The Templar's Revenge-J. Robert Kennedy 2017-06-28 *** A USA TODAY BESTSELLER FROM MILLION COPY SELLING AUTHOR J. ROBERT KENNEDY *** ARE EIGHT CENTURIES OF DUTY AND HONOR ABOUT TO COME TO AN END? The True Cross, revered by Christianity as that upon which Jesus Christ was crucified, was lost to the Muslims led by Saladin during the Battle of Hattin on July 4th, 1187 AD. This is history as it was written. But it is wrong. Join Archaeology Professor James Acton and his wife Laura Palmer, as they are thrust into the middle of a bitter conflict between what remains of the Knights Templar, torn apart over an oath sworn 800 years ago, an oath that may destroy them once and for all, taking Acton and Laura with them. From USA Today and million copy bestselling author J. Robert Kennedy comes The Templar's Revenge, the next installment in the action-packed globe-spanning James Acton Thrillers series, certain to have you on the edge of your seat from page one. If you enjoy fast-paced adventures in the style of Dan Brown, Clive Cussler, and James Rollins, then you'll love this thrilling tale of archaeological intrigue. Get The Templar's Revenge today, and discover what really happened to the True Cross, and the Knights Templar! About the James Acton Thrillers: [REDACTED] "James Acton: A little bit of Jack Bauer and Indiana Jones!" Though this book is part of the James Acton Thrillers series, it is written as a standalone novel and can be enjoyed without having read any of the previous installments. [REDACTED] "Non-stop action that is impossible to put down." The James Acton Thrillers series and its spin-offs, the Special Agent Dylan Kane Thrillers and the Delta Force Unleashed Thrillers, have sold over one million copies. If you love non-stop action and intrigue with a healthy dose of humor, try James Acton today! [REDACTED] "A great blend of history and current headlines." USA Today bestselling author J. Robert Kennedy's novels are ideal for fans of Dan Brown, Clive Cussler, James Rollins, Tom Clancy, and James Patterson, and those who enjoy intense action and intrigue with a healthy dose of humor and a touch of romance. Readers interested in action adventure, archaeological mysteries, historical fiction, men's adventure, conspiracies and ancient mysteries, will love the James Acton Thrillers. If spies and espionage is your thing, then check out the CIA Special Agent Dylan Kane Thrillers for riveting tradecraft action. And for those who prefer the team approach and Special Forces, check out the Delta Force Unleashed series for exciting military thrills. Or maybe you just feel like a mystery? Check out the Detective Shakespeare Mysteries for dark, intense psychological thrillers.

Environment, Health, and Safety-Lari A. Bishop 1997 The Nowhere City-Alison Lurie 2012-11-13 In this "excellent" novel of "rare understanding" from a Pulitzer Prize-winning author, culture shock consumes a young Harvard couple in Los Angeles (The New York Times). When his mentor at Harvard University suddenly leaves for Washington, Paul Cattleman finds himself adrift in the wilds of academia. After losing his fellowship, he is out of work and one thesis short of a PhD. Rather than doom his career by taking what he considers to be an unsuitable job, he finds a temporary position at the Nutting Research and Development Corporation in Los Angeles, a city whose superficial charms signal an adventure. He is ready to make the best of his year out west among the beatniks and Hollywood hippies. The only thing holding him back is his wife. Katherine is a New Englander through and through, and as soon as she steps into the LA smog, she knows this transition will be a struggle. What Paul sees as fun, she considers vulgar. Bugged down by her allergies and crumbling marriage, she seeks out a shrink, who surprises and transforms her. While Los Angeles may be a culturally wasteland, this East Coast girl will find that West Coast pleasures can be quite a lot of fun. The National Book Award-shortlisted author of Foreign Affairs "writes coolly and wickedly" of freedom and self-discovery in this witty novel (The New Yorker). This ebook features an illustrated biography of Alison Lurie including rare images from the author's collection.

Doggybags - Fresh flesh & hot chrome-Guillaume Singelin 2019-02-21T00:00:00+01:00 A frantic, high-speed chase with a gang of werewolf bikers. Georges Perec - A life in Words-David Bellos 2010-11-30 "It's hard to see how anyone is ever going to better this User's Manual to the life of Georges Perec" - Gilbert Adair, Sunday Times Winner of the Prix Goncourt for Biography, 1994 Georges Perec (1936-82) was one of the most significant European writers of the twentieth century and undoubtedly the most versatile and innovative writer of his generation. David Bellos's comprehensive biography - which also provides the first full survey of Perec's irreverent, polymathic oeuvre - explores the life of an anguished, comical and endearingly modest man, who worked quietly as an archivist in a medical research library. The French son of Jewish immigrants from Poland, he remained haunted all of his life by his father's death in the war, fighting to defend France, and his mother's in Auschwitz-Birkenau. His acclaimed novel A Void (1969) - written without using the letter "e" - has been seen as an attempt to escape from the words "père", "mere", and even "George Perec". His career made an auspicious start with Things: A Story of the Sixties (1965), which won the Prix Renaudot. He then pursued an idiosyncratic and ambitious literary itinerary through the intellectual ferment of Paris in the 1960s and 1970s.He belonged to the Ouvrier de Littérature Potentielle (Oulipo), a radically inventive group of writers whose members included Raymond Queneau and Italo Calvino. Perec achieved international celebrity with Life A User's Manual (1978), which won the Prix Médicis and was voted Novel of the Decade by the Salon du Livre. He died in his mid-forties after a short illness, leaving a truly puzzling detective novel, 53 Days, incomplete. "Professor Bellos's book enables us at once to relish the most willfully bizarre aspects of Perec's oeuvre and to understand the whys and wherefores of his protean nature" - Jonathan Romney, Literary Review Hallelujah Trombone!-Paul E. Bierley 2003

The Secret Art of Seamm-Jasani-Asanaro 2003 Provides instruction on the ancient Tibetan movement system, offering breathing and movement exercises to increase vitality, promote health, decrease illness, and find relaxation and calm.

Murder by Injection-Eustace Clarence Mullins 2016-04-21 T he present work, the result of some forty years of investigative research, is a logical progression from my previous books: the expose of the international control of monetary issue and banking practices in the United States; a later work revealing the secret network of organizations through which these alien forces wield political power-the secret committees, foundations, and political parties through which their hidden plans are implemented; and now; to the most vital issue of all, the manner in which these depredations affect the daily lives and health of American citizens. Despite the great power of the hidden rulers, I found that only one group has the power to issue life or death sentences to any American-our nation's physicians. I discovered that these physicians, despite their great power, were themselves subjected to very strict controls over every aspect of their professional lives. These controls, surprisingly enough, were not wielded by any state or federal agency, although almost every other aspect of American life is now under the absolute control of the bureaucracy. The physicians have their own autocracy, a private trade association, the American Medical Association. This group, which is headquartered in Chicago, Illinois, had gradually built up its power until it assumed total control over medical schools and the accreditation of physicians. The trail of these manipulators led me straight to the same lairs of the international conspirators whom I had exposed in previous books. I knew that they had already looted America, reduced its military power to a dangerously low level, and imposed bureaucratic controls on every American. I now discovered that their conspiracies also directly affected the health of every American. This conspiracy has resulted in a documented decline in the health of our citizens. We now rank far down the list of civilized nations in infant mortality and other significant medical statistics. I was able to document the shocking record of these cold-blooded tycoons who not only plan and carry out famines, economic depressions, revolutions and wars, but who also find their greatest profits in their manipulations of our medical care. The cynicism and malice of these conspirators is something beyond the imagination of most Americans. They deliberately mulct our people of millions of dollars each year through "charitable" organizations and then use these same organizations as key groups to bolster their Medical Monopoly. Fear and intimidation are the basic techniques by which the conspirators maintain their control over all aspects of our health care, as they ruthlessly crush any competitor who challenges their profits. As in other aspects of their "behavioural control" over the American people, their most constantly used weapon against us is their employment of federal agents and federal agencies to carry out their intrigues. The proof of this operation may be the most disturbing revelation of my work.

The Witchfinder-Maurice Hilliard 1974-01-01

Ten Seconds-Lucian Lupescu 2019-04-28 The ten loosely interconnected stories in this collection (nine flash fiction and one short story) focus on small moments of everyday life. Overall, the book tries to present, metaphorically, a human life, from birth to death.

Myth, Ethos, and Actuality-David Castrioti 1992 Using material remains, as well as the evidence of contemporary Greek history, rhetoric, and poetry, David Castrioti interprets the Athenian monuments as vehicles of an official ideology intended to celebrate and justify the present in terms of the past. Castrioti focuses on the strategy of ethical antithesis that asserted Greek moral superiority over the "barbaric" Persians, whose invasion had been repelled a generation earlier. He examines how, in major public programs of painting and sculpture, the leading artists of the period recast the Persians in the guise of wild and impious mythic antagonists to associate them with the ethical flaws or weaknesses commonly ascribed to women, animals, and foreigners. The Athenians, in contrast, were compared to mythic protagonists representing the excellence and triumph of Hellenic culture. Castrioti's study is innovative in emphasizing the ethical implication of mythic precedents, which required substantial alterations to render them more effective as archetypes for the defense of Greek culture against a foreign, morally inferior enemy. The book looks in new ways at how the patrons and planners sought to manipulate viewer response through the selective presentation or repackaging of mythic traditions.

Donkey Jokes-Joe King

L' Atelier D'Ingres-Amaury-Duval 2013-09 Ce livre historique peut contenir de nombreuses coquilles et du texte manquant. Les acheteurs peuvent generalement telecharger une copie gratuite scannee du livre original (sans les coquilles) apres de l'editeur. Non reference. 1878 edition. Extrait: ... mon temps a le consoler...Enfin, il fut convenu qu'il recommencerait. Un jour qu'Ingres dinait ici, nous prenions, comme aujourd'hui, a cette meme place, le cafe en plein air; je causais avec un ami, et j'etais, paraît-il, dans la pose du portrait. Ingres se leve, s'approche de moi, et me parlant presque a l'oreille: Venez poser demain, me dit-il; votre portrait est fait. Le lendemain, en effet, je reprisais mes seances, qui furent de tres-courte duree; en moins d'un mois, le portrait fut acheve. J'eus la bonne fortune d'aller voir ce portrait chez M. Ingres avant l'ouverture du Salon. Je me souviens, comme si j'y etais, de l'impression etrange qu'il me produisit, et il me fallut quelques instants avant de m'accoutumer au ton violace de cette peinture. Je l'ai revu depuis bien souvent, j'en ai meme fait une copie, et je m'explique un mot de M. Ingres, que je ne comprenais pas alors: C'est le temps qui se charge de finir mes ouvrages. Ce portrait a completement perdu l'aspect qui m'avait frappe, et voici pourquoi. Les laques dont M. Ingres 'avait l'habitude de se servir sont de peu de duree, la lumiere tend a les absorber; l'huile au contraire jaunit, 'et ses peintures anciennement faites, en perdant leurs tons violaces et en prenant une teinte dorée par l'action du temps sur l'huile, ont gace, sinon comme couleur, du moins comme aspect general. Cela etait bien sensible a l'exposition ou figurent les deux portraits dont je parle. Celui de madame de Vaucay avait l'apparence d'un portrait...

Kyoto City of Zen-Judith Clancy 2013-01-10 This travel pictorial and Japan travel guide captures the sites and soul of Kyoto—Japan's historical and spiritual center. An elaborate kaleidoscope of craft, artistry and religion, Kyoto is one of the world's most popular travel destinations. Art and design form the weft and warp of this vibrant 1,200-year-old city, home to hundreds of gardens, palaces, villas and magnificent wooden temples, including seventeen UNESCO World Heritage sites. Like a Zen koan, Kyoto defies easy description. Its citizens may work at Nintendo designing video games, at a company designing precision medical instruments, or sitting cross-legged meticulously affixing micro-thin flakes of gold foil onto a painting. All of them share a living heritage grounded in centuries of traditional culture. In Kyoto: City of Zen, local Kyoto expert Judith Clancy presents the most important gardens, temples, shrines and palaces of this ancient capital city and enduring cultural center. In addition to unveiling the city's spiritual and historical riches, this travel book shares with readers the exquisite foods, artistic crafts, religious ceremonies and architectural traditions that have flourished in Kyoto for over a millennium. Tea ceremonies, calligraphy, weaving, pottery, painting, drama, and many more traditional arts and

crafts are presented through more than 350 photographs by Ben Simmons, whose images capture the true essence of Kyoto. The city's natural setting also comes into form as you walk along leafy mountain paths and through spectacular parks and gardens viewing the best foliage each season has to offer.

Parallel Lines-Stephen Bann 2001 The nineteenth century was a remarkable period in art history during which the practices of painting, printmaking and photography intersected in new and unexpected ways. Massive changes in the technology of reproduction took place, and France in particular became a leading testing ground for new printing and photographic techniques. This abundantly illustrated book investigates for the first time the complex and lively interactions between painting, printmaking and photography in France during the 1800s. Cultural historian Stephen Bann explores why rising reproductive media did not supplant traditional modes and how, instead, printmakers, photographers and painters influenced and inspired each other's work, together creating a visual culture of unique richness and breadth. The book focuses especially on pictorial reproduction involving painting, printmaking and photography in combination. Bann includes in the discussion the interweaving careers of Ingres and such contemporary painters as Vernet and Delaroche, such printmakers as lithographer Nicolas Charlet and engraver Luigi Calamatta and such pioneering photographers as Niepce, Daguerre and Robert Bingham. Setting the nineteenth-

The Mythic Journey-Liz Greene 2017-03-01 Greek gods, Norse heroes, Polynesian tricksters, and Native American warriors—they all have lessons to teach us. Since the beginning of time, human beings have relied on myths, fairy tales, and fables to explain life's mysteries. Bringing a fresh perspective to these age-old tales, Liz Greene and Juliet Sharman-Burke reveal how seekers today can find comfort and support in the legends and lore of the past. The Mythic Journey explores the psychological themes of many mythical traditions, recounting stories from Greco-Roman, Hebrewic, Egyptian, Celtic, Norse, and various Eastern civilizations. More than 50 myths are beautifully retold, and each is followed by a psychological overview explaining how we can apply the story to our own lives. The Mythic Journey is a handbook for human life, guiding readers from the conflicts of family and childhood, through problems of love, intimacy, and ambition, and ultimately to the point when we must face our own mortality. We discover that true self-knowledge comes through facing life's challenges with courage and strength; that beauty, talent, power, and wealth bring their own forms of suffering; and that in the darkness of loneliness, failure, and loss, we have always discovered new light and new hope.

Portrait of a Man (Le Condottière)-Georges Perec 2014 Gaspard Winckler, master forger, is trapped in a basement studio on the outskirts of Paris, with his paymaster's blood on his hands. The motive for this murder? A perversion of artistic ambition. After a lifetime lived in the shadows, he has strayed too close to the sun. Fittingly for such an enigmatic writer, Portrait of a Man is both Perec's first novel and his last. Frustrated in his efforts to find a publisher, he put it aside, telling a friend: 'I'll go back to it in ten years when it'll turn into a masterpiece, or else I'll wait in my grave until one of my faithful exegetes comes across it in an old trunk.' An apt coda to one of the brightest literary careers of the twentieth century, it is - in the words of David Bellos, the 'faithful exegete' who brought it to light - 'connected by a hundred threads to every part of the literary universe that Perec went on to create - but it's not like anything else that he wrote.'

Borrowed Body-Valerie Mason-John 2013 'I could have been born and raised in Africa. But my Spirit was in too much of a rush to be reincarnated...At six weeks I was chucked out into the new year of 1965 which wasn't prepared to welcome an African baby, abandoned on a harsh English winter's day.' So begins Pauline's spirited and moving story of her childhood and teenage years in and out of foster homes and back and forth to Dr. Barnardo's Village in Essex. Her Barnardo's family was ruled by an unlikely trio--Auntie Claire, a fervent Christian; her laconic husband, the German Jewish Uncle Boris; and Auntie Morag, the cook. And, of course, other kids orphaned or abandoned like Pauline. Woven into this account are Pauline's angel and spirit companions--Sparky, Annabel and Snake-- who by turns help and hinder her to survive in the "real world." The Barnardo's good times are shattered by the sudden visits of her mother, whom she calls Wunmi and with whom she goes to live in a London high-rise. Wunmi's method of refashioning Pauline into a dutiful African child is literally to knock the English out of her. Pauline tries other ways to survive--sniffing glue and shoplifting--until the harsh realities of detention centres and juvenile courts make Pauline think again...

The Reluctant Swordsman-Dave Duncan 2014-04-29 A young man is transformed into a barbarian fighter in this adventure from "one of the leading masters of epic fantasy" (Publishers Weekly). Wallie Smith can feel the pain. He goes to the hospital and remembers the doctors and the commotion, but when he wakes up it all seems like a dream. However, if that was a dream, how do you explain waking up in another body and in another world? Little Wallie finds himself in the physique of a barbarian swordsman, accompanied by both an eccentric priest babbling about the Goddess and a voluptuous slave girl. Is this a rude awakening or a dream come true? What in the world will Wallie do now that he has found himself stranded in a strange realm? Well, it just so happens that the Goddess is in need of a swordsman. It will not be easy, but if he succeeds he will have everything he wants. If he does not, things could get ugly. Wallie is reluctant but sees his chance. If only he had the faintest clue as to the adventure he is about to unleash! If only he could imagine the forces that will be out to vanquish him!

Revenge of the Fae-Carly Fall 2018-09-20 A Fae hell-bent on Revenge. A shifter prison guard searching for answers. And a dangerous path to cross. When a family member is murdered, Avery Dubois is led to believe the murderer isn't human. But her wildly dangerous journey for the truth ends when she is thrown into solitary confinement in a paranormal pentagon. With the help of a were-shifter guard–Gabe–she discovers a theft from his pack may very well be connected to the murder of her loved one. Gabe agrees to break her out of prison on one condition: she provides him with the information she discovered to hunt down the one responsible for both crimes. But rivalry between Fae and Shifters goes back several generations, and neither knows if they can really trust the other. And as they work together to solve both cases, Avery quickly realizes that helping Gabe could put her in more danger. If she doesn't, however, they could both end up dead. Fans of Patricia Briggs and the Blacklist will love this exciting urban fantasy romance!

Kyoto Gardens-Judith Clancy 2015-03-10 "Bring the art and beauty of Japan to your garden with inspiration from Kyoto Gardens." —HGTV Gardens Featuring beautiful Japanese garden photography and insightful writing, Kyoto Gardens is a labor of love from master photographer Ben Simmons and Kyoto-based writer Judith Clancy. In their rocks and plants, empty spaces and intimate details—Kyoto's gardens manifest a unique ability to provoke thought and delight in equal measure. These varied landscapes meld the sensuality of nature with the disciplines of cosmology, poetry and meditation. Japanese aristocrats created these gardens to display not just wealth and power, but cultural sensitivity and an appreciation for transcendent beauty. A class of professional gardeners eventually emerged, transforming Japanese landscape design into a formalized art. Today, Kyoto's gardens display an enormous range of forms—from rock gardens display of extreme minimalism and subtle hues, to stroll gardens of luscious proportions and vibrant colors. In Kyoto Gardens Simmons' photographs present a fresh and contemporary look at Kyoto's most important gardens. Their beauty is enhanced and humanized by gardeners tending the grounds using the tools of their art. Clancy's graceful text provides historic, aesthetic and cultural context to the Japanese gardens. Combining wonder and rigor, she describes how Kyoto's most beloved gardens remain faithful to their founders' creative spirit and conception. Journey to Kyoto's thirty gardens with just a turn of a page, or use the handy maps to plan your trip.

The Tale of the Tardy Oxcart-Charles R. Swindoll 1998-10-11 In The Tale of The Tardy Oxcart, Charles Swindoll shares from his lifelong collection of his and others' personal stories, sermons, and anecdotes. 1501 various illustrations are arranged by subjects alphabetically for quick-and-easy access. A perfect resource for all pastors and speakers. Publisher's Note: This book is now available as Swindoll's Ultimate Book of Illustrations & Quotes (ISBN 0785250255)

The Temple of Shamanic Witchcraft-Christopher Penczak 2005 Is shamanism all that different from modern witchcraft? According to Christopher Penczak, Wicca's roots go back 20,000 years to the Stone Age shamanic traditions of tribal cultures worldwide. A fascinating exploration of the Craft's shamanic elements, The Temple of Shamanic Witchcraft offers year-and-a-day training in shamanic witchcraft. Penczak's third volume of witchcraft teachings corresponds to the water element - guiding the reader into this realm of emotion, reflection, and healing. The twelve formal lessons cover shamanic cosmologies, journeying, dreamwork, animal/plant/stone medicine, totems, soul retrieval, and psychic surgery. Each lesson includes exercises (using modern techniques and materials), assignments, and helpful tips. The training ends with a ritual for self-initiation into the art of the shamanic witch - culminating in an act of healing, rebirth, and transformation. COVR Award Winner

The Second Death of Ramón Mercader-Jorge Semprun 1973-01-01

The Temple of High Witchcraft-Christopher Penczak 2007-01 Penczak invites witches to continue their spiritual evolution by exploring the ceremonial arts. Learn how these two traditions intersect in history and modern magical practice.

The Sekhmet Bed-Libbie Hawker 2014-02-06 Is Ahmose's divine gift a blessing or a curse? The second daughter of the Pharaoh, Ahmose has always dreamed of a quiet life as a priestess, serving Egypt's gods, ministering to the people of the Two Lands. But when the Pharaoh dies without an heir, she is given instead as Great Royal Wife to the new king – a soldier of common birth. For Ahmose is god-chosen, gifted with the ability to read dreams, and it is her connection to the gods which ensures the new Pharaoh his right to rule. Ahmose's elder sister Mutnofret has been raised to expect the privileged station of Great Royal Wife; her rage at being displaced cannot be soothed. As Ahmose fights the currents of Egypt's politics and Mutnofret's vengeful anger, her youth and inexperience carry her beyond her depth and into the realm of sacrilege. To right her wrongs and save Egypt from the gods' wrath, Ahmose must face her most visceral fear: bearing an heir. But the gods of Egypt are exacting, and even her sacrifice may not be enough to restore the Two Lands to safety.

The Speech-Gary Younge 2013-08-12 In this "slim but powerful book," the award-winning journalist shares the dramatic story surrounding MLK's most famous speech and its importance today (Boston Globe). On August 28, 1963, Dr. Martin Luther King Jr. led the historic March on Washington for Jobs and Freedom, where he delivered the most iconic speech of the civil rights movement. In The Speech, Gary Younge explains why King's "I Have a Dream" speech maintains its powerful social relevance by sharing the dramatic story surrounding it. Today, that speech endures as a guiding light in the ongoing struggle for racial equality. Younge roots his work in personal interviews with Clarence Jones, a close friend of Martin Luther King Jr. and his draft speechwriter; with Joan Baez, a singer at the march; and with Angela Davis and other leading civil rights leaders. Younge skillfully captures the spirit of that historic day in Washington and offers a new generation of readers a critical modern analysis of why "I Have a Dream" remains America's favorite speech. "Younge's meditative retrospection on [the speech's] significance reminds us of all the micro-moments of transformation behind the scenes—the thought and preparation, vision and revision—whose currency fed that magnificent lightning bolt in history." —Patricia J. Williams, legal scholar and theorist

The Rule of Luck-Catherine Cerveny 2016-01-26 Year 2950. Humanity has survived devastating climate shifts and four world wars, coming out stronger and smarter than ever. Advanced technology is available to all, and enhancements to appearance, intelligence, and physical ability are commonplace. In this future, Felicia Sevigny has built her fame reading the futures of others. Alexei Petriv, the most dangerous man in the TriSystem, will trust only Felicia to read his cards. But the future she sees is darker than either of them could ever have imagined. A future that pits them against an all-knowing government, almost superhuman criminals, and something from Felicia's past that she could never have predicted, but that could be the key to saving -- or destroying -- them all. "Cerveny's debut blends steamy sci-fi with breathless intrigue and action, all set on a far-future Earth that's equal parts fascinating and terrifying."-Beth Cato, author of The Clockwork Dagger and Breath of Earth "Imaginative. Fans of romance in science fiction are going to love this!"-Kim Harrison, #1 New York Times bestselling author Felicia Sevigny novels The Rule of Luck The Chaos of Luck The Game of Luck

Buried to the Brim-Jenn McKinlay 2020-01-28 New York Times bestselling author Jenn McKinlay's beloved Hat Shop duo Scarlett Parker and Vivian Tremont return to don their slouching caps and solve a murder that's death in show. London's most refined canines and their humans are gearing up for the Pets and Wellness Society's annual dog show--and Betty Wentworth, favorite aunt to Scarlett's fiancé Harrison and proud owner of corgi front-runner Freddy, knows that this could be their year with the right edge. Never one to turn away a corgi in need, Scarlett convinces her milliner cousin, Vivian, to design matching hats for dream team Betty and Freddy as they compete for Best in Show. It's a tail wagging good time until the dog-fod sponsor of the event is found dead and Betty is the prime suspect. Vivian and Scarlett agree to enter the competition in Betty's place and help Harrison catch the real killer before Betty is collared for a crime she didn't commit.

The Southern Baker-Editors of Southern Living Magazine 2015-10-06 The South is rich in many traditions, and one of its most important is baking. The Scoundrel's Honor-Cherist Caldwell 2017-02-14 London, 1822. Thanks to her older siblings, Lady Penelope Tidemore is no stranger to scandal. In order for her to make a good match, her secret longings for intrigue and romance must be quelled. Yet it is through terrible mischance that Penelope is caught in a compromising position--however innocent--with the darkly enigmatic viscount Ryker Black. Mr. Black is no gentleman. Raised from the streets and proprietor of the most notorious gaming hell in London, Black lives in a world filled with debauchery and danger. Taking a Society wife from the very ton he despises is not part of his plan, even if the innocent Penelope turns his blood hot with desire. But Penelope isn't afraid of Mr. Black, and she soon discovers that his reputation as a scoundrel may be designed to hide a surprising vulnerability. As this unlikely husband and wife grow closer, they learn that what started as chance could end up sealing their fates.

The Sibling Constellation-Brian Clark 1999 Looks at the relationships of brothers and sisters through mythology, psychology, and astrology, and considers the astrological dynamics of sibling relationships

The Sentinel Mage-Emily Gee 2011-01-25 In a distant corner of the Seven Kingdoms, an ancient curse festers and grows, consuming everything in its path. Only one man can break it: Harkeld of Osgaard, a prince with mage's blood in his veins. But Prince Harkeld has a bounty on his head - and assassins at his heels. Innis is a gifted shapeshifter. Now she must do the forbidden: become a man. She must stand at Prince Harkeld's side as his armsman, protecting and deceiving him. But the deserts of Masse are more dangerous than the assassins hunting the prince. The curse has woken deadly creatures, and the magic Prince Harkeld loathes may be the only thing standing between him and death.
