How I Stopped Smoking on My Own After Smoking a Pack a Day for 23 Years-Vince Stead 2011-01-27 “I stayed in my garage and lit up a cigarette, and then I smoked it. Then I lit up another one and smoked it, and I don't think I ever smoked one right after the other, unless I was drinking.” “I lit up a 3rd cigarette, and I could not almost smoke that one, and then I started inhaling the cigarette smoke into my nose, and it was burning me. My eyes were burning, and I started thinking, I hate these cigarettes, and then I lit up another one, and smoked it!” “I smoked it, until I could hardly smoke it, and then I snorted it up my nostrils, until it was burning so bad, my body hated it! I have not smoked a cigarette in over 10 years now, and never even had a desire the next morning, learn how I taught myself not to have a craving inside, and other stories from the same author that will blow your mind maybe.”

Pack Your Own Parachute-Barbara A. Rudnicki 1996

A Man of His Own-Susan Wilson 2013-09-24 Rick Stanton was a promising professional baseball player with dreams of playing in the major leagues and starting a family with his young wife, Francesca, when World War II changed everything. Rick returns from the war with his body broken and his dreams shattered. But it was not just body and spirit he sacrificed for the war. He and Francesca volunteered their beloved dog, Pax, for the Army's K-9 Corp, not knowing if they'd ever see him again. Keller Nicholson is the soldier who fought the war with Pax by his side, and the two have the kind of profound bond that can only be forged in war. Pax is the closest Keller has to a sense of family, and he can't bear the thought of returning him to the Stantons. But Rick and Francesca refuse to give him up. Instead, an arrangement is made: Keller will work as Rick's live-in aide. And thus an unlikely family is formed, with steadfast Pax at the center. As they try to build a new life out of the ashes, Keller and Francesca struggle to ignore their growing attraction to each other, and Rick, believing that he can no longer give Francesca what she needs and wants, quietly plans a way out. All three of them need healing. All three of them are lost. And in Susan Wilson's A Man of His Own, Pax, with his unconditional love and unwavering loyalty, may be the only one who can guide them home.

The Art of Magic-T. Nelson Downs 2012-11-07 Indispensable book for magicians, containing many methods and sleights not found in other standard books. 68 illustrations.

The Royal Dictionary, French and English, and English and French ...-Abel Boyer 1729

Hiking the Poconos-John L. Young 2009-05-19 The Poconos of northeastern Pennsylvania may get eight million visitors a year, but there are places there one can get lost—and would gladly be lost for a bit. From the iconic Dingmans Bridge spanning the Delaware, to the region's 150 lakes and forested mountains, Hiking the Poconos covers it all—with the added plus of listing a B&B, a campground, restaurant, local events, and more along with each hike description

Yellow Wolf, His Own Story-Lucullus Virgil McWhorter 2008 "Distributed by the University of Nebraska Press for Caxton Press" The Nez Perce campaign is among the most famous in the brief and bloody history of the Indian wars of the West.a Yellow Wolf was a contemporary of Chief Joseph and a leader among his own men.a His story is one that had never been told and will never be told again.a A first person account, through author L.V. McWhorter of the Nez Perce's ill-fated battle for land and freedom. "

The Dragon of Despair-Jane Lindskold 2003-08-01 The sequel to Through Wolf's Eyes and Wolf's Head, Wolf's Heart Smart like a human. Smart like a wolf. Better yet, smart like both. With Through Wolf's Eyes and Wolf's Head, Wolf's Heart, Jane Lindskold introduced us to young Firekeeper, one of the most appealing heroines in modern fantasy. Raised far from humans by smart, language-using wolves, then brought back to the court of Hawk Haven, Firekeeper has had to learn to cope with human society. And as it turns out, for one raised amidst intelligent social carnivores, the intrigues of the human pack aren't all that unfamiliar. Now Melina Shield, the beautiful, unscrupulous, and thoroughly discredited sorceress whose power-hungry intrigues have already made so much trouble for Firekeeper, is once again using her power to cloud men's minds. She has induced the ruler of New Kelvin to marry her. This is bad news all round. It's particularly bad news for Firekeeper. Melina has never abandoned her schemes to gain power through the use of forbidden ancient sorcery. And the leaders of the royal beasts who watch over this world have given Firekeeper -- and her intelligent wolf companion, Blind Seer -- the responsibility of stopping her. A Dictionary, English-Latin and Latin-English ... The second edition, enlarged-Elisha COLES (Lexicographer) 1764

One Night with the Shifter-Theresa Meyers 2014 A one-night stand with a werewolf has unexpected consequences in Theresa Meyers's latest romance After he is exiled from his pack, Tyee Grayson must learn to make it on his own. But one night with a beautiful stranger who has luminous blue eyes changes everything.... Especially when his instincts shout that she is the one. All elementary school teacher Jessica Brierly wanted was a night on the wild side, but when she finds herself pregnant, all the rules change. Not only does her lover have more secrets than she ever imagined, but suddenly they're both fighting off vampires. When vampires attack the town she dearly loves, Ty must work with his old pack to save them from a ruthless enemy who could kill not only his mate and his unborn child—but the entire human race. A Pack of Two-Jacky Russell 2012-11-01 A witch and a werewolf. A pack of two. Master Sergeant Breanna Welker loves hockey games, cheesy fries, and being second in command of the U.S. Army's Bravo Company. The fact that her commanding officer is a vampire and most of her fellow soldiers are werewolves doesn't slow her down a bit. Her colorful vocabulary and uncompromising loyalty have endeared her to her unit, who don't give a damn she's a shape-shifting witch. Lucas Benelli can't boast the same loyalty from the people close to him. His father is the Alpha of the largest known werewolf pack in the world—a pack Lucas is expected to be the leader of. But Lucas has spent most of his life avoiding contact with his father's pack and they don't seem to like him much either. Together, they forge a connection not even Lucas's dysfunctional pack or Breanna's meddling unit can break—and come face-to-face with the hardest choice either of them has ever had to make. CONTENT WARNING: Includes a horde of evil witches, and one deliciously wicked witch with Mother Nature at her beck and call. 95,000 Words

The Third Book of the Dun Cow-Walter Wangerin 2013-11-26 The long awaited conclusion to the National Book Award-winning THE BOOK OF THE DUN COW trilogy, from Walter Wangerin, Jr. Pertelote, widow of Chauntecleer the Golden Rooster, takes up his mantle as leader of the Animals as they seek safety from the great evil of the Wyrn and his children. Desperate to keep safe those she’s responsible for, Pertelote is travelling blindly, suffering the purposeless, undirected, but insistent journey as the new leader. Two other groups of Creatures are making their own journeys through the perilous land: Eurus the merciless yellow-eyed Wolf and his pack, and the sociable pair Wachanga the Cream-Colored Wolf and her friend Kangi Sapa, the Raven. When Pertelote and her band of Animals meet Wachanga and Kangi, she finds much-needed allies in her travels. Allies that become all the more valuable after cruel Eurus begins following the weary Animals with a murderous intent. When the disparate bands of Creatures converge on a hidden crater high in the dangerous mountains, they make a monumental discovery that may finally mean an end to their trials and tribulations. The epic journey begun in THE BOOK OF THE DUN COW reaches its powerful conclusion in THE THIRD BOOK OF THE DUN COW: PEACE AT THE LAST, proving the sacrifices of Chauntecleer and the Animals were not in vain. Praise for THE BOOK OF THE DUN COW:“Far and away the most literate and intelligent story of the year ... Mr. Wangerin's allegorical fantasy about the age-old struggle between good and evil produces a resonance; it is a taut string plucked that reverberates in memory” —New York Times “Belongs on the shelf with Animal Farm, Watership Down and The Lord of the Rings. It is, like them, an absorbing, fanciful parade of the war between good and evil. A powerful and enjoyable work of the imagination.” —Los Angeles Times Praise for THE SECOND BOOK OF THE DUN COW: LAMENTATIONS “[A] profoundly imagined and beautifully stylized fable of the immemorial war between good and evil.” -The New York Times

The Return of the Primitive-Ayn Rand 1999-01-01 In the tumultuous late 60s and early 70s, a social movement known as the "New Left" emerged as a major cultural influence, especially on the youth of America. It was a movement that embraced "flower-power" and psychedelic "consciousness-expansion," that lionized Ho Chi Minh and Fidel Castro and launched the Black Panthers and the Theater of the Absurd.In Return Of The Primitive (originally published in 1971 as The New Left), Ayn Rand, bestselling novelist and originator of the theory of Objectivism, identified the intellectual roots of this movement. She urged people to repudiate its mindless nihilism and to uphold, instead, a philosophy of reason, individualism, capitalism, and technological progress.Editor Peter Schwartz, in this new, expanded version of The New Left, has reorganized Rand's essays and added some of his own in order to underscore the continuing relevance of her analysis of that period. He examines such current ideologies as feminism, environmentalism and multiculturalism and argues that the same primitive, tribalist, "anti-industrial" mentality which animated the New Left a generation ago is shaping society today.

The Man Who Talks to Dogs-Melinda Roth 2004-07-01 Go to any unpopulated or abandoned area in any given urban setting, and you'll find them. Thousands and thousands of wild dogs-abandoned to disease, starvation, and inevitable death-are leading short and brutal lives in the no-man's-land between domestication and wildness, byproducts of the human destitution around them. A lucky few are saved by dedicated rescuers, and Randy Grim, has emerged as one of the country's leading dog saviors. After years of rescuing dogs on his own, he founded Stray Rescue of St. Louis, an organization dedicated to rescue and rehabilitation. These are dogs that belong to no one, the ones animal-control experts can't catch and humane shelters won't deal with. They are stray or feral, either abandoned or born wild on the streets, which means they won't come near humans and statistically won't live past their second year. And their numbers are growing every day. In The Man Who Talks to Dogs, journalist Melinda Roth narrates Grim's dramatic, inspiring efforts and tells the horrific and heartwarming stories of the dogs he saves, showing how this growing national health problem-controlled by no federal or local regulations-can no longer be ignored.
