Cleburne County and Its People-Carl J. Barger 2008-05-13 Cleburne County and Its People is a historical account of Cleburne County and the men and women who made it what it is today. These men and women were as diverse as the Ozark Mountain's rock-laden landscapes. The pioneers who settled Cleburne County were as strong as the land, of hardy pioneer stock, and bold in thought and action. They were shrewd, strong-willed individuals who brought staunch beliefs and strong disciplines with them and settled in an untamed wilderness which became Cleburne County. Cleburne County and Its People has drawn from the past and the present—chronicling the lives of settlers facing hardships and tragedies, discovering profound beauty, mastering vast natural resources, and formulating democratic ideals. The stories in this book are honest interpretations of the human experience intertwined with the old and the new and adding exciting dimensions to the county of Cleburne and the state of Arkansas. The objective of Carl J. Barger, the compiler of Cleburne County and Its People, is to preserve a history of the county of his birth for students, historians, and all of the citizens of Cleburne County. Carl J. Barger is the author of Swords and Plowshares, a Civil War love story, and Mamie, an Ozark Mountain Girl of Courage, a story of the Ozark Mountain people, set in Cleburne and Van Buren Counties.

The Big One-David Kinney 2010-07-06 "The Big One is to competitive fishing what Friday Night Lights was to high school football." —News & Record (Greensboro) A Forbes Best Sports Book of the Year Published to rave reviews in hardcover and purchased by DreamWorks in a major film deal, The Big One is a spellbinding and richly atmospheric work by a Pulitzer Prize-winning journalist. Here is the story of a community—Martha's Vineyard, Massachusetts—and a sporting event—the island's legendary Striped Bass and Bluefish Derby—that is rendered with the same depth, color, and emotional power of the best fiction. Among the characters, we meet: Dick Hathaway, a crotchety legend who once caught a bluefish from a helicopter and was ultimately banned for cheating; Janet Messineo, a recovering alcoholic who says that striped bass saved her life; Buddy Vanderhoop, a boastful Native American charter captain who guides celebrity anglers like Keith Richards and Spike Lee; and Wyatt Jenkinson, a nine-year-old fishing fanatic whose mother is battling brain cancer. At the center of it all is five-time winner Lev Wlodyka, a cagey local whose next fish will spark a storm of controversy and throw the tournament into turmoil. "The Big One is a rollicking true story of a grand American obsession. You don't have to be a fisherman to relish David Kinney's marvelous account of the annual striper madness on Martha's Vineyard, or his unforgettable portraits of the possessed. It's a fine piece of journalism, rich with color and suspense."

—Carl Hiaasen, New York Times—bestselling author

Martha's Vineyard Fish Tales-Nelson Sigelman 2019-02-01 The focus is on Martha's Vineyard but the information, fishing tips, and stories about Island characters—Bob "Hawkeye" Jacobs jumping off Memorial Wharf to unsnag an albie he hooked—will sound familiar to anyone who has spent time in a community of fishermen. This informative and fun read answers the questions asked in local tackle shops, including the best spots to catch a striped bass on a fly rod—Lobsterville Beach—and rigging tackle for blues, fluke, black sea bass, false albacore, and bonito. Spin fishing, bottom fishing, and fly fishing are all covered. This book follows the island fishing seasons: rods appear on island trucks in April, a sign that schoolies have arrived, and they do not begin to disappear until the venerable Bass and Bluefish Derby, five weeks of single-minded pursuit of fish, ends in October. And there are tips on looking and talking the part. . . . "handy phrases include any reference to a falling or rising tide and a rock, any rock, as long as you refer to it with a sense of authority so that the other person is unwilling to ask which rock for fear of seeming like a novice." Martha's Vineyard Fish Tales is a "how to" book that flows with the character and personality of a fishing-obsessed island off the coast of Massachusetts.

The Report: Kuwait 2014-Oxford Business Group 2014-09-03 Kuwait accounts for approximately 6.1% of the world's proven oil reserves, with hydrocarbons revenues comprising more than 65% of the country's GDP and 95% of total exports in 2013. Cautious budgetary decisions have resulted in large surpluses, creating a solid base for public expenditure programmes such as the National Development Plan, which is set to diversify the economy and boost employment. Although tapering the US Federal Reserve's quantitative easing programme is likely to affect global liquidity and play a key part in growth prospects for 2014/15, the GCC economy is still forecast to expand by 4.1% for the year, and in Kuwait, where a handful of new PPP plans and deals are slated for 2014, there are promising signs that the year could be a landmark for economic growth and expansion.
