Skye Fargo learns that his former partner has been hanged by the sheriff—on the word of the Lord. When the hell-bent sheriff threatens to hang him next, Fargo knows he's really lost his mind.

The Legacy of Mad Men-Karen McNally 2019-11-30 “The Legacy of Mad Men adds significant new perspectives to the legacy of Mad Men scholarship. The authors apply theoretical perspectives that have been understudied in previous Mad Men work, chart new connections with previous media, and examine overlooked aspects of Men Men’s sound design. A concluding chapter insightfully considers how the election of Donald Trump has signaled a resurgence in the sexism, antisemitism, and racism critiqued in Mad Men.” - - Dr Jeremy Butler, Professor of Communication and Culture, University of Alabama For seven seasons, viewers worldwide watched as ad man Don Draper moved from adultery to self-discovery, secretary Peggy Olson became a take-no-prisoners businesswoman, object-of-the-gaze Joan Holloway developed a feminist consciousness, executive Roger Sterling tripped on LSD, and smarmy Pete Campbell became a surprisingly nice guy. Mad Men defined a pivotal moment for television, earning an enduring place in the medium’s history. This edited collection examines the enduringly popular television series as Mad Men still captivates audiences and scholars in its nuanced depiction of a complex decade. This is the first book to offer an analysis of Mad Men in its entirety, exploring the cyclical and episodic structure of the long form series and investigating issues of representation, power and social change. The collection establishes the show’s legacy in televisual terms, and brings it up to date through an examination of its cultural importance in the Trump era. Aimed at scholars and interested general readers, the book illustrates the ways in which Mad Men has become a cultural marker for reflecting upon contemporary television and politics.

Mad Men and Politics-Lilly J. Goren 2015-03-12 Mad Men, using the historical backdrop of the many events that came to demarcate the 1960s, has presented a beautifully-styled rendering of this tumultuous decade, while teasing out a number of themes that resonate throughout the show and connect to the contemporary discourses that dominate today's political landscape. The chapters of this book analyze the most important dimensions explored on the show, including issues around gender, race, prejudice, the family, generational change, the social movements of the 1960s, our understanding of America's place in the world, and the idea of work in the post-war period. Mad Men and Politics provides the reader with an understanding not only of the topics and issues that can be easily grasped while watching, but also contemplates our historical perspective of the 1960s as we consider it through the telescope of our current condition.

The Poetical Works of Thomas Moore-Thomas Moore 1870

Works of Thomas Hill Green-Thomas Hill Green 2011-12-22 Originally published: London; New York; Longmans, Green, and Co., 1885-88.

Dying Swans and Madmen-Adrienne L. McLean 2008-02-19 From mid-twentieth-century films such as Grand Hotel, Waterloo Bridge, and The Red Shoes to recent box-office hits including Billy Elliot, Save the Last Dance, and The Company, ballet has found its way, time and again, onto the silver screen and into the hearts of many otherwise unlikely audiences. In Dying Swans and Madmen, Adrienne L. McLean explores the curious pairing of classical and contemporary, art and entertainment, high culture and popular culture to reveal the ambivalent place that this art form occupies in American life. Drawing on examples that range from musicals to tragic melodramas, she shows how commercial films have produced an image of ballet and its artists that is associated both with joy, fulfillment, fame, and power and with sexual and mental perversity, melancholy, and death. Although ballet is still received by many with a lack of interest or outright suspicion, McLean argues that these attitudes as well as ballet's popularity and its acceptability as a way of life and a profession have often depended on what audiences first learned about it from the movies.

The Works of Thomas Middleton: The changeling [by T. Middleton and W. Rowley] The Spanish gipsy by T. Middleton and W. Rowley. Women beware women. More dissemblers besides women-Thomas Middleton 1885

The Papers of Thomas Jefferson-Thomas Jefferson 1950 This volume opens on 1 July 1802, when Jefferson is in Washington, and closes on 12 November. It features correspondence on the declaration of war by the sultan of Morocco and on the acusations making public his relationship with Sally Hemings.

The Papers of Thomas Jefferson, Volume 38-Thomas Jefferson 2012-01-24 Volume 38 opens on 1 July 1802, when Jefferson is in Washington, and closes on 12 November, when he is again there. For the last week of July and all of August and September, he resides at Monticello. Frequent correspondence with his heads of department and two visits with Secretary of State James Madison, however, keep the president abreast of matters of state. Upon learning in August of the declaration of war by Mawlay Sulayman, the sultan of Morocco, much of the president's and the cabinet's attention is focused on that issue, as they struggle to balance American diplomatic efforts with reliance on the country's naval power in the Mediterranean. Jefferson terms the sultan's actions "palpably against reason." In September, he addresses the concerns of the mayor of New York City and the governor of South Carolina that free blacks expelled from Guadeloupe by the French will be landed onto American shores. Although he believes the matter will be dealt with by the states, he also instructs Secretary of the Treasury Albert Gallatin to direct custom house officers to be watchful. In late August, Jefferson is alerted that he has been touched by the "breath of Slander," when James T. Callender's accusations appear in the Richmond Recorder and make public his relationship with Sally Hemings. The president offers no comment, and a month later returns to Washington, where he continues planning for an impending visit by his daughters. Some images inside the book are unavailable due to digital copyright restrictions.
