Godefroi de Buillon-Jan Boyd Roberts 1996 Godefroi de Buillon is an edition of folios 1 through 60 of Paris, Biblioth?que Nationale, fonds fran?ais 781, a prose version of the Old French Crusade Cycle dating from the close of the 13th century. It includes the Béatrix version of the Naissance du Chevalier au Cygne, Le Chevalier au Cygne, Les Enfances Godefroi, La Chanson d'Antioche, Les ChZtifs, and La Chanson de JZrusalem. It is of considerable interest for the history of French literature because it is apparently one of the earliest mises en prose, preceded perhaps only by Robert de Boron's prose Merlin. The author explicitly refers to his purpose: ÔÛai commenchie sans rime pour l'Œostore avoir plus abregiet et si me sanle que le rime est mout plaisans et mout bele mais mout est longue [I undertook it without rhyme to have it shorter, for it seems to me that rhyme is beautiful but very long]Ô (1:3-5). In fact, he has rendered the original verse into prose by two distinct methods. The Swan Knight branches of the Cycle are severely abbreviated. Collation with the verse texts is impossible; individual verses are only rarely identifiable. On the other hand, the more historically based branches are the product of an almost verse for line dZrimage, more often than not by the simple elimination of the second hemistich, as well as the elimination of repetitive, descriptive, and affective passages.

Annales de la Chambre des députés-France. Assemblée nationale (1871-1942). Chambre des députés 1902  
SAS 33 Rendez-vous à Boris Gleb-Gérard de Villiers 2017-02-10 L'eau glaciale gicla avec une violence inouïe, giflant le visage de Malko, inondant Mathilda Larsen. La Volvo s'était enfoncée à mi-hauteur dans le port de Bodo. Elle allait couler rapidement. "Accrochez-vous à moi ! cria Malko. Nous allons sortir." Une énorme masse noire surgit le long de la portière qu'il essayait d'ouvrir. Le Novosibirsk les coinçait contre le quai, condamant toute sortie. Mathilda Larsen hurla de terreur : "Nous allons nous noyer !" Ils étaient pris comme des rats.

A Concordance to the French Poetry and Prose of John Gower-Adrienne Hollifield 1997-05-31 That the poet John Gower was a major literary figure in England at the close of the fourteenth century is no longer in question. Scholarly attention paid to him and to his work over the past twenty- five years has redeemed him from an undeserved obscurity imposed by the preceding two hundred. The facts of his life and career are now documented, and recent critical assessment has placed his

achievement most accurately alongside Chaucer's, Langland's, and the Gawain- poet's. Unique among his contemporaries, all of whom undoubtedly read and used French in some measure, Gower alone has left us a significant body of verse and prose in Anglo-Norman; chiefly, the twelve-stanza poem Mirour de l'Omme, the Cinkante Balades, and the Traité pour les amantz marietz. We are offered in this concordance of his Anglo- Norman work a unique opportunity to view a poetic language as it was written and read in England until Gower's death in 1408 and beyond.  
French Dialogues-Johan Frederik Breda Storm 1892  
Annales-France. Assemblée nationale (1871-1942). Chambre des députés 1902  
Voyages d'Ibn Batoutah-Ibn Batuta 2012-02-02 This four-volume edition of the Arabic text of the Journey of the Moroccan traveller Ibn Battuta (1304-68/9), with a French translation, was published in 1853-8 as part of the 'Collection d'ouvrages orientaux' of the French Société Asiatique. In 1325, Ibn Battuta, who came from a family of Islamic jurists in Tangier, set out to make the pilgrimage to Mecca - the beginning of a journey that would last for twenty-four years and take him as far as China. In Volume 1, he describes his departure from Tangier, and his journey via Tunis to Egypt, where he travelled to Cairo, planning to reach a Red Sea port and sail to Arabia. The route was closed, so he returned to Cairo and travelled from there to Damascus, taking in the holy places of Palestine en route. Having finally reached Medina and Mecca, he decided to travel on, to Najaf (in present-day Iraq).

Personal Effects-Sonia Wilson 2017-12-02 "Five months before her death of tuberculosis in 1884, Marie Bashkirtseff, an aspiring artist and a would-be mondaine, composed a preface to her personal diary. In it, she brazenly declared that in the event of her early death her diary was to be published. Three years later, a truncated version of the diary appeared. Translated into English, championed by Barres and Gladstone, taken up by young diarists from France to the US, the diary created a major sensation, remaining standard reading for young women in both the anglophone and francophone worlds until the 1930s. The first full-length study to explore the questions that reading Bashkirtseff's journal raises with respect to both genre and gender construction, Personal Effects examines the genre and gender issues at stake in Bashkirtseff's bid to go public with the personal, and explores the discursive strategies by which Bashkirtseff writes her journal from the private context of its keeping to a public context of reading. Wilson reads the diary as a performance of writing, one in which a display of the personal mediates between the subjective and the social, the private and the public."
