The Book of Revelation: A New Beginning-Terry L Newbegin 2011-03-23 "The Book of Revelation: A New Beginning" contains the hidden secrets of Saint John's Revelation, and as you know, it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it. Man has always assumed the word of God's prophets and their stories were indisputable just because of their eminence in interpreted them as being true. Man has forgotten the history of himself, Earth, God, the origin of the universe, and how the scriptures have been documented, interpreted, and strictly passed down by our ancestors and religious leaders. As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti-Christ as we understand it nor is it about Jesus coming to save you. In truth, Saint John's Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross, like Jesus, and now the time has come for you to ascend to a higher state of Mind. The book of Revelation: "A New Beginning" is a book that will help open the gates of your soul memories so you can become aware of your own divineness, and that you are a God too. My fellow Gods, what is coming to an end is the old ways of perceiving and understanding God. It is not that God is a mystery. It is you that is the mystery, and when fear is resolved within, you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years, either on purpose or because of ignorance.

A New Beginning-Joanne Morreale 1991-01-01 This book is a postmodern analysis of Ronald Reagan's 1984 film, A New Beginning, which marked the coming-of-age of the televisual political campaign film. The film was a landmark in the art of political filmmaking. Its thesis proclaimed a resurgence of American pride, patriotism, and prosperity under the leadership of Ronald Reagan. A New Beginning was unprecedented for a number of reasons: it replaced the traditional nominating speech for the candidate at the Republican National Convention; its form was a hybrid documentary and advertisement; it illustrated the use of televisual rebirth rhetoric to gain public support for a political ideology; and, most importantly, the masterful project documented a shift from verbal to visual rhetoric in American presidential campaigning. The author examines the film as a cultural text and as an effective political tool. Framing, ideology, myth, and visual cliché are analytic tools used to deconstruct the film; the method combines rhetorical theory with communication theory and semiotically-based theories of film and television. Morreale gives insight into the increasingly prevalent use of television to create a political reality.

New Beginning in US-Muslim Relations-Eugenio Lilli 2016-06-01 This book carries out a comparative study of the US response to popular uprisings in the Middle East as an evaluation of President Barack Obama's foreign policy commitments. In 2009, Obama publicly pledged "a new beginning in US-Muslim relations," causing eager expectation of a clear shift in US foreign policy after the election of the 44th president of the United States. However, the achievement of such a shift was made particularly difficult by the existence of multiple, and sometimes conflicting, US interests in the region which influenced the Obama administration's response to the popular uprisings in five Muslim-majority countries: Egypt, Bahrain, Yemen, Libya, and Syria. After providing a detailed analysis of the traditional features of both US foreign policy rhetoric and practice, this book turns its

focus to the Obama administration's response to the 2011 Arab Awakening to determine whether Obama's foreign policy has indeed brought about a new beginning in US-Muslim relations.

In addition, it shows 1) that sometimes we're just a victim or innocent bystander and unbeknownst to us trouble finds us wherever we go; 2) that we can be anything we want to be; 3) that life is what we make it; and 4) that we do have choices. Too often we make the wrong choices and no matter what Every Ending Has A New Beginning. It's up to us to change and grow. If there's no room for change, then there's no room for growth. You can expect to feel a lot of emotions. I basically stretched and twisted the truth to enhance your reading and entertainment pleasure, while making the best of my writing talent and creativity.
