The Family-Jack O. Balswick 2014-05-06 Two respected senior professors in the marriage and family field cover every issue that affects family life, including marriage, parenting, sexuality, communication, social dynamics, and family life in modern society. This proven resource for studying the most established of human institutions has been in print for over twenty years, with over 80,000 copies sold. The fourth edition has been updated to address current family-related issues and refined to reflect teaching practices for the contemporary classroom, including updated references to online resources. Praise for a Previous Edition "An excellent resource for preachers and teachers and an obvious choice for a text in family studies in a Christian college."--Calvin Theological Journal

Authentic Human Sexuality-Judith K. Balswick 2019-09-03 Informed by sociology, psychology, and theology, this updated edition of an established textbook investigates how human sexuality originates both biologically and socially. Laying the groundwork for a normative Christian interpretation of sexuality, this work explores what authentic sexuality looks like as well as forms of "inauthentic sexuality" such as sexual harassment, pornography, and rape.

The Great Transcontinental Model Railroad Race-Merle Dowd 2000-09 Fictionalized story of a 1 billion hobbyist who decides to build Ek Hopege model railroad from Los Angeles to New York. Part way through a competition, five lines are announced by another pair of railroads - making the original concept into a race across the country by two model trains.

The Pontiff and the Prophet Volume II-David Francis Mahoney 2012-04-23 The second volume of The Pontiff and The Prophet trilogy (The City and The Wilderness) tells the story of Antonlonello (the Prophet), his escape through the northern wilderness of Norumbega, his capture, and death in the levels of Quebec. It also depicts the various aspects of life lived in the theocratic world Utopia of a far distant future. It portrays the outlawed prophetic movement called the Ekklessia, life in the slum city of Sordesium, and it tells the story of the second and third generations of Prophet followers. The novel concludes with the story of Victor Dutton and Olivia Preager in the great domed cities of Boston, Quebec, and Rome. Dutton is suspected of conspiracy in the death of the Prophet. An investigation follows that reaches into the highest levels of the Pontifical Utopia. A number of central characters populate this utopian trilogy - among the most important being the mysterious figure of Mecox. The story reflects the internal struggles and early evolution of multiple Christianities, and the slow emergence of orthodoxy.

Marriage Spirituality-R. Paul Stevens 1989-12

An Unfinished Marriage-Joan Anderson 2003-03-11 In this moving sequel to her national bestseller *A Year by the Sea*, Joan Anderson explores the challenges of rebuilding and renewing a marriage with her trademark candor, compassion, and insight. With *A Year by the Sea*, Joan Anderson struck a chord in many tens of thousands of readers. Her brave decision to take a year for herself away from her marriage, her frank assessment of herself at midlife, and her openness in sharing her fears as well as her triumphs won her admirers and inspired women across the country to reconsider their options. In this new book, Anderson does for marriage what she did for women at midlife. Using the same very personal approach, she shows us her own rocky path to renewing a marriage gone stale, satisfying the demand from readers and reviewers to learn what comes next. When Joan and her husband Robin decided to repair and renew their marriage

after her eye-opening year of self-discovery, the outcome was far from certain. He had suddenly decided to retire and move to Cape Cod himself and embark on his own journey of midlife reinvention. After the initial shock of incorporating another person back into Joan's daily life and her treasured cottage, they begin the process of "recycling"--using the original materials of their marriage to create a new partnership. Rereading the letters that she had written from Uganda during the early years of their marriage, she is reminded about the nervousness and joy with which she began their life together. Her sudden incapacitation with a broken ankle reveals an unexpected resourceful and tender side in her husband. A grimly comic and strained dinner party with three other couples reveals to both Joan and Robin some of the emotional pitfalls (and horrors) that can befall married couples. In her year of solitude by the sea, Anderson learned that "there is no greater calling than to make a new creation out of the old self." In *An Unfinished Marriage*, she charts the new journey that she and her husband have begun together, seasoned by their years of marriage but newly awakened to the possibilities of their future together. A unique, tremendously moving and insightful entry into the literature of marriage, it will provide salutary shocks of recognition and fresh hope for all women and men negotiating their own marital passages.

The Reciprocating Self-Jack O. Balswick 2016-07-05 On the basis of a theologically grounded understanding of the nature of persons and the self, Jack O. Balswick, Pamela Ebstynne King and Kevin S. Reimer present a model of human development that ranges across all of life's stages. This revised second edition engages new research from evolutionary psychology, developmental neuroscience and positive psychology.

The Life Model of Social Work Practice-Alex Gitterman 2008 Originally published in 1980, this seminal work was the first to introduce an ecological perspective into social work practice. Since then, both the National Association of Social Workers and the Council of Social Work Education have adopted similar positions: the social work profession is distinct from other service professions because it is situated within a people/environment interface that changes and shapes the character of each. New to this edition is an examination of major changes in our socioeconomic and political landscape, including the threat of terrorism, international trade agreements, and the conservative revolution; a discussion of new developments in ethics and standards of practice; additional information on community structures and legislative processes; and a restored chapter on the history of social work practice, covering such trends as managed care, empirically and evidence-based practice, resilience, empowerment, strength-based and feminist practice, and a push.

In Harmony-Moragh Carter 2012-12-01 Just imagine moving fifteen hundred miles from your home city, only to find that your marriage has fallen apart. Dreams are shattered; hopes dashed; life has kicked you in the teeth. A few months later you meet someone else, you fall in love and find that you have found your soul mate. You start to get to know each other, and then you make an extraordinary discovery; that you were born, not just in the same city, but in the very same hospital. That is exactly what happened to Jack Blanchard and Misty Morgan. They have each spent their working lives as musicians, Misty on piano and keyboards and Jack on keyboards and guitar, and they started working in local clubs during their teens. When they met they were working in nearby clubs in Hollywood, Florida, after becoming aware of each other through seeing each others' names on club billboards and in the local newspaper and a few years later they developed their distinctive harmonies. They have had some incredible experiences during their lifetime, both on the road and off. They have had the thrill of working with most of the biggest names of their era in country music, and they have also worked in places where nobody knew, or cared, who they were. They

have had many marvelous adventures and they have also known personal tragedies. They have known both riches and poverty at different stages of their lives. This book gives an account of their lives from their birth and childhood through to the summer of 2012.

History of Everyday Life in Medieval Scotland-Edward J Cowan 2011-06-05

This book examines the ordinary, routine, daily behaviour, experiences and beliefs of people in Scotland from the earliest times to 1600. Its purpose is to discover the character of everyday life in Scotland over time and to do so, where possible, within a comparative context. Its focus is on the mundane, but at the same time it takes heed of the people's experience of wars, famine, environmental disaster and other major causes of disturbance, and assesses the effects of longer-term processes of change in religion, politics, and economic and social affairs. In showing how the extraordinary impinged on the everyday, the book draws on every possible kind of evidence including a diverse range of documentary sources, artefactual, environmental and archaeological material, and the published work of many disciplines. The authors explore the lives of all the people of Scotland and provide unique insights into how the experience of daily life varied across time according to rank, class, gender, age, religion

Being Jack Dominionian-Jack Dominionian 2007 Sub-titled: 'Half a century of developing ideas and action on marriage, sex and love', this book summaries the author's journey around these questions in relation to Christianity in general and Roman Catholicism in particular.

Covenant-Making-Charles J. Conniry Jr. 2014-05-29 This collection explores the central theological notion of covenant. It has been produced in honor of Dr. R. Larry Shelton, respected scholar and beloved husband, father, colleague, and friend. Covenant--the unifying theme of this book--is a subject to which Dr. Shelton devoted considerable attention over his forty-five-year career as a scholar and teacher. His 2006 book, *Cross and Covenant: Interpreting the Atonement for 21st Century Mission*, stands as one of the most incisive treatments of the atonement from a covenantal perspective. The contributors of this volume consist of Shelton's current colleagues at George Fox Evangelical Seminary, those with whom he served in other institutions, and friends and former students whose vision of covenant Shelton inspired. These writers demonstrate that whether one considers such diverse subject matter as atonement theory, the church's mission, the discernment of (prophetic) spirits, non-western ontologies, soteriology, biblical interpretation, sanctification, theodicy, family life, or theology proper, one's understanding is deficient without giving due consideration to the role of covenant relationality.

Sexual Ethics-Stanley James Grenz 1997-01-01 In this biblically grounded study, Stanley Grenz synthesizes theology, ethics, and current medical research to offer an evangelical perspective on the profound role that sexuality does, and should, play in our lives today. He calls for Christians to live a biblical sexual ethic in the contemporary world, at the same calling on the church to recognize that its mandate includes being a reconciling community, one that proclaims God's grace to all.

Sweet Surrender-Dennis Hiebert 2013-07-09 Every culture has a way of perceiving and practicing marriage. Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays, and thereby take as biblical what is merely cultural. Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue, and a sweet surrender. Few recognize, much less question this confusion, even when its consequences are unhealthy. In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage, hold as optional what is not explicitly required by the Bible, and live out their marriages within the transcendent grace of God. Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian.

Marriages benefit when they are released from cultural directives that are not biblical callings, even if they choose to retain them as cultural practices. This book is for Christians who are ready to rethink their assumptions about marriage.

Settling Day-Kate Howarth 2015-04-01 Kate Howarth's extraordinary life continues in *Settling Day*, which follows on from *Ten Hail Marys*, Howarth's memoir that chronicled her volatile upbringing and the fight to save her son from the forced adoption practices of the time. Thrust out of her son's life while he is still a toddler, teenaged Kate has to rely on her wits and courage to start life anew. Filled with remorse and an unwavering determination to be reunited with her son, Kate begins a journey as she fights injustice and prejudice to create a better life. She amasses a fortune helping build one of Australia's most successful recruitment companies, only to lose it all in a contentious legal battle. Kate once again manages to rebuild her life after a major injury, but is always haunted by her lost son. *Settling Day* is a remarkable story of resilience that highlights the still prevalent injustices that many women face at work and at home.
