Secrets of a Proper Lady-
Victoria Alexander 2009-10-13
Who will be the last man
standing? New York Times
bestselling author Victoria
Alexander's delicious series
about four men desperately
trying to avoid matrimony
continues... Lady Cordelia
Bannister simply cannot
marry a man she has not
chosen herself, no matter
what her father decrees. So,
pretending to be her own

companion, she decides to
seek out information about
her intended by meeting with
his secretary—a man who
soon beguiles her. But Lady
Cordelia doesn't know the
truth—the man can't resist is
really her intended, Daniel
Sinclair. Daniel has nearly
won the wager he made with
three of London's most
eligible bachelors. While two
of his compatriots have
surrendered to the shackles of
marriage, he's remained free

to woo any woman he chooses. Yet duty forces him to consider Lady Cordelia, so, determined to find a way to escape honor intact, he continues the masquerade he started. Each finds the other completely irresistible, but when they uncover their mutual mistaken identities, Daniel and Cordelia must make the most important choice of all...

The Rake's Defiant Mistress-
Mary Brendan 2014-10-15
Notorious rake, reckless widow Snowbound with society's most notorious rake, Ruth Hayden has to use every ounce of her defiant spirit to keep from falling into his arms. But behind his charm Sir Clayton Powell hides the pain and humiliation of a past betrayal. Her life marked with scandal, Ruth knows what it is to struggle on the fringes of society, but even she is shocked by the vicious gossip circulating about him.

Recklessly, she seeks to silence the rumour mill—by announcing their engagement. Then wonders how Clayton will take advantage of the situation...

A Man without a Mistress-
Bliss Bennet 2015-12-15 A

man determined to atone for the past For seven long years, Sir Peregrine Sayre has tried to assuage his guilt over the horrifying events of his twenty-first birthday by immersing himself in political work—and by avoiding all entanglements with the ladies of the ton. But when his mentor sends him on a quest to track down purportedly penitent prostitutes, the events of his less-than-innocent past threaten not only his own political career, but the life of a vexatious viscount's daughter as well. A woman who will risk anything for the future Raised to be a political wife, but denied the opportunity by her father's untimely death, Sibilla Pennington has little desire to wed as soon as her period of mourning is over. Why should she have to marry just so her elder brothers might be free of her hoydenish ways and her blazingly angry grief? To delay their plans, Sibilla vows only to accept a betrothal with a man as politically astute as was her father—and, in retaliation for her brothers' amorous peccadillos, only one who has never kept a mistress. Surely there is no

such man in all of London. When Sibilla's attempt to free a reformed maidservant from the clutches of a former procurer throw her into the midst of Per's penitent search, she finds herself inextricably drawn to the cool, reserved baronet. But as the search grows ever more dangerous, Sibilla's penchant for risk taking cannot help but remind Per of the shames he's spent years trying to outrun. Can Per continue to hide the guilt and ghosts of his past without endangering his chance at a passionate future with Sibilla? A Proper Mistress-Shannon Donnelly 2020-02-03 He needs a woman...Just for a few days, and not for anything except to get his brother back in their father's grace by getting himself into an even worse scrape. A low-born strumpet for a bride, seems the perfect plan until his father refuses to act as he should. Theo soon finds he wants more than he paid for, and his sweet Molly Sweet is far more than he ever bargained for. His proper mistress is anything but... She wants to be her own woman...A cook in a bawdy house, and an orphan with a

zest for live, Molly Sweet dreams of one day owning her own inn. She'll do almost anything to achieve that, including acting like a woman for sale. But it proves more difficult than expected when the lines between pretending love and the reality blur. She can't bring herself to sell her body, but she cannot avoid giving away her heart. The only question now is will it land in accepting hands? The Officer and the Proper Lady-Louise Allen 2010-12-01 Major Hal Carlow was a fine soldier, but he was also a flirt, a rake and a scoundrel! In general, he tried to steer clear of proper young ladies—no fun at all—and spend time with the sort of women who appreciated his finer qualities.... Miss Julia Tresilian's duty was to find a husband, but her prospective suitors bored her to tears. Yet even talking to the incorrigible Hal Carlow was dangerous to her marriage prospects, let alone anything more.... The Duke's Mistress (Regency Unlaced 1)-Carole Mortimer 2015-11-04 The young widow Lady Dorothea Fitzroy is bored with her life. Most

especially so with her role as mistress of her brother's household, and the endless round of society engagements this forces her to endure. What Thea so badly needs is a secret and passionate lover, to become mistress of another kind entirely, and so add excitement and spice into her humdrum life. But where is she to find this handsome and inexhaustible gentleman? Julian Remington, the arrogant and haughty 17th Duke of Blackmoor has no interest in finding a mistress for his bedroom or his home. He's jaded, cynical, and distrustful when it comes to women. One woman, a woman from his past, has caused too much grief in his life for him to ever trust another. Thea and Julian are about to be caught up in a passion for each other that blazes so fiercely, and so out of control, it is beyond the power of either of them to resist. The Duke's Mistress is the story of an arrogant duke and an adventurous young widow, caught up in their insatiable desire for each other, the vengeful woman who would like nothing better than to see Blackmoor suffer as she has

suffered, and believes Thea Fitzroy to be the means by which she will achieve it. Author's Note: Please be aware that the stories in the Regency Unlaced Series are more explicit in language and sexual content than my other books.

The Perfect Mistress-Victoria Alexander 2011-02-01 Let #1 New York Times bestselling author Victoria Alexander sweep you away with her dazzling new romance, in which one otherwise proper lady discovers that passion is her legacy. . . Widowed Julia, Lady Winterset, has inherited a book--a very shocking book--that every gentleman in London seems to want. For a charismatic businessman, it's a chance to build an empire. For a dashing novelist, it could guarantee fame. But to a proud, domineering earl, it means everything. . . Harrison Landingham, Earl of Mountdale, can't let the obstinate Julia release the shameless memoir that could ruin his family's name. But the only way to stop her may be equally sordid--if far more pleasurable. For his rivals are intent on seducing the captivating woman to acquire

the book. And Harrison isn't the sort to back away from a competition with the stakes this high. Now the winner will claim both the scandalous memoirs and the heart of their lovely owner. . . "Warm, witty and wise." --Julia Quinn, New York Times bestselling author

The Scent of Murder-Felicity
Young 2014-02-01 The third
Dr Dody McClelland mystery
... Agatha Christie meets
Phryne Fisher. 'If a black dog
appears along the old corpse
way, the route a funeral
procession takes to the
churchyard, it is thought to be
escorting the dead soul to the
afterlife. A black dog sighting
without a funeral procession,

however, is supposed to
foreshadow death.' For Doctor
Dody McClelland, the
unearthing of an ancient
skeleton in a dry riverbed is a
welcome break from the
monotony of chaperoning her
younger sister at a country
house near the isolated
hamlet of Piltdown. But when
she begins her analysis of the
bones, Britain's first female
autopsy surgeon discovers
they are much more recent -
and they are the result of
murder. With Chief Inspector
Matthew Pike's help Dody
begins to investigate. Soon
she finds herself pitted
against ugly traditionalism,
exploitation, spectral dogs, a
ghostly hunt and a series of
events that not only threaten
her belief in scientific
rationalism, but threaten her
life itself. 'A classic, with fluid
and atmospheric storytelling
... Young's skilful narration
captivates and intrigues. Her
medical knowledge provides a
veracity that brings the action
alive. there is romance,
suspense, fleeting glimpses of
the supernatural and
exploration of the good and
truly evil in human nature ...
The Scent of Murder
incorporates memorable

characters, immersed in an interesting historical period, with love and tragedy intertwined. It has sentiment without sentimentality.' WEST AUSTRALIAN

Language and Woman's Place-

Robin Tolmach Lakoff

2004-07-22 The 1975

publication of Robin Tolmach

Lakoff's Language and

Woman's Place, is widely

recognized as having

inaugurated feminist research

on the relationship between

language and gender,

touching off a remarkable

response among language

scholars, feminists, and

general readers. For the past

thirty years, scholars of language and gender have been debating and developing Lakoff's initial observations.

Arguing that language is fundamental to gender inequality, Lakoff pointed to two areas in which

inequalities can be found:

Language used about women, such as the asymmetries

between seemingly parallel

terms like master and

mistress, and language used

by women, which places

women in a double bind

between being appropriately

feminine and being fully

human. Lakoff's central

argument that "women's

language" expresses

powerlessness triggered a

controversy that continues to

this day. The revised and

expanded edition presents the

full text of the original first

edition, along with an

introduction and annotations

by Lakoff in which she reflects

on the text a quarter century

later and expands on some of

the most widely discussed

issues it raises. The volume

also brings together

commentaries from twenty-six

leading scholars of language,

gender, and sexuality, within

linguistics, anthropology,

modern languages, education, information sciences, and other disciplines. The commentaries discuss the book's contribution to feminist research on language and explore its ongoing relevance for scholarship in the field. This new edition of *Language and Woman's Place* not only makes available once again

the pioneering text of feminist linguistics; just as important, it places the text in the context of contemporary feminist and gender theory for a new generation of readers.
