Legacies of Plague in Literature, Theory and Film-J. Cooke 2009-04-14 This book is an account of the history and continuation of plague as a potent metaphor since the disease ceased to be an epidemic threat in Western Europe, engaging with twentieth-century critiques of fascism, anti-Semitic rhetoric, the Oedipal legacy of psychoanalysis and its reception, and film spectatorship and the zombie genre.

Misanthrope! Autobiographical Notes-Frank Robert Vivelo 2018-02-03 This may be the oddest book of its kind that you'll ever read. It's a memoir of a sort, an autobiography, in much the same way that crumbs dropped on the forest floor are a pathway to the old hag's hut where Hansel and Gretel are held. If you collect the crumbs as you walk, you'll have a sum greater than its parts at the end of your trek-a surprisingly coherent account of a unique personality, an incorrigible individualist, fiercely independent, defiant of tradition, who is sometimes profound and insightful and sometimes trite and narrow-minded, highly original but not necessarily admirable. Most important, the author is someone who thinks, which challenges readers to think. And whether or not you're sympathetic to his way of thinking, one thing is clear: he is above all else rational.

Dreaming of Cockaigne-Herman Pleij 2003-07-02 Imagine a dreamland where roasted pigs wander about with knives in their backs to make carving easy, where grilled geese fly directly into one's mouth, where cooked fish jump out of the water and land at one's feet. The weather is always mild, the wine flows freely, sex is readily available, and all people enjoy eternal youth. Such is Cockaigne. Portrayed in legend, oral history, and art, this imaginary land became the most pervasive collective dream of medieval times-an earthly paradise that served to counter the suffering and frustration of daily existence and to allay anxieties about an increasingly elusive heavenly paradise. Illustrated with extraordinary artwork from the Middle Ages, Herman Pleij's Dreaming of Cockaigne is a spirited account of this lost paradise and the world that brought it to life. Pleij takes three important texts as his starting points for an inspired of the panorama of ideas, dreams, popular religion, and literary and artistic creation present in the late Middle Ages. What emerges is a well-defined picture of the era, furnished with a wealth of detail from all of Europe, as well as Asia and America. Pleij draws upon his thorough knowledge of medieval European literature, art, history, and folklore to describe the fantasies that fed the tales of Cockaigne and their connections to the central obsessions of medieval life.
Breaking Normal-Su Williams 2014-08-10 The final book in the 5 Star rated, International Book Award Finalist, Dream Weaver Novels series by Su Williams!Does 'normal' even exist for Emari Sweet anymore? Normal is all she's wanted since the death of her parents, but with the Wraith, Thomas, out for her blood, and the betrayal of Nick, Em doesn't see normal returning any time soon. Making use of her newfound powers, she works with Spokane Police to uncover evidence in 'cold cases' and memoryprint clues for current ones. But is she putting the entire Caphar race at jeopardy by her choices? Will her relationship with Nick survive? And will any of them survive the destruction of the malevolent Nightmare Wraith?WOW! Excellent pace, wonderfully flowing narrative, and an ethereal sense of excitement throughout!*Mark Wilson - Author of dEaDINBURGH withPaddy's Daddy Publishing**Another great [story] from Williams. This book phased me from fantasy skeptic to fantasy believer! Looking forward to more work from this author. I will follow her anywhere!James Moser - author ofChasing Prophecy**

The Devil is an English Gentleman-John Cournos 1932
Hidden Treasure-Gangaji 2011-09-01 An inspiring new book from one of our greatest living spiritual teachers. All of these stories teach us that we aren't who we think we are. How we have defined ourselves is not the truth of

ourselves. What we think we must have is already present, and when we think we have lost the value of our lives, it is still here if we know where to look. -from Hidden Treasure In this life-changing book, renowned spiritual teacher Gangaji uses the telling of her own life story to help readers uncover the truth of their own. Antoinette (Toni) Roberson Varner was given the name Gangaji by her teacher Sri H. W. L. Poonja in 1990. Before that meeting, she had pursued many paths to enlightenment. Brought up in the 1950s in the racially divided south, she married young and had a daughter. Following the dissolution of her first marriage, she moved to Northern California and immersed herself fully in the spiritual culture that was flourishing there-but all her efforts to achieve lasting fulfillment ultimately fell short. In the wake of her disillusionment, she made a final prayer for help. In 1990, the answer to her prayer came unexpectedly, taking her to India and to the meeting that would change everything. There on the banks of the river Ganges, she met Poonja, also known as Papaji, who opened her mind to the eternal presence of being. In Hidden Treasure, Gangaji guides readers to the realization that once they can uncover and speak the truth about themselves, deep and lasting contentment is entirely possible. An English Edition of Bruno Bauer's 1843 Christianity Exposed-Bruno Bauer 2002 Bruno Bauer wrote scores of scholarly books which were widely quoted. He was a mentor to Marx and an elder mentor to Nietzsche, and his controversial theology impelled the Prussian government to ban him from lecturing. This remarkable work, first banned, and then ignored contains historical clues into the temper of the time. He advanced Hegel's theological phenomenology, especially with his treatment of the moment of transition from Stoicism to Christianity. Future Perfect-Kat Corbett 2000-10-18 Tori Baylor, a serious dance student, has begun her final level at the school of Southern Ballet Theatre in Orlando, Florida. Her goal is to be accepted by the Company next year as a trainee, but she still has a problem with balance. She works desperately to overcome it, knowing its now or never for her. Her mother, whose job pays for her lessons, has crippling arthritis and will have to quit work after this year. As a trainee, Tori would get free classes and could continue to dance. Called upon one day to explain the future perfect tense to her sister, Roni, Tori ponders her destiny and wonders What is the future perfect of me? When Roni brings home information about getting pen pals, both girls write off for one. Tori is excited to get a dance student at the school of the world-famous Maryinsky Theatre Ballet, formerly the Kirov, in St. Petersburg, Russia. She reads up on Russia and even learns some Russian words, hoping that she and Valentina, though far apart, will become real friends. I feel as if Im setting out on an adventure, she says, never dreaming how that adventure will change her life. About the Author A language lover, Kat Corbett found Russian like writing in code! To share the fun, she started a pen pal club for Russians and Americans. One teen wrote A dancer would be niceand the seed for Future Perfect was planted. Future Perfect is Book Two of the DanceFutures series. First Readers Said: I loved the ending. I hope you are considering writing a sequel!Stacey Price The story is excellent. Stacia and Ebert give it two thumbs up!Stacia Tanner It was a great story. I loved it.Heidi Rinke Im so sad its over! Please write a continuation!!Liesl Rinke Be sure to visit Kat Corbett's website at www.katcorbett.com. You can add your comments on this book, tell what your own perfect future would be, and even share your ideas for the next books in the series!

The Interpretation of Dreames ... Rendred into English by Robert Wood ... The fourth edition, newly corrected. B.L.- 1722
The Romantic Dream-Douglas B. Wilson 1993 Although criticism on the medieval and Renaissance dream abounds, a strange lacuna exists in the critical literature of dream in the English Romantics. Every major Romantic poet relied frequently and explicitly on dream imagery, and Romantic poems conduct a long discussion about the meaning, power, value, and provenance of dreams. Douglas B. Wilson's book traces the wide web of connections that the Romantics wove between dreams and other expressions of consciousness: sensation, emotions, illusions, creativity, personality, and memory. Situating his study of the Wordsworthian dream between ancient interpretation and Freudian interpretation, Wilson gains a new perspective on the oneiric moment of Romanticism while liberating it from a narrowly psychoanalytic reading. Wordsworth embodies virtually all of the dream theory of his time, thus making him the perfect object of Wilson's multiple approaches to dream activity as poetic creation. - Back cover.

English Journal- 1952
The Cambridge Companion to Virgil-Charles Martindale 1997-10-02 Virgil became a school author in his own lifetime and the centre of the Western canon for the next 1800 years, exerting a major influence on European literature, art, and politics. This Companion is designed as an indispensable guide for anyone seeking a fuller understanding of an author critical to so many disciplines. It consists of essays by seventeen scholars from Britain, the USA, Ireland and Italy which offer a range of different perspectives both traditional and innovative on Virgil's works, and a renewed sense of why Virgil matters today. The Companion is divided into four main sections, focussing on reception, genre, context, and form. This ground-breaking book not only provides a wealth of material for an informed reading but also offers fresh and sophisticated insights which point to the shape of Virgilian scholarship and criticism to come.

Nelson's Encyclopaedia- 1907
Trapped by a Dream-Leola Butler 2010-05 Trapped By A Dream: When Fates Collide is the true account of a young Russian girl who is deceived and abducted. Her rescue mission is detailed from the personal journals of Boots Butler, the team leader. This story involves the collective abilities of Boots, working with an extraordinary group of comrades in arms, to extract a prisoner. The rescue takes Boots and his clan to Amsterdam where their most hated enemy, the Russian Mafia, stands between them and the object of the operation. They do this with complete selflessness and courage. Once engaged, they will not quit. Their motto is "failure is not an option." These are the words they live by, and will die by, if necessary.
