The Emerald Mile-Kevin Fedarko 2014-07-01 An award-winning Outside magazine writer documents the 1983 Colorado River flood that threatened the region with a catastrophic dam failure and prompted oarsman Kenton Grua's near-suicidal effort to navigate the turbulent waters of the Emerald Mile on a small wooden dory to achieve a world speed record.

Clear Heart-Joe Cottonwood 2008-11-20 Clear heart is a grade of lumber and a state of mind as carpenters try for plumb and true with big-shot homeowners, a tool thief, strong-minded women, and their own battered bodies.

He Chose the Nails-Max Lucado 2012-01-03 The wood. The thorns. The nails. Christ's sacrifice has defined the very essence of mankind's faith for the past 2000 years.

And now, Max Lucado invites you to examine the cross, contemplate its purpose, and celebrate its significance with He Chose the Nails. With his warm, caring style, Max examines the symbols surrounding Christ's crucifixion, revealing the claims of the cross and asserting that if they are true, then Christianity itself is true. The supporting evidence either makes the cross the single biggest hoax of all time, or the hope of all humanity

Start with the Heart-Kathy Koch, PhD 2019-03-05 Parenting strategies you can be proud of You know the feeling. You got frustrated, desperate, or overwhelmed and you reacted before you could think it through. Whether it's a one-time thing or it becomes a habit, we all parent in ways we don't like. But it doesn't have to continue.

Whether it's bribery, yelling, counting to three, or threats of punishment you didn't mean to make, reacting never feels good. But if you can learn to act with intentionality, you'll feel better about your choices and be grateful for the results. Dr. Kathy Koch (pronounced "cook"), author of Screens and Teens and 8 Great Smarts, will teach you proven strategies for training your child's heart and parenting in a way that honors God. She'll help you move your child from, "I can't, I won't," to "I can, I will, and I did." We can do better than "Because I said so." or "No screen time for 3 days." We can do better than mere behavior modification. We can change our children's hearts and teach them to do what is good, godly, and right even when we're not around. Once you've learned to put these motivation strategies in place there's no more need to nag, you'll be astounded at what your kids will do without being asked. Dr. Kathy doesn't offer a quick-fix. Starting with the heart is all

about changing what children believe in order to change their behavior. And learning to use this kind of motivation takes effort, consistency, and strategy, but it works. And it's never too late! If you're willing to commit to a little hard work up front, you'll enjoy your kids, your life, and yourself much more when you learn to start with the heart.

American Dirt (Oprah's Book Club)-Jeanine Cummins 2020-01-21 #1 New York Times Bestseller OPRAH'S BOOK CLUB PICK "Extraordinary." —Stephen King "This book is not simply the great American novel; it's the great novel of las Americas. It's the great world novel! This is the international story of our times. Masterful."

—Sandra Cisneros También de este lado hay sueños. On this side, too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy—two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia—trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? American Dirt will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a Grapes of Wrath for our times" and "a new American classic," Jeanine Cummins's American Dirt is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.
