Mustard Seed Faith-Bethanee Syversen 2019-05-21 After seven miscarriages and three failed adoptions, where do you find the strength to pursue your dream of parenthood? Bethanee Syversen's deeply personal debut, *Mustard Seed Faith: A Journey through Infertility, Miscarriages, Adoption, and Faith*, is a story of believing in a God who is powerful enough—and generous enough—to do the impossible. Bethanee always wanted to be a parent. When the doctors gave their prognosis, she had to decide where her strength would come from. She and her husband chose to trust in God. Each negative pregnancy test, each unexpected loss, and each adoption delay would test her heart's resolve. However, through every blow, Bethanee discovered that God doesn't give up. He never goes away. And He never leaves His children unrestored. Now a mother of six, Bethanee has experienced the hardship and joy of becoming a mom through birth and through adoption. Much of *Mustard Seed Faith* comes from Bethanee's blog, which captured the raw emotion of her story as it unfolded. In part one, Bethanee confronts the heartbreak of infertility and the private grief of multiple miscarriages. In part two, she recounts the physical toll and emotional extremes of adopting. For many, Bethanee's fourteen-year journey is all too familiar, but it is her uncommon faith in God's good and

sovereign plan that inspires readers to keep hoping, keep praying, and keep believing.

Ma'am-Lue Wyatt 2011-06-15 Ma'am is a story of an older woman who has lived a life of hard labor. She was a woman that not only worked hard, she also loved as well. Raised in poverty, married young with children did the only thing she knew, worked. Later in life, due to circumstances that has happened to so many women, adopted five grandchildren. Later she discovered to her dismay, that while caring for children, all her life (siblings, her own children, later her own grandchildren). She had forgotten about her own personal life, needs and desires. While trying to ignore it, becomes clinically depressed. Youth had slipped away, time had forgotten her. Once a beautiful red head, and now merely a shell of her former self. Looking into the bathroom mirror one morning, she discovers the answer. All through her busy life, she held all the emotions in that a woman experiences. She had never talked to anyone before, but now in the privacy

of her home, she could pour out all the pain and frustrations, that she had felt for so many years. Talking to the reflection in the mirror, and eventually finds peace of mind. I've tried to describe how a woman would react under this stressful circumstances in which she finds herself. In trying to deal with her own personal life and still be responsible for the care of five grandchildren. I have written of a woman who is strong, life made her that way. She also has feet of clay. I've tried to portray her as being very human, because we all are. In Maams story, she deals with the problems of aging, but at the same time, she sees humor in everyday happenings, and has the ability to laugh at herself as well with other people. The adventures of a woman, and Maam, are at times hilarious, but also truthful, but again, it is all part of lifes story. In my story of Maam, the woman has no name because she speaks for umpteen thousands of women all over the world. She also believes in her God, but the older she gets, the more issues she has. Maam is truthful about her triumphs and her failings as in all our lives, there are many.

Faith Is Not a Feeling-Ney Bailey 2009-05-20 In 1976 the Big Thompson River flood in Colorado took 150 lives, including those of seven women on staff with Campus Crusade for Christ International. Deeply grieved by the loss, survivor Ney Bailey embraced a journey of faith that led her to a life-changing truth: No matter how things look and no matter how we feel, God is in control. In Faith is Not a Feeling, Ney reveals how life's tragedies and challenges lead each of us to an important decision about how we will relate to God. Building on a foundation of experiences all believers can relate to, this well-loved speaker and teacher shows how you can take advantage of the endless opportunities life provided to deepen your trust in the Lord. Faith is Not a Feeling has taught hundreds of thousands of people how to choose to believe God's promises over their own personal feelings. Now you, too, can discover the secrets that will allow you to face painful experiences with a measure of objectivity, use your feelings to take you to God, and experience true peace in the midst of failure and trials. Best of all, you will learn how to obediently and confidently take God at His word as you never have before.

A Mustard Seed-Angus Buchan 2012-08-24 -May God bless you richly as you read this word every day, and may it give you the strength and stamina, the perseverance and joy to see your mustard seed of faith moving mountains.-Angus Buchan is author of two popular volumes of autobiography, Faith Like Potatoes and Come of Age, and the widely-used devotional A Farmer's Year. An enormously popular speaker, he has proved himself capable of communicating successfully with men who have the barest connection to the Christian faith. A Mustard Seed offers readings for the full calendar year, with a Scripture passage for each day, and a meditation, often with an arresting anecdote. -Remember that no matter what affliction you are going through, the Lord Jesus Christ is in that fire with you. He promises that He will never leave you, and that you will come out of that fire pure and clean and renewed.

The Life of the Rev. John Wesley, M.A.-John Whitehead 2013-05-06

Published in 1793-6, amid controversy following the death of John Wesley (1703-91), this two-volume work vied with others for status as the most authentic biography of the Methodist leader. Wesley had left his papers to his physician John Whitehead (c.1740-1804) and the ministers Thomas Coke and Henry Moore, but Whitehead monopolised the papers in the preparation of his biography, refusing to allow his fellow executors access - the dispute is mentioned in the prefatory matter to Volume 1. Volume 2 continues the narrative from Wesley's voyage to America in 1735 until his death. It also includes assessments of his character and writings, as well as Whitehead's analysis of the state of Methodism at the time of writing. This remains an important critical appraisal of the movement's early history, offering researchers valuable insights into the contemporary debates over the future and structure of Methodism.
