A Perfect Ten-Linda Kage 2019-12-17 Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way in the past year, ever since "the incident" where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.

A Perfect Ten-Linda Kage 2015 Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way over the past year, ever since "the incident" where I messed up my life completely. It's past time I try to live again or just give up altogether. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder.

Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye. Price of a Kiss-Linda Kage I don't care what my cousin says; I am not the queen of impossible relationships. I mean, just because my last boyfriend tried to kill me and left a bit of a scar on my neck, then forced me to move across the country and legally change my name to Reese Randall to escape him, does not mean- Oh, who am I kidding? For a freshman in college, I have to have the worst dating track record ever. It's no wonder love is the last thing on my mind when Mason Lowe enters my life. But the chemistry between us is like bam! Our connection defies logic. And he's just so freaking hot. Being around him makes me feel more alive than I've ever felt before. I even like bickering with him. He could be my soul mate...except for one teeny tiny glitch. He's a gigolo. Boy, do I know how to pick them.

With Every Heartbeat-Linda Kage 2019-12-17 I used to think everything was black and white, truth or lie, easy or hard, that if I could just escape my strict, overbearing, abusive father, my life would be perfect. But since I've found a reason to risk his wrath and leave, to help a friend in need, I've come to realize everything I thought I knew is wrong. Friends have their own agenda, honesty comes with a dosage of lie, easy doesn't even exist, keeping secrets sucks, and love...love is the most painful thing of all. Maybe if Quinn Hamilton hadn't asked me to skip classes for the day and help him pick out an engagement ring for my best friend, I wouldn't have fallen for him so completely on that sunny Tuesday afternoon and I wouldn't feel so conflicted. But I did, and I can't take it back, no matter how hard I try. So I have to deal with the fact that even I'm not as good, or honest, or caring as I'd always thought I was, and no matter

what I do next, someone's going to get hurt.

Probably me. -Zoey Blakeland

To Professor, with Love-Linda Kage 2014 Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.

Be My Hero-Linda Kage 2014 Once upon a time, there was this pampered rich girl who was kind of full of herself. She really only cared about appearances and hiding all her dark, ugly secrets under the guise of an opinionated snob. But then Eva Mercer got pregnant, shot by a psycho, and kicked out of the only home she knew. Now she's broke, unemployed, and has to start anew with a newborn to raise. But how? On the other side of town, sexy, tattooed orphan, Patrick Ryan, can't get a break. He's out on parole for defending the last damsel in distress while trying to help her support her child, but all he wants is to find his one true love. He knows this woman by scent, smile, and laugh, but he's never actually met her. He doesn't even know her name. He just knows she's the key to fixing everything. One kind of hero can save you from physical harm. Another can rescue you from a different kind of doom. To reach their dreams, Eva and Pick can save each other. But first, they must open their hearts and learn how to trust.

Consolation Prize-Linda Kage 2019-12-17 Don't you just hate it when someone destroys all your carefully made plans? I mean, I had goals: college to graduate in one semester, a future I was working hard to reach, and an image of myself I wanted the world to see. My life was stacked into these precisely placed blocks. But then Colton Gamble came along and knocked them all askew. I hated how he messed everything up, how he could hog all my attention whenever he was around, how he made my pulse quicken—but only because he ticked me off...not

because I was attracted to him. Oh! And I hated how he knew how attractive he was too, the shallow, full of himself, doesn't take no for an answer, too flirty, too cocky, extremely irritating jerk. The boy had all the qualities that turned me off. Or so I thought. One night he wasn't quite the brainless, overconfident jerk I assumed he always was. One night, he took care of me when I was at my lowest. He opened up to me and made me open up to him. Now I'm learning maybe he's not what I first thought he was. And maybe I'M not what I first thought I was. Maybe it's okay to rearrange a couple of my perfectly set blocks. Maybe, just maybe, I'll stop worrying about what I'm afraid everyone else will think and finally reach for something I really want. It's possible some of my plans need to be destroyed, and Colton Gamble is exactly the kind of mess I need in my life. What do you think? Should I give him a try? Desperately seeking your advice, Julianna Radcliffe

The Girl's Got Secrets-Linda Kage Here's the same old "girl posing as a boy" story but with a rock-n-roll twist. Remy Curran dreams of one day being in a band, except the group she wants to join refuses to hire a girl drummer. So, she auditions as a guy...and makes the cut. Becoming "Sticks," a member of Non-Castrato, isn't quite what she dreamed it would be, though. She spends most of her time keeping up the subterfuge and learning how to walk, talk, act, and drink like a man. But what's even harder to deal with is acting oblivious when the band's heartthrob lead singer, Asher Hart, treats her like one of the guys and not a woman. She never imagined he'd be so much more than a pretty face with a nice voice. But he's better than perfect. He's perfect for her. When love and lies combine, Remy must keep up the act or lose everything. But who knew lying to reach one dream could prevent you from attaining an even bigger dream?

Priceless-Linda Kage 2019-12-17 Three things in my life were fact. I needed Sarah to survive. I needed sex to remain sane. And I could never mix sex with Sarah. I just knew—deep in my marrow—that if I did, I'd somehow lose her. All my deepest darkest secrets would crack open, bleed out, and ruin everything between us. I wouldn't unleash the shit inside me on my worst enemy, let alone her. So she stayed strictly in the friend zone. People probably thought I never went there with her because of her cerebral palsy, but f\*ck them. She knew she was the most important person in my world, and I wasn't about to risk hurting our relationship just to make my

c\*ck happy. Until the moment she begged me to take her virginity. Now it's all about to hit the fan, because how the hell do you resist the one person forbidden to you when she says please? -- Brandt Gamble

The Price of Mason-Linda Kage 2018-11-30 I might've ruined any chance I ever had at a meaningful relationship when I decided to become a male prostitute at eighteen, but that was okay. I paid off my mom's debt, the rent, my sister's hospital bills. I put food on the table and kept eviction notices at bay. It was worth it. But was it worth the price of my soul? Two years later, this job has begun to kill me in every way but physically, until SHE comes along. Reese is the breath of fresh air I need. She makes me smile, she makes me laugh, she makes me want more. But how can we ever be together after all the choices I've made? Listing one mistake after another, these are my confessions and how we came through to the other side. \*\*\* The Forbidden Men series concludes with THE PRICE OF MASON by looping back to the beginning and retelling PRICE OF A KISS through his eyes. Just when you thought you knew everything, here's the rest of the story.

Worth It-Linda Kage 2015-08-07 I fell in love once. It was amazing. She was amazing. Life was amazing. I lived for each time I could see her, and nothing else mattered, not that our families were enemies, our time together was forbidden, or we had to meet in secret. Our love could conquer all. Until it didn't. So I was ripped away from the love of my life and shoved into hell, forced to continue without her. It shattered me, broke the best parts of me, left me permanently damaged. Or so I thought. Years later, I swear history's trying to repeat itself because she's back in my life, and I'm just as drawn to her as I was before. But I'm older and wiser now, and I know she should stay away from a worthless piece of ex-con like me. So, I will not let her in. I absolutely refuse to hurt her. I will keep her away. Then again, sometimes risking your greatest fear to get to a smile makes everything worth it, and besides, I'm not sure I can resist her, anyway. This is the story of how Felicity Bainbridge changed my life forever, starting one summer day long ago after I was forced to change a dirty diaper...--Knox Parker

CHARLOTTE Hubbard dreams about falling in love on a daily basis, but she's long rejected the idea that someone would ever be interested in an overweight, unappealing girl like her; an opinion that is shared by her way more popular and attractive sister who seems to enjoy pointing out Charlotte's flaws as much as possible. AND . . . Then there's MILES Fiester, who thinks that making the basketball team is as impossible as getting the girl he's liked since grade school to notice him. He'd have more luck getting his deadbeat dad to visit him for a day. But, in the first few weeks of high school, Charlotte and Miles come to discover that life is unpredictable, love happens when you least expect it, and there's always a first for everything."

The Reluctant Rancher-JoAnn Baker 2013-09 Luke Tanner was a hard man with a painful past. It seemed as if every single citizen of Fiddler Creek wanted something from the wealthy rancher. He'd learned early on not many cared to see past his looks and sour attitude and discover the man beneath. So when the generously curved Mary Carter hit him up for a loan to save her fledgling business, he made her a short-term proposition she couldn't refuse. Only the more time the reluctant rancher spends with the lovely Mary, the more he starts to think about a long-term relationship. Mary Carter had fantasized about Luke Tanner since her first glimpse of the veritable mountain of a man with a perpetual scowl. She'd never been brave enough to approach him until circumstances forces her to seek his help. The Reluctant Rancher is the story of two individuals who have never experienced the soul stirring passion of true love-until they find each other. Turtle Island-Dave Henry 2017-03-16 Sixteen-year-old Max and 10-year-old Tessa were fully prepared for another horrible summer vacation. While they always hoped to go somewhere fun like Disney World or Universal Studios, they usually went somewhere weird and cheap that their father, former boy bander Don Masters, found in an ad in a truck stop coupon magazine. But this year was different. Where they went couldn't be found on any map or in any truck stop coupon book. They passed through a portal to a place called Turtle Island, an alternate version of America that diverged from our history before the pilgrims landed at Plymouth Rock. It was there where they met world famous action movie

star Jordie Paine -- star of such films as *I Plan to Kill You Now* and the sequel, *I Plan to Kill You Now, Too*, the ninja film, *Chuck Butcher: Sword Wielding Jackal*, as well as the light-hearted romp, *Harry Hinklehoffer and the Giant Dancing Toad of East Nebraska* -- who would be their guide in this strange new world. Jordie, they later learned, brought the Masters family to Turtle Island for a very specific reason. Because they look just like the ruthless first family of Turtle Island, the Masters are pawns in a coup to overthrow the dictator. But things don't go as planned and the Masters wind up in the Survival Games, Turtle Island's national pastime/system of justice where criminals competitors, or crimpetitors, compete for their freedom. In this scifi comedy, the stakes are very simple -- if they win, they rule, if they lose, they must suffer the consequences.

*Awakenings*-Hally Willmott 2013-05-02 When sixteen-year old Jacey Adison's parents tell her they must move again, she has never questioned their life style. Her parents have repressed their adversaries' relentless tracking efforts by not utilizing their own mystical powers. They have chosen to conceal themselves within the only realm they knew they'd be able to survive. They are living under their self-imposed powerless sanctions on Earth, which constitutes the nineteenth nation of Nemele. Her parents have never revealed their true identities to Jacey, consequently keeping her true lineage and unique birthright from her. Jacey's family has pretended to be non-magical humans as a ploy to prevent an ancient omnipotent entity from killing more innocent beings in its relentless quest to possess Jacey. Nemele's inhabitants have been the elemental architectural guides of a number of nations throughout the cosmos. As Elemental Governors, they've influenced the evolution of eighteen other realms throughout the galaxy. Air, earth, wind, fire and water are gifted to each member within the Nemelite Society. It is during their Awakening, or adolescent stage of development, that their talents emerge. Every legend, myth and folklore human beings have believed in and have worshiped since the beginning of time originate within Nemele. Representatives from each of the nineteen

nations form the Guild of Elders, a federation to oversee and rule Nemele. From Greek Gods to shape-shifting dragons, all exist. Born as an anomaly, Jacey possesses rare abilities that both virtuous and corrupt entities seek to use as their own. Should either side prevail, Jacey may be the saviour or downfall of every world within Nemele's domains. Blindly thrust into life and death situations, Jacey learns of her true powers within her dreaming and conscious states. Ecstasy-Bill Halamandaris 2015-03-20 When the girl of his dreams appears on Christopher's doorstep, it seems to be the answer to a prayer; but it is really the beginning of a nightmare. She is in trouble. No doubt. It wouldn't be the first time, but this is something different, something she hasn't been able to smile or talk her way out of, something ugly, something likely to follow. There is a predator out there and she is the prey. When she disappears, Christopher must go looking for her. The search takes him into the catacombs beneath the Capitol where he finds remnants of Washington's most notorious flesh-peddlers and must face his greatest fears, battling the massive man who has taken his love and will do anything to get back what she has taken from him. Beneath this storyline is another level of meaning, both philosophical and scientific. In nature most creatures are phototactic, meaning they move toward or away from the light. The extremes are the moth and the cockroach. One is drawn to the light. The other hides from the light and seeks the deepest part of the night. The structure of this novel is based on the developmental stages of the moth and the comparison of men to moths. Man's distinction, of course, is that we can choose. The second structural element is provided by Virgil's Aeneid. These words are carved on an arch at the entrance to the catacombs beneath the Capitol. *Facilis descensus Averno* - The way down to Hell is easy. While it is not reflected there, the passage continues: *Hoc opus, hic labor est.* - The path out of Hell is hard.

*Secrets That We Keep*-Linda Kage 2021-01-28 Gracen Lowe has a new life theory: What you don't know can't hurt you. Which is exactly why he decides not to tell his twin sister, Bella, that he's accidentally falling for the woman she hates most, the very woman who allegedly cheated with Bella's last boyfriend and broke them apart. Bella might be his best friend and ultimate confidante, but she'd legit cut off his favorite body part if she knew which woman he'd been craving. So even if his theory's totally whack,

staying quiet will definitely keep him safer. Except he feels so guilty about it all. Meanwhile, Bella's heating up the sheets with one of Gracen's best friends, and she can't seem to reveal that little detail to her brother either, due to—you know—reasons. When the truth is exposed, all bets are off. Shattered secrets will either set everyone free or wreck their relationships forever.

The Peninsula Campaign of 1862-William J.

Miller 2013-09-25 The first of three volumes. The Civil War's Peninsula Campaign (March through July 1862) was the first large-scale Union operation in Virginia to capture the Confederate capital at Richmond. The operation was organized and led by Maj. Gen. George B. McClellan, whose amphibious turning operation was initially successful in landing troops at the tip of the Virginia peninsula against the cautious Confederate Gen. Joseph E. Johnston. When

Johnston was wounded at Seven Pines at the end of May outside Richmond, however, Gen. Robert E. Lee was elevated to command the Army of Northern Virginia. His subsequent major offensive to defeat The Army of the Potomac during the Seven Days' Battles turned the tide of the campaign and the entire momentum of the war in the Eastern Theater. Original well-researched and written essays by leading scholars in the field on a wide variety of fascinating topics. Contains original maps, photos, and illustrations.
