A Model Marriage-Jo Ann Ferguson 2015-04-21 Antonia Locke longs to be slender like her pretty sister, but she is too plump for the ton. That is why she is shocked when Patrick Fairchild, the Duke of Exton, suddenly seems interested in her. She has no idea that he wants to seduce her . . . into posing au naturel for one of his paintings. No one, beyond his household, knows of his love for painting, which is hardly a proper pastime for a duke. But if he can finish this one, he will be happy. All he needs is for Antonia to pose for him, but how can he convince the proper daughter of the village's schoolmaster to agree? Marriage. He will marry her, paint her portrait, and then live separately from her once she has given him an heir. After all, many men do that, but one thing he can't imagine being in the picture—falling in love with his model—turns his plans toward a model marriage.

She won't hold Nicholas to such a mistaken match but he seems determined to make their marriage real Two classic and delightful Regency tales! Then Comes Marriage (Love in the Regency Book 3)-Kasey Michaels 2014 From New York Times bestselling romance author Kasey Michaels comes the third in her LOVE IN THE REGENCY series. There are not many men who can say they attended their own funeral, but Brady James, Earl of Singleton is no ordinary man. He's also, happily, not a dead man, which he is certain was the object of the trio of scoundrels who had lately tied him up and tossed him headfirst into the Thames. Of course, there's also the matter of why he'd been skulking about the bowels of London after midnight, and her name is Regina Bliss. Mysterious, with an ability to lie that would shame the devil himself, Regina is a recent rescue from the London streets, and Brady has taken it into his head to find out where the dratted girl came from... and why she bothers him so. To accomplish his aim, Brady needs to return to London, but certainly not as himself (that would be awkward), and he needs the irritating Miss Bliss to come with him. What to do? Why, he could pretend to be his own heir — a totally worthless, chuckleheaded moron of a dandy he'd rather die (again) to keep from the earldom. It could work. It should work. If only he could get past his attraction for Miss Bliss as she, horror of horrors, teaches him how to play the fop. **For a limited time, get two free books from Kasey > bit.ly/kaseymichaels (just copy and paste into your browser)**
