Tinker, Tailor, Soldier, Spy-John le Carré 2011-06-07 From the New York Times bestselling author of *The Spy Who Came in from the Cold*; and *The Night Manager*, now a television series starring Tom Hiddleston. John le Carré's memoir, *The Pigeon Tunnel: Stories from My Life*, is now available. The man he knew as "Control" is dead, and the young Turks who forced him out now run the Circus. But George Smiley isn't quite ready for retirement—especially when a pretty, would-be defector surfaces with a shocking accusation: a Soviet mole has penetrated the highest level of British Intelligence. Relying only on his wits and a small, loyal cadre, Smiley recognizes the hand of Karla—his Moscow Centre nemesis—and sets a trap to catch the traitor. The Oscar-nominated feature film adaptation of *Tinker Tailor Soldier Spy* is directed by Tomas Alfredson (*Let the Right One In*) and features Gary Oldman as Smiley, Academy Award winner Colin Firth (*The King's Speech*), and Tom Hardy (*Inception*). With an introduction by the author. John le Carré's *Our Kind of Traitor* is now a major motion picture starring Ewan McGregor, Naomie Harris, Stellan Skarsgård and Damian Lewis.

Our Kind of Traitor-John le Carré 2010-10-12 From the New York Times bestselling author of *Tinker, Tailor, Soldier, Spy* and *The Night Manager*, now a television series starring Tom Hiddleston. John le Carré's latest novel, *A Legacy of Spies*, is now available. In this exquisitely told novel, John le Carré shows us once again his acute understanding of the world we live in and where power really lies. In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a vacation in Antigua. There they meet Dima, a Russian who styles himself the world's Number One money-launderer and who wants, among other things, a game of tennis. Back in London, the couple is subjected to an interrogation by the British Secret service who also need their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service.

Red Sparrow-Jason Matthews 2014-04-29 Drafted against her will to serve the regime of Vladimir Putin as an intelligence seductress, Dominika Egorova engages in a charged effort of deception and tradecraft with first-tour CIA officer Nathaniel Nash before a forbidden attraction threatens their careers.

The Little Drummer Girl-John le Carré 2011-06-28 From the New York Times bestselling author of *Tinker, Tailor, Soldier, Spy*; *Our Kind of Traitor*; now a miniseries on AMC starring Alexander Skarsgard, Michael Shannon, and Florence Pugh. "You want to catch the lion, first you tether the goat." On holiday in Mykonos, Charlie wants only sunny days and a brief escape from England's bourgeois dreariness. Then a handsome stranger lures the aspiring actress away from her pals—but his intentions are far from romantic. Joseph is an Israeli intelligence officer, and Charlie has been wooed to flush out the leader of a Palestinian terrorist group responsible for a string of deadly bombings. Still uncertain of her own allegiances, she debuts in the role of a lifetime as a double agent in the "theatre of the real." Haunting and deeply atmospheric, John le Carré's *The Little Drummer Girl* is a virtuoso performance and a powerful examination of morality and justice. With an introduction by the author.

True Story-Michael Finkel 2015-06-09 Now a Major Motion Picture Starring Jonah Hill & James Franco and Distributed by Fox Searchlight Pictures When New York Times reporter Michael Finkel meets accused killer Christian Longo—who has taken on Finkel's identity—his investigation morphs into an unforgettable game of cat and mouse. *True Story* weaves a spellbinding tale of murder, love, deceit, and redemption, following Finkel's relentless pursuit of the shocking truth.

The Constant Gardener-John le Carre 2005-08-01 Frightening, heartbreaking, and exquisitely calibrated, John le Carré's new novel opens with the gruesome murder of the young and beautiful Tessa Quayle near northern

Kenya's Lake Turkana, the birthplace of mankind. Her putative African lover and traveling companion, a doctor with one of the aid agencies, has vanished from the scene of the crime. Tessa's much older husband, Justin, a career diplomat at the British High Commission in Nairobi, sets out on a personal odyssey in pursuit of the killers and their motive. A master chronicler of the deceptions and betrayals of ordinary people caught in political conflict, le Carré portrays, in *The Constant Gardener*, the dark side of unbridled capitalism. His eighteenth novel is also the profoundly moving story of a man whom tragedy elevates. Justin Quayle, amateur gardener and ineffectual bureaucrat, seemingly oblivious to his wife's cause, discovers his own resources and the extraordinary courage of the woman he barely had time to love. *The Constant Gardener* is a magnificent exploration of the new world order by one of the most compelling and elegant storytellers of our time.

College president Guert Affenlight, a longtime bachelor, has fallen unexpectedly and helplessly in love. Owen Dunne, Henry's gay roommate and teammate, becomes caught up in a dangerous affair. Mike Schwartz, the Harpooners' team captain and Henry's best friend, realizes he has guided Henry's career at the expense of his own. And Pella Affenlight, Guert's daughter, returns to Westish after escaping an ill-fated marriage, determined to start a new life. As the season counts down to its climactic final game, these five are forced to confront their deepest hopes, anxieties, and secrets. In the process they forge new bonds, and help one another find their true paths. The Honourable Schoolboy-John le Carré 2011-06-07 From the New York Times bestselling author of *Tinker, Tailor, Soldier, Spy*; *Our Kind of Traitor*; and *The Night Manager*, now a television series starring Tom Hiddleston. John le Carré's new novel, *A Legacy of Spies*, is now available. As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned Karla trilogy and a riveting portrayal of postcolonial espionage. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That

is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There is detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

In the aftermath, his widow, Jane Hawk, does what all her grief, fear, and fury demand: find the truth, no matter what. When Jane seeks to learn why, she becomes the most-wanted fugitive in America. Her powerful enemies are protecting a secret so important—so terrifying—that they will exterminate anyone in their way. Because it is born of love. Don't miss any of Dean Koontz's gripping Jane Hawk thrillers: THE SILENT CORNER • THE WHISPERING ROOM • THE CROOKED STAIRCASE • THE FORBIDDEN DOOR • THE NIGHT WINDOW Praise for The Silent Corner "Gripping . . . The paranoia and mystery increase as the story unfolds. . . . Koontz has created [a] wonderful character in Jane Hawk. . . . Koontz rocks it again."—Associated Press "In this era of stingy text-message prose, Mr. Koontz is practically Shakespeare. . . . The Silent Corner brims with both action and emotion."—Pittsburgh Post-Gazette "The Silent Corner is vintage Dean Koontz: paranoia-fueled suspense . . . sleek and highly realized action, developed characters, and more twists and turns than any two ordinary novels combined. . . . As relevant to current events as it is audacious . . . amongst Dean Koontz's finest contemporary work."—Mystery Scene "A proven specialist in action scenes, Koontz pulls off some doozies here. . . . The book is full of neat touches. . . . And the prose, as always in a Koontz novel, is first-rate. Perhaps Koontz's leanest, meanest thriller, this initial entry in a new series introduces a smart, appealing heroine who can outthink as well as outshoot the baddest of bad dudes."—Kirkus Reviews (starred review)

Billion Dollar Whale-Tom Wright 2018-09-18 Named a Best Book of 2018 by the Financial Times and Fortune, this "thrilling" (Bill Gates) New York Times bestseller exposes how a "modern Gatsby" swindled over \$5 billion with the aid of Goldman Sachs in "the heist of the century" (Axios). Now a #1 international bestseller, BILLION DOLLAR WHALE is "an epic tale of white-collar crime on a global scale" (Publishers Weekly, starred review), revealing how a young social climber from Malaysia pulled off one of the biggest heists in history. In 2009, a chubby, mild-mannered graduate of the University of Pennsylvania's Wharton School of Business named Jho Low set in motion a fraud of unprecedented gall and magnitude—one that would come to symbolize the next great threat to the global financial system. Over a decade, Low, with the aid of Goldman Sachs and others, siphoned billions of dollars from an investment fund—right under the nose of global financial industry watchdogs. Low used the money to finance elections, purchase luxury real estate, throw champagne-drenched parties, and even to finance Hollywood films like The Wolf of Wall Street. By early 2019, with his yacht and private jet reportedly seized by authorities and facing criminal charges in Malaysia and in the United States, Low had become an international fugitive, even as the U.S. Department of Justice continued its investigation. BILLION DOLLAR WHALE has joined the ranks of Liar's Poker, Den of Thieves, and Bad Blood as a classic harrowing parable of hubris and greed in the financial world.

The Snowden Files-Luke Harding 2014-02-07 Now a major motion picture, directed by Oliver Stone and starring Joseph Gordon-Levitt. Edward Snowden was a 29-year-old computer genius working for the National Security Agency when he shocked the world by exposing the near-universal mass surveillance programs of the United States government. His whistleblowing has shaken the leaders of nations worldwide, and generated a passionate

public debate on the dangers of global monitoring and the threat to individual privacy. In a tour de force of investigative journalism that reads like a spy novel, award-winning Guardian reporter Luke Harding tells Snowden's astonishing story—from the day he left his glamorous girlfriend in Honolulu carrying a hard drive full of secrets, to the weeks of his secret-spilling in Hong Kong, to his battle for asylum and his exile in Moscow. For the first time, Harding brings together the many sources and strands of the story—touching on everything from concerns about domestic spying to the complicity of the tech sector—while also placing us in the room with Edward Snowden himself. The result is a gripping insider narrative—and a necessary and timely account of what is at stake for all of us in the new digital age.

A Monster Calls-Patrick Ness 2013-08-27 NOW A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.

Time of the Octopus-Anatoly Kucherena 2018-01-01 A frightening, prophetic vision of our world... In Moscow's Sheremetyevo airport, fugitive US intelligence officer Joshua Kold is held in limbo, unable to leave the airport's transit area. He is on the run, after blowing the lid off the terrifying reach of covert American global surveillance operations. Will the Russian authorities grant him asylum, or will they hand him over the clutches of the global octopus eager for revenge for his betrayal? As this gripping psychological and political thriller unfolds, a Moscow lawyer takes Kold to a secret bunker and grills him intently on just why he did it. Upon Kold's answers hang not only his own fate, but much, much more as the true extent of this chilling 1984 world unfolds. Anatoly Kucherena is the famous Russian lawyer who took on the case of the American whistleblower Edward Snowden whose revelations about US intelligence operations sent shockwaves around the world in 2013. Time of the Octopus is a fiction, but it is based on Kucherena's own interviews with Snowden at Sheremetyevo, and provides the basis for Oliver Stone's major Hollywood movie 'Snowden' starring Joseph Gordon-Levitt, one of the movie events of 2016. According to Stone, "Anatoly has written a 'grand inquisitor'-style Russian novel weighing the soul of his fictional whistleblower against the gravity of a 1984 tyranny that has achieved global proportions. His meditations on the meaning of totalitarian power in the 21st century make for a chilling, prescient horror story." Is Kold simply a traitor, or the courageous hero of a terrifying struggle against the dark forces of oppression? Translated by John Farndon with Akbota Sultanbekova and Olga Nakston.

Two For The Dough-Janet Evanovich 1999-07-15 Two for the Dough is irresistible fun and powerful suspense entertainment from an acclaimed author who is already a national star. It's Stephanie Plum, New Jersey's "fugitive apprehension" agent (a.k.a. bounty hunter), introduced to the world by Janet Evanovich in the award-winning and bestselling novel One for the Money. Now Stephanie's back, armed with attitude—not to mention stun guns, defense sprays, killer flashlights, and her trusty .38, Stephanie is after a new bail jumper, Kenny Mancuso, a boy from Trenton's burg. He's fresh out of the army, suspiciously wealthy, and he's just shot his best friend. With her bounty hunter pal Ranger stepping in occasionally to advise her, Stephanie staggers knee-deep in corpses and caskets as she traipses through back streets, dark alleys, and funeral parlors. And nobody knows funeral parlors better than Stephanie's irrepressible Grandma Mazur, a lady whose favorite pastime is grabbing a front-row seat at a neighborhood wake. So, Stephanie uses Grandma as a cover to follow leads, but loses control when Grandma warms to the action, packing a cool pistol. Much to the family's chagrin, Stephanie and Granny may soon have the elusive Kenny in their sights. Fast-talking, slow-handed vice cop Joe Morelli joins in the case, since the prey happens to be his young cousin. And if the assignment calls for an automobile stakeout for two with the woman who puts his libido in overdrive, Morelli's not one to object. Low on expertise but learning fast, high on resilience, and despite the help she gets from friends and relatives, Stephanie eventually must face the danger alone when embalmed body parts begin to arrive on her doorstep and she's targeted for a nasty death by the most loathsome adversary she's ever encountered. Another case like this and she'll be a real pro.

Been There, Done That-David Bristow 2013-02-20 At the age of 14, author David Bristow stuck a large touring map of South Africa on his bedroom wall, determined to mark off every road one day. It was the start of a life-long love affair with the land - indeed, in 40 years of dedicated travelling David has pretty much 'been there, done that', visiting almost all of South Africa's game parks, nature reserves, mountain ranges, beaches, towns and dorps, as well as hiking and biking countless trails. This book is the accumulated knowledge of all that exploration: the very best (and sometimes the worst) of everything this country has to offer: wildlife, history, geography, art and culture, things to do, places to stay and routes and trails to be discovered by car, bike and on foot ... Anyone who's ticked off more than a tenth of the entries in this book is, according to the author, qualified to wear the T-shirt. David Bristow began his writing career as a news journalist before reading for a Master's Degree in Environmental Sciences. Although he claims to prefer riding his mountain bike, surfing and playing with his children to working, he has written around a dozen books for Random House Struik alone and spent 13 years as the editor of Getaway travel magazine.

Shake Hands With the Devil-Romeo Dallaire 2009-02-24 On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naïveté, racism and international politics. His message is simple and undeniable: "Never again." When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In Shake Hands with the Devil, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire's own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire's personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he'd relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world's dirty wars. Excerpt from Shake Hands with the Devil My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a cri de coeur for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

The Girl Next Door-Jack Ketchum 2015-09-29 Includes two bonus short stories: "Do you love your wife" and "Returns"--(p. [275]- 294).

Murder by the Book-Rex Stout 2010-05-12 It wasn't Leonard Dykes's writing style that offended. But something in his unpublished tome seemed to lead everyone who read it to a very unhappy ending. Now four people are dead, including the unfortunate author himself, and the police think Nero Wolfe is the only man who can close the book on this novel killer. So the genius sleuth directs his sidekick to set a trap . . . and discovers that the truth is far stranger—and far bloodier—than fiction. Introduction by David Handler "It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore."—The New York Times Book Review A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. The Man Who Laughs-Victor Hugo 2011-05-01 Moving away from the explicitly political content of his previous novels, Victor Hugo turns to social commentary in The Man Who Laughs, an 1869 work that was made into a popular film in the 1920s. The plot deals with a band of miscreants who deliberately deform children to make them more effective beggars, as well as the long-lasting emotional and social damage that this abhorrent practice inflicts upon its victims.

The Child in Time-Ian McEwan 2011-02-08 A child's abduction sends a father reeling in this Whitbread Award-winning novel that explores time and loss with "narrative daring and imaginative genius" (Kirkus Reviews, starred review). Stephen Lewis, a successful author of children's books, is on a routine trip to the supermarket with his three-year-old daughter. In a brief moment of distraction, she suddenly vanishes—and is irretrievably lost. From that moment, Lewis spirals into bereavement that effects his marriage, his psyche, and his relationship with time itself: "It was a wonder that there could be so much movement, so much purpose, all the time. He himself had none at all." In The Child in Time, acclaimed author Ian McEwan "sets a story of domestic horror against a disorienting exploration in time" producing "a work of remarkable intellectual and political sophistication" that has been adapted into a PBS Masterpiece movie starring Benedict Cumberbatch (Kirkus Reviews, starred review). "A beautifully rendered, very disturbing novel." —Publishers Weekly

Flying with the Fifteenth Air Force-Tom Faulkner 2018-11-15 In 1944 and 1945, Tom Faulkner was a B-24 pilot flying out of San Giovanni airfield in Italy as a member of the 15th Air Force of the U.S. Army Air Forces. Only 19 years old when he completed his 28th and last mission, Tom was one of the youngest bomber pilots to serve in the U.S. Army Air Forces during World War II. Between September 1944 and the end of February 1945, he flew against targets in Hungary, Germany, Italy, Austria, and Yugoslavia. On Tom's last mission against the marshalling yards at Augsburg, Germany, his plane was severely damaged, and he had to fly to Switzerland where he and his crew were interned. The 15th Air Force generally has been overshadowed by works on the 8th Air Force based in England. Faulkner's memoir helps fill an important void by providing a first-hand account of a pilot and his crew during the waning months of the war, as well as a description of his experiences before his military service. David L. Snead has edited the memoir and provided annotations and corroboration for the various missions.
