A Quarter's Worth of Humor-James Brigleb  
2007-03-01 People love to smile, and this book should help. Whether it's telling these to others, or just reading them, the jokes, anecdotes, stories, and material in this book provides 45 opportunities to smile and laugh at good, clean humor. The author provides his background in sharing how these might be used in the classroom, business, or speaking engagement.  
A Sample Case of Humor-Strickland W. Gillilan  
1920

Vaudeville Humor-Paul M Levitt 2006-09-06  
Vaudeville Humor: The Collected Jokes, Routines, and Skits of Ed Lowry contains vaudeville jokes, skits, and routines from the first three decades of the twentieth century originally compiled by comedian Ed Lowry (1896- 1983). Although occasionally found in bits and pieces in anthologies and in some period dramatic comedies, vaudeville humor has never before been available in one collection— performers rarely if ever kept a record of their jokes and routines. Fortunately, Ed Lowry was an inveterate collector. He kept copious notebooks of jokes and routines that he not only commissioned but also stole from other comics, clipped from newspapers, and copied from now defunct popular magazines of the day. Editor Paul M. Levitt has reorganized the material into categories that preserve some of the flavor of Lowry' s scrapbooks yet provide for finer distinctions. Part one, " Jokes," is organized by subject matter and cataloged by genre, dialects, and wordplay. From " Accidents" to " Work," this exhaustive catalog of humor features over one thousand jokes with topics that range from city slickers and country hicks through midgits and

old maids to Swedes and tattoos. Part two, " MC Material: Biz, Jokes, Routines, and Skits" is germane to the job of master of ceremonies, routines, and skits. It features topics from fractured fairy tales to stuttering. Part three, an appendix, " Ed Lowry Laffter," reproduces a privately published collection that is now a rare collector' s item. " Although some of the jokes can undoubtedly be found in other places," explains Levitt in his introduction, " I know of no source as rich as this one for the twenties and thirties, a period so abundant in humor that for years afterward it fueled radio, cinema, and television."

The Encyclopedia of Wit, Humor, and Wisdom-Ken Alley 2000-07-11 Whenever you need an amusing story to hold attention, drive home a point in speech making to enliven conversation, or to read just for fun, the more than 4,100 peppery, bubbling stories in this volume will satisfy every demand. All are arranged alphabetically under subject. The index and cross-index makes it possible to locate the right story quickly. The range of this volume is far and wide. The stories are about people in all walks of life. All of them are wholesome and clean. And what is more, you will want to remember and retell these stories. Drawn from the vagaries, the foibles, and the peculiarities of human nature, they provide countless chuckles from many different locales. The ENCYCLOPEDIA of WIT, HUMOR and WISDOM is indispensable for public speakers, toastmasters, lawyers, ministers, educators, writers, salesmen, and those who love a good laugh.

 Encyclopedia of Wit, Humor and Wisdom-Leewin  
 Bell Williams 1949  
 A Subtreasury of American Humor-Elwyn Brooks  
 White 1962 In this, the most famous book of its  
 kind, American humor is presented at its best  
 and freshest. No effort was made by the editors  
 to make this collection the most complete or the  
 most historically representative collection of  
 American humorous writing. The sole idea was to  
 put together in one volume the funniest things  
 that have ever been written in this country. --  
 From publisher's description.  
 Media and Translation-Dror Abend-David  
 2014-07-31 Over the last decade there has been  
 a dramatic increase in publications on media and  
 translation. In fact, there are those who believe  
 that so much has been published in this field that  
 any further publications are superfluous. But if  
 one views media and translation as anything  
 ranging from film and television drama to news-  
 casting, commercials, video games, web-pages  
 and electronic street signs, it would seem that  
 research in media and translation has barely  
 scratched the surface. The research in this field

is shared largely by scholars in communication  
 and translation studies, often without knowledge  
 of each other or access to their respective  
 methods of scholarship. This collection will  
 rectify this lack of communication by bringing  
 such scholars together and creating a context for  
 a theoretical discussion of the entire emerging  
 field of Media and Translation, with a preference  
 for theoretical work (rather than case studies) on  
 translation and communications of various forms,  
 and through various media.  
 Humor and Society-Marvin R. Koller 1988  
 Joey Adams' Speaker's Bible of Humor-Joey  
 Adams 1972  
 America's Humor-Walter Blair 1980-06-01 Shows  
 that forms of humor considered typically  
 American are products of specific historical  
 events from exploration and settlement to the  
 growth of countercultures, and spotlights famous  
 and less-celebrated creators of comedy  
 AN ANTHOLOGY OF AMERICAN HUMOR-BROM  
 WEBER 1962  
 Adweek- 2000 Vols. for 1981- include four special  
 directory issues.  
 African American Humor-Mel Watkins 2002 With  
 an historical introduction provided for each  
 chapter, an anthology of African American humor  
 reveals much about changes in American society.  
 Turn Your Humor Into Money-Sidney K. Margolis  
 1938  
 Brandweek- 2000  
 The Fortress Walls Within-KEN JACKSON  
 2012-11-29 The Fortress Walls Within is  
 everyone's story. Each person's experiences are  
 different with different backgrounds to guide our  
 lives but ultimately all people struggle with the  
 world around them building the walls they need  
 to protect themselves. This is a story of one  
 man's journey; One man's awakenings and One  
 man's awareness that is possible for each of us.  
 The story will appear simple at times, mysterious  
 in other moments and will offer insights that only  
 the reader will understand. The character in this  
 book fights for his own destiny. Can you do the  
 same?
