Word Dances Iv: The Romance of the Dance-Joseph Michael Sepesy 2017-12-20 In the fourth book in his Word Dances series, Sepesy continues his exploration of social ballroom dancing and romance through the elements of the music, lyrics, and graceful movements that often prompt couples to fall in love. Within varied verse, inspirational thoughts, and anecdotes, Sepesy begins by reflecting on the serendipitous dance that often occurs as couples discover a mutual attraction. While moving through the various stages of romance and falling in love, Sepesy unearths the beauty and joy of ballroom dancing as couples embrace affection and desire. The author's verses also include recommendations for musical selections that will enhance verse themes, moods, and of course, dancing. Word Dances IV shares verses and reflections that explore the glorious coupling of true love and dance that is celebrated far beyond the ballroom floor.
