Some Things You Never Forget:-Pamela Davis Black 2014-04-11 Confession is good for the soul. It reveals the truth that we are, as any other sinner, saved by the grace of God. To that end, our greatest battles may be as grueling as those of David when he encountered the lion, the bear, or especially the giant Goliath. As this very personal story developed, snakes and other vicious creatures made themselves known. In essence, it became a revelation. Not every battle is won; sometimes we are overtaken, and the scars of defeat will live with us forever. In the end, it is most critical that we can boldly declare, “We have fought the good fight. We have finished the race. We have kept the faith.” Ask yourself: How can one possibly get from here to there—from the place of utter despair to one of absolute victory? In Some Things You Never Forget, your own stories can become your path to victory, for in them you can find the God of the impossible.

I Will Never Forget-Elaine C. Pereira 2014 It is painfully difficult to watch a loved one decline as dementia ravages their mind, destroying memories, rational thinking, and judgment. In her touching memoir, I Will Never Forget, Elaine Pereira shares the heartbreaking and humorous story of her mother’s incredible journey through dementia. Pereira begins with entertaining glimpses into her own childhood and feisty teenage years, demonstrating her mother’s strength of character. Years later, as Betty Ward started to exhibit bizarre behaviors and paranoia, Pereira was mystified by her mom’s amazing ability to mask the truth. Not until a revealing incident over an innocuous drapery rod did Pereira recognize the extent of her mother’s Alzheimer’s. As their roles shifted and a new paradigm emerged, Pereira transformed into a caregiver blindly navigating dementia’s unpredictable haze. But before Betty’s passing, she orchestrated a stunning rally to control her own destiny via a masterful, Houdini-like escape. I Will Never Forget is a powerful heartwarming story that helps others know that they are not alone in their journey. “Poignant, shocking, and honest ... far more than just words on paper. If you or someone you know is living through the hell of dementia, you need this book!” —Ionia Martin, developer of Readful Things Reviews and Alzheimer’s caregiver

The Novels and Other Works of Lyof N. Tolstoi-graf Leo Tolstoy 1911

Before Tilsit, 1805-1807-graf Leo Tolstoy 1888

War and Peace-graf Leo Tolstoy 1889 Often called the greatest novel ever written, War and Peace is at once an epic of the Napoleonic Wars, a philosophical study, and a celebration of the Russian spirit. Tolstoy's genius is seen clearly in the multitude of characters in this massive chronicle--all of them fully realized and equally memorable. Out of this complex narrative emerges a profound examination of the individual's place in the historical process, one that makes it clear why Thomas Mann praised Tolstoy for his Homeric powers and placed War and Peace in the same category as the Iliad": " "To read him . . . is to find one's way home . . . to everything within us that is fundamental and sane."

Across the Bridge-Mavis Gallant 2011-04-20 A new collection of stories by Mavis Gallant is always a major publishing event. For this is the writer who--like Margaret Atwood and Alice Munro--has made Canadian short stories a presence on the world literary scene, and on our bestseller lists. In Across the Bridge four of the eleven stories are connected, following the fortunes of the Carette family in Montreal. In "1933" their widowed mother teaches Berthe and Marie to deny that she was a seamstress and to say instead that she was "clever with her hands." In "The Chosen Husband" the luckless suitor Louis has to undergo the front-parlour scrutiny of Marie's mother and sister: "But then Louis began to cough and had to cover his mouth. He was in trouble with a caramel. The Carettes looked away, so that he could strangle unobserved. 'How dark it is,' said Berthe, to let him think he could not be seen." We then follow their marriage, the birth of Raymond, and Raymond's flight from his mother and aunt to his eventual role as a motel manager in Florida. "The place was full of Canadians,' he said. 'They stole like raccoons..'" With the exception of "The Fenton Child," an eerie story set in postwar Montreal, the other stories take place in the Paris Mavis Gallant knows so well. "Across the Bridge," the title story, begins with the narrator's mother throwing her reluctant daughter's wedding invitations into the Seine. "I watched the envelopes fall in a slow shower and land on the dark water and float apart. Strangers leaned on the parapet and stared, too, but nobody spoke." This is a superb collection of stories by a writer at the top of her form. From the Hardcover edition.

The Selected Stories of Mavis Gallant-Mavis Gallant 2012-10-09 Since 1950, the year that The New Yorker accepted one of her short stories and changed her life, Mavis Gallant has written some of the finest short stories in the English language. In tribute to her extraordinary career this elegant 900-page volume brings together the work of her lifetime. Devoted admirers will find stories they do not know, or stories that they will re- discover, and for newer admirers this is a treasure trove of 52 stories by a remarkable modern Canadian master. From the Trade Paperback edition.

WAR AND PEACE-Leo Tolstoy 1958 WAR AND PEACE by Leo Tolstoy BOOK ONE: 1805 CHAPTER I "Well, Prince, so Genoa and Lucca are now just family estates of the Buonapartes. But I warn you, if you don't tell me that this means war, if you still try to defend the infamies and horrors perpetrated by that Antichrist- I really believe he is Antichrist- I will have nothing more to do with you and you are no longer my friend, no longer my 'faithful slave,' as you call yourself! But how do you do? I see I have frightened you- sit down and tell me all the news." It was in July, 1805, and the speaker was the well-known Anna Pavlovna Scherer, maid of honor and favorite of the Empress Marya Fedorovna. With these words she greeted Prince Vasili Kuragin, a man of high rank and importance, who was the first to arrive at her reception. Anna Pavlovna had had a cough for some days. She was, as she said, suffering from la grippe; grippe being then a new word in St. Petersburg, used only by the elite. All her invitations without exception, written in French, and delivered by a scarlet-liveried footman that morning, ran as follows: "If you have nothing better to do, Count [or Prince], and if the prospect of spending an evening with a poor invalid is not too terrible, I shall be very charmed to see you tonight between 7 and 10- Annette Scherer." "Heavens! what a virulent attack!" replied the prince, not in the least disconcerted by this reception. He had just entered, wearing an embroidered court uniform, knee breeches, and shoes, and had stars on his breast and a serene expression on his flat face. He spoke in that refined French in which our grandfathers not only spoke but thought, and with the gentle, patronizing intonation natural to a man of importance who had grown old in society and at court. He went up to Anna Pavlovna, kissed her hand, presenting to her his bald, scented, and shining head, and complacently seated himself on the sofa. "First of all, dear friend, tell me how you are. Set your friend's mind at rest," said he without altering his tone, beneath the politeness and affected sympathy of which indifference and even irony could be discerned. "Can one be well while suffering morally? Can one be calm in times like these if one has any feeling?" said Anna Pavlovna. "You are staying the whole evening, I hope?" "And the fete at the English ambassador's? Today is Wednesday. I must put in an appearance there," said the prince. "My daughter is coming for me to take me there." "I thought today's fete had been canceled. I confess all these festivities and fireworks are becoming wearisome." "If they had known that you wished it, the entertainment would have been put off," said the prince, who, like a wound-up clock, by force of habit said things he did not even wish to be believed. "Don't tease! Well, and what has been decided about Novosiltsev's dispatch? You know everything." "What can one say about it?" replied the prince in a cold, listless tone. "What has been decided? They have decided that Buonaparte has burnt his boats, and I believe that we are ready to burn ours."

Writing the Icon of the Heart-Maggie Ross 2013-02-13 The subtitle of Maggie Ross's new book captures its essence, for it is about silence and our need to behold God. Beholding is a notion that we are in danger of losing. It is often lost in translation, even by the NRSV and the Jerusalem Bible. Beholding needs to be recovered both in theology and practice. Ross is very aware of "poor talkative Christianity." There is a twofold plea to enter into silence--for lack of silence erodes our humanity--and to behold the radiance of God. This is a book full of deep questioning and the testing of our assumptions. Throughout there is a great love for the world and for our humanity, accompanied by sadness that we are so easily distracted . . . We are invited into a silence that is not necessarily an absence of noise, but is a limitless interior space. Ancient texts are used in new and exciting ways, and many of our worship practices are challenged. She is in no doubt that "the glory of the human being is the beholding of God." --adapted from a review in The Church Times (London) by Canon David Adam.
