The Land and People of Norway-Elvajejan Hall 1973 An introduction to the land, history, government, economy, people, and culture of the country whose population is no larger than that of the city of Chicago.

Tibet's Secret Mountain-Chris Bonington 2020-05-21 For Chris Bonington and Charles Clarke, long-time friends and expedition partners, few mountains were more alluring than Sepu Kangri. Known locally as 'the Great White Snow God', Tibet's nearly 7,000-metre mountain had never before been visited by Westerners. Armed only with a tourist map for reference, the two set off for this elusive peak in 1996. In the reconnaissance and two expeditions that followed, neither of them were expecting to be profoundly impacted by their experiences. However, they not only met their match in Sepu Kangri, but both found their expertise pushed to the limit. While Clarke acted as a travelling doctor, treating myriad ailments encountered along the way, including a life-saving diagnosis of an ectopic pregnancy, Bonington's love of technology saw him testing out cutting-edge satellite phones and computers, allowing them to communicate with the outside world for the first time on an expedition. Tibet's Secret Mountain is a story of discovery as much as it is an account of the expeditions, and it is this that sets it apart from other mountaineering memoirs. The focus not only on the climbing itself, but the experiences, people and tensions that accompany it, offers a poignancy that anyone with a love of adventure will identify with. Beautifully written and full of unfailing cheer, Tibet's Secret Mountain is Bonington and Clarke's love letter to mountaineering.

Alfred's Teach Yourself to Play Mandolin-Dan Fox 2005-05-03 Learn to play mandolin and open up a brand new world of musical knowledge with this exciting method from Alfred. Beginners of all ages can start their journey to a lifetime of musical enjoyment. Beginning with the fundamentals, you will learn about the history of the mandolin, its components, picks, how to tune it, and getting acquainted with standard musical notation. You will then move right along to playing different notes, scales, and songs, lesson by lesson, all while continuing to increase your ever-growing knowledge of reading and understanding standard musical notation. You will learn important mandolin techniques such as tremolo, cross picking, and more. Upon completion of the book, you will be able to play your favorite songs on the mandolin, know how to read music, and play with a musical group in many different styles, including folk, blues, country, and even pop. The book features the following resources for reference during and after your lessons: * Mandolin accompaniments * Mandolin chord dictionary * Mandolin fingering chart Be your own teacher, and let Alfred be your resource every step of the way.

The Origins of Beowulf-Sam Newton 1994 A detailed and passionate argument suggesting that Beowulf originated in the pre-Viking kingdom of 8th-century East Anglia.

The Plain Speaker-William Hazlitt 1826

The Medieval Life of King Alfred the Great-A. Smyth 2001-11-28 Very few King's earn the appellation 'Great'.

Alfred is the only English King honoured with this name and is credited with various successes (the foundation of a navy, English education system and religious revival). His memory looms large in the English Imagination. The medieval 'Life' of King Alfred of Wessex purports to be written by Asser, a monk in the King's service. This account of one of England's best loved and most famous kings has been accepted as offering evidence on most aspects of life in early medieval England and beyond. It was used in Victorian times to create a 'Cult' of Alfred. Alfred Smyth offers a carefully annotated translation of the 'Life' together with a long commentary. He argues that the 'Life' is a forgery which has profound implications not only for our understanding of the early English and medieval past but also for the nature of biography and history. This close scholarly rendering of the text allows the reader access to the intricacies of medieval history.

The Life and Times of Alfred the Great-John Allen Giles 1854

Codex Diplomaticus Aevi Saxonici (1839-1848)-John Mitchell Kemble 2019-04-25 An extensive study of more than 1,400 Anglo-Saxon and Norman legal and administrative documents, from Kemble's own collection, the British Museum and various college and cathedral libraries.
