A Nurse Can Go Anywhere and Collected Short Stories-June Seese 2008-03 June loves stories-and not just the kind you find in books, but stories you dream up of overheard conversations, family secrets, whatever was left unsaid the last time you hung up the phone. She collects them, hoards them, and then transforms them into fiction. Her immediate gifts, then, are a sharp eye and quick ear-making her a kind of spy, voyeur, but also a guardian angel. She sees but she also sees through. She's vigilant but she's also tender. Writing about the blood and mystery under life's surfaces puts her in the current of some of the best writing being done today. This is fiction that's lean, somewhat tight-lipped, un-flashy, and careful. It's built on suggestion, not statement. And it pays no more attention to plot than ordinary life seems to do. June's writing is of this strain, but there's a difference-a difference built up from her deeper gift. That gift is empathy. June's writing rises in power because she's down in the skin along with her characters. Mining the covenants and conspiracies of ordinary life, she's not at all detached. She's a participant. Someone who's been there-and hence understands. -Paul Evans

Cherry Ames, Visiting Nurse-Helen Wells 2006-08-28 Cherry reunites with her old Spencer classmates Gwen, Bertha, Josie, Vivian, and Mai Lee, when they all decide to take an apartment together in New York City, and work for the Visiting Nurse Service of New York. Greenwich Village is a far cry from Hilton, Illinois, and farm-raised Bertha is ready to mutiny when she tries to cook in their tiny kitchen. Assigned to a specific neighborhood, Cherry marvels at the many countries her patients come from-and is determined to resolve the loneliness of a few of them by having them all meet at an "Around the World" Dinner at the local settlement house. But who is the mysterious woman who lives in the Victorian mansion at the center of her district? Why hasn't she been seen by anyone in the past 18 years?
The Columbia Anthology of Modern Japanese Drama-J. Thomas Rimer 2014-04-29 This anthology is the first to survey the full range of modern Japanese drama and make available Japan's best and most representative twentieth- and early-twenty-first-century works in one volume. It opens with a comprehensive introduction to Meiji-period drama and follows with six chronological sections: "The Age of Taisho Drama"; "The Tsukiji Little Theater and Its Aftermath"; "Wartime and Postwar Drama"; "The 1960s and Underground Theater"; "The 1980s and Beyond"; and "Popular Theater," providing a complete history of modern Japanese theater for students, scholars, instructors, and dramatists. The collection features a mix of original and previously published translations of works, among them plays by such writers as Masamune Hakucho (The Couple Next Door), Enchi Fumiko (Restless Night in Late Spring), Morimoto Kaoru (A Woman's Life), Abe Kobo (The Man Who Turned into a Stick), Kara Juro (Two Women), Terayama Shuji (Poison Boy), Noda Hideki (Poems for Sale), and Mishima Yukio (The Sardine Seller's Net of Love). Leading translators include Donald Keene, J. Thomas Rimer, M. Cody Poulton, John K. Gillespie, Mari Boyd, and Brian Powell. Each section features an introduction to the developments and character of the period, notes on the plays' productions, and photographs of their stage performances. The volume complements any study of modern Japanese literature and modern drama in China, Korea, or other Asian or contemporary Western nations.

Never Come Back-David Bell 2013-10-01 When her mother is murdered, a woman is propelled into a twisted world of danger and double lives in this gripping psychological thriller from the bestselling author of Since She Went Away and Cemetery Girl. Leslie Hampton always cared for her troubled son Ronnie's special needs and assumed that her daughter Elizabeth would take him in when the time came. When Leslie dies unexpectedly, Elizabeth is consumed by grief. Then police discover that Leslie was strangled, and they immediately suspect that one of Ronnie's outbursts took a tragic turn. Elizabeth can't believe that her brother is capable of murder, but who else could have had a motive to kill their quiet, retired mother? More questions arise when a stranger is named in Leslie's will: a woman also named Elizabeth. As the family's secrets unravel, a man from Leslie's past who claims to have all the answers shows up, but those answers might put Elizabeth and those she loves the most in mortal danger. From the Trade Paperback edition.
Nurses in War-Elizabeth Scannell-Desch, PhD, RN, OCNS 2012-04-23 This unique volume presents the experience of 37 U.S. military nurses sent to the Iraq and Afghanistan theaters of war to care for the injured and dying. The personal and professional challenges they faced, the difficulties they endured, the dangers they overcame, and the consequences they grappled with are vividly described from deployment to discharge. In mobile surgical field hospitals and fast-forward teams, detainee care centers, base and city hospitals, medevac aircraft, and aeromedical staging units, these nurses cared for their patients with compassion, acumen, and inventiveness. And when they returned home, they dealt with their experience as they could. The text is divided into thematic chapters on essential issues: how the nurses separated from their families and the uncertainties they faced in doing so; their response to horrific injuries that combatants, civilians and children suffered; working and living in Iraq and Afghanistan for extended periods; personal health issues; and what it meant to care for enemy insurgents and detainees. Also discussed is how the experience enhanced their clinical skills, why their adjustment to civilian life was so difficult, and how the war changed them as nurses, citizens, and people. Key Features: Describes verbatim the experiences of 37 nurses in two brutal, chaotic theaters of war Offers poignant encounters with patients Includes advice, clarity, and lessons learned about nursing in war Offers a women's health perspective on working and living in a war zone Demonstrates the dedication, expertise, and spirit of military nurses

Running for Home-Brenda Dawson 2012-05-15 Michael is twelve years old and has never known anything but foster homes in inner-city Detroit. When relatives are located in a small Tennessee town, he is sent to live with them. Hurt and angry, feeling that no one wants him, Michael strikes out at a lonely horse in a back pasture. Little did he know that it was a champion barrel-racing horse. Sparks Twister Doc was the kind of barrel horse all barrel racers hoped to have, yet he was hated by his owner and sentenced to a far back pasture to live out his days. Running for Home is a horse story for the whole family. A homeless boy and a forgotten horse are brought together by an act of anger. Though wary of each other at first, they form a bond of love and trust that yields miraculous results. Join them as they go on a journey that is filled with fun, compelling characters, both animal and human, to complete a quest only a homeless boy and a hopeless horse can accomplish.
The Rural Nurse-Deana Molinari, PhD, MS, RN, CNE 2011-11-18 "Transitioning to rural practice can be daunting for both experienced nurses and new graduates who have an urban orientation and are accustomed to specialized practice with abundant health care resources. Since most nursing education programs and practicing nurses are located in urban settings, programs are needed to prepare nurses who choose rural practice. In their book, Dr. Molinari and Dr. Bushy provide excellent examples of practice models from North America, New Zealand, and Australia with curricula that address transition issues. The text makes a significant contribution to the discussion about how to best prepare nurses for rural practice and will be of interest to administrators, educators, and clinicians. From the Foreward by Charlene A. Winters, PhD, APRN, ACNS-BC Associate Professor Montana State University College of Nursing This is the only volume to address the pressing need for practical information about transitioning from an urban-based nursing education or practice to a rural health care environment. It provides successful strategies that nurses in rural settings can use to develop, implement, and evaluate innovative programs that will meet the needs of individual rural communities. The book details current rural nursing transition-to-practice trends and issues, national standards, and evidence-based model programs worldwide. Rural practice culture is described along with professional education issues, competency, patient care, and safety. Chapters are presented in easy-to-access formats that offer ready solutions for problems commonly encountered in rural practice such as nurse recruitment and retention. In addition to health care delivery issues for specific rural populations, the book presents

program descriptions from local to state levels, including locally developed education programs, urban hospital systems outreach to rural facilities, universities collaborating with rural businesses, city-based workshops, statewide competencies tracked by employers, and a distance education program customized by rural agencies. Case studies demonstrate how rural facilities-even the smallest and most isolated-are advancing health care through nurse support. The text will be of value to rural nursing staff developers, critical access hospitals and community clinic administrators, rural professional organizations, small urban health facilities, continuing education providers, nursing workforce centers, and graduate programs. Key Features: The first transition from academia-to-practice guide for rural nursing Charts evidence-based successes and offers model programs in different rural settings Provides rural-specific information to facilitate statewide health mandates Features residency program development processes, with tips and tools that work

Notes on Nursing E-Book-Linda Carrier-Walker 2009-06-26 Florence Nightingale wrote 'Notes on Nursing' for caregivers in the home and it is remarkable how much of the original remains relevant today. This modern edition aims to complement the work of Florence Nightingale, extending her reach to new generations committed to caring for the people they love. The International Council of Nurses and the Florence Nightingale International Foundation (FNIF) have prepared this modern edition of the Notes 150 years after its original publication, to mark FNIF's 75th anniversary. Practical advice on what a caregiver needs to do and know in order to deliver the best care to loved ones, including how to organise the home environment, preparing and serving food, bedding and preventive measures against infection and other complications which put loved ones at risk. Clear guidance, with illustrations, lists and planning tools to help caregivers organize and provide an effective program of care. Advice for caregivers on how to work with nurses, physicians and other health professionals to ensure their prescriptions and advice are well understood and implemented. Advice which anticipates and addresses the needs of all caregivers, whether they live in a modern community or in remote regions with less access to safe water, medications and health professionals. Adds new information and advice based on current medical knowledge, while retaining segments of the original work that remain relevant today Provides common-sense guidance on good hygiene and organization for caregivers worldwide, whatever their material circumstances Endorsed by the IAPO (International Alliance of Patients' Organizations

Cracked Vases-Teri Brooks 2008-04-08 There are a million stories and reasons why people do the things that they do online. For me, my story begins with the color fuchsia. I thought to myself, This is not evil, it is my balance. Then it came to meth e name of the Web site. I whispered it quietly to myself, saying the name out loud for the first time as I typed it into the address bar and hit Search. Little did I know as I entered the pretty fuchsia site that this was my first of many visits to hell.

"A Matter of Family"-Gloria Marie Kingsnorth 2012-09-28 The following memoirs involve one woman's attempt to expose a family curse bestowed upon them through trickery and deception. This novel is a search for answers, a struggle for truth and integrity. This is an argument for karmic justice for the author and her extended family members' and their birthright. The following pages are one woman's journey through hell. This is a quest to rid herself of the ghosts of her past and reveal her multibillionaire cousin's hidden identity "It's difficult to determine if Kingsnorth's story is one of fiction or perceived truth, since the preface says "novel," but the content reads like a memoir." -Kirkus Review " A Matter of Family: A Cousin's Lament is a memoir of author Gloria Marie Kingsnorth's fictional self, written in letter form to her alleged cousin, billionaire Grant Wilson Billings. The author's writing keeps the reader enthralled. Her narrative bends and refracts the black and white of her protagonist's life into ambiguous gray... Motifs similar to those found in the work of Edgar Allen Poe, like incest, murder, and insanity, are expertly infused in this modern Gothic." Four Stars (out of Five) -Clarion Review
I Am Drama City-Reginald Killings 2012-06-06 Drama City is a reality of any city.I try to paint vivid pictures through the words of this book. The story takes place from mid- January of 2008- May of 2009, which includes real life issues that me and my family faced. From my grand parents home getting shot up. Until I and a few of my male family members almost being murdered. The long road from the Hospital(jackson Memorial hospital and the Ryder Trauma center) to the time I finally come home.I faced many trials and tribulations in this short period of my life. Not once did I never stop thanking ALLAH. It also has many poems and bonus chapters which reflect on my life. I am Drama City!
