The Last Tycoons-William D. Cohan 2007-04-03 A grand and revelatory portrait of Wall Street's most storied investment bank Wall Street investment banks move trillions of dollars a year, make billions in fees, pay their executives in the tens of millions of dollars. But even among the most powerful firms, Lazard Frères & Co. stood apart. Discretion, secrecy, and subtle strategy were its weapons of choice. For more than a century, the mystique and reputation of the "Great Men" who worked there allowed the firm to garner unimaginable profits, social cachet, and outsized influence in the halls of power. But in the mid-1980s, their titanic egos started getting in the way, and the Great Men of Lazard jeopardized all they had built. William D. Cohan, himself a former high-level Wall Street banker, takes the reader into the mysterious and secretive world of Lazard and presents a compelling portrait of Wall Street through the tumultuous history of this exalted and fascinating company. Cohan deconstructs the explosive feuds between Felix Rohatyn and Steve Rattner, superstar investment bankers and pillars of New York society, and between the man who controlled Lazard, the inscrutable French billionaire Michel David-Weill, and his chosen successor, Bruce Wasserstein. Cohan follows Felix, the consummate adviser, as he reshapes corporate America in the 1970s and 1980s, saves New York City from bankruptcy, and positions himself in New York society and in Washington. Felix's dreams are dashed after the arrival of

Steve, a formidable and ambitious former newspaper reporter. By the mid-1990s, as Lazard neared its 150th anniversary, Steve and Felix were feuding openly. The internal strife caused by their arguments could not be solved by the imperious Michel, whose manipulative tendencies served only to exacerbate the trouble within the firm. Increasingly desperate, Michel took the unprecedented step of relinquishing operational control of Lazard to one of the few Great Men still around, Bruce Wasserstein, then fresh from selling his own M&A boutique, for \$1.4 billion. Bruce's take: more than \$600 million. But it turned out Great Man Bruce had snookered Great Man Michel when the Frenchman was at his most vulnerable. The LastTycoons is a tale of vaulting ambitions, whispered advice, worldly mistresses, fabulous art collections, and enormous wealth—a story of high drama in the world of high finance. From the Trade Paperback edition.

Damn the Warocracy-George L. Fouke 2008-09 What do we call a pro-military dogma, wrapped in patriotism? Warocracy. According to George Fouke, Ph.D., retired professor of political studies, Warocracy is a post World War II mindset about power-Who has it? Who wants it? How will it be used? Damn the Warocracy! explores this new ideology about the rise of misplaced power. It does not foster Democratic, Republican, Independent or any other political party. It focuses on a democratic society with the expectation of voter privilege and responsibility. Damn the Warocracy! asks the big question. What to live for and what to die for? The political

and historical trends that have shaped the Great Generation are now taking form for the New Generation to restore the positive use of political power. Fouke, using humor and skill, informs and educates the reader about the mistakes of the past, their continuing impact, and future alternatives. He addresses the moral and political crossroads faced by the New Generation with an intensity born from his early life experiences of diversity in religion, culture, values, and political views. Professor Fouke believes in America and challenges the next generation to think independently and become morally proactive in the political arena.

Street Fighters-Kate Kelly 2009 Examines the company's final weekend as an independent firm and the corporate culture that led to the fall of one of Wall Street's biggest names.

Bear My Baby-Anya Nowlan 2016-01-02 She never knew danger, but now she can't get enough of the bear it follows... This is a full 50 k novel with a guaranteed HEA. It has violence, steam, a forbidden pregnancy and lots of hot shifter commandos that are sure to knock down all your doors. Read it as a standalone and fall in love with the new shifter heros set to save the day! Cassie Campton's lived a calm, settled life. Working for an eccentric billionaire, she's given plenty of time for the things she enjoys in life. Surprisingly enough, that makes a person complacent. So, when the man she's devoted years to suddenly draws her into an explosive chase, complete with bloodthirsty villains and the distinct possibility of death, Cassie can't help but wonder if she's gotten in way over her head. But when the commando sent to save you is as hot and as infuriating as hers is, does it really matter? Connor McLaughlin is a werewolf with a past, and not much in terms of future. Head of

Shifter Squad Six, he's a gun for hire, a soldier of fortune. Every job's the same, except for this one. He didn't think he could ever love again, but one look at Cassie and the tough as nails ex-SEAL finds himself stumbling over his feet and words. They only have one night together and after that, Connor's never the same, for better or for worse. Brought together by fate once more, Connor has to save his woman, maybe the world, and most heartwrenchingly, his cub he knew nothing about. Can Cassie and Connor overcome the lies between them and have a future together, or are they doomed to fail?

Tropical Lion's Legacy-Zoe Chant 2019-09-13

He's looking for forgiveness. She's looking for a fighting chance. Graham Long left his career-and his real name-behind to make a fresh start for himself at Shifting Sands. He's done with dueling, and wants nothing more than to quietly raise his strawberries and tend the lawns at the tropical shifters-only resort. A fight is the last thing he wants when his lion insists that his friend's bear shifter bridesmaid is his destined mate. But fiercely independent Alice Anders has a life of her own already. She's not going to turn her back on the people who need her and the job she loves just to run away to a tropical island paradise with a gorgeous gardener that makes her knees weak with one blue-eyed glance. She's not at the resort to find her own true love... and she's not there only as a bridesmaid, either. She's been given a fighting chance to save her family: all she has to do is uncover the shift form of the mysterious resort owner, Scarlet, for an equally mysterious man for whom money is no object. Between the secrets they're keeping and the answers they're searching for, it's a hard road to honesty, and harder road still to a happy ever after. Can Graham keep ahead of the enemies from his past? Will Alice figure out who he really is... and if she does, will she ever be able to forgive him for the things he's done and the secrets he's keeping from her? TROPICAL LION'S LEGACY is a steamy standalone paranormal shifter novel in the beloved Shifting Sands Resort series. Gray Back Broken Bear-T. S. Joyce 2015-09-03 Easton Novak is hiding something fearsome inside of him. An unconventional upbringing has turned his inner grizzly into a berserker-one who has all but destroyed his humanity. Being around people isn't easy. Not when he doesn't understand any of their reactions, or half of what they're saying. And if he can convince his alpha he's half sane, he just might let Easton live. But when the raven from Easton's childhood shows up at his door again, he knows he's slowly sinking into a madness he can't come back from. She's not real. She can't be. Raven shifter, Aviana King, is terrified of bears. They're her people's natural enemy, but she hasn't been able to forget the bear cub she befriended all those years ago. Faced with a loveless courtship she doesn't want, she visits Easton just to see if the sparking feelings she felt for him when they were kids are still there. The only problem is, he thought she was just a friendly raven all those years ago, and now he doesn't recognize her human form at all. But as she searches for the courage to approach him and his terrifying Gray Back Crew, it becomes clear that the sweet silver bear cub from her childhood has grown into a powerful, dominant, barely-controlled monster

grizzly. Now, the greatest threat to Aviana's life is the man she loves. He isn't Easton Novak anymore. He's Beaston. Content Warning: explicit love scenes, naughty language, and piles of sexy shifter secrets.

Mated By The Dragon Boss-Meg Ripley 2019-05-11 When April is caught in the crossfire of dirty business and ancient feuds, will her bond with her hot dragon boss be enough to save her? April Bancroft never thought she would find love, and she certainly didn't think it would be in the form of Mads Durkheim-her boss and one of the world's biggest media moguls. It's totally unlike her, but she can't resist his charm, his looks, or the heat of his body when they touch. A part of her hopes that a business trip to Los Angeles might turn their relationship into something more than strictly professional-but high in the Hollywood Hills, she's introduced to a world that she could never even dream of. Mads Durkheim has been alive and alone for a very, very long time. One of the last of the dragons, he believes he will never find the woman meant for him-until voluptuous April walks into his office. He can't

put his finger on exactly why, but she soothes the fire raging inside of him. He wants nothing more than to keep her close and safe, but mortals are never safe when they meddle in the affairs of dragons... WARNING! HOT love scenes with sexy shifters inside! Readers 18+.

Marooned!-Brad Strickland 2008-06-30 There's no turning back. The year is 2085, and a new teen has arrived at Mars Experimental Station One, a colony built to test humans' ability to live self-sufficiently in an alien and hostile environment. Already in existence for ten years, "Marsport" is a functioning city of two thousand people -- with only twenty teenagers. These teens, part of the controversial Asimov Project, were hand selected from the billions on Earth and are always under the watchful eyes of the adults. The newcomer, Sean, is a fifteen-year-old orphan who acts tough but secretly thinks he can't measure up to the others. His companions are Jenny, also fifteen, an ethereal blond whose frail looks belie her fierce intelligence, and Alex, a fourteen-year-old pilot in training who doesn't always know his boundaries. They each have

reasons to doubt themselves...and distrust each other. But one thing is certain: Mars offers them something Earth never could. When the existence of Marsport is suddenly threatened, the group must overcome their fears and join forces, for their survival depends on nothing less.

Blue Blood and Mutiny Revised Edition-Patricia Beard 2009-05-05 The inside story of the power struggle that rocked Wall Street's most prestigious financial institution What began with a shot over the bow ended in a shocking coup d'etat. In less than four months a group of eight retired executives orchestrated a stunning revolt

within Morgan Stanley, the venerable and—until recently—most successful financial services firm on Wall Street. Now acclaimed journalist and historian Patricia Beard brings together the entire behind-the-scenes story in *Blue Blood and Mutiny*, a real-life business thriller exposing the tale that shook high finance. In March 2005 the business world woke up to an unprecedented full-page ad in the *Wall Street Journal* calling for the removal of Morgan Stanley's CEO. It was paid for by a cohort of eight former Morgan Stanley executives, including an ex-chairman and an ex-president, who soon would be dubbed the "Eight Grumpy Old Men." Their target was CEO Philip Purcell, a midwesterner who had come to power following Morgan Stanley's 1997 merger with Dean Witter Discover, where Purcell had been chief executive. In his eight years as CEO, Purcell had presided over a 50 percent decline in stock price since its peak in 2000 and a series of high-profile government and civil lawsuits that had tarnished the company's once-sterling reputation. Just a few months after the *Journal* ad, Purcell would retire under pressure, and former president John Mack, who had been pushed out by Purcell, was appointed CEO. The "Eight Grumpy Old Men" won the battle. The revolt of the Eight is about more than the stock price, or any bottom-line metrics: it signals a clash of cultures and a battle for the soul of American business. Since its founding, Morgan Stanley has been an elite enterprise guided by J. P. Morgan Jr.'s motto "A First Class Business in a First Class Way." The House of Morgan stood for something larger than success with honor; its ethos was unique—some would say sacred—and the eight retired executives believed this ideal had been undermined during Purcell's reign. Opening the long-closed doors of a bastion of Wall Street that has maintained the strictest privacy until now, *Blue Blood and Mutiny* weaves the history of Morgan Stanley with the inside story of the fight for dominance between two competing business cultures—one, the collegial meritocracy handed down from the days of J. P. Morgan, and the other, a cold, contemporary corporate model. Here is the season's must-read book for anyone who wants to understand the future of American business.

Firefighter Dragon-Zoe Chant 2016-06-04 A curvy archaeologist with the find of a lifetime + a firefighter dragon shifter at risk of getting burned + a priceless artifact coveted by a ruthless rival = one blazing hot romance!When archaeologist Virginia Jones uncovers a priceless

Anglo-Saxon artifact, she expects to attract academic interest -- not a dragon! Trapped in a burning building by the beast, there's only one thing she can think to do...Firefighter Dai Drake can handle dragonfire -- because he's a dragon shifter himself. But when he rescues Virginia, her touch ignites an inferno of desire even he can't fight. She's his one true mate... but how can he tell her what he is when she's convinced all dragons are bloodthirsty monsters after her gold? As Dai fights to protect Virginia, they're both at risk of getting burned. Can he show her that the only treasure he wants is her heart? Or will his secret make their growing love go up in smoke?Combining romance, action, and a generous helping of humor, the Fire & Rescue Shifters series is a must-read for fans of TS Joyce and Sherrilyn Kenyon. Each book is a standalone romance focusing on a different couple, but characters reoccur throughout the series. No cliffhangers! Warning: Contains steamy scenes between a strong, curvy African-American heroine and a Welsh dragon shifter hotter than the fires he fights. Can you handle the heat?

Sawman Werebear-T. S. Joyce 2015-04-13 Slow-simmering romance, secrets by the dozen, heart-warming triumph, and a crew of sexy lumberjack werebears come together to tell Brighton's story in this final installment of T. S. Joyce's bestselling Saw Bears series. Brighton Beck's inner grizzly is out of control. It's been months since he killed his tormentor, but just seeing the man who stole his voice has put his bear on a bender. When a timid woman at a local diner approaches him, he couldn't be less interested. She's mousy, submissive, and worst of all...human. Or at least he thinks she is, but she proves to him things aren't always as they appear. And now it's up to Brighton, and his broken bear, to find out who Turned her. Everly Moore is up to her eyeballs in problems, and at the top of the pile is a sickness her doctors can't figure out. When Brighton takes an oath to draw her bear from her, it's apparent he's not only lost his voice, but he's lost his mind as well. But when she discovers the dark secret of what's been done to her, she'll have to lean on the quiet man who has intrigued her throughout the years. The only problem is, Brighton is fighting demons of his own, and if she can't reach the animal within her and survive the Change, she and the man she is falling in love with could both be lost. Content Warning: explicit love scenes, naughty language, and piles of sexy shifter secrets. Adult only bear shifter romance.

Bear My Soul-T. S. Joyce 2015-05-03 Rory Dodson is done running. After one night of bliss with a man she never thought she'd see again, she's in trouble with a young son who is housing one ferocious little bear cub inside of him. Desperate to keep her baby's secret safe, she has nowhere to turn but to the man she was determined to keep in her past. What she doesn't expect is the instantaneous, heart-pounding connection she remembers from before. But all of the sex appeal in the world can't hide the fact that Cody Keller is keeping dark secrets of his own.Alpha bear shifter, Cody, is a firefighter by day but something more sinister by night. Towing a fine line between leading a normal life and keeping the government off his crew's back, he has been running missions that few sane men would take, and even fewer would survive. But when the woman he has searched six years for blows back into town, toting a kid who bears his mark, his life is about to get a whole lot more complicated.It's not enough to protect the Breck Crew from the growing threats around him anymore. Cody will have to push back and stand up for his kind if he wants a shot at keeping his fragile new family safe from what he's

become. Content Warning: explicit love scenes, naughty language, and piles of sexy shifter secrets. Adult only bear shifter romance. Silver Unicorn-Zoe Chant 2020-02-08 If life begins at 40, why does it feel like it passed her by? Until Jen's husband died, her life revolved around him and his award-winning work. Now she's a 50-something childless widow looking ahead to a long, lonely retirement. Her meetings with the Baker Street Writers' Group are the only bright spots in her week. And then he sweeps in -- handsome, brilliant, and amazing, definitely the kind of man who wouldn't be interested in a woman like Jen. Even if his touch sets her on fire, and she could lose herself forever in his eyes. But she can't help feeling like he's hiding something. She's not going to let herself go through this again, and lose her heart to a man who could never put her first. Of course if he was going to

finally find his mate, it would happen at the worst possible time! King of an island of shifters, Nikos is in town to help his old friends Mikhail and Joey with their evil-dragon problem, and now he's lost himself in a pair of beautiful eyes. Jen is kind, lovely, and stronger than she knows, a perfect match for his unicorn. There's nothing he wants more than to worship her as she deserves. But he has to hold her at arm's length. If she's hurt because of him, he'll never forgive himself. But neither of them are prepared for a shocking transformation that will rock both their worlds to the core, and open both their hearts up to a kind of love they never believed existed. A romance with a dash of comedy, plenty of action, and a wildly romantic courtship on a magical island paradise!
