The Night That Changed My Life-Audrey Alexander 2014-08-14

Open Mic Night in Moscow-Audrey Murray 2018-07-24 The raucous and surprisingly poignant story of a young, Russia-obsessed American writer and comedian who embarked on a solo tour of the former Soviet Republics, never imagining that it would involve kidnapers, garbage bags of money, and encounters with the weird and wonderful from Mongolia to Tajikistan. Kazakhstan, Belarus, and Siberia are not the typical tourist destinations of a twenty-something, nor the places one usually goes to eat, pray, and/or love. But the mix of imperial Russian opulence and Soviet decay, and the allure of emotionally unavailable Russian men proved strangely irresistible to comedian Audrey Murray. At age twenty-eight, while her friends were settling into corporate jobs and serious relationships, Audrey was on a one-way flight to Kazakhstan, the first leg of a nine-month solo voyage through the former USSR. A blend of memoir and offbeat travel guide, this thoughtful, hilarious catalog of a young comedian's adventures is also a diary of her emotional discoveries about home, love, patriotism, loneliness, and independence. Sometimes surprising, often disconcerting, and always entertaining, Open Mic Night in Moscow will inspire you to take the leap and embark on your own journey into the unknown. And, if you want to visit Chernobyl by way of an insane-asylum-themed bar in Kiev, Audrey can assure you that there's no other guidebook out there. (She's looked.)

She becomes who she wants to be by pretending to be somebody she's not and living among the young and privileged Manhattan elite. A private album of rare snapshots—many never published before—of Audrey Hepburn in her everyday life as a citizen of the Eternal City, Audrey in Rome is a treasure for every fan of her films and her impeccable, timeless style. With an introduction by Dotti that reveals Audrey's private side and three photo-filled chapters organized by decade, the book captures the actress as she strolls around the city alone and with family and friends, walks her Yorkie, Mr. Famous, has breakfast in Piazza Navona, visits the local florist, and more. The book also contains set photographs of the films she made during her Rome years (Roman Holiday, War and Peace, The Nun's Story, Breakfast at Tiffany's) and of the famous clothes and accessories that helped create her iconic look. The Believers-Zoe Heller 2009-05-29 The book opens with a prologue set in mid-sixties London, where Joel Litvinoff, an American civil rights lawyer, meets a young Englishwoman, Audrey. After a brief and apparently casual affair, she decides to go to the United States and marry him. The main narrative then commences in New York in 2002. Joel is 72 and approaching the end of a long and illustrious career as an activist

lawyer. He and Audrey live in Greenwich Village and have three adult children: two daughters, Rosa and Karla, and an adopted son, Lenny. Audrey is now an acid-tongued, domineering woman in late middle age who fiercely defends, but never questions, the political stance that has shaped her life. Her most tender feelings appear to be directed towards Lenny, a frequent drug user who is incapable of personal responsibility. Karla, the neglected and under-appreciated oldest child, is a social worker who is married, not very happily, to Mike. They have been trying unsuccessfully to start a family. Rosa works with disadvantaged young girls. She is becoming increasingly interested in Judaism, a faith rejected along with all others by her Jewish parents. For this she is much derided by Audrey. Joel suffers a stroke while in court and is in a coma for most of the time span covered by the book. Audrey is convinced he is not getting proper care in the hospital and creates difficulties for its medical staff. During this time of stress, Karla's unhappiness with her marriage rises to the surface. She begins an affair with Khaled, originally from Egypt, who runs a newspaper store at the hospital where they both work. Rosa immerses herself in the study of Orthodox Judaism and, though she finds many of its teachings difficult to accept, though she perseveres. A stranger, Berenice Mason, introduces herself to Audrey, claiming that her son is Joel's illegitimate child. Though Audrey initially dismisses her with contempt, it emerges that her story is true and that Berenice has been receiving regular financial support from Joel. Lenny is persuaded by Audrey's friend Jean to go to her country home in Pennsylvania for a month in order to get off drugs. He makes great progress there and, when Audrey visits, he proposes settling in Pennsylvania permanently. Appalled by the prospect of losing him, Audrey does her best to discourage the idea. Rosa abandons, and then takes up again, her studies in Orthodox Judaism deciding finally that she must pursue her religious intuitions. Joel dies without regaining consciousness. At his funeral, which is attended by thousands, Audrey gives a eulogy in which she celebrates her 40-year marriage to her husband and makes a public acknowledgment of Berenice and her son. At the reception afterwards, Karla makes a last-minute, momentous decision regarding her own marriage. Sean tells Audrey Hepburn's remarkable story, from her childhood in war-torn Holland to the height of her fame to her autumn years far from the camera and the crush of the paparazzi.
