A Piano In The Pyrenees-Tony Hawks 2009-03-08 'If you had to pick two things you wanted - if you had to - what would you pick?' I hesitated. This was a bigger question than usually got asked at these post-match debriefs. 'I suppose the honest answer would be,' I said, still accessing the last pieces of required data from a jumbled mind, 'meeting my soul mate, and finding an idyllic house abroad somewhere.' Inspired by breathtaking views and romantic dreams of finding love in the mountains, Tony Hawks impulsively buys a house in the French Pyrenees. Here, he plans to finally fulfil his childhood fantasy of mastering the piano, untroubled by the problems of the world. In reality, the chaotic story of Tony's hopelessly ill-conceived house purchase reads like the definitive guide to how not to buy a house in France. It finds him flirting with the removal business in a disastrous attempt to transport his piano to France in a dodgy white van; foolishly electing to build a swimming pool himself; and expanding his relationship repertoire when he starts co-habiting, not with an exquisite French beauty, but with a middle-aged builder from West London. As Tony and his friends haplessly attempt to fit into village life, they learn more about themselves and each other than they ever imagined.

A Piano in the Pyrenees-Tony Hawks 2006 Inspired by breathtaking views and romantically dreaming of finding love in the mountains, Tony Hawks buys a house in the Pyrenees. And here, he imagines, he will finally fulfil his childhood fantasy of mastering the piano, all the while overlooking spectacular views as the troubles of the world pass by unnoticed.

'Twixt France and Spain; Or A Spring in the Pyrenees-E. Ernest Bilbrough 1883

One Hit Wonderland-Tony Hawks 2010-07-06 It's 1988 and radios across the land blast out the Top Ten hit 'Stutter Rap' by Morris Minor and the Majors. The man behind the fake moustache is Tony Hawks. Fast forward to the 21st century and those heady days of pop stardom are a distant memory. That is, until it is suggested that Tony is just another One Hit Wonder. Really? We'll have to see about that ... For two years Tony struggles to have a hit somewhere, anywhere, in the world, changing acts and styles with a bewildering lack of integrity. From Nashville to Amsterdam, from Eastern Europe to Africa, he travels the globe in search of that elusive hit. But it's only after a chance encounter with Norman Wisdom that things get really strange. Is it really possible that together they could storm the Albanian charts? In One Hit Wonderland anything can happen ...

Sketches in the Pyrenees, with some remarks on Languedoc, Provence and the Cornice, by the author of 'Slight reminiscences of the Rhine'.-Mary Boddington 1837

Round Ireland with a Fridge-Tony Hawks 2001-03-07 Recounts the author's experiences hitchhiking on a bet all the way around Ireland with a small refrigerator, and shares his impressions of the people and places along the way.

Southwest France & the Spanish Pyrenees-Kelby Carr 2011-04-15 Carcassonne, Toulouse, Bordeaux, Barcelona & the Basque Country. The medieval fortified town of Carcassonne alone is one of the most visited cities in France.

There are ski resorts and spas throughout this area, as well as innumerable historic sites and monuments. Coverage extends from Languedoc-Roussillon and Aquitaine in France to Spanish Catalonia, Aragon and Navarre. Ancient cathedrals abound and the church in the tiny village of Rennes le Chateau is thought to have been visited by Mary Magdalene and to be where the Holy Grail is hidden. By contrast, GaudiOCOs Sagrada Familia in Barcelona is one of the most unusual churches in the world, with its melting sand-castle appearance and odd bubble-shaped spires. This guide covers it all, with detailed information on what to see, how to get around, where to stay and eat, plus activities from hiking to shopping, canoeing to theater-going."

Once Upon a Time in the West... Country-Tony Hawks 2016-03-10 Waking in the middle of the night whilst on holiday, Tony Hawks declares an epiphany to his barely conscious partner Fran. Fed up of living in a city where the only contact with his neighbours in three years was a dispute over a boundary fence, his mind has been made up and it's time for a change... of postcode. At the age of 53, Tony is finally ready to renounce his London lifestyle and head for the countryside, and to his enormous surprise, Fran agrees. Once Upon a Time in the West... Country tells the story of how a series of events lead Tony and Fran to uproot their city lives for a rural alternative in deepest Devon. Full of Tony's trademark mixture of humour, hope, adventure and absurdity, this book will chart their journey as they adapt from the relative ease of city life to the vagaries of a village community. But between organic gardening courses, attending village meetings and the impending birth of his first child, Tony still has time for one last adventure, cycling coast to coast with a mini pig called Titch. Full of eclectic characters - including the best neighbour in the world - Once Upon a Time in the West... Country is the heartwarming and hilarious tale of Tony Hawks' new life in the country.

The Pyrenees Rough Guides Snapshot France (includes Pays Basque, Pau, Lourdes, Parc National des Pyrénées and Perpignan)- 2013-05-23 The Rough Guide Snapshot to the Pyrenees is the ultimate travel guide to this craggy mountainous region, and also includes coverage of the beguiling Basque country. It guides you through the region with reliable information and comprehensive accounts of all the sights and attractions, from surfing big waves in Biarritz and inspecting pre-historic paintings in the Ariège valley to taking a trip on the charming Petit Train Jaune and exploring dramatic Cathar castles in the Corbières. Detailed maps and up-to-date listings pinpoint the best cafés, restaurants, hotels, shops, bars and nightlife, ensuring you have the most memorable possible, whether passing through, staying for the weekend or longer. Also included is the Basics section from The Rough Guide to France, with all the practical information you need for travelling in and around the country, including transport, food, drink, costs, health and festivals. Also published as part of The Rough Guide to France. Full coverage: Bayonne, Biarritz, St Jean-de-Luz, Parc National des Pyrénées, Pau, Lourdes, Tarbes, Vallée d'Aspe, Vallée d'Ossau, Gave de Pau, Cauterets, Gavarnie and its cirque, Barèges, Luchon, Vallée de l'Ariege, Montségur, Vallée de l'Aude, Cathar castles, Perpignan, The Têt valley (Equivalent printed page extent 102 pages).Now available in ePub format.

Playing the Moldovans at Tennis-Tony Hawks 2013-09-10 It doesn't take much - "£100 is usually sufficient" - to persuade Tony Hawks to take off on notoriously bizarre and hilarious adventures in response to a bet. And so it is, a pointless argument with a friend concludes in a bet - that Tony can't beat all eleven members of the Moldovan soccer team at tennis. And with the loser of the bet agreeing to strip naked on Balham High Road and sing the Moldovan national anthem, this one was just too good to resist. The ensuing unpredictable and often hilarious adventure sees him being taken in by Moldovan gypsies and narrowly avoid kidnap in Transnistria. It sees him smuggle his way on to the Moldovan National Team coach in Coleraine and witness (almost) divine intervention in the Holy Land. In this inspiring and exceptionally funny book, Tony Hawks has done it again, proving against all odds that there is no reason in the world why you can't do something a bit stupid and prove all of your doubters wrong. Or at least that was the idea....

Through the High Pyrenees-Harold Spender 1898

A Tour Through the Pyrenees-Hippolyte Taine 1874

In the Merde for Love-Stephen Clarke 2008-12-10 The latest episode in Stephen Clarke's almost-true account of his adventures as an expat in France is just as winning as the first. This "anti-Mayle" will have readers chortling over their croissants and café au lait while Paul West struggles to solve the mysteries inherent in life in France. What is the best way to scare a gendarme? Is it really polite to sleep with your boss's mistress? And why are there no public health warnings on French nude beaches? Paul discovers how to judge a French vacationer by the rustiness of his bicycle; opens his English tearoom; and finally understands why Parisian waiters are so cranky. Just in time for spring in Paris, find out if Paul finds the perfect French mademoiselle or if it all ends in merde!

The End of Mr. Y-Scarlett Thomas 2006-10-02 A cursed book. A missing professor. Some nefarious men in gray suits. And a dreamworld called the Troposphere? Ariel Manto has a fascination with nineteenth-century scientists—especially Thomas Lumas and The End of Mr. Y, a book no one alive has read. When she mysteriously uncovers a copy at a used bookstore, Ariel is launched into an adventure of science and faith, consciousness and death, space and time, and everything in between. Seeking answers, Ariel follows in Mr. Y's footsteps: She swallows a tincture, stares into a black dot, and is transported into the Troposphere—a wonderland where she can travel through time and space using the thoughts of others. There she begins to understand all the mysteries surrounding the book, herself, and the universe. Or is it all just a hallucination? With The End of Mr. Y, Scarlett Thomas brings us another fast-paced mix of popular culture, love, mystery, and irresistible philosophical adventure.

The World Cup Of Everything-Richard Osman 2017-10-05 Richard Osman has been trying to settle the most important issues society faces today. Who would win in a head-to-head between Quavers and Cheesy Wotsits? And What's the ultimate Christmas film (Home Alone, obviously). The World Cup of Everything is an incredibly popular format that began life on twitter where his hilarious polls received 1.5 million votes a go becoming a national talking point, inciting debate amongst twitter users at odds over their favourites, celebrities and key figures join in, bookies offer odds on the outcome, papers report on it all as if it is a real sporting event with headlines about how Richard Osman has melted the internet. This autumn we're bringing The World Cup of Everything to the page in a brilliant book perfect for Christmas. With new competitions such as The World Cup of British Sitcoms, Christmas Songs, Animals, British Bands and so on, as well as some of the favourites that have already had the country talking: Chocolate and Crisps among them, Richard will offer commentary, share funny, quirky pieces of trivia and stand-up style entries about each of the contenders. The World Cup of Everything will offer something for everyone making it the perfect gift for pretty much anyone. This is Richard at his best: super smart, quick-witted and writing about the matters that the British public really care about.

The Hairy Hikers-David Le Vay 2013-06-01 With a glint in his eye, Rob turns and asks me if I want to 'touch his furry puma'. I begin to feel a little concerned about the days and weeks ahead; we are only hours into the trip and things have already taken a sinister turn. Thankfully it turns out he is referring to the little embossed logo on his new shirt. Fuelled by a degree of mid-life crisis and the need to escape, albeit temporarily, the dull routine of modern life, David and Rob set out to walk from the Atlantic to the Mediterranean, taking in French villages, beautiful scenery and one of the most spectacular mountain ranges in Europe. Just about perfect - if you can put aside the inevitable conflict, drama and unexpected tedium that results from two men spending over seven solid weeks in each other's company! This humorous, reflective and often poignant account of two increasingly hairy hikers' coast-to-coast trek along the length of the French Pyrenees, revealing the history and geography along the way, will appeal to weekend walkers, serious trekkers and all who simply enjoy a good story of human endeavour and foolishness.

Wanderland-Jini Reddy 2020-04-30 SHORTLISTED FOR THE WAINWRIGHT PRIZE Alone on a remote mountaintop one dark night, a woman hears a mysterious voice. Propelled by the memory and after years of dreaming about it, Jini Reddy dares to delve into the 'wanderlands' of Britain, heading off in search of the magical in the landscape. A London journalist with multicultural roots and a perennial outsider, she determinedly sets off on this unorthodox path. Serendipity and her inner compass guide her around the country in pursuit of the Other and a connection to Britain's captivating natural world. Where might this lead? And if you know what it is to be Othered yourself, how might this colour your experiences? And what if, in invoking the spirit of the land, 'it'

decides to make its presence felt? Whether following a 'cult' map to a hidden well that refuses to reveal itself, attempting to persuade a labyrinth to spill its secrets, embarking on a coast-to-coast pilgrimage or searching for a mystical land temple, Jini depicts a whimsical, natural Britain. Along the way, she tracks down ephemeral wild art, encounters women who worship The Goddess, falls deeper in love with her birth land and struggles - but mostly fails - to get to grips with its lore. Throughout, she rejoices in the wildness we cannot see and celebrates the natural beauty we can, while offering glimpses of her Canadian childhood and her Indian parents' struggles in apartheid-era South Africa. Wanderland is a book in which the heart leads, all things are possible and the Other, both wild and human, comes in from the cold. It is a paean to the joy of roaming, both figuratively and imaginatively, and to the joy of finding your place in the world.

Peace Work-Spike Milligan 2012-12-13 Spike Milligan's legendary war memoirs are a hilarious and subversive first-hand account of the Second World War, as well as a fascinating portrait of the formative years of this towering comic genius, most famous as writer and star of The Goon Show. They have sold over 4.5 million copies since they first appeared. 'The most irreverent, hilarious book about the war that I have ever read' Sunday Express 'Brilliant verbal pyrotechnics, throwaway lines and marvelous anecdotes' Daily Mail 'Desperately funny, vivid, vulgar' Sunday Times 'I had not informed my parents of my return, I wanted it to be a lovely surprise; it was, for me, they were away ...' The seventh and last volume of Spike Milligan's memoirs sees our hero returning from war and Italy ... but to what? Aside from shooting large, inaccurate guns at Germans, all he has done for five long years is blow a trumpet, tell rude jokes and write and perform sketches for the entertainment of bored and murderous soldiers - who on earth is going to pay a civilian to do more of that? From the giddy heights of Hackney Empire to a Zurich Freak Show and beyond, Spike makes his way through the backwaters of showbiz, first as band musician then as one-man wild-act and eventually in the company of a group of like-minded comedians called Harry Secombe, Michael Bentine and Peter Sellers. They decide to call themselves The Goons... 'That absolutely glorious way of looking at things differently. A great man' Stephen Fry 'Milligan is the Great God to all of us' John Cleese 'The Godfather of Alternative Comedy' Eddie Izzard 'Manifestly a genius, a comic surrealist genius and had no equal' Terry Wogan 'A totally original comedy writer' Michael Palin 'Close in stature to Lewis Carroll and Edward Lear in his command of the profound art of nonsense' Guardian Spike Milligan was one of the greatest and most influential comedians of the twentieth century. Born in India in 1918, he served in the Royal Artillery during WWII in North Africa and Italy. At the end of the war, he forged a career as a jazz musician, sketch-show writer and performer, before joining forces with Peter Sellers and Harry Secombe to form the legendary Goon Show. Until his death in 2002, he had success as on stage and screen and as the author of over eighty books of fiction, memoir, poetry, plays, cartoons and children's stories.

The National Union Catalog, Pre-1956 Imprints-Library of Congress 1979

Beyond the Pyrenees-Marcel Aurousseau 1931

Finding Fontainebleau-Thaddeus Carhart 2016 A beguiling memoir of a childhood in 1950s France from the much-admired New York Times bestselling author of The Piano Shop on the Left Bank "Like the castle, [Carhart's] memoir imaginatively and smoothly integrates multiple influences, styles and whims."--The New York Times For a young American boy in the 1950s, Fontainebleau was a sight both strange and majestic, home to a continual series of adventures: a different language to learn, weekend visits to nearby Paris, family road trips to Spain and Italy. Then there was the chateau itself: a sprawling palace once the residence of kings, its grounds the perfect place to play hide-and-seek. The curiosities of the small town and the time with his family as expats left such an impression on him that thirty years later Carhart returned to France with his wife to raise their two children. Touring Fontainebleau again as an adult, he began to appreciate its influence on French style, taste, art, and architecture. Each trip to Fontainebleau introduces him to entirely new aspects of the chateau's history, enriching his memories and leading him to Patrick Ponsot, the head of the chateau's restoration, who becomes Carhart's guide to the hidden Fontainebleau. What emerges is an intimate chronicle of a time and place few have experienced. In warm, precise prose, Carhart reconstructs the wonders of his childhood as an American in postwar France, attending French schools with his brothers and sisters. His firsthand account brings to life nothing less than France in the 1950s, from the parks and museums of Paris to the rigors of French schooling to the vast chateau of Fontainebleau and its village, built, piece by piece, over many centuries. Finding Fontainebleau is for those captivated by the French way of life, for armchair travelers, and for anyone who has ever fallen in love with a place they want to visit over and over again.

The Pyrenees-Marc Dubin 1994 The most detailed single-volume guide to Europe's loveliest mountain range Veteran author Marc Dubin takes a fresh look at this unique mountain range, which unites the French, Spanish, and Andorran peaks and valleys. This guide has all the information you need whether you're out for serious up-country hiking (bears permitting), staying in one of the Pyrenean beach resorts, skiing on either side of the border, or touring the, tiny principality of Andorra.

Rusher's Gold-Tracy Diane 2018-10-02 A time traveling cave. A vicious band of miners...and pure gold. When West Virginia teenagers Emma and Brody promised their neighbor, a famous geologist, to help rebuild his decimated rock and mineral collection for a museum display, they didn't know they would be in for the magical ride of a lifetime. After a successful trip to 1775 England where they collected the rare Blue John Fluorite, the teens are quick to jump at the chance to travel to the California Gold Rush in 1851. When they arrive at the Gold Rush and meet an old acquaintance, they think the mission will be easy until they realize their friend may not be able to help them at all. When their actions in the past erase their future, can Emma and Brody right the wrong? With a hostile group of miners hot on their trail, Brody and Emma must collect the gold, save their friends, and salvage the future before it is too late. Rusher's Gold is the second book in the middle grade adventure/sci-fi series Crystal Cave Adventures. If you like adventure and time travel mixed with your geology, then you'll love Tracy Diane's exciting series.

Cuba and Its Music-Ned Sublette 2007-02-01 This entertaining history of Cuba and its music begins with the collision of Spain and Africa and continues through the era of Miguelito Valdes, Arsenio Rodriguez, Benny More, and Perez Prado. It offers a behind-the-scenes examination of music from a Cuban point of view, unearthing surprising, provocative connections and making the case that Cuba was fundamental to the evolution of music in

the New World. The ways in which the music of black slaves transformed 16th-century Europe, how the "claves" appeared, and how Cuban music influenced ragtime, jazz, and rhythm and blues are revealed. Music lovers will follow this journey from Andalucia, the Congo, the Calabar, Dahomey, and Yorubaland via Cuba to Mexico, Puerto Rico, Saint-Domingue, New Orleans, New York, and Miami. The music is placed in a historical context that considers the complexities of the slave trade; Cuba's relationship to the United States; its revolutionary political traditions; the music of Santeria, Palo, Abakua, and Vodou; and much more.

Jericho-Dirk Bogarde 2011-10-28 First published in 1991, this is Dirk Bogarde's fourth novel. With his divorce proceedings looming, writer William Caldicott is in desperate need of some respite. As fate would have it, he receives a cryptic letter of farewell from his estranged brother James, along with the keys to James' house France. Sensing the potentially reformative aspect of such a break, William sets out in search of his brother. He rapidly becomes embedded in the fabric of rural France, learning that rumours travel quickly, and that connections and secrets are paramount. He eventually finds the remarkable little house, but as he delves deeper and deeper into his brother's strange life, William discovers things that will make him wish he stayed at home.
