A Moment with God-Travis S. Holmes 2016-06-30 This book is written to help, shape, form, and foster a personal relationship with the Lord Jesus Christ. Through spending quality time with our Savior and Lord, it is how and why the believer grows and develops a personal solid, sound, and strong relationship. Relationships are built and develop from spending quality time with the person who you love the most. If a person truly loves God, He/she will spend that quality time with Him. Someone stated, "Time is money and losing time is losing money." The blessings will not flourish or multiply, unless the individual spending quality and meaningful time with the Lord and Savior Jesus Christ. The fact of the matter is that Lord Jesus Christ is the Blessor, and a person should have a need, desire, and want to spend time with the one who blesses him/her. Spending quality time with the Lord Jesus Christ is dedicating and committing to worship, prayer, and studying His word. It is not about reading or quoting scriptures, but mediating and fellowship with Him. Having "A Moment with God" is about spending a committed and dedicated time with the Lord Jesus Christ on a daily and consistence, continuous, and constant basis. Psalm 1:2, "But his delight is in the law of the Lord; and in his law doth he mediate day and night." A Moment with God is about delighting, which indicates that a person must spend time, cleave, and commit to worship, prayer, and mediating on His word. There is no secret to knowing, loving, and worshipping God, because these things happen when a person "abide[s] in Him and He abides in him/her" (John 15:7)-"If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you." The word abide means to set up residence or dwelling in the midst of. Through spending A Moment with God, it is asking, requesting, and praying for the ultimate worship, fellowship, and praise to take course, which is the ultimate resolution of God dwelling in the midst of. This is when a person knows that God is doing more than listening and answering prayers-he is actually dwelling within the person. Hopefully, through this book, A Moment with God: Devotional Book, the individual will develop, learn, and gather principles and concepts of significance value for spending quality time with God that will develop and foster a productive and positive relationship that will yield results. This is my prayer and hope.

God Moments-Andy Otto 2017-04-07 Where do you seek God? Are you waiting for him to appear in a monumental, life-altering event? In God Moments, Catholic blogger Andy Otto shows you how to discover the unexpected beauty of God's presence in the story of ordinary things and in everyday routines like preparing breakfast or walking in the woods. Drawing on the Ignatian principles of awareness, prayer, and discernment, Otto will help you discover the transforming power of God's presence in your life and better understand your place in the world. Andy Otto found God's presence in surprising moments during his life--when, as a Jesuit scholastic, he taught children in Jamaica and also as he discerned the call to marriage with his wife. By combining elements of Ignatian spirituality with the lessons that came from his experiences, Otto identified three practices that helped him find God in all things: Awareness--Gain an understanding that God is present in the ordinary messiness of our lives such as battle with depression or sharing in the struggle of a friend. Prayer--Develop a prayer life using Ignatian practices such as asking for a morning grace and examining how your prayer was answered at the end of the day. That way you can focus on a personal relationship with God that finds everyday physical activities such as making a meal as an opportunity to talk to him. Discernment--The more you are aware of God's presence and draw closer to him in prayer, the better you can learn how to plug into God's narrative of the world in a way that enables you to participate in the divine story through the use of your gifts and talents. With God Moments as a guide, you'll have a better understanding of how to seek personal wholeness in the reality of God's presence in the ordinary and learn to accept his invitation to participate in his transformation of the world.
