Neither of them could speak, they just stood looking at each other. Then the Earl opened his arms and with a little cry that seemed to echo round the room FEedora ran towards him. Love and Loss-Robin Jaffee Frank 2000 "Most often, portrait miniatures were painted in watercolor on thin disks of ivory. They were sometimes worn as jewelry, sometimes framed to be viewed privately. Many were painted by specialists, although renowned easel artists - including Benjamin West, John Singleton Copley, and Charles Willson Peale - also created them to commemorate births, engagements, marriages, deaths, and other joinings or separations. The book traces the development of this exquisite art form, revealing the close ties between the history of the miniature and the history of American private life."--BOOK JACKET.  
Barbarous-Minerva Spencer 2018-11-01 "Spencer is my new auto-buy!" —New York Times bestselling author Elizabeth Hoyt He could be her ruin Hugh Redvers is supposed to be dead. So the appearance of the sun-bronzed giant with the piratical black eye patch is deeply disturbing to Lady Daphne Davenport. She could be his salvation Daphne Redvers' distant, untouchable beauty and eminently touchable body are hard enough to resist. But the prim, almost severe, way she looks at him suggests this might be the one woman who can make him forget all the others. His only challenge? Unearting the enemy who threatens her life . . . and uncovering the secrets in her cool blue eyes. A Portrait of Christ-D. Patrick Ramsey 2013-04-01 What is Jesus like? What kind of a person is he? Is he emotional or stoic? Is he proud or humble? Is he aloof or friendly? This book attempts to answer these types of questions. After demonstrating that Jesus is the promised Christ and that he is both divine and human, this book examines Jesus' personal characteristics as they are displayed in the four Gospels. The four Gospels are clearly not a typical biography of Jesus. Nonetheless, they do provide an informative account of his life here on earth, from which we can discover what he is like as a person.

Ambivalence, a Love Story-John Donatich 2005-12-27 Ambivalence, a Love Story is a deeply nuanced accounting in which two people come together to make a marriage work. Rarely has marriage and its compromises been so intimately portrayed, especially when tested by depression, unemployment, miscarriage and other realities of contemporary life. Whether inside the sterile out-placement offices for reengineered executives or traipsing through the suburban homes and competing lifestyles with perky realtors, Donatich muses on life's transitions with rare candor and insight. Ambivalence traces the inner life of a man coming into adulthood: on being first generation, on interfaith marriage, on playing the accordion and ultimately on the question of whether we are better off solitary or coupled. But at heart, it is a tender -- if circumspect -- love story. An astonishing middle-aged debut.

Finding Shelter-Jesse Freidin 2017-04-01 The healing, beauty, and joy of the animal shelter system Without volunteers, our nation's animal shelter system simply would not exist. Volunteers speak for those that cannot speak, pick up the pieces for abandoned animals that have been let down by previous owners or unfortunate circumstances, and do whatever it takes to heal the deepest of wounds.In Finding Shelter, award-winning photographer Jesse Freidin shows the softer side of this story. He witnessed firsthand how many of the volunteers were able to mend their own emotional hurts with the love the shelter animals gave back to them, and how the power of these relationships transforms shelters into places where humans and animals can heal together. This realization propelled him to take a two-year journey across the country to document the tenderness and healing, beauty and joy he encountered within the shelter system. The result is a heartwarming inspiration for people to look differently at how to save shelter pets. In Finding Shelter, Freidin sparks a new discussion about animal rescue and what it feels like to truly love an animal.

Portrait of a Marriage-Nigel Nicolson 1998-11 Vita Sackville-West, novelist, poet, and biographer, is best known as the friend of Virginia Woolf, who transformed her into an androgynous time-traveler in Orlando. The story of her love affair with Violet Keppel Trefusis in 1920 is one of intrigue and bewilderment. In Portrait of a Marriage, Nigel Nicolson combines his mother's vivid memoir of escapade with what he learned from copious family letters and explains the context of this romantic crisis. He also describes how Vita Sackville-West and Harold Nicolson went on to live the rest of their lives in harmonious marriage.  
A Portrait of the Artist as a Young Man-James Joyce 2008-06-12 One of the most significant literary works of the twentieth century, and one of the most innovative. Young Irish Catholic, Stephen Dedalus, rejects religion and national ties to develop unfettered as an artist. Stronly autobiographical, the novel is one of the founding texts of Modernism and the precursor of Ulysses. Its originality shocked contemporary readers on its publication in 1916 who found its treating of the minutiae of daily life indecorous, and its central character unappealing. Was it art or was it filth?  
The Family Imprint-Nancy Borowick 2017 When Photojournalist Nancy Borowick's parents--Howie and Laurel--were diagnosed with stage IV cancer and simultaneously underwent treatment, she did the only thing she knew how--she documented it. By turning the camera on her family's life during this most intimate time, Borowick learned a great deal about herself, family, and relationships in general. She discovered that her parents' marriage--while complex--was an intricate symbiosis of compassion. Their partnership and sense of family only deepened. And no matter the prognosis, there was always room for laughter. Today, Borowick, herself, is married. Her father passed away in 2013, and her mom followed suit, 364 days later. The lessons she garnered from Howie and Laurel were plentiful: always call when the airplane lands, never pass on blueberry pie--and most importantly, family is love and love is family.

Courtney Love by Hedi Silmane-Hedi Slimane 2007-02-01 Dior Homme designer Hedi Slimane has always stood at the intersection of fashion, art and music. Over the past 10 years, his slick, sexy designs and signature cut have revolutionized menswear. Several bodies of his photographic work--2005's "London Birth of a Cult" and his ongoing "Rock Diary" series for "V" magazine--have documented underground rock culture at its loudest and most extreme. In this latest project, Slimane teams up with the editors of "Visionaire" and "V" to deliver "Portrait of a Performer," an exclusive photojournal devoted to the provocative musician and muse, Courtney Love. Shot in New York in August of 2006, just before the release of Love's latest record, the intimate black-and-white studies capture the American pop icon, semi-nude, just before her return to the Billboard charts--defiant, mesmerizing, flawed and vulnerable. "Portrait of a Performer" documents a highly charged encounter between two creative forces who have influenced rock and fashion, each on their own terms.  
Portraits of the Spirit-Filled Personality-A. B. Simpson 1996-02-01 Paul's letter to the Philippians provides a definition of the true Christian temperament that focuses, not so much on the essential elements of a holy character, but the finer qualities of those elements. There is a secret to such a life, says Simpson. It is "a single-hearted devotion to Jesus Christ. Not mere love, but devoted love. Not mere consecration, but entire consecration. Not just living for Christ, but living for Christ alone."

The Portrait of the Master-James Twyman 2012-06-01 St. Francis of Assisi is one of the most endearing and human characters of the Middle Ages. His influence today is just as strong as 800 years ago when he was founding his Order, talking to Popes and carrying the message of peace to the infidel. St. Francis traveled with the crusaders not to fight the Muslims, or even to preach to them, but to persuade them, and the Christians, to make peace and live together in harmony. This book focuses around his prayer, Lord, make me an instrument of thy peace, and in a series of charming vignettes, it shows how the prayer develops in the course of his pilgrimage through Italy towards the East and an uncertain fate. This book reads like an adventure mystery story, yet also brings a message of peace, love and hope. We travel with Francis and Brother Leo from Assisi to Syria, meeting fascinating characters and learning life lessons along the way. While a certain element of fiction has been added, the basic story is true. St. Francis' message is timeless, and this book brings him to life as few others have.
