveals both disturbing and electrifying secrets. She feels called to find Jute and deliver the letter to her, even if none of the maps in the Bible show the way to Nashville, Tennessee. Meanwhile, in Nashville, Jute has decided to let go of Allie’s things. She asks her son, John, to take the boxes from the attic to the barn. To him, it’s all junk. He was never told about Allie. But, when John discovers an old photograph tucked inside one of the notebooks, he is instantly drawn into the mystery of what happened to the girl. What he discovers is even more horrifying than the secrets his mother is hiding. He wants to forget it all, but he can’t. Logic and Uncertainty in the Human Mind-Shira Elqayam 2020-06-10 David E. Over is a leading cognitive scientist and, with his firm grounding in philosophical logic, he also exerts a powerful influence on the psychology of reasoning. He is responsible for not only a large body of empirical work and accompanying theory, but for advancing a major shift in thinking about reasoning, commonly known as the ‘new paradigm’ in the psychology of human reasoning. Over’s signature mix of philosophical logic and experimental psychology has inspired generations of researchers, psychologists, and philosophers alike over more than a quarter of a century. The chapters in this volume, written by a leading group of contributors including a number who helped shape the psychology of reasoning as we know it today, each take their starting point from the key themes of Over’s ground-breaking work. The essays in this collection explore a wide range of central topics—such as rationality, bias, dual processes, and dual systems—as well as contemporary psychological and philosophical theories of conditionals. It concludes with an engaging new chapter, authored by David E. Over himself, which details and analyses the new paradigm psychology of reasoning. This book is therefore important reading for scholars, researchers, and advanced students in psychology, philosophy, and the cognitive sciences, including those who are not familiar with Over’s thought already.

Cassel’s Illustrated Family Paper- 1866

The Listener-Shira Nayman 2010-02-01 Bertram Reiner, a charismatic and brilliant man diagnosed with a severe case of Battle Fatigue is treated by Dr. Harrison, the distinguished and steadfast head of the hospital, finds the most challenging patient of his career. Their sessions leave Dr. Harrison slipping into a frightening, but also strangely enlivening twilight existence that renders the boundaries between sanity and insanity disquietingly blurred. When Dr. Harrison discovers that Bertram is having an affair with Matilda, the head nurse, who he himself has feelings for, his own state of yearning rises and throws his sanity into the balance.

Other benefits include the essential life skills of patience, relaxation and determination. Secure a copy now!

Rose Winter’s Window-Maren Roe Wenz 2015-09-10 Her name is Rose Winter. She is suddenly able to converse with souls who communicate with her, unexpectedly, while she is teaching, driving, taking a bath and even while dancing with her daughters in the living room. From former lovers, friends, family and students lost to rape, murder, and suicide to snarling former teachers, famous authors, and her own lost child, the souls take her by surprise until one soul visits simply to take her.

Iris in Winter-Elizabeth Cadell High Ambo, in England, is the setting. It is winter, and Caroline West—a very human, placid and unexcitable person, has gone there to escape her late husband’s relatives. Like so many good-hearted people, she is immediately put upon. Caroline’s sister Iris comes first, full of impulse and determination to be a reporter—an ambition abruptly deflected by a handsome young schoolmaster—an authority on birds. Then comes Robert, with his sweet, ingenuous fiancée Polly, and thus making the three-tring circus of a genuine Cadell household. A great number of little boys with big ears and caps are supporting players—English private school variety. Altogether, this book is in the happiest tradition of the English social comedy, and those who want to find as much life and laughter as possible between the covers of a novel will enjoy reading it.

Ungava Bob A Winter’s Tale-Dillon Wallace 2012-02-07 This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. At tradition we believe that a great book never goes out of style. Several mostly non-profit literature projects provide content to tredition. To support their good work, tredition donates a portion of the proceeds from each sold copy. As a reader of a TREDITION CLASSICS book, you support our mission to save many of the amazing works of world literature from oblivion. Kilimanjaro-Audrey Salkeld 2002 Offers a portrait of the African mountain, its history, and the cultures and wildlife that surround it, from the earliest hunter-gatherers to World War I battles and the efforts for independence in the mid-twentieth century.

Arab Spring, Christian Winter-Ralph Stice 2015-02-24 “If you want to better understand how today’s headlines might be fulfilling biblical prophecy, then read this book... This book will help ensure that your faith is built on Christ alone and the assurance of spending eternity with Him, not the sometimes-scary flow of history. You will also get a complete education on Islam and its possible role in the End Times.” Joel Richardson New York Times bestselling author and internationally recognized teacher Arab Spring, Christian Winter will help you tie newspaper headlines to your scriptural knowledge of the Last Days. Ralph Stice draws a clear link between the Arab Spring and the rise of a worldwide power that appears to be ushering in the coming Antichrist. This book will also show you what you need to watch for in tomorrow’s news and guide you on how to fortify your faith for stormy days ahead. The Western Church has much to learn from Christian brothers and sisters in the Middle East. Familiar Scripture passages are unfolding with new clarity to believers everywhere. Learn : Why the Arab Spring had to happen to fulfill scriptural prophecy · How the Arab Spring led to the unleashing of pure Islam · Which nation could be the crucial link between East and West and produce an Antichrist figure · The responses of Middle Eastern Christians to intense persecution and what we Western believers can learn from them Fear not! He will never leave us nor forsake us (Hebrews 13:5). We will discover Jesus in a fresh way when we face true persecution. How will your faith withstand the great distress, unequaled from the beginning of the world until now—and never to be equaled again (Matthew 24:21)? Brothers and sisters in Christ are facing this reality every day, right now.

Awake in the Dark-Shira Nayman 2007-09-04 A collection of tales about the contemporary lives of the children of Holocaust victims and perpetrators features protagonists who in turn struggle with questions about their Jewish identities and embark on journeys of self-discovery to uncover their parents’ dark secrets. A first collection. Reprint. 75,000 first printing.

Winter Wishes-Ruth Saberton 2016-03-10 Is it really better to have loved and lost than never to have loved at all? Tara Tremaine is a woman with a mission - to pick up the pieces of a life she turned her back on and win back her estranged husband, Danny. Nothing will stand in Tara’s way, least of all the dangerous secret that drove them apart or Danny’s growing feelings for another woman... Since arriving in Polwenna Bay hardworking vicar Jules Mathieson has put duty above her own heart.

Jules adores her new life by the sea and secretly loves troubled war veteran, Danny Tremaine. When Tara returns Jules knows stepping away from him is the right thing to do, no matter how much it hurts. Danny Tremaine’s world has been shattered. With life-changing injuries, a broken marriage and his glittering military career abruptly over, he returns to the family home to a rebuild his broken body and heart. Danny knows his friendship with Jules could blossom into more but allowing this to happen will come at a very high price - one that could cost him everything. With Christmas fast approaching Jules, Danny and Tara are not the only people in the village with secrets and long cherished dreams. Maybe with a little seasonal magic, some winter wishes really will come true?

John Splendid-Neil Munro 1898 [This novel] focuses on the sack of Inveraray by Montrose and his victory at the Battle of Inverloch, 1645. The protagonist of the title is loyal to his clan chief whose actions and demands are those of a coward. Munro’s depiction of the clans is often satirical, commenting that that it is proof of manhood to butcher and slaughter the innocent. Splendid eventually realises that his loyalty is misplaced, and he abandons his Chief to become a mercenary soldier. --

Congress Monthly- 1991

Confederate Winter-Kurt M. Vettters 2012-07-12 Confederate Winter is historical fiction based on a true family story backed up by an affidavit in the Confederate archives in Montgomery, Alabama. The author’s great, great, great grandfather, William Sweeney, fought as a Confederate soldier at the tender age of 14. His father, John, had been drafted the year before into the Union Army. Confederate Winter is their story. By 1864 the Confederacy is on the verge of defeat. Atlanta has fallen and Confederate General John Bell Hood’s army is in retreat. Hood formulates a bold plan to re-capture Nashville, the great base for the Union army in the West. A victory could change the course of the war. Hood needs manpower, however, and sends his conscription parties out to scour the countryside. Confederate Winter tells the story of a true-life family caught up in this grand adventure. The Federals conscript John Sweeney, the father, in late 1863 as General Sherman prepares his march on Atlanta and the sea. His son William is left in charge of the family farm, until one early fall morning...

Healthy Eating-Tracy Huang 2015-02 Healthy Eating: Winter Healthy Eating Guide and 60+ Recipes Inspired by Traditional Chinese Medicine to Warm Up the Body, Nourish Your Skin, and Achieve Optimal HealthDid you know that your body sensitively reacts to external changes and sends you signals from time to time? For example, in winter the dry and freezing cold season, some people may suffer from cold digits, chopped skin, and rashes. The 2,000-year-old practical seasonal eating based on the teaching of Traditional Chinese Medicine is powerful because it understands the body, respects how it works in different seasons and advocates a series of principles and guidelines to help you heal the body from the inside, so that you can restore health, beauty, and natural glow inside out. Yes, natural whole foods can be served as medicine. If you have them in the right way and consume them in the right time of the year, they can improve your health conditions, slow down aging process, promote longevity, and help you restore radiant skin. As an example, in cold and dry winter days, you could consider consuming more foods with black color or dark colors such as black sesame seeds, black beans, black rice, black fungus, seaweed, and mushrooms. TCM sees that foods with dark colors are dense with nutrients and can effectively help warm up the body during cold winter time. These are just a few examples from this book to show you the powerful healing benefits in foods for autumn.By the end of the book, you will have a complete understanding of how to eat healthy in winter. Specifically, you’ll learn: Basic guidelines for winter eating and best practices How winter the three-month period can be divided into six shorter periods of time (each period describing a subtle change in atmospheric characteristics and animal behaviors) How ancient Chinese used this type of categorization to plan for what to eat to promote health How to understand your own body in a more precise way and how to customize your food choices to fit only your body type More than 60 recipes for you to choose from to get started with healthy eating in winter Grab a copy to start enjoying how foods can bring you magic in this winter!Tags: winter healthy eating, healthy eating, Traditional Chinese Medicine, Chinese foods, Food Therapy, alternative medicine, Chinese Food Therapy, macrobiotic diet

The Education Outlook- 1894

Education Outlook- 1894

Unapologetically, Me- Synclair Roberts 2014-10-11 This book is a compilation of my thoughts-- transformed into poems, quotes, and self notes. At the unseasoned age of 20, I can testify to life taking me through some expected changes and detours. There were many days that I couldn't speak, think, or even write clearly. Through silence, prayer, and this little writing outlet, I've learned so much. I've found inspiration in the most unexpected places. I've learned that it's okay to cry. It's okay to not know all the answers. It's okay to be you- Unapologetically you. Sometimes, it's even okay to feel lost.. So long as you remember who you are. We're all destined for greatness and success. I pray this book opens minds, encourages smiles, and inspires creativity. Above all, I'm forever grateful to my Heavenly Father for his magnificent plan over my life.

The Scottish Folksinger-Norman Buchan 1973

Rob Roy MacGregor-Nigel Tranter 2012-06-01 Rob Roy MacGregor’s name and reputation stride through late-17th- and early 18th-century Scottish history and he is probably the nation’s best-known historical figure next to Robert the Bruce, William Wallace and Bonnie Prince Charlie. Along with those three, Rob Roy’s portrayal in book and film has created a figure that does not really tally with the man that Nigel Tranter believes was much more than a mere Trossachs-based cattle thief, blackmailer, outlaw and protection racketeer. That he stole cattle, forced lairds to pay money to ensure their cattle were safe and lived on the wrong side of the law is not in dispute, but there are two sides to every story, and Rob’s is one of the most fascinating in Scottish history. In this comprehensible portrait of Rob Roy, master storyteller Nigel Tranter reveals a strange man who always had to stay one step ahead of everyone around him, be it in the business of cattle, his financial and political dealings with the dukes of Montrose and Argyll, his endeavours in support of the Jacobite cause, or his continual struggle with Montrose’s factor, Graham of Killearn. When he failed to manage this complex set of activities, the repercussions were dire, not only for himself and his clan, but most importantly for his relationship with his remarkable wife, Mary. That he managed to survive in the political cauldron that was Jacobite Scotland, reconcile himself with his wife, maintain his nephew’s clan lands and somehow survive into relative old age to die in peace in his bed is wholly remarkable. This is Rob Roy’s story, warts and all. Routes of War-Yael A. Sternhell 2012-04-16 The Civil War thrust millions of men and women—rich and poor, soldiers and civilians, enslaved and free—onto the roads of the South. During four years of war, Southerners lived on the move. In the hands of Sternhell, movement becomes a radically new means to perceive the full trajectory of the Confederacy’s rise, struggle, and ultimate defeat.
