A New Tune A Day books have the same logical, gentle pace, and keen attention to detail, but with a host of innovations.

The Flute Book-Nancy Toff 2012-08-02 Teachers and flutists at all levels have praised Nancy Toff'sThe Flute Book, a unique one-stop guide to the flute and its music. Organized into four main parts--The Instrument, Performance, The Music, and Repertoire Catalog--the book begins with a description of the instrument and its making, offers information on choosing and caring for a flute, sketches a history of the flute, and discusses differences between members of the flute family. In the Performance section, readers learn about breathing, tone, vibrato, articulation, technique, style, performing, and recording. In the extensive analysis of flute literature that follows, Toff places individual pieces in historical context. The book ends with a comprehensive catalog of solo and chamber repertoire, and includes appendices with fingering charts as well as lists of current flute manufacturers, repair shops, sources for flute music and books, and flute clubs and related organizations worldwide. In this Third Edition, Toff has updated the book to reflect technology's advancements--like new digital recording technology and recordings' more prevalent online availability--over the last decade. She has also accounted for new scholarship on baroque literature; recent developments such as the contrabass flute, quarter-tone flute, and various manufacturing refinements and experiments; consumers' purchase prices for flutes; and a thoroughly updated repertoire catalog and appendices.

A Tune a Day-C. Paul Herfurth 2003-07 (Music Sales America). These are the original editions of the ever-popular instruction books for various instruments by C. Paul Herfurth. The books are packed full of lessons, illustrations, fingering charts, daily practice records, test questions, and manuscript paper for homework. The Day of the Triffids-John Wyndham 2010-07-01 The classic postapocalyptic thriller with “all the reality of a vividly realized nightmare” (The Times, London). Triffids are odd, interesting little plants that grow in everyone’s garden. Triffids are no more than mere curiosities—until an event occurs that alters human life forever. What seems to be a spectacular meteor shower turns into a bizarre, green inferno that blinds everyone and renders humankind helpless. What follows is even stranger: spores from the inferno cause the triffids to suddenly take on a life of their own. They become large, crawling vegetation, with the ability to uproot and roam about the country, attacking humans and inflicting pain and agony. William Masen somehow managed to escape being blinded in the inferno, and now after leaving the hospital, he is one of the few survivors who can see. And he may be the only one who can save his species from chaos and eventual extinction . . . With more than a million copies sold, The Day of the Triffids is a landmark of speculative fiction, and “an outstanding and entertaining novel” (Library Journal). “A thoroughly English apocalypse, it rivals H. G. Wells in conveying how the everyday invaded by the alien would feel. No wonder Stephen King admires Wyndham so much.” —Ramsey Campbell “One of my all-time favorite novels. It’s absolutely convincing, full of little telling details, and that sweet, warm sensation of horror and mystery.” —Joe R. Lansdale

A New Tune a Day for Viola-Sarah Pope 2006 Offering a selection of music, this book includes: advice on your instrument and the equipment you need; instructions for effective technique and comfortable playing; explanatory pages on reading and understanding music; and tests to check your own progress and comprehension. It also includes an audio CD.

The Hidden Brain-Shankar Vedantam 2010-01-19 The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we’re never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

NEW TUNE A DAY VIOLIN BOOK 1 VLN BOOK & ONLINE MEDIA.- 2018

Green Mansions: A Romance of the Tropical Forest-William Henry Hudson

The Headspace Guide to... Mindfulness & Meditation-Andy Puddicombe 2011-05-26 'If you're thinking about trying mindfulness, this is the perfect introduction....I'm grateful to Andy for helping me on this journey.' BILL GATES 'It's kind of genius' EMMA WATSON Feeling stressed about Christmas/Brexit/everthing? Try this...

Demystifying meditation for the modern world: an accessible and practical route to improved health, happiness and well being, in as little as 10 minutes. Andy Puddicombe, founder of the celebrated Headspace, is on a mission: to get people to take 10 minutes out of their day to sit in the now. Here he shares his simple to learn, but highly effective techniques of meditation. * Rest an anxious, busy mind * Find greater ease when faced with difficult emotions, thoughts, circumstances * Improve focus and concentration * Sleep better * Achieve new levels of calm and fulfilment. The benefits of mindfulness and meditation are well documented and here Andy brings this ancient practice into the modern world, tailor made for the most time starved among us. First published as Get Some Headspace, this reissue shows you how just 10 minutes of mediation per day can bring about life changing results.

Why We're Polarized-Ezra Klein 2020-01-28 The New York Times Bestseller The Wall Street Journal Bestseller “Few books are as well-matched to the moment of their publication as Ezra Klein’s Why We’re Polarized.” —Dan Hopkins, The Washington Post “It is likely to become the political book of the year....Powerful [and] intelligent.” —Fareed Zakaria, CNN “Superbly researched and written...” —Francis Fukuyama, The Washington Post America’s political system isn’t broken. The truth is scarier: it’s working exactly as designed. In this book, journalist Ezra Klein reveals how that system is polarizing us—and how we are polarizing it—with disastrous results. “The American political system—which includes everyone from voters to journalists to the president—is full of rational actors making rational decisions given the incentives they face,” writes political analyst Ezra Klein. “We are a collection of functional parts whose efforts combine into a dysfunctional whole.” In Why We’re Polarized, Klein reveals the structural and psychological forces behind America’s descent into division and dysfunction. Neither a polemic nor a lament, this book offers

a clear framework for understanding everything from Trump's rise to the Democratic Party's leftward shift to the politicization of everyday culture. America is polarized, first and foremost, by identity. Everyone engaged in American politics is engaged, at some level, in identity politics. Over the past fifty years in America, our partisan identities have merged with our racial, religious, geographic, ideological, and cultural identities. These merged identities have attained a weight that is breaking much in our politics and tearing at the bonds that hold this country together. Klein shows how and why American politics polarized around identity in the twentieth century, and what that polarization did to the way we see the world and one another. And he traces the feedback loops between polarized political identities and polarized political institutions that are driving our system toward crisis. This is a revelatory book that will change how you look at politics, and perhaps at yourself.

Smallwoods Piano Tutor-William Smallwood 2005-06-01 Smallwood's Piano Tutor starts by introducing beginner players to the very basics of musical theory: measures, names of notes, clefs, time, etc. The player is then guided through elementary daily exercises and eventually introduced to major and minor scales with complimentary short pieces which makes use of the appropriate scale progression. This tutor also includes a very useful dictionary of musical terms.

Emerald Street-Daudi Abe 2020-11-05 From the first rap battles in Seattle's Central District to the Grammy stage, hip hop has shaped urban life and the music scene of the Pacific Northwest for more than four decades. In the early 1980s, Seattle's hip-hop artists developed a community-based culture of stylistic experimentation and multiethnic collaboration. Emerging at a distance from the hip-hop centers of New York City and Los Angeles, Seattle's most famous hip-hop figures, Sir Mix-A-Lot and Macklemore, found mainstream success twenty years apart by going directly against the grain of their respective eras. In addition, Seattle has produced a two-time world-champion breaking crew, globally renowned urban clothing designers, an international hip-hop magazine, and influential record producers. In Emerald Street, Daudi Abe chronicles the development of Seattle hip hop from its earliest days, drawing on interviews with artists and journalists to trace how the elements of hip hop—rapping, DJing, breaking, and graffiti—flourished in the Seattle scene. He shows how Seattle hip-hop culture goes beyond art and music, influencing politics, the relationships between communities of color and law enforcement, the changing media scene, and youth outreach and educational programs. The result is a rich narrative of a dynamic and influential force in Seattle music history and beyond.

Helen Ford-Horatio Alger 2017-01-02 A tale by Horatio Alger, this time about a young woman. Great reading for boys and girls ages 9 - 18.

Practical Studies for Flute, Book 1-Ralph R. Guenther 1999-10-06 The exercises and studies in this book are written to supplement and augment the numerous elementary method books available. The preliminary exercises stress the fundamentals of scales, chords, and intervals in the various keys. The importance of these fundamental exercises must be recognized as the foundation of fine playing. The etudes develop style, tone, and interpretation. Some of these studies are designed to be played by a group, or in a sectional rehearsal, if desired. Careful attention to correct fingerings, rhythms, and phrasing in these and other studies will result in musically satisfying performance. This book will be found to be useful for individual and class instruction.

A Tune a Day: a ... Book for Violin Instruction-Clarence Paul Herfurth 1933

Tune a Day Trombone, Euphonium, Treble Clef-C. Paul Herfurth 1944

The Red Room-August Strindberg 2020-10-26 Arvid Falk is a young and idealistic government worker who always wanted to be a poet. When a journalist writes a newspaper exposé based on Arvid's stories about his useless government department, Arvid is fired immediately. Starting afresh he sets out to explore every corner of the Swedish society, and the hypocrisy and corruption he finds shocks him. Walking the streets of Stockholm will never be the same again once this novel gets under your skin. Named the first modern Swedish novel, 'The Red Room' (1879) is wonderfully insightful and ironic. The Charles Dickens influence is undeniable and Strindberg's writing has been rightfully compared to that of Henrik Ibsen as well. August Strindberg (1849-1912) was a world-famous Swedish playwright, who, in Sweden, was known for his novels, poems, essays and paintings as well. Along with Henrik Ibsen, Hans Christian Andersen, Søren Kierkegaard and Selma Lagerlöf he is one of the all-time most influential authors of Scandinavia.

Learn to Play Flute Duets-William Eisenhauer A carefully graded selection of compositions of varied styles, progressing from easy to medium difficulty and designed to develop well-rounded musicianship.

The Renaissance Flute-Kate Clark 2020 ""The last four decades have seen a revival of interest in the renaissance transverse flute. The few collections of surviving original flutes from the sixteenth century have increasingly attracted musicologists, instrument makers, and players to examine, measure (and copy), perform and record on them. Renaissance flute workshops and summer courses attract students and amateur players in several corners of Europe every year. At the same time, renaissance manuscripts and early prints have increasingly become available on the internet, providing an ever-expanding supply of materials for flutists wanting to experience renaissance music for themselves. This handbook for renaissance flute players offers all the information needed to buy, maintain, and learn to play the renaissance flute, whether alone or in consort. It explains how to read and interpret renaissance music whether from original notation or in modern editions, how to make your own transcriptions, and how to write your own diminutions. It also introduces readers to the basics of renaissance music theory, in clear and simple language. At a time when the gap between the professional "classical" music world and its public seems to have grown irrevocably, this book aims to demystify the business of making beautiful music together. It is a key to the elegant, cylindrical flute that was played all over Europe in the age of polyphony and to the gentle art of consort playing.""--

The Kissing Booth #2: Going the Distance-Beth Reekles 2020-01-07 The sizzling sequel to the Kissing Booth. Soon to be a Netflix film! Elle Evans seems to have finally tamed hotter-than-hot bad boy Noah Flynn, but now they're facing a new challenge. Noah's 3,000 miles away at Harvard, which means they're officially a long-distance couple - and it's tough. After all, there's only so much texts and calls can do- and when Elle sees a post which suggests Noah's getting friendly with someone else, she's devastated. On top of that, it's hard to ignore new boy Levi. He's gentle, sweet, cute - and definitely interested in Elle. With her heart on the line, what's a girl to do? Join Elle, Noah, Lee and all your favorite Kissing Booth characters for another amazing romantic story that's sure to have you swooning.
