The Book of the Moon-Maggie Aderin-Pocock 2019-04-09 Have you ever wondered if there are seasons on the moon or if space tourism will ever become commonplace? So has Dr. Maggie Aderin-Pocock. In fact, she earned her nickname "Lunatic" because of her deep fascination for all things lunar. In her lucidly written, comprehensive guide to the moon, Aderin-Pocock takes readers on a journey to our closest celestial neighbor, exploring folklore, facts, and

future plans. She begins with the basics, unpacking everything from the moon's topography and composition to its formation and orbit around the Earth. She travels back in time to track humanity's relationship with the moon — beliefs held by ancient civilizations, the technology that allowed for the first moon landing, a brief history of moonazing, and how the moon has influenced culture throughout the years — and then to the future, analyzing the pros and cons of continued space travel and exploration. Throughout the book are sidebars, graphs, and charts to enhance the facts as well as black-and-white illustrations of the moon and stars. The Book of the Moon will be published for the 50th anniversary of the moon landing.

More to the Story-Hena Khan
2019-09-03 From the critically acclaimed author of Amina's Voice comes a new story inspired by Louisa May

Alcott's beloved classic, *Little Women*, featuring four sisters from a modern American Muslim family living in Georgia. When Jameela Mirza is picked to be feature editor of her middle school newspaper, she's one step closer to being an award-winning journalist like her late grandfather. The problem is her editor-in-chief keeps shooting down her article ideas. Jameela's assigned to write about the new boy in school, who has a cool British accent but doesn't share much, and wonders how she'll make his story gripping enough to enter into a national media contest. Jameela, along with her three sisters, is devastated when their father needs to take a job overseas, away from their cozy Georgia home for six months. Missing him makes Jameela determined to write an epic article—one to make her dad extra proud. But when her younger sister gets seriously ill, Jameela's world turns upside down. And as her hunger for fame looks like it might cost her a blossoming friendship, Jameela questions what matters most, and whether she's cut out to be a

journalist at all...

Queen of the Night-Sharynne MacLeod NicMhacha

2005-01-01 Queen of the Night helps readers understand the role and power of the moon in the ancient religions, folklore, and mythology of Ireland and the British isles and then discover how to tap that power in their daily lives. Queen of the Night is a journey into the world of Celtic cosmology, shamanism, and sacred animals, as well as Celtic language, art, and culture, to discover the power and centrality of the moon. Since the earliest times, from stone circles and passage graves to the rites and customs of Druids, the moon has been the symbol of the Goddess and has played a crucial role in worship and celebration. In 13 chapters representing the moon's monthly and annual cycles, NicMhacha tells the story of Celtic moon mythology, as well as touching upon Greek, Hindu, and Norse traditions. Each chapter sets forth the role of the moon in Celtic tradition and culture and includes poetry, quotes, or prayers honoring the moon. At the end of each chapter, she offers meditations, ceremonies, and exercises to help readers connect with the

moon and apply its power to their lives. From the world of fairies to bards, seekers, and shamans; from the moon's role in the secret meetings of women spinners to the role of sacred animals and mythic beings, Queen of the Night is a lively, informative, and transformative book for anyone who wants to understand and experience the power of the moon.

Into the Night with Moon Man-Valerie Varga

A NIGHT ON THE MOON- Larry Gaddy 2011-11-10 Life and self worth is a blessing that cannot be bought at any price. To see through those eyes is to see eternal youth, to grow wise with grace, and to still die young at any age. Watching a colored leaf fall from a tree... Seeing its dance upon the wind... Hearing the lyrics of a song unsung... Humming the melody yet written... Writing words that bring teardrops... And humbled by the grace of it all... Some would say he's a visionary; seeing truth beyond the lies, twisting a simple word into emotion. "Question everything" He heard so often as a child. Looking through the stained glass in his mind's eye, somewhere within his fantasy a simple child became a poet. He is a story teller. In his words, you will find a simple truth. Hanging on a single word as a lifeline; letting go to find another. In his world, you feel the little

things and the miracles they bring. Through his eyes, the fairies have been seen, painting sunsets and rainbows.

The Moon Book-Sarah Faith Gottesdiener 2020-12-15 A guide to conscious living through the moon and her phases, incorporating wellness rituals, spellwork, and witchcraft for the modern seeker. We all know the moon. We all have a relationship with it. The earliest people obeyed her orbit, timed their months and holidays and celebrations and agriculture to the moon; the echoes of that system are still visible today, though the connection to the moon is often forgotten. Sarah Faith Gottesdiener is the leader of a movement to remind us of that lineage, guiding our rhythms and our sleep, our energy and our emotions, reminding us of our humanity and our magic. In her self-published Many Moons Workbooks and Lunar Journals, as well as her sold-out classes, she has guided over 50,000 readers to a deeper relationship with the moon, and through it, with themselves. This evergreen

book will be an informative and comprehensive guide to lunar living, incorporating radical, self-empowering, and magical tools and resources for the beginner and experienced lunar-follower alike. Depending on where we are in our lives, depending on what we are feeling or what is happening around us, the moon allows us a space to invite ritual into our daily lives. The Moon Book will provide a framework on how to utilize the entire lunar cycle holistically, while offering ways for the reader to develop a personal relationship with their own cycles—energetic, personal, and emotional—through the lens of the moon's phases. On the Night of a Blood Moon- Peter Karl 2019-03-20 Investigative reporter Peter Michaels takes a fresh look at one of Chicago's most heinous crimes of the past century: the brutal rape and murder of an attractive, young female medical student. Four men were originally caught, tried, convicted and sentenced to life in prison, but was the crime really solved? Are the real killers in jail or roaming the streets? It is a crime that

still haunts the city and those who worked to bring justice to the victim and her family. To Visit the Queen-Diane Duane 2001-02-01 Rhiow, Urruah, and Arhu, the wizard cats who saved New York City in "The Book of Night with Moon", are summoned to London to deal with a crisis which affects the very fabric of time.

I Took the Moon for a Walk-Carolyn Curtis 2004 A boy and the moon share a walk through his neighborhood. Where the Mountain Meets
the Moon-Grace Lin
2009-07-01 A Newbery Honor
Winner A New York Times
Bestseller This stunning
fantasy inspired by Chinese
folklore is a companion novel
to *Starry River of the Sky* and
the New York Times
bestselling and National Book
Award finalist *When the Sea
Turned to Silver* In the valley
of Fruitless mountain, a young
girl named Minli lives in a
ramshackle hut with her
parents. In the evenings, her
father regales her with old
folktales of the Jade Dragon
and the Old Man on the Moon,
who knows the answers to all
of life's questions. Inspired by
these stories, Minli sets off on
an extraordinary journey to
find the Old Man on the Moon
to ask him how she can
change her family's fortune.
She encounters an assorted
cast of characters and
magical creatures along the

way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved Year of the Dog and Year of the Rat returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The*

Wizard of Oz and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.
