A Parody of Clinton-Darrell Bain From best selling author Darrell Bain, this satirical look at Bill Clinton may politically offend but it's hilariously funny at the same time... This book is a good example of what comes from mixing politics and beer. It resulted from a night of camaraderie and debauchery with my brothers. Sometime during the festivities, one of us thought up the idea of what might happen should a real, though intelligent, Redneck ever get to the White House. We all laughed like crazy at the prospect and had great fun discussing various scenarios and situations. Perhaps we also vented some of our frustration at the labyrinthine entanglements of our present political process and how it works or doesn't work. At any rate, once I sobered up, I thought the idea might make a good book.

The Deleted E-Mails of Hillary Clinton-John Moe 2015 "This spring, the New York Times reported that Hillary Clinton used a personal e-mail account, rather than the governmental one issued to her, during her time as Secretary of State. When further reporting revealed that thousands of these e-mails had been deleted from the account, a media firestorm began and a scandal was born. Both parties agree that Clinton s explanations were shabby, and her rationale for erasing e-mails before handing them over to the government was suspicious (Why delete thousands of e-mails about her daughter s wedding ?) Conspiracies floated around the news and lasted as a major story for weeks. Conservatives have called the controversy the new Benghazi. The State Department has said

that it will review the e-mails Clinton handed in and release them on a rolling basis online, but thanks to John Moe and the good people of WikiLoox, this book will be the only place to find the most important e-mails from her archive the ones she deleted from her server. For the first time, we ll read intimate conversations with family (Bill, Chelsea), friends (Ruth Bader Ginsburg, Meryl Streep), and frenemies (Obama, Palin, Putin) alike. We ll also learn essential details

The trilateral commission and the new world order-

TIME Joe Biden-TIME Magazine 2020-11-13 Joe Biden's election as president of the United States caps a career of remarkable political accomplishment for the former U.S. senator and vice president. This commemorative edition from TIME looks at Biden's long life and career, including his young life in Scranton, Pa., and Wilmington, Del., his courageous weathering of family tragedy, his work in the Senate and alongside Barack Obama in the Oval Office and his marriage to his wife Jill. With stirring photographs and inside stories, this special keepsake also delves into Biden's winning campaign for the presidency and how he outlasted other Democratic challengers and went on to defeat Donald Trump.

Man of the World-Joe Conason 2016-09-13 "A rich, believable portrait of a master politician out of office: needy, rivalrous, thin-skinned, proud, hot-tempered." —The New York Review of Books Updated in 2017 and hailed as, "engrossing...detailed and intimate" (Publishers Weekly), veteran political journalist Joe Conason's Man of the World brings you along with Bill Clinton, as the forty-second president blazes new paths in his post-presidential career. It is unlike the second career of any other president: "Bill Clinton" is a global brand, rising from the dark days of his White House departure to become one of the most popular names in the world. In his "deeply researched" (The New York Times Book Review) Man of the World, Joe Conason describes how that happened, examining Clinton's achievements, his failures, his motivations, and his civilian life. He explains why Clinton's ambitions for the world continue to inspire (and infuriate). Conason, who has covered Clinton for twenty years, interviewed him many times for this book—as well as Hillary and Chelsea and many of his friends, aides, rivals, and supporters. He has travelled with Clinton to Africa, Haiti, Israel, and across America. Conason's "often absorbing chronicle captures the energy and charisma of the former president as he...finds a mission in his philanthropic work in Africa, Asia, and elsewhere" (Kirkus Reviews). Man of the World—starring the one and only Bill Clinton—tells the engrossing story of an extraordinary man who is still seeking to do good in the world.

Go the F**k to Jail-M. G. Anthony 2016-10-25 Lock Her Up! From the suicide—or murder—of

Vince Foster to the "extremely careless"—or just plain illegal—handling of top secret emails, Hillary and her partner in crime Bill have done it all. In spite of flouting the law and common moral decency at every turn, Hillary remains at the forefront of American politics—and not in jail where she belongs! Here's your chance to add some color to over two dozen single-sided pages of Clinton scandals. Add your own spin to such memorable moments as Travelgate, Whitewater, Monica Lewinsky...and many, many more! Go the F**k to Jail: An Adult Coloring Book of the Clinton Scandals is brought to you by M.G. Anthony, author of bestselling The Trump Coloring Book.

Clinton, Inc.-Daniel Halper 2014-07-25 Weekly Standard editor Daniel Halper provides a meticulously researched account of the brilliant calculations, secret deals, and occasionally treacherous maneuverings that led to the Clintons' return to political prominence. In the twelve years since the Clintons left the White House, they have gone from being virtually penniless to multi-millionaires, and are arguably the most popular politicians in America—respected and feared by Republicans and Democrats alike. But behind that rise is a never-before-told story of strategic cleverness, reckless gambles, and an unquenchable thirst for political power. Investigative reporter Daniel Halper uses a wealth of research, exclusive documents, and detailed interviews with close friends, allies, and enemies of the Clintons to reveal the strategy they used and the deals they made to turn their political fortunes around. Clinton, Inc. exposes the relationship between President Obama, the Bush family, and the Clintons—and what it means for the future; how Bill and Hillary are laying the groundwork for the upcoming presidential campaign; how Vice President Biden and other Democrats are trying to maneuver around her; Chelsea's political future; the Clintons' skillful media management; the Clintons' marriage and why it has survived; and an inside look at the Clinton's financial backers and hidden corporate enterprises. Clinton, Inc. is the key to understanding America's most powerful political couple. American Political Music: Alabama-New York [Frankenthaler-Danny O. Crew 2006 "This reference work provides a state-by-state inventory of thousands of songs about American political personalities. The book documents music for all political offices except president. Within each state, the names of elected politicians and candidates]

Hope Never Dies-Andrew Shaffer 2018-07-10 The New York Times Best Seller "[Hope Never Dies is] an escapist fantasy that will likely appeal to liberals pining for the previous administration, longing for the Obama-Biden team to emerge from political retirement as action heroes."—Alexandra Alter, New York Times Vice President Joe Biden and President Barack Obama team up in this high-stakes thriller that combines a mystery worthy of Watson and Holmes with the laugh-out-loud bromantic chemistry of Lethal Weapon's Murtaugh and Riggs. Vice President Joe Biden is fresh out of the Obama White House and feeling adrift when his favorite railroad conductor dies in a suspicious accident, leaving behind an ailing wife and a trail of clues. To unravel the mystery, "Amtrak Joe" re-teams with the only man he's ever fully trusted: the 44th president of the United States. Together they'll plumb the darkest corners of Delaware, traveling from cheap motels to biker bars and beyond, as they uncover the sinister forces advancing America's opioid epidemic. Part noir thriller and part bromance, Hope Never Dies is essentially the first published work of Obama/Biden fiction—and a cathartic read for anyone distressed by the current state of affairs.

The Truth About Hillary-Edward Klein 2005-06-21 Hillary Rodham Clinton is the most polarizing figure in American politics. Love her or hate her, everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008. Despite more than a dozen years in the national spotlight and more than a dozen unauthorized books about her, she has managed to keep many secrets from the public especially about her turbulent marriage and its impact on her career. There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors, but never a definitive book that exposes the truth. Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady, especially during her husband's impeachment. Klein's book, embargoed until publication, will break news about the choices and calculations she has made over the years. It will also prove that she lied to America in her bestselling autobiography Living History. When she was just a little girl, Hillary Rodham dreamed of becoming the first female president, and her lifelong dream is almost within reach. But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president, Klein's

book will influence everyone who is sizing up the character of Hillary Clinton.

National Journal- 2008-04

Obama's BlackBerry-Kasper Hauser 2009-06-30

When Obama stated that if elected, he would keep his Blackberry, debate echoed through Washington and among the ranks of the Secret Service. What would it be like to have a president who could Twitter, send text messages, and navigate the web with ease? What would it be like to receive a text message from inside the Oval Office and, most importantly, what would it say? Now, for the first time, We The People are privy to our new leader's epistolary back-and-forths on his wily hand-held device. We're about to discover that his emails (and the replies, from his wife and daughters, Biden, Palen, Rush, Hannity, the new first puppy, and even Bush) are so tuned in to the language of electronic correspondence they come hilariously close to the brink of legibility. This giftable, imagined glimpse into Obama's beloved Blackberry traverses the mundane and momentous contours of the Commander in Chief's life, from security briefings to spam, basketball practice to domestic bliss, and the panic of oops-I-hit-reply-all, to, of course, the trauma of dealing with the First Mother In Law. To wit: BidenMyTime: Hey U, whatcha doin? BARACKO: M rly busy BidenMyTime: Right :(Can I lv at 4:45? Selling Sex with Sarah Palin-Thomas Chi 2009-07 What Happened-Hillary Rodham Clinton 2017-09-12 "An engaging, beautifully synthesized page-turner" (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton's most personal memoir yet, about the 2016 presidential election. In this "candid and blackly funny" (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. "At her most emotionally raw" (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her

through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing... guide to our political arena” (The Washington Post), *What Happened* lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. *What Happened* is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

American Rhapsody-Joe Eszterhas 2001-01-16 If the Watergate scandal was a previous generation's National Nightmare, then maybe the Clinton scandal was our National Wet Dream, and who better to narrate it than the screenwriter Joe Eszterhas? In *American Rhapsody*, Eszterhas, whose credits include *Basic Instinct* and *Showgirls*, and Charlie Simpson's *Apocalypse*, for which he was nominated for a National Book Award, takes us through the events that threatened to topple a president and left most of the nation's citizens with, at the very least, a bad taste in their mouths. Taking full advantage of his considerable journalistic and storytelling talents, Eszterhas gives us every fact, rumor, or innuendo surrounding the president's foibles in the context of late century American politics and entertainment. Here Washington and Hollywood do more than just flirt with each other; they share the same bed. From scandalmongers Matt Drudge (who began as a Hollywood gossip) and Ken Starr, to would-be president paramours Sharon Stone and Barbra Streisand, to his final, unimpeachable witness, Willard—none other than President Clinton's talking penis—Eszterhas gives us the goods on the story that nobody could stop talking about and, thanks to *American Rhapsody*, will be impossible to think about the same way again. From the Trade Paperback edition.

Goodnight Obama-Jerome Corsi 2016-09-13 Here's your chance to say "goodnight" to Obama in a very special way. Join former president

Obama in his nightcap and PJ's as he says “goodnight” to America: Goodnight birth certificate of unknown source Goodnight jobs, without any remorse Goodnight safety, let's open the borders Goodnight constitution, by executive order Featuring cameos of: Michael Moore Hillary Clinton Reverend Wright Ellen DeGeneres Vladimir Putin And many more!

Dear Luke, We Need to Talk, Darth-John Moe 2014 "Inspired by the author's wildly popular, long-running McSweeney's column, *Pop Culture Correspondences* is a hilarious deconstruction of the most iconic pop culture moments of our lifetimes"--

HRC-Jonathan Allen 2014-02-11 The mesmerizing story of Hillary Clinton's political rebirth, based on eyewitness accounts from deep inside her inner circle Hillary Clinton's surprising defeat in the 2008 Democratic primary brought her to the nadir of her political career, vanquished by a much younger opponent whose message of change and cutting-edge tech team ran circles around her stodgy campaign. And yet, six years later, she has reemerged as an even more powerful and influential figure, a formidable stateswoman and the presumed front-runner for the 2016 Democratic presidential nomination, marking one of the great political comebacks in history. The story of Hillary's phoenixlike rise is at the heart of HRC, a riveting political biography that journeys into the heart of “Hillaryland” to discover a brilliant strategist at work. Masterfully unfolded by Politico's Jonathan Allen and The Hill's Amie Parnes from more than two hundred top-access interviews with Hillary's intimates, colleagues, supporters, and enemies, HRC portrays a seasoned operator who negotiates political and diplomatic worlds with equal savvy. Loathed by the Obama team in the wake of the primary, Hillary worked to become the president's greatest ally, their fates intertwined in the work of reestablishing America on the world stage. HRC puts readers in the room with Hillary during the most intense and pivotal moments of this era, as she mulls the president-elect's offer to join the administration, pulls the strings to build a coalition for his war against Libya, and scrambles to deal with the fallout from the terrible events in Benghazi—all while keeping one eye focused on 2016. HRC offers a rare look inside the merciless Clinton political machine, as Bill Clinton handled the messy business of avenging Hillary's primary loss while she tried to remain above the partisan fray. Exploring her friendships and alliances with Robert Gates, David Petraeus, Leon Panetta, Joe

Biden, and the president himself, Allen and Parnes show how Hillary fundamentally transformed the State Department through the force of her celebrity and her unparalleled knowledge of how power works in Washington. Filled with deep reporting and immersive storytelling, this remarkable portrait of the most important female politician in American history is an essential inside look at the woman who may be our next president. From the Hardcover edition.

The Chapo Guide to Revolution-Chapo Trap House 2019-10-15 Instant New York Times bestseller "Howard Zinn on acid or some bullsh*t like that." —Tim Heidecker The creators of the cult-hit podcast Chapo Trap House deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the Chapo Way. In a guide that reads like "a weirder, smarter, and deliciously meaner version of The Daily Show's 2004 America (The Book)" (Paste), Chapo Trap House shows you that you don't have to side with either sinking ships. These self-described "assholes from the internet" offer a fully ironic ideology for all who feel politically hopeless and prefer broadsides and tirades to reasoned debate. Learn the "secret" history of the world, politics, media, and everything in-between that THEY don't want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after dinner without ever becoming a poster, gamer, or podcaster. A book that's "as intellectually serious and analytically original as it is irreverent and funny" (Glenn Greenwald, New York Times bestselling author of No Place to Hide) The Chapo Guide to Revolution features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, "never before seen" drafts of Aaron Sorkin's Newsroom manga, and the ten new laws that govern Chapo Year Zero (everyone gets a dog, billionaires are turned into Soylent, and logic is outlawed). If you're a fan of sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we're in, then Chapo, let's go...

Bulletin of Bibliography- 1999

Office Girl-Joe Meno 2012-07-03 This quirky tale of two young artists in love in 1990s Chicago is

"a gorgeous little indie romance . . . A sweetheart of a novel" (Kirkus Reviews). In the last year of the twentieth century, Odile is a lovely twenty-three-year-old art-school dropout, a minor vandal, and a hopeless dreamer. Jack is a twenty-five-year-old shirker who's most happy capturing the endless noises of the city on his out-of-date tape recorder. Together they decide to start their own art movement, in defiance of a contemporary culture made dull by both the tedious and the obvious. Set just before the end of one world and the beginning of another, this is the story of two people trying to capture a moment in the face of an uncertain future.

Named a Best Book of the Year by Daily Candy and chosen as a favorite fiction work of the year in The Believer's readers' poll, Office Girl "reads as a parody of art-school types . . . and as a tribute to their devil-may-care spirit" (The New York Times Book Review). "Mr. Meno excels at capturing the way that budding love can make two people feel brave and freshly alive to their surroundings . . . The story of the relationship has a sweet simplicity." —The Wall Street Journal

"Meno's tender, hip, funny, and imaginative portrayal of two Chicago misfits . . . dramatizes that anguished and awkward passage between legal age and actual adulthood." —Booklist Features black-and-white illustrations by artist Cody Hudson and photographs by Todd Baxter. Library Journal- 2001 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Writer's Guide to Book Editors, Publishers, and Literary Agents, 2003-2004-Jeff Herman 2002 A comprehensive directory for aspiring writers lists names, addresses, phone and fax numbers, e-mail addresses, and Web sites for hundreds of North American publishing figures and companies, along with helpful advice on the writing and publishing process. Original. 10,000 first printing.

The American Spectator- 1996

The Hilarious World of Depression-John Moe 2020-05-05 A moving, portrait of depression, from the host of the podcast The Hilarious World of Depression "This book is an excellent life raft for those of us who are so sure that we are alone in our struggles. You should read it." —Jenny Lawson "A funny, honest book about depression, and what you can do despite it." —Neil Gaiman "Candid and funny and intimate." —Susan Orlean For years John Moe, critically-acclaimed public radio personality and host of The Hilarious World

of Depression podcast, struggled with depression; it plagued his family and claimed the life of his brother in 2007. As Moe came to terms with his own illness, he began to see similar patterns of behavior and coping mechanisms surfacing in conversations with others, including high-profile comedians who'd struggled with the disease. Moe saw that there was tremendous comfort and community in open dialogue about these shared experiences and that humor had a unique power. Thus was born the podcast The Hilarious World of Depression. Inspired by the immediate success of the podcast, Moe has written a remarkable investigation of the disease, part memoir of his own journey, part treasure trove of laugh-out-loud stories and insights drawn from years of interviews with some of the most brilliant minds facing similar challenges. Throughout the course of this powerful narrative, depression's universal themes come to light, among them, struggles with identity, lack of understanding of the symptoms, the challenges of work-life, self-medicating, the fallout of the disease in the lives of our loved ones, the tragedy of suicide, and the hereditary aspects of the disease. The Hilarious World of Depression illuminates depression in an entirely fresh and inspiring way.

The Boston Globe Index- 2001

Hillary Rodham Clinton: Some Girls Are Born to Lead-Michelle Markel 2016-01-05 In the spirit of Barack Obama: Son of Promise, Child of Hope and Amelia and Eleanor Go for a Ride comes an inspiring portrait of Hillary Rodham Clinton, the first female presidential nominee in United States history: a girl who fought to make a difference—and paved the way for women everywhere—from Michelle Markel and LeUyen Pham. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It's a fun way to learn to read and as a supplement for activity books for children. In the 1950s, it was a man's world. Girls weren't supposed to act smart, tough, or ambitious. Even though, deep inside, they may have felt that way. And then along came Hillary. Brave, brilliant, and unstoppable, she was out to change the world. They said a woman couldn't be a mother and a lawyer. Hillary was both. They said a woman shouldn't be too strong or too smart. Hillary was fearlessly herself. It didn't matter what people said—she was born to lead. With illustrations packed full of historical figures and details, this gorgeous and informative picture book biography is perfect for every budding leader. Includes a timeline, artist's note, and bibliography.

Game Change LP-John Heilemann 2010-01-26 In Game Change, John Heilemann and Mark Halperin, two of the country's leading political reporters, use their unrivaled access to pull back the curtain on the Obama, Clinton, McCain, and Palin campaigns. Based on hundreds of interviews with the people who lived the story, Game Change is a reportorial tour de force that reads like a fast-paced novel. Character-driven and dialogue-rich, replete with extravagantly detailed scenes, it's an intimate portrait of some

of the most powerful and fascinating figures in American life—the occasionally shocking, often hilarious, ultimately definitive account of the campaign of a lifetime.

After the Flight 93 Election-Michael Anton 2019-02-05 In September 2016, the provocative essay “The Flight 93 Election” galvanized many voters by spotlighting the stakes ahead in November and reproaching complacent elements of the Right. It also drew disparagement from many who judged it too apocalyptic in its assessment of the options facing the electorate. Its author, Michael Anton—writing as “Publius Decius Mus”—addressed the main criticisms of his argument soon afterward in a “Restatement on Flight 93.” A new criticism emerged later on: that he had painted a dire scenario to be averted, but no positive vision. Here, Anton presents the positive ideal that inspired him—a distillation of his thinking on Americanism and the West, refined over decades. He lays out the foundational principles of the American and

Western traditions, examines the biggest threats to their survival, and underscores the necessity of continuing to defend them.

A Conservative Walks Into a Bar-Alison Dagnes 2012-09-06 Introduction: Who Brings the Funny? Data, Experiments & Proof Mirroring the Political Climate: Satire in History Art and Profession Being Funny & Being Right, Being Left & Being Right Conclusions.

Million Dollar Bash-Sid Griffin 2007 Documents the story behind Dylan's seminal "basement tapes" of revered and misunderstood works made during casual sessions while he was out of touch in the summer of 1967, in an account that analyzes the artist's fascination with electric music, the personalities who contributed to their creations, and their subsequent influence on a resulting American genre.
