A Pocket Full of Pebbles-Howard Losness 2004-01 Here are twelve stories from thriller writer Howard Losness, beginning with the tale of a man who refuses to act his age. You'll read about the deal he makes with a Mr. Sattan in return for his youth and the consequences thereof. Then there is Harm, who is living the good life with his wife and family, until the arrival of a letter announcing an additional member that he hadn't counted on, or even knew about. Charlie finds his dream girl and marries her, only to give everyone at the wedding reception the surprise of their lives. And then there is Paddy O'Toole, a gangster wannabe. Wait until you read what fate has in store for this fool. No collection of short stories would be complete without a 'Who done it'. In The Butler Did It, you'll discover Howard Losness' version of not one butler, but a plane full of them. In each of Howard Losness' short stories you will find yourself drawn into the lives and dilemmas that his characters create for themselves.

A Pocketful of Pebbles-Jan Struther 1946

Pebbles In A Sieve-Kathy V. Kuzma 2013-02-21 I have been writing poetry since the age of 15. This book is a type of journal for me, a documentation of the trials and tribulations in high school, college and beyond. I am now 65 and can reflect on the past as well as ponder the future.

I May Be a Junkie, but I'm Not Garbage-Lucian A. Starr 2019-12-31 I May Be a Junkie, but I'm Not Garbage is a story of addiction, transformation, and healing. In his book, Lucian will share with you his own story of pain, illness, and his own healing journey after coming to sobriety. Here, you will begin to form an understanding of how addictive behavior forms, the mechanisms that keep it intact, as well as how to remove and replace the thoughts and behaviors that drive it. Lucian will share with you tools and techniques he has learned, driving his success passing those tools to the reader. Through this book, you will learn how any individual can go from feeling like garbage to gold through realization of their own inner strength and personal power. "I May Be a Junkie, but I'm Not Garbage" will transform your views on the subject of addiction, as well as the process of liberation from it. Through steps clearly outlined within these pages, Lucian will provide knowledge and experience gained through his own personal journey in a way that you can apply to yours. By addressing the physical, mental and emotional components of the self, this book can be used as a tool to revolutionize your reality and see immediate change. This is not just for individuals living with drug or alcohol addiction, but any dependency that controls your thoughts or actions. This book is not just for the afflicted, but any person around them. Spouse, Parent, or friend, "I May Be a Junkie, but I'm Not Garbage" is for you. This is a story of hope through despair, and healing after trauma. This story was written to bring hope to those without it, and light to those in dark places. You are not alone.

Pebbles at the Beach-Steven Thomas Dykes 2018-08-31 Raised in Kansas, Pebbles at the Beach is a collection of sixty-five poems by the author Steven Thomas Dykes. Poetry, the eldest sister of all arts and parent of most (Congreve). This was my introduction into becoming an artist my first love. This novel dates back over a decade to when I was in my infancy of writing, and it followed me on a search for meaning and purpose through my travels across the great highways of the United States of America to even crossing the pond to sit in the Pere La-Chaise cemetery in Paris, France, next to Oscar Wildes gravesite. These one hundred four poems aim to express the life I lived from the age of eighteen to the age of twenty-eight.

The Pebble in My Pocket-Meredith Hooper 1997 Where do pebbles come from? How were they made? This book tells the story of a pebble, from its origins in a fiery volcano 480 million years ago to a busy, modern landscape. Readers follow the processes of rock formation and erosion that create new pebbles all over the world.

A pocket of pebbles-William Benjamin Philpot 1877

A Handful of Quiet-Thich Nhat Hanh 2012-10-16 Pebble meditation is a groundbreaking and completely unique technique to introduce children to the calming practice of meditation. Developed by Zen master, best selling author, and peace Nobel Prize nominee Thich Nhat Hanh A Handful of Quiet contains complete instructions for pebble meditation designed to involve children in a hands-on and creative way that touches on their interconnection with nature. Whether practiced alone or with the whole family, pebble meditation can help relieve stress, increase concentration, nourish gratitude, and can help children deal with difficult emotions. Beautiful color illustrations by Wietske Vriezen, illustrator of Planting Seeds (ISBN-13: 978-1-935209-80-5) and Mindful Movements (978-1-888375-79-4).

Belonging-Sian Phillips 2020-08-15 The call for trauma-informed education is growing as the profound impact trauma has for the children's ability to learn in traditional classrooms is recognized. For children who have experienced abuse and neglect their behavior is often highly reactive, aggressive, withdrawn or unmotivated. They struggle to learn, to make positive relationships or be influenced positively by teachers and school staff. Students become more and more at risk for mental health difficulties. Teachers become more and more frustrated and discouraged as they attempt to teach this vulnerable group of students. Even though it is relationships that have hurt students with developmental trauma, it is known that they must find safe relationships to learn and heal. Forming those relationships with children who have been hurt and no longer trust adults is not easy. This book focuses on three important and comprehensive areas of theory and research that provide a theoretical, clinical, and integrated intervention model for developing the relationships and felt sense of safety children with developmental trauma need. Using what is known from attachment theory, intersubjectivity theory, and interpersonal neurobiology, the reader is helped to understand why children behave in the challenging ways they do. This book offers successes and ongoing challenges as a means to continue the conversation about how best to support some of our most at-risk youth.

Household Tales-Jacob Grimm 1906

A Pocket Dictionary, Welsh-English-William Richards 1861

A Pebble for Your Pocket-Thich Hanh 2010-04-06 Combining the stories and meditation practices from the previous edition of A Pebble for your Pocket with those collected in Under the Rose Apple Tree and several new stories, this completely revised edition is comprised of Buddhist parables and stories from the author's own childhood experiences. They elucidate principles of Buddhism and mindfulness practice, giving young readers and their parents concrete advice on handling difficult emotions like anger. Written in a highly accessible style that doesn't rely on lot of jargon or difficult vocabulary, this collection emphasizes the importance of the present moment through vivid metaphors, original allegories, and colorful stories. Young readers learn about handling anger, living in the present moment, and "interbeing" — the interconnectedness of all things. Thich Nhat Hanh offers various practices that children can do on their own or with others that will help them to transform anger and unhappiness and reconnect to the wonders of nature and the joy of living in the present moment.

Grimm's goblins, Grimm's household stories, tr. by E. Taylor. 24 illustr. after G. Cruikshank. With notes by E. Taylor, &c-Jacob Ludwig C. Grimm 1876

Mysteries and Secrets of the Masons-Lionel and Patricia Fanthorpe 2006-05-13 Our world is mysterious and conspiratorial. Networking is key - people who exercise power accept that success depends upon who you know. Some of these networks are obvious and visible, while others are hidden. Criminals and fundamentalist cults are sinister - but some secret societies help and guard us. There are wheels within wheels. Unsuspected power sources are interconnected. Concealed watchers and listeners monitor phones, emails, and the Internet. Knowledge is power - and secret knowledge is greater power. Masonry has many secrets. Signs, codes, ciphers, passwords, and symbols abound - for those who recognize their meanings. Masons are prominent throughout the world today in academic circles, armed services, police, government, commerce and industry, finance, and medicine. What are their aims and how important is their influence? Researchers believe some of Masonry's famous members have included Edward VIII, George VI, Franklin Delano Roosevelt, Harry S. Truman, General Douglas MacArthur, Gene Autry, and Virgil Grisson

The Doldrums-Nicholas Gannon 2015-09-29 "A dreamy charmer of a book, full of clever wordplay that practically demands it be read out loud."—New York Times Have you ever wanted to hold a little piece of the impossible? Lavishly illustrated in full color, The Doldrums is an extraordinary debut about friendship, imagination, and the yearning for adventure from author-artist Nicholas Gannon. A modern classic in the making, The Doldrums is for readers of inventive and timeless authors such as Brian Selznick and Lemony Snicket. Archer B. Helmsley wants an adventure. No, he needs an adventure. His grandparents were famous explorers . . . until they got stuck on an iceberg. Now Archer's mother barely lets him out of the house. As if that would stop a true Helmsley. Archer enlists Adelaide—the girl who, according to rumor, lost her leg to a crocodile—and Oliver—the boy next door—to help him rescue his grandparents. The Doldrums whisks us off on an adventure full of sly humor, incredible detail, and enormous heart. With approximately twenty pieces of breathtaking full-color artwork, as well as black-and-white spot illustrations, and gorgeous, literary writing, Nicholas Gannon proves himself to be a distinctive new voice with his middle grade debut. Be in it for the limitless imagination. For the characters who capture your heart. For the rich world you'll want to settle into. But most of all, be in it for the friendship. That, after all, is the true adventure.
