Be a Perfect Man-Andrew J. Romig 2017-08-29 In Be a Perfect Man, Andrew J. The Perfect Man-Naeem Murr 2007-04-17 Winner of the Commonwealth Writers' Prize for Europe and South Asia. Winner of the 2008 PEN Beyond Margins Award. Identity, friendship, and a long-hidden crime lie at the heart of Naeem Murr's captivating novel about five friends growing up in a small 1950s Missouri river town. A contender for the Man Booker Prize, this exhilarating story beautifully evokes the extreme joys, as well as the dark and shameful desires, of childhood. Young Rajiv Travers hasn't had much luck fitting in anywhere. Born to an Indian mother who was sold to his English father for £20, Raj is abandoned by his relatives into the reluctant care of Ruth, an American romance writer living in Pisgah, Missouri. While his skin color unsettles most of the townsfolk, who are used to seeing things in black and white, the

quick-witted Raj soon finds his place among a group of children his own age. While the friends remain loyal to one another through the years, it becomes clear that their paths will veer in markedly different directions. But breaking free of the demands of their families and their community, as well as one another, comes at a devastating price: As the chilling secrets of Pisgah's residents surface, the madness that erupts will cost Raj his closest friend even as it offers him the life he always dreamed of. Taking us into the intimate life of small-town America, The Perfect Man explores both the power of the secrets that shape us and the capacity of love in all its guises to heal even the most damaged of souls. From the Trade Paperback edition.

Houdini, Tarzan, and the Perfect Man-John F. Kasson 2002-07-02 A remarkable new work from one of our premier historians In his exciting new book, John F. Kasson examines the signs of crisis in American life a century ago, signs that new forces of modernity were affecting men's sense of who and what they really were. When the Prussian-born Eugene Sandow, an international vaudeville star and bodybuilder, toured the United States in the 1890s, Florenz Ziegfeld cannily presented him as the "Perfect Man," representing both an ancient ideal of manhood and a modern commodity extolling self-development and self-fulfillment. Then, when Edgar Rice Burroughs's Tarzan swung down a vine into the public eye in 1912, the fantasy of a perfect white Anglo-Saxon male was taken further, escaping the confines of civilization but reasserting its values, beating his chest and bellowing his triumph to the world. With Harry Houdini, the dream of escape was literally embodied in spectacular performances in which he triumphed over every kind of threat to masculine integrity -- bondage, imprisonment, insanity, and death. Kasson's liberally illustrated and persuasively argued study analyzes the themes linking these figures and places them in their rich historical and cultural context. Concern with the white male body -- with exhibiting it and with the perils to it --reached a climax in World War I, he suggests, and continues with us today.

The Perfect Man-David Waller 2011 Eugen Sandow (1867-1925) was a Victorian strongman who was colossally famous in his day and possessed what was deemed to be the most perfect male body. He rose from obscurity in Prussia to become a music-hall sensation in late Victorian London, going on to great success as a performer in North America and throughout the British Empire. He was a friend to King Edward VII and was appointed Professor of Physical Culture to King George V. His physical culture system was adopted by hundreds of thousands around the world. He lost his fortune at the time of the First World War and he ended up being buried in an unmarked grave in Putney Vale Cemetery. There is lively interest in him on the web where his dumbbells or chest-extendors sell for hundreds of pounds and an autographed photograph for thousands. Written with humour and insight into the popular culture of late Victorian England, Waller's book argues that Sandow deserves to be resurrected as a

significant cultural figure whose life, like that of Oscar Wilde, tells us a great deal about sexuality and celebrity at the fin de siècle.

Big sister Ilene -- herself substantially married -- has found the ultimate unattached catch: a gorgeous, independently wealthy, successful, divorced father, pillar of society and paragon of potential. What more could a single mom ask for? Apparently a lot more than loved ones realize. Frieda's own efforts bear very tasty fruit. Sam is young, talented, devoted, and incredibly sexy -- though broke, only sporadically employed, and clueless about kids. But he makes Frieda feel brand-spanking-new, in a most wonderfully wanton way. When all is said and done, does Frieda really need the "perfect man" ... or the far-from-ideal man who's perfect for her?

Jesus Christ embodies God's glory and fullness. More than that, he is the only perfect man who has ever lived. But whereas his perfection is often taken for granted and regarded as a given, on the contrary it is a most stupendous achievement unparalleled in salvation history, for it was as a true man and not the trinitarian "God-man" that Jesus became perfect through suffering, obedience, and God's indwelling. He was consequently exalted to God's right hand as His supreme plenipotentiary, and given all authority in heaven and on earth. Hence the subtitle of the book, "The Glory of God in the Face of Jesus Christ" (2Cor.4:6). This book is exegetical yet also devotional and inspirational. ALSO

DISCUSSED: - Yahweh the only true God- The historical roots of trinitarianism- Jesus of the Bible versus Jesus of trinitarianism- The four pillars of trinitarianism (John 1, Colossians 1, Hebrews 1, Revelation 1)- Jesus as the "form of God" in Philippians 2- The name above all names given to Jesus- Jesus' perfection as a model and inspiration to God's people- God's glory manifested in Jesus Christ, the perfect image of God.
