His wicked thinking and juggernaut personality have propelled him from one challenge to the next without fail. Where most people set goals for themselves, Tom simply wakes up one day and does it, that's just how he is. What most of his competitors and employees don't know is that much of his tenacity and ferociousness is born from the wild. That is, from the wild feline that lives with him. From panther to housecat, Tom has the incredible ability to alter his form at will. Curvaceous and successful, Jacy is the vice-president of Majestic Enterprises, one of Calico's most powerful competitors. Her father, the owner of Majestic, is also a ruthless adversary of Tom's. So when he all but tells his daughter she must go to work for the enemy, Jacy is anything but thrilled. Like Tom, she's yet to find a challenge she can't handle. Yet for all her trickery and witchery, Jacy finds that perhaps she has met her match with her new boss. Love blooms, stocks rise, and personalities clash. Will the witch let herself be seduced by the allure of a black cat, or does the chaos reign supreme once more? Purrfect Storm Curvaceous Jacy wakes up at shrewd business man Thomas Puma's house

angrier than a witch full of hellfire with no memory of the night before. Fortunately for Thomas, he's able to cover his tracks and soothe her anger. Or so he thought. Things begin to backfire on her as she discovers more and more information about events she wish she didn't know had happened. All the secrets, plots, and plans are thrown into disarray when she gets caught red-handed. Fleeing from certain trouble, Jacy finds herself stuck in a situation only a blood-thirsty cougar could save her from. Will the wild cougar be able to save her from the upheaval that lies in store? Or is the witch doomed to let everything play out on its own? Purrfect Harmony After Jacy makes a run for it, Tom is left alone to sip tea in her apartment. Until he senses danger that is. Once his panther instincts kick in, he pounces on the scene to rescue the witch that just stole his car. Little does he know, she saw more in her semi-conscious state than he expected, and she's madder than a hellcat. After being released from the hospital, she springs some surprises on him of her own. Everything is going according to plan until the real world catches up with her, and she has a serious decision to make. One choice will doom Majestic forever, while the other will at least give it a fighting chance, albeit in a capacity that she doesn't like. All of the lies, conspiracies, and plots come together and reveal themselves once and for all. You never know what's going to happen when a panther and a witch are at a rival of wills. Will the panther be able to save himself from the upheaval the witch has in store for him? Or will love win out, leaving their homes and workplace in harmony? More from Misha:

The Purrfect Pawse-Avril McDonald 2018-08-07

In The Purrfect Pawse: A little book to help children pause, stretch and be grateful, Avril McDonald returns with some of the colourful, lovable characters from her Feel Brave series to help nurture young children's physical and mental well-being through a combination of activity and poetry. The Purrfect Pawse uses rhythm, rhyme and repetition to encourage children to take a pause, stretch out and unwind with Catreen the cat. Its beautiful verse brings to life pleasant imagery that connects them with the wonders of nature. The gentle stretching activity is an ideal example of a 'daily dose' of emotional well-being that children can effortlessly learn and incorporate into their day. The book also features the enchanting poem 'Stars in the Night', in which Wolfgang the wolf takes children on a magical starry journey into their minds to think about all the people, things and places they love, stir them around in a cup and drink them up like hot chocolate. 'Stars in the Night' not only warms children's hearts but also helps them get into a powerful, positive state of mind. Together, Catreen and Wolfgang offer both a positive message and an accessible level of activity that teachers can embed as part of their personal, social and health education (PSHE) objectives, and that parents can adopt for use at home with their children at any time (e.g. around the kitchen table, before bedtime). Designed for use with 4- to 7-year-olds.

(STANDALONE) Alyssa Moran is tired of being the old cat lady with no man. She has very specific needs and goes to visit Mrs. Wilder at the Paranormal Dating Agency. Shockingly enough, she is promised a man who likes cats, wants kids, likes curves and will be wild in bed. Grayson Green needs a mate. Fast. But he refuses to be pushed into anything. That is, until a curvy funny woman shows up in his territory saying she's there for him. Who is he to argue when someone as delectable as Alyssa decides she wants to give herself to him? Of course, not all is as it seems and some people want Alyssa gone and Gray dead. If Gray mates, the future of his pride will be sealed and no one can argue his place as leader. Unless it can be stopped before they ever get a chance to make some cubs. He will have to work hard at convincing a human she's the only one for him or lose his pride and his mate. Reader Note: This book contains scorching sex (the kind that will make you sweat and need ice cream), adult language (he's a very dirty talker and we like it), and violence. If this is not the kind of stuff you like to read, skip this book. However, if you like dirty, raunchy sex with a growly tiger on one funny curvy girl, then this is right up your alley. Enjoy!

Snowball's Christmas-Kristen McKanagh 2020 Snowball--an aptly named bundle of feline fluff--is thankful to be spending her first Christmas in the comfort of Weber Haus, the Victorian B&B run by Miss Tilly. Emily Diemer, who cooks for the guests, dotes on Snowball, but she's not thrilled about another new arrival at the B&B: Miss Tilly's nephew, Lukas. Which is odd, because Snowball's animal instincts tell her that Lukas and Emily should definitely be friends. Everything Emily needs is in this quaint community--including, she hopes, the chance to open her own bakery one day. She doesn't think much of Lukas for leaving his aging aunt to struggle while he jets around the world taking photographs. But now that he's here, helping to spruce up the property and getting mixed up in Snowball's antics, she begins to soften a little. Until she learns what he has planned . . . Lukas is going to sell Weber Haus so that Miss Tilly can retire. But Snowball is certain that this B&B, and these people, are supposed to be her forever home. Somehow she has to get these stubborn humans to see things through the wisdom of a cat's eye and a kitten's loyal, loving heart . . .

THE PURRFECTION TRILOGY:-Lynn Margaret Hamilton 2013-05-31 The Purrfect Trilogy was written for the millions of ordinary, everyday people who will move our civilization into a new era and feel overwhelmed by this task. These books are written to the science of vibration. Different levels of understanding are woven through the text, so one will be right for you. Each time you read them, your comprehension changes, as you can see more than you could before. As your comprehension changes, so your vibration changes, and manifests according to your new tone. As we understand within ourselves, so we manifest without—to explore our level of understanding, individually and collectively. Through this journey of the rational mind and the emotional heart, you'll explore different levels of understanding, eventually coming to see a bigger picture of yourself as you understand more about the human condition and our interconnectedness. Micro to macro. The only way to greater understanding of humanity and how we create is through greater understanding of self—and the magic within oneself. The magic we use every day, but often misuse, when we don't realize we're energy beings who use our mind to do magic—every day!

Purrfect English-Pamela Weintraub 2021-06-15 Some of the world's top experts, including devoted veterinarians, open a window into the minds of our feline freinds. Cats have become so beloved in recent years that some 75 million live in American homes as family pets. Another quarter million are community cats, increasingly serving us in barns, breweries, warehouses and more to keep rodents and other unwanted wildlife under control. Yet the cat has often seemed mysterious—compared to dogs, our cats can feel bit more aloof and difficult to truly "get." But new research into our feline friends now reveals their love for us, their secret language, including accents and dialects, and their inner depths. In a series of engaging stories featuring the world's top experts, veterinarians and pet-owners themselves, this premium book opens a window into the minds of our feline friends. Among the features: How to raise a kitten to become a great cat; how to understand your cat's purrs, meows and body language; how to teach

your cat tricks; and how to rescue a stranded cat and make it your own. A bonus feature covers

favorite breeds and the advantages each confers.
