Say Yes Summer-Lindsey Roth Culli 2020-05-12

Perfect for fans of Morgan Matson and Netflix/Hallmark Channel rom-coms, this is the story of a girl who decides to give in to the universe and just say yes to everything, bringing her friendship, new experiences, and, if she lets her guard down, true love. The perfect book to kick off summer! For as long as Rachel Brooks

can remember, she's had capital-G Goals: straight As, academic scholarship, college of her dreams. And it's all paid off--after years of following the rules and acing every exam, Rachel is graduating at the top of her class and ready to celebrate by . . . doing absolutely nothing. Because Rachel Brooks has spent most of high school saying no. No to dances, no to parties, and most especially, no to boys. Now, for the first time in her life, there's nothing stopping Rachel from having a little fun--nothing, that is, except herself. So when she stumbles on a beat up old self-help book--A SEASON OF YES!--a crazy idea pops into her head: What if she just said yes to . . . everything? And so begins a summer of yes. Yes to new experiences and big mistakes, yes to rekindled friendships and unexpected romances, yes to seeing the world in a whole new way. This book is a fresh and fun take on the coming-of-age novel that explores the quintessential themes of growing up: taking risks, making mistakes, and, of course, love. And who knows? Lindsey Roth Culli's hilarious and heartwarming debut may just inspire your own SAY YES SUMMER.

What I Like About You-Marisa Kanter 2020-04-07  
Can a love triangle have only two people in it? Online, it can...but in the real world, its more complicated. In this debut novel that's perfect for fans of Jenny Han and Morgan Matson, Marisa Kanter hilariously and poignantly explores what happens when internet friends turn into IRL crushes. Is it still a love triangle if there are only two people in it? There are a million things that Halle Levitt likes about her online best friend, Nash. He's an incredibly talented graphic novelist. He loves books almost as much as she does. And she never has to deal with the awkwardness of seeing him in real life. They can talk about anything... Except who she really is. Because online, Halle isn't Halle—she's Kels, the enigmatically cool creator of One True Pastry, a YA book blog that pairs epic custom cupcakes with covers and reviews. Kels has everything Halle doesn't: friends, a growing platform, tons of confidence, and Nash. That is, until Halle arrives to spend senior year in Gramps's small town and finds herself face-to-face with real, human, not-behind-a-screen Nash. Nash, who is

somehow everywhere she goes—in her classes, at the bakery, even at synagogue. Nash who has no idea she's actually Kels. If Halle tells him who she is, it will ruin the non-awkward magic of their digital friendship. Not telling him though, means it can never be anything more. Because while she starts to fall for Nash as Halle...he's in love with Kels.

Layover-Amy Andelson 2018-02-06 Fans of Julie Buxbaum's Tell Me Three Things and Morgan Matson's Since You've Been Gone will get caught up in the drama of this road trip romance that begins with an unplanned flight layover in L.A. and turns into a wild adventure. FLYNN: At first we were almost strangers. But ever since I moved to New York, Amos was the one person I could count on. And together we were there for Poppy. (I mean, what kind of parents leave their kid to be raised by a nanny?) I just didn't expect to fall for him--and I never expected him to leave us. AMOS: I thought I was the only one who felt it. I told myself it was because we were spending so much time together--taking care of Poppy and all. But that night, I could tell she felt it, too. And

I freaked out--you're not supposed to fall for your stepsister. So I ran away to boarding school. I should have told her why I was leaving, but every time I tried, it felt like a lie. One missed flight was about to change their lives forever. . . .

Perfect for fans of *Clueless* and brought to you by two Hollywood screenwriters, this wild journey of unlikely romance, heartbreak, and adventure--set against the backdrop of a blended family in free fall during a rebellious layover in Los Angeles--reveals the true value of the unbreakable bonds we forge when we dare to let ourselves risk it all.
