A passo di danza-Laura R. Losio 2016-01-20 Un paesino dell'entroterra di Sori (da non cercare su carte o mappe perché inesistente). Questo è il teatro di una serie di delitti che inducono l'esuberante maestra di ballo Ada Ricci, con l'aiuto dell'amica barista, Linda, ad indagare su quanto sta accadendo, grazie alle confidenze "involontarie" del giovane appuntato Lobascio. Morte, amore, amicizia, etica e politica... tutto ciò sullo sfondo di un universo in miniatura, con le sue bassezze e i suoi slanci di sincera umanità. Laura Losio è nata a Genova il 13 ottobre del 1971; insegna attualmente Lettere presso l'Istituto Comprensivo di Busalla, dopo esperienze nella scuola materna e primaria. Si è laureata in Lettere Moderne presso l'Università di Genova e, successivamente in Scienze della Formazione, conseguendo anche la specializzazione su sostegno. Ama il suo lavoro, e il suo sogno è quello di potersi migliorare, come docente e come persona, per garantire sempre, a ogni alunno, la possibilità di esprimere al meglio le sue potenzialità.

Soundtracks-Stewart R. Craggs 2019-03-31 First published in 1998, music scored for film has only relatively recently received the critical attention which it merits. Many composers in the twentieth century have written works for films or documentaries, a number feeling that this aspect of their output has been undervalued. This dictionary complements other studies which have appeared in recent years which look at the technical and theoretical issues concerned with film music composition. Arranged alphabetically by composer, the volume comprises over 500 entries covering all nationalities. Each entry includes very brief biographical information on the composer, followed by a list of the films (with dates) for which he or she has composed. Details of recordings are also given. The dictionary's international coverage ensures that it will become a standard reference work for all those interested in the history of twentieth-century music and the development of film.

Encyclopedia of Film Directors in the United States of America and Europe: Crime films to 1995-Alfred Krautz 1993 The first extensive survey of individual film genres, this one-of-a-kind reference spans the entire motion picture era and presents detailed information on directors and the films they have produced. The first volume is dedicated to one of the richest and most popular of all genres -- comedy -- and encompasses some 19,000 films and 3,300 directors. Volume 2 examines 3,700 directors of 18,000 crime films. Listed alphabetically, main entries offer a sketch of the individual's family background and education, a description of technique and/or performance characteristics, a summary of achievements, and a chronological filmography that includes year and country of production. All biographies have been subject to years of intensive research and provide important personal and professional dates. Multiple indexes yield a variety of access points to the director profiles, making each handbook an indispensable and convenient research tool for film critics, historians, and enthusiasts.
