White, Sheri White, William Whorton, Jay Wilburn, Matthew Wilson, Robert S. Wilson, and Wol-vriey. Flesh and Bone and Water-Luiza Sauma 2017-06-20 From an exciting new voice in literary fiction, a seductive, dazzling, atmospheric story of family, class, and deception set against the mesmerizing backdrops of Rio de Janeiro, the Amazon River, and London. André is a listless Brazilian teenager and the son of a successful plastic surgeon who lives a life of wealth and privilege, shuttling between the hot sands of Ipanema beach and his family's luxurious penthouse apartment. In 1985, when he is just sixteen, André's mother is killed in a car accident. Clouded with grief, André, his younger brother Thiago, and his father travel

with their domestic help to Belem, a jungle city on the mouth of the Amazon, where the intense heat of the rainforest only serves to heighten their volatile emotions. After they arrive back in Rio, André's father loses himself in his work, while André spends his evenings in the family apartment with Luana, the beautiful daughter of the family's maid. Three decades later, and now a successful surgeon himself, André is a middle-aged father, living in London, and recently separated from his British wife. He drinks too much wine and is plagued by recurring dreams. One day he receives an unexpected letter from Luana, which begins to reveal the other side of their story, a story André has long repressed. In deeply affecting prose, debut novelist Luiza Sauma transports readers to a dramatic place where natural wonder and human desire collide. Cutting across race and class, time and place, from London to Rio to the dense humidity of the Amazon, *Flesh and Bone and Water* straddles two worlds with haunting meditations on race, sex, and power in a deftly plotted coming-of-age story about the nature of identity, the vicissitudes of memory, and how both can bend to protect us from the truth.

Actosite: Wrath of the Flesh Devils-R F Katin A family from the USA travel to Brazil where they find themselves lost and abandoned in the Amazonian rain forest. They must fight for their survival as they face numerous dangers, among them is a little known flesh eating animal that the natives believe was sent by the Devil himself a beast they call the Actosite.

Because I Was Flesh: The Autobiography of Edward Dahlberg-Edward Dahlberg 1967-01-17 Because I Was Flesh is the story of Edward Dahlberg's life as a child and young man, and a portrait in depth of the remarkable woman, his mother Lizzie, who shaped it. Because I Was

Flesh is an authentic record from the inferno of modern city life, and a testament of American experience. Lizzie Dahlberg, separated from a worthless husband, works as a lady barber to keep herself and her son in shabby respectability amid the vice and brutality of Kansas City in the early 1900's. Her constant objective: to acquire a new husband who can give her security and help educate the child. She is attractive to men, but fate never brings her a good one. One suitor makes her put the boy in an orphanage--years of torment that are brilliantly described--and then betrays her. Another does marry her--and disappears with her savings. Lizzie is in despair, but soon begins to laugh at life again and arches her bosom for the next prospect. As he grows through a sensitive, painful adolescence, Edward is both fascinated and appalled by his mother. He adores her but is ashamed of her. He tries to escape, bumming his way to Los Angeles and later going to college in Berkeley, but is always drawn back. Even her death, with which the book ends, cannot release him. Seldom has there been so ruthless, and yes so tender a dissection of the mother-son relationship. And from it Lizzie Dahlberg emerges as one of the unforgettable characters of modern literature.

The Snakes of South Africa-Frederick William Fitzsimons 1912

A Quick Bite-Nancy Martin 2015-03-17 That hot guy tied to Lissianna Argeneau's bed? He's not dessert—he's the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood...an especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That's a question Dr. Greg might be willing to sink his teeth into...if he can just get Lissianna to bite.

The King of Flesh and Blood-Moshe Shamir 1958
The novel is set against the backdrop of the spectacular conquests and the humiliating defeat of Judea's Hasmonean kings, bitter strife between the Pharisees and Sadducees, and the clash between Greek and Hebrew civilization.

Yannai was imprisoned by his elder brother Aristobulus but released by the latter's young widow Salome Alexandra, on Aristobulus' death. Yannai was imprisoned by his elder brother Aristobulus but released by the latter's young widow Salome Alexandra, on Aristobulus' death. Yannai was ambitious and self-aggrandizing, but Salome prevented him from persecuting the Pharisees (the popular group which was loyal to both the Written and Spoken Torah), for a short while, and excessively oppressing the people of Israel. But not for long.

The Flesh and Mary Duncan-Monte Sohn 1948
When Technology Fails-Matthew Stein

2008-08-18 There's never been a better time to "be prepared." Matthew Stein's comprehensive primer on sustainable living skills—from food and water to shelter and energy to first-aid and crisis-management skills—prepares you to embark on the path toward sustainability. But unlike any other book, Stein not only shows you how to live "green" in seemingly stable times, but to live in the face of potential disasters, lasting days or years, coming in the form of social upheaval, economic meltdown, or environmental catastrophe. When Technology Fails covers the gamut. You'll learn how to start a fire and keep warm if you've been left temporarily homeless, as well as the basics of installing a renewable energy system for your home or business. You'll learn how to find and sterilize water in the face of utility failure, as well as practical information for dealing with water-quality issues even when the public tap water is still flowing. You'll learn alternative techniques for healing equally suited to an era of profit-driven malpractice as to situations of social calamity. Each chapter (a survey of the risks to the status quo; supplies and preparation for short- and long-term emergencies; emergency measures for survival; water; food; shelter; clothing; first aid, low-tech medicine, and healing; energy, heat, and power; metalworking; utensils and storage; low-tech chemistry; and engineering, machines, and materials) offers the same approach, describing skills for self-reliance in good times and bad. Fully revised and expanded—the first edition was written pre-9/11 and pre-Katrina, when few Americans took the risk of social disruption seriously—When Technology Fails ends on a positive, proactive note with a new chapter on "Making the Shift to Sustainability," which offers practical suggestions for changing our world on personal, community and global levels.

Risen Mortallic Flesh-Jeremiah Leviathan 2013-11-05 The original romantic comedy with zombies, following an unusual gentleman by the name of Asmodeus Dusk, and his efforts to survive as the world succumbs to apocalypse. His journey leads him across much of Colorado, through multiple locations in and around the Rocky Mountains, and to a hidden military research base coined YESRAD near Mayday. Amid the stench of mobile corpses, he finds love gazing at him from behind the barrel of a .357 Magnum... Is she more than meets the eye? How long will civility hold true? Are there unseen forces at work? What answers, if any, could YESRAD have?

The student's English dictionary, the pronunciation adapted to the best modern usage by R. Cull-John Ogilvie 1865

Reath-Justin Jones 2012-03-27 With the ancients gone the world has come into the rule of five new races. It is an age of feuding as all races mistrust and war with each other. There is a prophecy, one that says that a single being of one of the races shall unite all others in a time of great peril. Well the peril has arrived in the form of a daemon of corruption, tainting those who seek her favour, for her favour is equal to power. The

one chosen by prophecy must leave the life he knows to seek out his destiny, by uniting the once warring races of Reath into a single force. For this is the only way to send the daemon back to her realm and save all of Reath. It must be a world united, or it will be a worlds end.

Sanctuary-Nora Roberts 1998-05-01 From #1 New York Times bestselling author Nora Roberts comes a seductive and suspenseful novel of dangerous liaisons and family betrayals...

Photographer Jo Ellen Hathaway thought she'd escaped the house called Sanctuary long ago. She'd spent her loneliest years there, after the sudden, unexplained disappearance of her mother. Yet the sprawling inn on an island off the Georgia coast continues to haunt her dreams. And now, even more haunting are the pictures someone is sending her: strange close-ups and candids, culminating in the most shocking portrait of all—a photo of her mother—naked, beautiful, and dead. Now Jo must return to the island, and to her bitterly estranged family. With the help of Nathan Delaney—who was on the island the summer her mother disappeared—Jo hopes to learn the truth about the tragic past. But Sanctuary may be the most dangerous place of all.

Where you can find the very best burgers in America 21 varieties of apples you must try Lamb fries—eat or avoid? The country's primo pizza parlors And more!

Escape the guilt and anxiety propagated by our puritanical, diet-obsessed society and indulge yourself with Eat This!

Guide to Marine Life-Marty Snyderman 1996 A layman's guide to identifying and understanding the marine life while scuba diving.

Valkyrie's Vengeance-Melissa Snark 2015-01-23 Norse & Viking Mythology, Paranormal & Urban Fantasy Love between wolf shifters and hunters is forbidden for good reasons, but Valkyrie Victoria Storm never imagined her star-crossed affair would ignite a war. With the thirty-year alliance between their peoples shattered and hundreds dead, blame falls squarely on her.

Forced to atone for her mistakes, she leads her ragtag pack of werewolves to what should be safe haven. Homeless, hungry, and hunted, it's their last hope. The Hunter King ruins Victoria's plans when he arrives in town. She and her pack should run, but the goddess Freya has other ideas. Children are missing. Victoria is tasked with joining the Hunter—her enemy—to stage a rescue. Working together will either heal the rift between wolf shifters and Hunters or force them to tread separate paths forever. PRAISE FOR THE LOKI'S WOLVES / RAGNAROK: DOOM OF THE GODS SERIES: This book is a great time! It combines all the best elements of the paranormal with aspine-chilling mystery. Although short, it is a well-told story full of twists and turns. The author has a light easy-going touch with a descriptive style that draws the reader into the action. Although a little light on the shape-shifting aspect of the characters, the story explores other aspects of the supernatural, drawing inspiration from Viking mythology. This use of mythology in a modern way opens up a plethora of new ideas for the genre. "Valkyrie's Vengeance" is a nice easy read, perfect for unwinding after work or on a Sunday afternoon.

Lifestyles of the Rich and Undead-Katie MacAlister 2012-09-04 A delightful e-short story from New York Times and USA TODAY bestselling author Katie MacAlister, featuring the vampire hero of her novella "Shades of Gray," from the upcoming Pocket Books paranormal romance anthology The Undead in My Bed. Ladies, be sure to catch our interview with the reclusive, oh-so-sexy Dark One Grayson Soucek, when he talks to our reporter about what it's like to be one of the Otherworld's most eligible (and titled!) bachelors. Gray dishes all on what he's looking for in a permanent blood donor, his turn-ons and turn-offs, and what he likes on a date (hint—dinner in a romantic dungeon is one way to this vampire's heart). It's all in our next edition of Lifestyles of the Rich and Undead!

Life and Writings of Frank Forester (Henry William Herbert.)-Henry William Herbert 1882 An Irish Country Doctor-Patrick Taylor 2007-02-06 An Irish Country Doctor from bestselling author Patick Taylor is a charming and engrossing tale that will captivate readers from the very first page—and leave them yearning to visit the Irish countryside of days gone by. Barry Laverty, M.B., can barely find the village of Ballybucklebo on a map when he first sets out to seek gainful employment there, but already he knows that there is nowhere he would rather live than in the emerald hills and dales of Northern Ireland. The proud owner of a spanking-new medical degree and little else in the way of worldly possessions, Barry jumps at the chance to secure a position as an assistant in a small rural practice. At least until he meets Dr. Fingal Flahertie O'Reilly. The older physician, whose motto is to never let the patients get the upper hand, has his own way of doing things. At

first, Barry can't decide if the pugnacious O'Reilly is the biggest charlatan he has ever met, or the best teacher he could ever hope for. Through O'Reilly Barry soon gets to know all of the village's colorful and endearing residents, including: A malingering Major and his equally hypochondriacal wife; An unwed servant girl, who refuses to divulge the father of her upcoming baby; A slightly daft old couple unable to marry for lack of a roof; And a host of other eccentric characters who make every day an education for the inexperienced young doctor. Ballybucklebo is long way from Belfast, and Barry is quick to discover that he still has a lot to learn about the quirks and traditions of country life. But with pluck and compassion and only the slightest touch of blarney, he will find out more about life—and love—than he ever imagined back in medical school. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Traces the life and career of the celebrated filmmaker, discussing the inspiration behind his films and his controversial private life

Severed Souls-Terry Goodkind 2014-08-05

From the far reaches of the D'Haran Empire, Bishop Hannis Arc and the ancient Emperor Sulachan lead a vast horde of Shun-Tuk and other depraved "half-people" into the Empire's heart, raising an army of the dead in order to threaten the world of the living. Meanwhile, far from home, Richard Rahl and Kahlan Amnell must defend themselves and their followers from a series of terrifying threats, despite a magical sickness that depletes their strength and which, if not cured, will take their lives...sooner rather than later. "Richard saw the point of a sword blade sticking out from between the man's shoulder blades. He spun back toward Richard after throwing the woman out of the opening,

ready to attack. It seemed impossible, but the man looked unaffected by the blade that had impaled him through the chest. It was then, in the weak light from the fire pit off to the side, that Richard got his first good look at the killer. Three knives were buried up to their brass cross-guards in the man's chest. Only the handles were showing. Richard saw, too, the broken end of a sword blade jutting out from the center of the man's chest. The point of that same blade stuck out from the man's back. Richard recognized the knife handles. All three were the style carried by the men of the First File. He looked from those blades that should have killed the big man, up into his face. That was when he realized the true horror of the situation, and the reason for the unbearable stench of death." From Terry Goodkind, author of the Sword of Truth series, comes Severed Souls, a New York Times bestselling novel of Richard Rahl, Kahlan Amnell, and their world. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Worst-Case Scenario Survival Junior Bundle-David Borgenicht 2011-11-18

This three-book bundle includes: The Original Junior Edition, the Extreme Junior Edition, and the Weird Junior Edition. The phenomenally successful Worst-Case Scenario series provides kid-friendly, hands-on, step-by-step instructions for outwitting a nosy sibling, surviving a school dance, cleaning your room in a snap, dealing with an irritated parent (recognizing the tell-tale signs!), and more.

Braces. Bullies. Chores. Childhood is chock-full of perils--but finally here's something to come to the rescue.
