But when her friend organizes a frolic to help with the task, Hannah is grateful, and accepts the offer. After all, the Christmas season is fast approaching, and she does not want Ruth's first

holiday to be damp and cold. But when Hannah meets Eli King, she suddenly wonders if perhaps the roof repair should have waited another winter. Kind and handsome, and so good with baby Ruth, he is the first man she has felt an attraction towards since her husband died. Eli seems to feel the same way, but Hannah is not sure she is ready to love again. Is it too soon to risk her heart again, and also risk losing again? But Christmas can bring us gifts we never expected, and also remind us how much of our own we have to offer.

Papers for War Time:

Leonard, G.H. Love came down at Christmas- 1914  
A Little Book for Christmas-  
Cyrus Townsend Brady Passes childhood, and I look down the nearer years. There rise before me remembrances of Christmas Days on storm-tossed seas, where waves beat upon the ice-bound ship. I recall again the bitter touch of water-warping winter, of drifts of snow, of wind-swept plains. In the gamut of my remembrance I am once more in the poor, mean, lonely little sanctuary out on the prairie, with a handful of Christians, mostly women, gathered together in the freezing, draughty building. In later years I worship in the great cathedral church, ablaze with lights, verdant and fragrant

with the evergreen pines, echoing with joyful carols and celestial harmonies. My recollections are of contrasts like those of life—joy and sadness, poverty and ease. And the pictures are full of faces, many of which may be seen no more by earthly vision. I miss the clasp of vanished hands, I crave the sound of voices stilled. As we old and older grow, there is a note of sadness in our glee. Whether we will or not we must twine the cypress with the holly. The recollection of each passing year brings deeper regret. How many have gone from those circles that we recall when we were children? How many little feet that pattered upon the stair on Christmas morning now tread softer paths and walk in broader ways; sisters and brothers who used to come back from the far countries to the old home—alas, they cannot come from the farther country in which they now are, and perhaps, saddest thought of all, we would not wish them to come again. How many, with whom we joined hands around the Christmas tree, have gone? Circles are broken, families

are separated, loved ones are lost, but the old world sweeps on. Others come to take our places. As we stood at the knee of some unforgotten mother, so other children stand. As we listened to the story of the Christ Child from the lips of some grey old father, so other children listen and we ourselves perchance are fathers or mothers too. Other groups come to us for the deathless story. Little heads which recall vanished halcyon days of youth bend around another younger mother. Smaller hands than ours write letters to Santa Claus and hear the story, the sweetest story ever told, of the Baby who came to Mary and through her to all the daughters and sons of women on that winter night on the Bethlehem hills.

Christmas Pudding and Pigeon Pie-Nancy Mitford  
2013-09-24 Christmas Pudding and Pigeon Pie are two sparkling comedies from early in the career of Nancy Mitford, beloved author of *The Pursuit of Love* and *Love in a Cold Climate*, here published in one volume with a new introduction by Jane Smiley. In *Christmas Pudding*,

an array of colorful characters converge on the hunt-obsessed Lady Bobbin's country house, including her rebellious daughter Philadelphia, the girl's pompous suitor, a couple of children obsessed with newspaper death notices, and an aspiring writer whose serious first novel has been acclaimed as the funniest book of the year, to his utter dismay. In *Pigeon Pie*, set at the outbreak of World War II, Lady Sophia Garfield dreams of becoming a beautiful spy but manages not to notice a nest of German agents right under her nose, until the murder of her maid and kidnapping of her beloved bulldog force them on her attention, with heroic results. Delivered with a touch lighter than that of Mitford's later masterpieces but no less entertaining, these comedies combine glamour, wit, and fiendishly absurd plots into irresistible literary confections.

Love in a Bottle-Marge

Pickering 2012-03-21

Embarking on a brand new adventure, I moved with my sixteen year old daughter from Kentucky to California at age 54, with the dog in the back seat. I was swept into a new exciting life, totally different from anything I had known before. After a fun relationship with a young man who turned out to be gay, I found my soul mate and was ready to ride off into the sunset with him. We decided to marry on Valentines Day of the next year. However I discovered he was alcoholic and that in fact, I had been dating and marrying alcoholics most of my life. Tragically, his drinking got so intense that I put a stop to the wedding and convinced him to go into recovery. With my heart breaking, I drove him to that recovery center on the very day we were to be wed, February 14th. Instead of pledging my eternal love to him, there I was dropping him off to sober up. After his stay there, we started our new adventure, but he vacillated between sobriety and drinking again. Through our mutual

progress, we learned to come together and live life in a different way. We each had a separate path but retained the connection we originally found. We both found serenity and peace and a wonderful life together.

Christmas Inn Love-Samantha Chase 2019-11-05 Running the family B&B has always been Cassidy Ryan's dream. But first, she has to save it from neglect. Closing the doors to the Silver Bell Inn for the holiday seasons seems like the perfect plan to give the B&B some much needed love and care. Or at least it would be if the inn didn't need a lot more work than Cassidy can handle on her own. She needs help. But asking it is the last thing she wants to do. Getting stuck in Silver Bell Falls was not part of Beckham Allen's plans. Neither was this cross-country road trip, for that matter. He was supposed to be focusing on himself and on healing after the loss of his father. But nothing, not even his rescue dog Mazie, seems to be able to break him out of his funk. Or so he thought

until he met the sweet innkeeper who takes him in. After an awkward start, Cassidy and Beckham discover the perks of being snowed in together. And with Christmas drawing closer, they find they may have just been given the greatest gift of all.
