A Most Scandalous Position [Brothers of the Absinthe Club 4]-Emma Wildes 2007-01-22 [Siren Classic: Erotic Historical Romance] When Colin Maxim arrives on the scene of a tragic accident, he doesn't count on suddenly becoming the guardian of a very mysterious, beautiful young woman. Since she can't remember who she is, how on earth can he abandon her with no money and no identity? A gentleman, it is his duty to offer his protection, but who is going to protect him from the ramifications of her scandalous past? It feels wrong to fool the man who saved her life, but then again, Catherine Drury is desperate. There is every chance that she has committed murder, and even if not, she is both a runaway and a thief. If only she can seduce the darkly attractive Mr. Maxim into a position where he has to honorably help her, maybe she can escape both prison and the vengeance of the deranged man who is determined to possess her at all costs. Note: Each book is written to stand alone and can be read out of sequence. ** A Siren Erotic Romance

Italy's Most Scandalous Virgin-Carol Marinelli 2020-08-01 Untouched, unavailable... And utterly impossible for him to resist! Dante Romano has no doubt Mia Hamilton, his father's much younger widow, is a ruthless gold digger. Yet the sparks between him and Mia are an inferno waiting to erupt. And erupt it does—into an unforgettable encounter that leaves Dante stunned by Mia's innocence and his craving for more. Giving in to her undeniable attraction to Dante makes it harder for Mia to hide the secrets she's sworn to keep. She's brought enough scandal to the legendary Romano family. And that's before her shocking bombshell! USA TODAY Bestselling Author

Encyclopedia of White-Collar & Corporate Crime-Lawrence M. Salinger 2005 With more than 500 entries (including up-to-date information on such high profile cases as Martha Stewart and Enron), the Encyclopedia of White-Collar & Corporate Crime gathers history, definitions, examples, investigation, prosecution, assessments, challenges, and projections into one definitive reference work on the topic. This two-volume encyclopedia incorporates information about a variety of white-collar crimes, and provides examples of persons, statutes, companies, and convictions. Each entry offers a thorough and thoughtful summary of the topic. Rather than a simple definition, users are given a satisfying and sophisticated synopsis with references for further study.

Most Scandalous Woman-Myrna Iovonne Wallace Fuentes 2017-10-28 In 1926 a young Peruvian woman picked up a gun, wrested her infant daughter from her husband, and liberated herself from the constraints of a patriarchal society, Magda Portal, a poet and journalist, would become one of Latin America's most successful and controversial politicians. In this richly nuanced portrayal of Portal, historian Myrna Iovonne Wallace Fuentes chronicles the dramatic rise and fall of this prominent twentieth-century revolutionary within the broader history of leftist movements, gender politics, and literary modernism in Latin America. An early member of bohemian circles in Lima, La Paz, and Mexico City, Portal distinguished herself as the sole female founder of the American Popular Revolutionary Alliance (APRA). A leftist but non-Communist movement, APRA would dominate Peru's politics for five decades. Through close analysis of primary sources, including Portal's own poetry, correspondence, and other writings, Most Scandalous Woman illuminates Portal's pivotal work in creating and leading APRA during its first twenty years, as well as her efforts to mobilize women as active participants in political and social change. Despite her successes, Portal broke with APRA in 1950 under bitter circumstances. Wallace Fuentes analyzes how sexism in politics interfered with Portal's political ambitions, explores her relationships with family members and male peers, and discusses the ramifications of her scandalous love life. In charting the complex trajectory of Portal's life and career, Most Scandalous Woman reveals what moves people to become revolutionaries, and the gendered limitations of their revolutionary alliances, in an engrossing narrative that brings to life Latin American revolutionary politics.

Raiding the Land of the Foreigners-Danilyn Rutherford 2003 What are the limits of national belonging? Focusing on Biak—a set of islands off the coast of western New Guinea, in the Indonesian province of Irian Jaya--Danilyn Rutherford's analysis calls for a rethinking of the nature of national identity. With the resurgence of separatism in the province, Irian Jaya has become the focus of fears that the Indonesian nation is falling apart. Yet in the early 1990s, the fieldwork for this book was made possible by the government's belief that Biaks were finally beginning to see themselves as Indonesians. Taking in the dynamics of Biak social life and the islands' long history of millennial unrest, Rutherford shows how practices that indicated Biaks' submission to national authority actually reproduced antinational understandings of space, time, and self. Approaching the foreign as a focus of longing in cultural arenas ranging from kinship to Christianity, Biaks participated in Indonesian national institutions without accepting the identities they promoted. Their remarkable response to the Indonesian government (and earlier polities laying claim to western New Guinea) suggests the limits of national identity and modernity, writ large. This is one of the few books reporting on the volatile province of Irian Jaya. It offers a new way of thinking about the nation and its limits—one that moves beyond the conventions of both scholarship and recent journalism. It shows how people can "belong" to a nation yet maintain commitments that fall both short of and beyond the nation state.

Ultimate Sacrifice-Lamar Waldron 2008-10-10 A landmark in historical research, tying the Mafia and Cuba to the assassination of JFK—updated to reveal the role of Cuban Commander Juan Almeida. Recent revelations by the U.S. government point to Cuba's former number three official—Commander Juan Almeida—as secretly working with President John F. Kennedy in November 1963 to overthrow Fidel Castro. This updated edition of Ultimate Sacrifice tells the full story for the first time—complete with new photos and documents. The authors obtained the story from almost two dozen associates of John and Robert Kennedy, starting in 1990 with JFK's Secretary of State Dean Rusk. Their accounts are supported by thousands of newly released files at the National Archives. A "palace coup," set for December 1, 1963, was to be backed up by U.S. forces "invited" in by Commander Almeida, then Chief of the Cuban Army. However, three Mafia bosses being targeted by Attorney General Robert F. Kennedy used several CIA assets to infiltrate the secret plot and murder JFK. The new edition explains why Almeida was not a double agent, why Fidel suspected Almeida's ally Che Guevara, and what Fidel did in 1990 when he finally found out about Almeida's work for JFK. "How well do the authors make their case? With a relentless accumulation of detail, a very thorough knowledge of every political and forensic detail and the broad perspective of historians rather than assassination theorists." —Publishers Weekly (starred review) "At last, the mysteries surrounding JFK's death are fully explained by the startling revelations in this book." —William W. Turner, former FBI agent and author of Deadly Secrets

Don't Call Me Brother-Austin Miles 1989 Austin Miles has been a well-known circus ringmaster for most of his adult life. It was, he found, good preparation for his

experiences with PTL and the Assemblies of God churches. Miles is the first ordained Assembly of God minister to leave the movement and write an in-depth book revealing the inner workings of this sect. This is not rumor, not innuendo. It is fact, seen first-hand, and fully described for the first time. Don't Call Me Brother is not a book written by an outside observer - Austin Miles was an active participant in the evolution of the PTL Club. - Austin Miles was on intimate terms with the entire cast of PTL's characters and the high-tech world of Christian movers and shakers: Jim Bakker, Tammy Faye Bakker, Pat Robertson, Charles and Frances Hunter, Richard Dortch, John Wesley Fletcher, Christian celebrities such as Pat Boone and Ephram Zimbalist, Jr., and many others. - Austin Miles opened the door on the steam room where Jim Bakker was cavorting - in the nude - with three other men. - Austin Miles was there when televangelism hatched its super-successful fund-raising schemes, and he participated in the staged financial crisis telethon, during which millions of dollars poured into the coffers of the PTL Club. - Austin Miles watched the development of Jim Bakker's violent mood swings and saw the chilling possibility that Jim Bakker could have become another Jim Jones. - Austin Miles was there when Jim Bakker started a fist fight with his producer over the favors of the current Miss America.Austin Miles had fame, wealth, and a wonderful family. But by the time he finally broke free of the fanatic world of the religious right, he had lost everything. Don't Call Me Brother is his story. A poignant, outrageous, sometimes hilarious drama peopled with colorful real-life characters. Building to a climax with a surprise double-twist ending, this story is tough but fair, a must-read for those who want to know what really happens in the world of America's media-glitzed charismatic religions.

Anna Karenina- 2013-02-27 ANNA KARENINA, the ORIGINAL 1901 English translation by Constance Garnett and written by Russian writer Leo Tolstoy (1828 - 1910) is considered as one of the greatest novels ever written and Tolstoy's first true novel. It is divided into eight parts and was initially published between the years 1873 to 1878 in a publication called "The Russian Messenger" as serial installments. The main character Anna is married into Russian aristocrat and later has a love affair with a handsome military officer Count Vronsky. Some major themes include marriage, fidelity, passion and jealousy set in nineteenth century Russian high society. This digital edition is beautifully formatted with an active Table of Contents that goes directly to each chapter and all eight parts of the story. Mermaids Classics, an imprint of Mermaids Publishing brings the very best of old book classics to a modern era of digital reading by producing high quality books in ebook format.

Keepers of the Keys of Heaven-Roger Collins 2009-02-24 One of the most enduring and influential of all human institutions, the papacy has also been amongst the most controversial. No one who seeks to make sense of modern issues within Christendom—or, indeed, world history—can neglect the vital shaping role of the popes. In Keepers of the Keys of Heaven, eminent religion scholar Roger Collins offers a masterful account of the entire arc of papal history—from the separation of the Greek and Latin churches to the contemporary controversies that threaten the unity of the one billion-strong worldwide Catholic community. A definitive and accessible guide to what is arguably the world's most vaunted office, Keepers of the Keys of Heaven is essential reading for anyone interested in the role of faith in the shaping of our world.

The Encyclopaedia Britannica-Thomas Spencer Baynes 1884

A Meeting by the River-Christopher Isherwood 2013-11-19 Isherwood's final work of fiction—an epistolary novel that explores sexual identity and Eastern mysticism After a long separation, two English brothers meet in India. Oliver, the idealistic younger brother, prepares to take his final vows as a Hindu monk. Patrick, a successful publisher with a wife and children in London and a male lover in California, has publicly admired his brother's convictions while privately criticizing his choices. First published in 1967, A Meeting by the River delicately depicts the complexity of sibling relationships—the resentment and competitiveness as well as the love and respect. Ultimately, the brothers' exposure to each other's differences deepens their awareness of themselves. In A Meeting by the River, Christopher Isherwood dramatizes the conflict between sexuality and spirituality that inspired his late writings.

A History of Medieval Spain-Joseph F. O'Callaghan 2013-11-12 Medieval Spain is brilliantly recreated, in all its variety and richness, in this comprehensive survey. Likely to become the standard work in English, the book treats the entire Iberian Peninsula and all the people who inhabited it, from the coming of the Visigoths in the fifth century to the reign of Ferdinand and Isabella. Integrating a wealth of information about the diverse peoples, institutions, religions, and customs that flourished in the states that are now Spain and Portugal, Joseph F. O'Callaghan focuses on the continuing attempts to impose political unity on the peninsula. O'Callaghan divides his story into five compact historical periods and discusses political, social, economic, and cultural developments in each period. By treating states together, he is able to put into proper perspective the relationships among them, their similarities and differences, and the continuity of development from one period to the next. He gives proper attention to Spain's contacts with the rest of the medieval world, but his main concern is with the events and institutions on the peninsula itself. Illustrations, genealogical charts, maps, and an extensive bibliography round out a book that will be welcomed by scholars and student of Spanish and Portuguese history and literature, as well as by medievalists, as the fullest account to date of Spanish history in the Middle Ages.
