Moments of Grace-Laurie Blefeld 2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life’s challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie’s stories and reclaim bits and pieces of your own. “Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure.”-Gunilla Norris, author of Sheltered in the Heart and Companions on the Way: A Little Book of Heart-full Practices “Laurie’s transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone’s life. Laurie’s generous prose connects us to her family’s living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices.”- Dr. Joan Borysenko, from the Foreword Paul Blaisdell, Monster Maker-Randy Palmer 2015-07-11 Paul Blaisdell was the man behind the monsters in such movies as The She Creature, Invasion of the Saucer Men, Not of This Earth, It! Terror from Beyond Space and many others. Working in primarily low-budget films, Blaisdell was forced to rely on greasepaint, guts and, most importantly, an unbounded imagination for his creations. From his inauspicious beginning through The Ghost of Dragstrip Hollow (1959), the construction of Blaisdell’s monsters and the making of the movies in which they appeared are fully detailed here. Blaisdell’s work in the early monster magazines of the 1960s is also covered.

Undressed for Success-B. Foley 2016-09-27 Using the tools of performance studies, gender theory, and cultural history, Brenda Foley explores the striking similarities between beauty pageantry and striptease. For example, women in both project a ‘normal’ femininity and adhere to a strict hierarchy (Miss America contestants look down upon Miss Universe contestants, while theatrical ‘burlesque artists’ saw themselves as far above mere carnival strippers). Undressed for Success collects extensive primary source research - newspapers, journals, trade publications, photography collections, press releases, memoirs, and interviews with both strippers and pageant contestants - and employs a wide array of gender, feminist, and performance theory to analyze them.
